Subject : Report of the P.G. Orientation Programme

Respected sir,

The P.G. Orientation programme was conducted for the new batch of Postgraduate students, from 03-07-2018 to 05-07-2018.

The topics were selected according to the anticipated curricular & co-curricular needs of fresh postgraduate students and also taking into consideration the feedbacks obtained from the participants of the previous academic years PG Orientation programme. The resource persons dealt impeccably with their topics striving to make their talks interesting & interactive.

The programme was inaugurated by Dr Akram Naikwadi, Prof & HOD of Pharmacology, Honorable Dean R & D of BLDE (DU) Shri.B.M.Patil Medical College at 9-15 am. During his Inaugural address he emphasized on the importance of imbining moral values in education.

Total number of participant : 71

In addition to the session evaluation, Pre test & Post test, Postgraduates were requested to write & submit their reflections of their learning on all 03 days

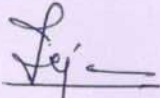

The suggestions received as feed back :

- 1) Synopsis writing & Dissertation writing session should be placed first before lunch because it is very important.
- 2) Synopsis writing activities is very good & How to present a good seminar & A-V aid sessions are good.
- 3) Time given is less for hands on training
- 4) Literature search session helped a lot because we used find it difficult before, after the session it became easy.

Feedback from students

Highlights of Feedback by the students are as follows-

All the sessions were very good

They enjoyed the BLS and skill session the most

They even felt it was good for community visits and interaction with health workers

But the general opinion of majority of students is the one-month course of Foundation is too long, it should be minimized to 15 days.
