### VISION & MISSION

- **Excellence in all our endeavors.**
- **Committed to provide globally competitive quality medical education.**
- **Provide the best health care facilities in this backward region, in particular, to socially disadvantaged sections of the society.**
- **Constantly striving to become a reputed research University with world-class infrastructure, latest tech-tools for teaching/research and adopting global best practices.**

## ABOUT US

### THE SPONSORING SOCIETY 'BIJAPUR LINGAYAT DISTRICT EDUCATION ASSOCIATION'

BLDE Association was established in 1910. It is committed to the cause of imparting quality education from primary to university in the backward region of North Karnataka. The Association is nurtured and shaped by great visionaries- Dr.P.G.Halakatti known as 'Vachana Pitamah' in Kannada Literature, Shri Shri Sanganabasaveshwar Maha Shivayogigalu of Banthanal, a great religious leader and Dr. B. M. Patil, a great statesman. Presently, the Association is guided by Dr.M.B.Patil, a young and dynamic leader.

### BLDE UNIVERSITY

BLDE University came into existence on 29/2/2008 with the sole objective of providing quality Medical Education and meeting health care needs of the people in this backward region of North Karnataka. Shri B. M. Patil Medical College, Hospital & Research Centre is the only constituent college of the university, was established in 1986. It has unitary campus of 55 acres with 24 departments and a teaching hospital with 1125 beds.

The University offers UG Programme-MBBS (with an intake of 150 students), B.Sc. (MIT), PG Programmes in 18 disciplines, M.Sc. (Medical), PG Super Specialty Programme in Urology (M.Ch.), Ph.D. Programme in 14 disciplines and Innovative courses like Fellowship, Diploma and Certificate Courses in Medical and Allied Sciences. Research has received major thrust after being conferred with the Deemed to be University status. This has resulted in enhanced MoUs and Collaborations with reputed Universities and research institutes. Good number of research projects addressing social health care issues have been taken up and are yielding information which will be of direct benefit to the people of the region. The University Journal with international academics on its Editorial Board is being published by Wolters-Kluwer. (BJHS).

With the generous support from the Sponsoring Society, University has expanded infrastructural facilities- Third floor added to existing hospital building, newer facilities created like Modular operation theatres, ICCU, CCU, NICU, DSA, etc. Also, departmental buildings of Biochemistry, Anatomy and Microbiology have been expanded, and facilities upgraded.

University has been concentrating on enhancing ICT facilities, strengthening and upgrading training (Skills Lab.), research facilities (Central Research Lab, Vascular Lab, Molecular Biology Lab, Genetics Lab and Cadaver Lab). Digital Integrated Campus Networking on Optical Fibre.

This year, to the existing sports facilities, Swimming Pool has been added and Indoor Sports facilities is coming up. BLDE University has deep concern for health care facilities provided to socially disadvantaged sections of the society both in rural and urban areas. It is worth mentioning that University has established a very well equipped Rural Health Centre in the nearby village, Ukkali. Recently,

The Institute has been assessed by NAAC and accredited with CGPA of 2.90.
