Subject: Invitation to attend Webinar on Anti- Ragging Complaints - Inquiry, Procedure and Compliance

To:

Greetings from EduLegal!

Ragging is a menace in several educational institutions that has and continues to affect countless promising lives. Despite prevalent laws and stringent punitive consequences, ragging continues to plague our educational institutions for reasons including lack of awareness, non-compliance with prescribed procedures and inability to enforce regulations.

Regulatory Authorities like UGC / AICTE as well as State Governments have framed legislations to curb the incidents of ragging. However, we have noticed deficiencies in compliance with the law and other legal principles, more particularly in different related processes especially while conducting an inquiry into complaints related to incidents of ragging involving documentation, recording/analysis of evidence, report writing amongst others. This can prove to be precarious as procedural errors and non-compliance may vitiate the entire inquiry and render justice unserved.

As a socio-legal initiative aimed at creating awareness about the procedure and compliance involved in inquiring into anti-ragging complaints, EduLegal is organising a Webinar on **3<sup>rd</sup> April 2021**, encompassing aspects of 'Anti-Ragging Laws' 'Procedure to Inquire into Complaints', 'Compliance' and 'Report Writing'.

The details of the webinar are as follows:

Topic	Anti-Ragging Complaints: Inquiry Procedure & Compliance
Date   Time   Platform	03.04.2021   04.00 PM   Online

## Dr. Ramesh Pokhriyal 'Nishank' Demand For Grants Address for Ministry of Education for 2021-22

1 message

Dr. Ramesh Pokhriyal 'Nishank'- Minister of Education, Government of India <edu.minister-office@gov.in> Mon, Mar 22, 2021 at 8:07 PM

To: bmpmc.principal@bldedu.ac.in

Dear Madam/Sir,

Wish you Happy Holi in advance!

I am glad to share that the Lok Sabha, on Tuesday, 16th March 2021, has passed the Demand for Grants for the Ministry of Education for F.Y. 2021-22 by voice vote.

The discussion entailed the National Education Policy 2020, formulated under the astute leadership of the Hon'ble Prime Minister, Narendra Modi Ji. The NEP has the power to transform India into a vibrant knowledge society and global knowledge superpower by making both school and higher education more holistic, flexible, multidisciplinary.

The treasures of the Indian Education system are the most valuable; thereby, even at the time of the pandemic, we have been able to sail through all the odds by providing multi-modal access to education through DIKSHA, SWAYAM PRABHA, community radio and Shiksha Vani podcast.

It was a pleasure to see the active participation of the Hon'ble MPs. I am thankful to all the honourable MPs who have passed the demand for grants while participating fully in strengthening the Indian Education System at par with the global level.

My response to the discussion on demand for grants is available here : [Click Here](#)

I would also like to take this opportunity to invite suggestions from you for improving the education landscape of India. Please provide your suggestions here: [Click Here](#)

Warm regards,  
Ramesh Pokhriyal 'Nishank'

UGC in its Notice dated 19.03.2021 has asked states to take strong measures to implement the Anti Ragging Regulations in your state and take stringent action against those flouting the guidelines. UGC has also requested that to ensure that the concern regarding "Ragging" is addressed in a time bound manner and your state become a "Ragging Free State" at the earliest.

It reminded the states about UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009" which was framed pursuant to the Judgement of the Hon'ble Supreme Court of India, are to be mandatorily

March 19, 2021

Dear Sir/Madam,

In pursuance of the Judgment of the Hon'ble Supreme Court of India dated 8/5/2009 in Civil Appeal No. 887/2009, the University Grants Commission framed "UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009" and are to be mandatorily followed by all universities and colleges. The Regulations are available on the UGC website i.e. [www.ugc.ac.in](http://www.ugc.ac.in). A nationwide toll free anti-ragging helpline 1800-180-5522 in 12 languages has been established which can be accessed by students in distress due to ragging. Ragging is a crime and top most priority has to be accorded to stop it immediately. The Commission has made it mandatory for all institutions to incorporate in their prospectus the directions of the Government regarding prohibition and consequences of ragging.

In this regard, from time to time, UGC has been issuing necessary advisories to all educational institutions which are available on UGC website. In spite of all these measures, we are yet to completely eliminate the menace of ragging. This is adversely affecting the higher education system of the country. I, therefore, request you to take strong measures to implement the Anti Ragging Regulations in your state and take stringent action against those flouting the guidelines.

Once again, may I request for your kind intervention in the matter to ensure that the concern is addressed in a time bound manner and your state become a "Ragging Free State" at the earliest.

With kind regards,

Yours Sincerely,

(Rajnish Jain)
