Department of Psychiatry

Observation of World Schizophrenia Day:

The Department of Psychiatry observed **World Schizophrenia Day** on May 24th, 2023, to create awareness about schizophrenia illness in the community.

The Department of Psychiatry conducted an awareness program in the Psychiatry ward. Prof Santosh Ramdurg talked about Schizophrenia illness, clinical features, and the public's role in schizophrenia treatment. Prof. Chaukimath spoke on myths and facts about schizophrenia illness in the community. Dr Abdul Rafe expressed gratitude for allowing them to observe **World Schizophrenia Day**. The Postgraduate students, interns and patients appreciated the event and expect similar awareness programs for the betterment of Society and the individual. In addition, Manovijay Kalasagond created awareness by conducting a radio talk. More than 10 members' called and discussed schizophrenia illness.
