**EVENT : DEMONSTRATION OF VIRTUAL PATIENT SIMULATION SOLUTION**  
**(Body Interact online Demonstration) 26<sup>th</sup> November 2020.**

Nasco Health Care USA has organised 01 day Demonstration of Virtual Patient Simulation Solution (Body Interact online Demonstration) at Department of Simulation Lab, BLDE (DU), Shri.B.M.Patil Medical College Hospital and Research centre on 26<sup>th</sup> November 2020.

The training was for to understand how BI(Body Interact) software is used to solve a clinical scenario in an Emergency Room.

The virtual session was handled by Mr. Manan Kalia, Regional Director for Middle East, Africa and South Asia, Nasco Health Care, USA.

Body Interact offers virtual clinical scenarios that mimic reality to accelerate critical thinking. It offers didactic clinical education using realistic patient cases with comprehensive feedback and scoring reviewed by experts across all major specialties. Different package solutions are available which cater to medical, nursing, paramedic and EMT professions. Body Interact offers access to a complete learning management system called the BI Studio, allowing the instructors to run and manage scenarios while being away from their respective institutions or simulation centers.

Faculties from Department of Paediatrics, Surgery, Obstetrics, Anaesthesia, Medicine and Orthopedic and Emergency Medicine were actively participated.

The program was supervised by Dr. Aravind V. Patil, Chairman Simulation Lab, BLDE (DU), Shri.B.M.Patil Medical College Hospital and Research centre, Vijayapura.
