After the inaugurations and prize distribution, guest lecture delivered by Dr. Seema Biswaas, Editor in Chief, BMJ Case Reports.

She has explained about, the scenario of worldwide population affected by rare case diseases and living with rare diseases. Also, she briefed about the

- Causes of the rare disease whilst others are the result of infections (bacterial or viral), allergies and environmental causes or are rare cancers.
- Equity: for people living with a rare disease is equitable access to diagnosis, treatment, health, social care and opportunity.
- Global Health: Improve access to health care & improve quality in healthcare system.

- **Global Health Made Local:**
  - Scope**—Healthcare across barriers
  - Focus**—Addressing the whole patient
  - Approach**—Multidisciplinary team-based management
