INDEPENDENCE DAY CELEBRATION - 2019

Date: 15.08.2019

BLDE (Deemed to be University) held its head high on the auspicious occasion of the 73rd Independence Day. The day was indeed a trigger of patriotism and pride dedicated to our beloved country as celebrated in the university auditorium.

The celebration began with a huge gathering of teaching and non-teaching staff; doctors and HODs of various departments of the college and hospital; and the students of the medical college in front of the university office at 7:30 A.M. with the honourable Vice-Chancellor of the BLDE (Deemed to be University) as the chief guest and the enthusiastic and energetic principal of the medical college was present in the gathering. 2nd phase MBBS students coordinated the event.

A parade was also present to mark the event as a more patriotic one rather than being just formal. At around 8:00 A.M., the National Flag was hoisted by the chief guest with the National Anthem followed by a choir of the college.

Thereafter, everyone headed towards the college auditorium for further celebration. This was followed by an inspirational speech by the chief guest, honorable Vice-Chancellor. Following this, the students expressed their views and spoke on the idea of independence and the struggle our countrymen went through to achieve it. The students also stressed on the fact that despite being independent, how bound we are to the generalised problems like poverty, unemployment, corruption to name a few. An eye-opener, this speech was full of a reality check.

Classic patriotic songs and patriotic dance by the students filled the air with patriotism. The celebrations ended with the national anthem by the audience.
