2. Review of Curriculum of Allied courses:

Normally curriculum is revised once in 3 years as per the norms. Accordingly, we have revised the Allied programme curriculum i.e. B.Sc. MIT under Graduate Programme. This syllabus has been revised by following choice based credit system (CBCS) as per the guidelines of UGC. This will help the students for their academic progression.

The Course coordinator suggested that the intake of B.Sc. MIT programme has to be increase from 15 to 20 because this programme is skill and job oriented programme, it will help the students to get the jobs in the health industry and also every year we are receiving more number of applications. All the members are anonymously accepted and recommended to University for needful action.
