[Declared as Deemed-to-be-University u/s 3 of UGC Act, 1956 vide Government of India Notification No. F.9-37/2007-U.3(A)]

The Constituent College

SHRI. B. M. PATIL MEDICAL COLLEGE, HOSPITAL AND RESEARCH CENTRE

## Department of Physiology

### Curriculum of the Value added course in basics of Kannada for day to day communication and interaction with patients

#### **Preamble:**

MBBS course is a professional course for becoming a doctor. One of the essential skills required to be gained is communication skills. Good communication between the treating doctor, attendees and society adds significant value to the confidence of patients and students as well. Our institute has been conducting the program of teaching basic kannada language and spoken kannada for the first year students since many years religiously and large number of non kannadiga students have benefitted by this program.

In the view of UGC guidelines regarding conduction of value added courses focusing the needs of students, and as a method to bridge the gap between students and local community this course is modified and offered as value added course with choice based credits for the teaching learning hours and for the assessment to certify regarding successful completion of the course.

#### **Goal:**

The Students should acquire knowledge of local language (Kannada) to communicate with people in general and with patients in particular to render proper patient care during course of their study and future.

#### **Objectives:**

A) **Knowledge:** At the end of MBBS Phase I Course, the student is expected.

- 1) To know the basics of Kannada language.
- 2) To communicate and interact in Kannada language with patients, local people and Kannada Knowing colleagues.

B) **Skill:** At the end of MBBS Phase I course, the student is expected.

- 1) To identify the meaning of spoken Kannada words and sentences
- 2) To acquire communicative skills.
- 3) To be compassionate towards patient in treatment delivery.
