BLDE (DU) - Overview

VISIONARIES

H. H. Shri. Banthanal Swamiji

Dr. Fa. Gu. Halakatti

Dr. B. M. Patil

FOUNDER OF THE UNIVERSITY

Dr. M. B. Patil B.E., Chancellor

ESTABLISHMENT

BIJAPUR LINGAYAT DISTRICT EDUCATIONAL ASSOCIATION (BLDEA)

BLDE Association was established in 1910. It is committed to the cause of imparting quality education from primary to university in the backward region of North Karnataka. The Association was nurtured and shaped by great visionaries Dr. P. G. Halakatti, known as 'Vachana Pitamah' in Kannada Literature, Shri Shri Sanganabasaveshwar Maha Shivayogigalu of Banthanal, a great religious leader and Dr. B. M. Patil, a great statesman. Presently, the Association is guided by Dr. M. B. Patil, a young and dynamic leader.

BLDE (Deemed to be University)

BLDE (Deemed to be University) came into existence on 29/2/2008 with the sole objective of providing quality Medical Education and meeting the health care needs of the people in this backward region of North Karnataka. Shri B. M. Patil Medical College, Hospital & Research Centre is the only constituent college of the university, was established in 1986. It has a unitary campus of 45 acres with 24 departments and a teaching hospital with 1125 beds.

The Institute has been offering: UG Programme - MBBS (with an intake of 200 students), B.Sc. (MIT), PG Programmes in 18 disciplines, M.Sc. (Medical), PG Super Specialty Programme in Urology (M.Ch.), Ph.D programme in 14 disciplines, and Innovative courses like Fellowship, Diploma and Certificate Courses in Medical and Allied sciences.

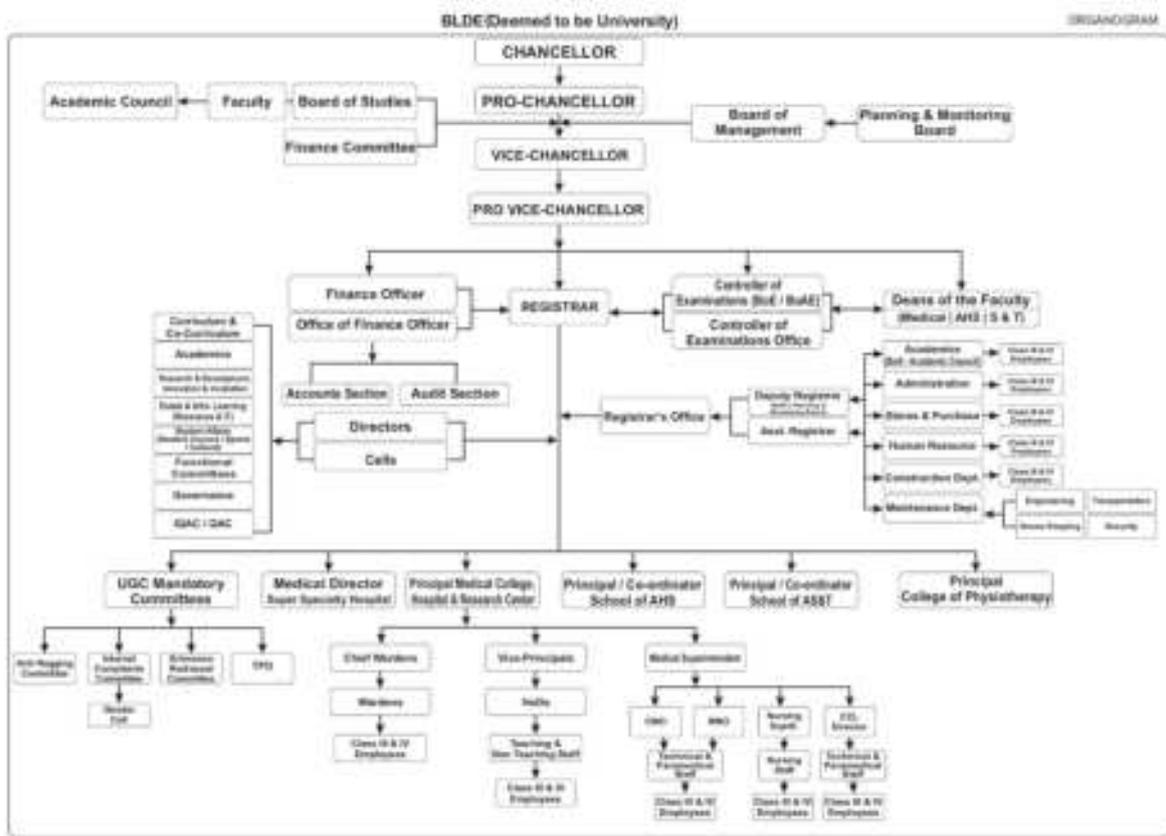

Research has received major thrust after being conferred with the Deemed to be University status. This has resulted in enhanced MoUs and Collaborations with reputed Universities and research institutes. A good number of research projects addressing social health care problems have been taken up and are yielding information that will directly benefit the people of the region. Wolters-Kluwer is publishing the University Journal with international academics on Editorial Board. (BJHS).

With the generous support from the Sponsoring Society, University has expanded infrastructural facilities - Third floor added to the existing hospital building, newer facilities created like Modular operation theatres, ICCU, CCU, NICU, DSA, etc. Also, the departmental building of Biochemistry, Anatomy and Microbiology have expanded, and facilities upgraded.

University has been concentrating on enhancing ICT facilities, strengthening and upgrading training (Skills Lab.), research facilities (Central Research Lab, Vascular Lab, Molecular Biology Lab, Genetics Lab and Cadevar Lab). Digital Integrated Campus Networking on Optical Fibre.

This year, a Swimming Pool has been added to the existing sports facilities, and Indoor Sports facilities are coming up.

BLDE (Deemed to be University) has a deep concern for health care facilities provided to socially disadvantaged sections of the society, both in rural and urban areas. It is worth mentioning that University has established a very well-equipped Rural Health Centre in the nearby village, Ukkali. Recently, the Institute has been assessed by NAAC and accredited with a CGPA of 2.90.

VISION & MISSION

Vision :

To be a leader in providing quality medical education, healthcare & to become an Institution of eminence involved in multidisciplinary and translational research, the outcome of which can impact the health & the quality of life of people of this region.

Mission :

- To be committed to promoting sustainable development of higher education, including health science education consistent with statutory and regulatory requirements.
- To be centre of excellence with a thrust on multidisciplinary and translational research.
- Make use of academic autonomy to identify dynamic educational programs.
- To adopt a global concept in education in the health care sector.

GOALS AND OBJECTIVES

GOALS

- Excellence in all our endeavours.
- Committed to provide globally competitive quality medical education.
- Provide the best health care facilities in the backward region, in particular, to socially disadvantaged sections of the society.
- Constantly striving to become a reputed research university with world-class infrastructure, latest tech-tools for teaching / research and adopting global concepts in education in the healthcare sector.
- To be committed to promote sustainable development of higher education including Health science education, consistent with the statutory and regulatory requirements.
- Reflect the needs of changing technology and make use of the academic autonomy to identify the academic programs that are dynamic.

OBJECTIVES

- To provide for instruction and training in such branches of learning and education as it may deem fit.
- To undertake extramural studies, extension programmes and field outreach activities to contribute to the development of society.
- To do all such other acts and things as may be necessary or desirable to further the objects of the Institute.
- To provide education in medical and health sciences or any other branches that will imbibe human qualities in our students to enable them to practice medicine and health care prudently and equitably.
- To endeavour to improve the quality of undergraduate and postgraduate education by providing necessary infrastructure and learning resources required.
- To encourage the use of learner-oriented methods that would cultivate logical thinking, clarity of expression, independence of judgment, scientific habits, problem-solving abilities, self-initiated self-directed and life learning.
- To encourage innovations in education, teaching methods, student assessment and extension service.
- To provide an educational experience that allows hands-on-experience both in institutional as well as in a community setting.
- To encourage the development of scientific temper, acquire educational experience for proficiency in the profession, and promote healthy living.
- To continually display sensitivity and respond to changing educational, social, and community needs.
- To enable to become exemplary citizens by observation of the moral and ethical code of conduct and fulfilling social and professional needs as to respond to national aspirations.
- To plan and implement transparency and accountability in the governance of academic and administrative activities.
- To promote staff-student welfare programmes.
- To promote public-private partnership in various fields including health care.

- To provide for interaction in training and research programmes with concerned national or international institutes such as University / Board / R & D Organizations / Centres of excellence such as ICMR, AIIMS, NIMHANS, etc.
- To introduce the short-term courses for the award of PG Diploma and certificates from the proposed University.
- To evolve distance education programmes or modularly designed programmes leading to degrees that can be awarded on a credit-accumulation basis in the Deemed University system.
- To create an academic and administrative structure in tune with the changing needs of the society, to enable the growth of each institution of the University into a centre of excellence.
- To promote and sustain international collaborations with institutions, including twinning programs and award of degrees/diplomas.
- To bring in all aspects of creative human activities in medical and allied sciences such as art.
- To organise and promote conferences, seminars, lectures, public debates and exhibitions in matters relating to education.
- To give awards, prizes and scholarships to promote the objectives.
- To form centres at convenient places and promote the objectives.
- To promote education research, training and professional development in medical, bio-medical or any branches of education.
- To collaborate with individuals or universities outside India for the purpose of research, education and extension of knowledge.
- Assist the government in the formation and implementation of policies relating to health promotion.
- To promote educational activities in habitat related environmental issues such as human waste management, hospital and other medical waste management. To promote educational activities in habitat related environmental issues such as pollution, energy and its conservation.

GROWTH AND DEVELOPMENT

The institution realizes the importance of listing the opportunities for its growth, and development at a global level. It also realizes the importance of creating new opportunities and to convert the weaknesses into strengths.

Selected few opportunities for BLDE (DU) are as follows:

- To be a multi faculty university aiming at the introduction of other health science discipline like nursing, dentistry, physiotherapy, pharmacy institutions and accordingly to enhance through diverse multi faculty interdisciplinary programs.
- To enhance collaborations with NGOs, philanthropists to contribute towards student free ships, and scholarships.
- Exploring the financial assistance from NGOs, industry, corporate sectors to undertake clinical research, community health care projects, outreach and student support.
- To enhance international collaborations for faculty and student exchange, collaborative research and clinical trials.
- Utilization of rich clinical material and excellent infrastructure for research.
- Enhance quality research publications.
- To strengthen innovative council to nurture the creativity of students/faculty leading to innovations, patents and start-ups in the field of clinical practice and community health care.
- Strengthening of alumni-institution network for enhancing teaching and training.
- Scope to introduce new fellowships, certificate and value-added programs on emerging, new frontiers of biomedical engineering and digital based clinical practices.
- To establish Centre for collection and evaluation of health status and health care availability and need of the region so as to codify the health determinants applicable to an Indian backward area scenario in contrast to western standards.
- To establish trauma care center to deal with increase in number of road accidents and industrial disasters.
- To establish center for communicable disease with special reference to emerging viral infections and their management.
- To establish department of oncology and radiation therapy in view of increases incidence of cancers.
- To strengthen a center for nutrition and dietetics with special reference to local food habits.
- To enhance the infrastructure of medical college and support facilities keeping view the expansion of university.
- To bring the university peer reviewed journal indexed in UGC care list to bring under the international indexed journal.

3. STATUTORY

A) OFFICERS OF THE UNIVERSITY

Dr. M. B. Patil, Chancellor, BLDE (Deemed to be University)

Dr. M. B. Patil, a dynamic and able leader, is the chancellor of BLDE (Deemed to be University) Vijayapura and the President of the Sponsoring Society, BLDE Association.

Dr. M.B. Patil took over the mantle of the BLDE Association as its President at a very young age. With vision and grit, he further expanded the activities of BLDEA by establishing quality educational institutes of higher education, including BLDE (Deemed to be University) in 2008. His efforts have significantly boosted the educational infrastructure in Vijayapura and Bagalkot districts.

Today, BLDE (Deemed to be University) stands tall in Health Sciences Education. Under the guidance of Dr. M. B Patil, Shri B M Patil Medical College Hospital and Research Centre, the constituent college of the BLDE (Deemed to be University), has transformed as the hub of Health Sciences and emerged as one of the top medical colleges in the country.

Dr. Y. M. Jayaraj, Pro-Chancellor, BLDE (Deemed to be University)

He has 47 years of rich experience in teaching, research and educational administration. With Master's & Doctoral Degrees in Medical Microbiology, he has served Gulbarga University for 35 years in the field of Higher Education, especially as the Professor of Microbiology and Biotechnology, Dean of the Faculty of Science & Technology and Director (Development). He has served as Chief Advisor to Hon'ble Chancellor, Dr. D. Y. Patil Vidyapeeth, Deemed to be University, Pimpri, Pune, (accredited 3rd Cycle of NAAC with A++ Grade CGPA of 3.64.) during 2021 & 2022. He has served as the Vice Chancellor of Pravara Institute of Medical Sciences Maharashtra, (Deemed to be University) and Pro Vice Chancellor of Sri Balaji Vidyapeeth Pondicherry during 2017-2021. He has committed himself to the Quality in Higher Education and served as Officer on Special Duty at the Quality Assurance Cell of Department of Higher Education, Govt. of Karnataka for five years. He was involved in accreditation of both Govt & Private Institutions in India and Autonomy to Colleges Since 2002.

He has guided 15 students for their Ph.D Degree. He was also a M.Phil. Guide. He has Published 100+ Research Articles and Successfully Completed his Sponsored Research Projects. He was instrumental in Introducing M.Sc. Biotechnology for the first time in Karnataka in 1994-95 as First Co-Coordinator of Biotech Centre, Gulbarga University. He is the Member of BOM /AC of Several Universities. He has delivered 100+ Key Note Addresses in Seminars & Workshops. He was actively involved in the drafting of New NAAC Manual for Health Sciences Universities & Colleges and Present Manual for AQAR.

He has conducted 500+ National Seminars/Symposia/Workshops/ Conferences on "Quality Perspectives Related UGC & NAAC throughout India. He is actively involved in the aspects related to "Quality Assurance and Good Governance in Higher Education."

Prof. Dr. R. S. Mudhol, Vice-Chancellor, BLDE (Deemed to be University)

Prof. Dr. R. S. Mudhol is a well-known ENT surgeon and a popular teacher. He has completed his MBBS & MS-ENT Degrees from KMC, Hubli. He has a vast experience of over 35 years in Medical Education & Patient Care, holding various positions such as Professor, Head of the Department, Vice Principal, Medical Superintendent, Director of Hospital Administration and Dean, Faculty of Medicine. He has 52 publications to his credit, published in national & international journals with high impact factor, contributed two book chapters, and is a peer reviewer of reputed ENT journals. He has guided 06 students to Ph.D degrees and currently 02 are pursuing them. He has contributed immensely to higher education institutes as Board of Studies Chairman, Member of the Board of Management, Planning and Monitoring Board and Academic Council of KLE/BLDE Universities. Prof. Mudhol has attended and presented many papers at various National/ International Conferences. He has organized the CME/Workshops/ Faculty Development Programmes. He is a recipient of a Fellowship in Otolaryngology from New York University and Minnesota University, USA. He is a member of the LION-Live International Otolaryngology Network and was invited to a fellowship program in Otolaryngology. At his credit are many academic collaborations with national and international institutions like Causse Ear Clinic, Beziars, France, Vijay ENT Care hospital, Bangalore, MIMER Institute, Pune etc. Karnataka Science & Technology Academy, DST, Government of Karnataka awarded him an Honorary Fellow. He served as a Subject Expert on the Selection Committee of the Goa Public Service Commission. With this vast academic, research and administrative experience, he recently joined BLDE (Deemed to be University) as Pro Vice-Chancellor in February 2021 and was appointed Vice-Chancellor in July 2021.

Recently, he was invited among the selected VCs to join 'Akhil Bharatiya Shiksha Samagam', 7th to 9th July 2022, in Varanasi.

B) OFFICERS OF BLDE DU

Prof. Dr. Arun C Inamadar,
Pro Vice-Chancellor

Dr. R. V. Kulkarni,
Registrar

Dr. S. S. Devarmani,
COE

Dr. Arvind V. Patil
Principal and Dean, FoM

Dr. M. M. Patil
Director, R & D Cell

Dr. S. V. Patil
Dean, FoAHS

Dr. Anand P. Ambali,
Dean, Student Affairs

Dr. Lata Mullur,
Co-ordinator/Director, IQAC

IMPORTANT DECISIONS & RESOLUTIONS

58TH MEETING HELD ON APRIL 18, 2022

AGENDA

1. Confirmation of minutes of the 57th meeting of BOM
Resolution: Confirmed and approved.
2. Action Taken Report of the 57th meeting of BOM
Resolution: Accepted.
3. For Consideration and Decision:
 - a. Proceedings of 29th meeting of Finance Committee:

The Hon'ble Vice-Chancellor briefed the important resolutions of the 29th meeting of Finance Committee held on 11th April, 2022:

- Fixation of the Limits of Recurring and Non-recurring Expenditures (budget Proposal) of the Deemed to be University for the Financial Year- 2022-23:
 - i) Budget Proposals 2022-23 (Revenue Earnings)
 - Budgeted total Recurring Earnings of the University is Rs.30394.06
 - Fees collection is budgeted at Rs.24500 Lakhs
 - Earnings from Solar Power Project is budgeted at Rs.400.00 Lakhs
 - ii) Budget Proposals 2022-23 (Revenue Expenditures)
 - Manpower Costs is budgeted at Rs.8903.21 Lakhs
 - iii) Budget Proposals 2022-23 (Investments)
 - The University has set aside an amount of Rs.3728.00 lakhs towards Budgeted Capital Expenditure
 - iv) Revision of Ph.D. fees from the Academic Year 2022-23.

Dr. Chandrakant Kokate, Hon'ble Member asked to present the budget proposal percentage wise and in detail.

The Finance Officer presented the Budget Statement before the Board and explained the important points.

Dr. Y. M. Jayaraj, Hon'ble External Member suggested the Finance Officer to present it in Tabular Format and suggested few corrections to be incorporated.

Resolution: Approved.

b. Proceedings of 24th meeting of Internal Quality Assurance Cell (IQAC):

The Registrar briefed the Board about the important points discussed in the 24th meeting of IQAC held on 13th April, 2022 and put before the Board for approval. The following are the important resolutions:

- To conduct AAA in the month of August – 2022
- It was proposed to invite the suggestions from all Faculty Members to suggest 2 best practices on scrutiny by the Committee suitable prizes shall be awarded.
- It was resolved to take curriculum revision in respective Board of Studies then to Academic Council.

- The workshops to be organized as suggested by the External Expert on impact analysis to train all the Members of the Impact Analysis Committee.
- The status of AQAR 2020-21 and on validation by the external experts, it will be submitted

The Hon'ble Vice-Chancellor briefed the Board about the steps taken to motivate the students and faculty members to suggest 'Best Practices' of the institute. This year, the University got the permission for M.D. Geriatrics programmes. The hospital developed the geriatric care long back as a Best Practice. The Chairman shared the steps planned for set-up of Geriatric Clinic with all facilities under one roof and home care facilities to the old age people to their door step. He also asked the suggestions of the External Members for further improvement and distinct practice of Geriatrics.

Responding to it, Dr. Vivek Jawali, Hon'ble Member suggested to depute Faculties of Geriatrics Medicine to higher centers for training and for know-how to improve the quality of patient care of geriatric people in large and brand building. He also suggested to start course 'Physician Assistant' & 'Nurse Practitioner'.

Dr. Y. M. Jayaraj, Hon'ble Member suggested to start the Geriatric Home Care and Geriatrics Centre for age old people for providing medical and nursing care. This will help the institution to grow financially and increase the perception.

The Hon'ble Vice-Chancellor informed that the University is in process of signing the MoU with SDM University for collaborative research. The team from the SDM visited the University and discussed the possibilities of the collaboration.

Resolution: Approved.

c. Applying for 12(B) status by UGC:

The Registrar informed the Board that the University is in process of preparation of proposal for applying for 12(B) status by UGC. He explained that the 12(B) status makes a University eligible for central assistance from the Government of India or any organization receiving funds from the Central Government. Further, 12(B) status would be very helpful in securing central funds for the implementation of 'UGC Quality Mandate: suggestive academic activities' especially under 'Scheme for Trans-disciplinary Research for India's Developing Economy (STRIDE)'; one of the UGC's 11 Quality Mandates.

Resolution: Approved.

d. Conduct of Academic & Administrative Audit (AAA):

As per NAAC Guidelines mandates that the University shall conduct the Academic & Administrative Audit (AAA) every year. The Committee will be constituted as per norms and will complete the audit as per the NAAC Criteria.

The Hon'ble Vice-Chancellor asked the external member to suggest the names of the experts having professional and academic excellence.

Resolution: Approved.

e. Sanction of various full time teaching posts for constituent college for the Academic Year 2022-23:

The Registrar informed that the various programmes under the Faculty of Medicine & Allied Health Sciences is being offered by the University. For appointment of Faculty Members, the NMC Regulations, for Allied Health Sciences UGC Regulations are being followed and University Rules.

To maintain the statutory compliance every year, we have to calculate the sanctioned strength and appoint the staff as per requirement. Accordingly, for the Academic Year 2022-23 the sanctioned strength has been proposed:

| Proposed sanctioned posts for the Academic Year 2022-23 | | | | | |
|---|---------------------------------|--------------------------------------|---|---------------------------|-------------------------------------|
| Sl. No. | Designation | Sanctioned Post as per NMC (2021-22) | Sanctioned Posts as per BLDE (DU) (2021-22) | Filled-up Posts (2021-22) | Proposed sanctioned Posts (2022-23) |
| 1. | Professor | 23 | 76 | 76 | 78 |
| 2. | Associate Professor | 63 | 62 | 62 | 64 |
| 3. | Assistant Professor | 94 | 77 | 77 | 78 |
| 4. | Senior Resident | 53 | 64 | 61 | 75 |
| 5. | Tutor/Lecturer/ Jr. Lecturer | 40 | 35 | 35 | 35 |
| Total | | 273 | 314 | 311 | 330 |

The Board resolved to approve to sanction full time teaching posts for constituent college for the Academic Year 2022-23. Further, authorized the Vice-Chancellor to add or withdraw the posts as per requirements.

Resolution: Approved.

f. Admission Notification for UG, PG & Ph.D. programmes for the Academic Year 2022-23 under the Faculty of Medicine & Allied Health Sciences:

As per the NMC and UGC Guidelines, every year we notify the admissions for various UG, PG & Ph. D. programmes / course under the Faculty of Medicine and Allied Health Sciences, the Board is requested to approve this year Admission Notification.

Resolution: Approved.

g. Common University Entrance Test (CUET) for UG programmes in Indian Universities:

The Registrar informed the Board that the UGC through its letter vide D. O. No. 2-17/2022 (CPP-II) dtd. 27.03.2022 invited the attention of the Vice-Chancellors/ Director of all Universities / Institutions to its Public Notice issued on 21.03.2022 regarding conduct of Common University Entrance Test (CUET) for admission in UG / PG programmes from the Academic Year 2022-23 in all UGC funded Central Universities. The CUET will be conducted in 13 Indian languages by the National Testing Agency (NTA).

And also stated that in the letter, that UGC invites and encourages all state universities, deemed to universities, private universities and other HEIs to adopt and use CUET score from 2022-23 for admission of students in their UG programs.

The Board Members discussed the matter and in their opinion the CUET is applicable to admission of sciences, arts, engineering disciplines and not to Medical programmes. However, it can be implemented to the UG & PG programmes of Allied Health Sciences.

Resolution: Noted.

h. Adoption of PM CARES Children Scheme to support the children who have lost their parents during the COVID pandemic :

The UGC through its letter vide D.O No.F.2-39/2022 (CPP-II) dtd. 30.03.2022 advised the Vice-Chancellors/ Directors of all Universities/ Principals of institutions to create supernumerary seats to accommodate children who have lost both their parents during the COVID pandemic to pursue their higher education, whenever they become eligible. Such children will be issued PM CARES for Children Scheme, 2021 Certificate by the Ministry of Woman & Child Development.

Resolution: Noted.

i. Institutional Registration for Academic Bank of Credits:

The Registrar informed that UGC through its letter vide D.O No. 14-31/2018 (CPP-II) dtd. 12.01.2022 requested the Vice-Chancellors of all Universities/ Principals of all Autonomous Colleges;

- To take appropriate steps for joining ABC Platform at the earliest
- Make the students aware about ABC facility and encourage them for opening Academic Bank of Account.

The Board suggested to register the University under ABC platform.

Resolution: Approved.

j. Uploading the Institutional data on AISHE Portal for the AISHE survey 2021-22:

The Registrar informed that the University has to submit Institutional data on AISHE survey every year. The University is preparing the data to be submitted for the year 2021-22.

Resolution: Accepted.

4. For Ratification:

a. Appointment of Teaching and Non-Teaching Staff (List enclosed):

Resolution: Ratified.

b. Request for registration of Higher Education Institutions on Vidyanjali Higher Education Portal:

The Registrar informed that the University has registered on Vidyanjali Higher Education Portal and uploaded the required data for the same.

Resolution: Ratified.

5. Any other matter with permission of the Chair:

a. Discussion and Decision:

i. Applying for sanction of Overdraft facility of Rs. 75 crores from SBI:

For expansion of infrastructure facility and improvement of the facilities it is proposed to apply for the Overdraft facility of Rs. 75 crores from State Bank of India, Vijayapura against fees receivables.

The Board approved getting the overdraft facility and authorized the Registrar and Finance Officer to operate the account and sign the related papers.

Resolution: Approved.

ii. Appointment of Pro Vice-Chancellor, Vice Principals and Medical Director:

The Hon'ble Vice-Chancellor informed the Board that due to lack of manpower and workload on present administrators, it is proposed to appoint the second line of administrators to look after and assist the administrator in day-to-day work.

The Board of discussed the matter and authorized the Vice-Chancellor to appoint the required staff from outside or designate the present staff as per UGC / NMC norms.

Resolution: Approved.

iii. Signing of Lease Deed of Hostel Buildings:

The Hon'ble Vice-Chancellor has informed that the Sponsoring Society has sent the letter to sign the lease agreement for collecting the rents of hostel buildings.

The Board authorized the Vice-Chancellor to sign the agreement.

Resolution: Approved.

iv. University Environmental Policy:

The Registrar informed the Board that the BLDE (DU) aims to manage its operations in ways that are environmentally sustainable, economically viable and socially responsible. Therefore, the University has prepared the Draft Environmental Policy and put it before the Board for approval.

The Board went through the policy document and unanimously resolved to accept the same and directed for implementation in applicable areas.

Resolution: Approved.

59TH MEETING HELD ON JUNE 28, 2022

AGENDA

1. Confirmation of minutes of the 58th meeting of BOM:

Resolution: Confirmed and approved.

2. Action Taken Report of the 58th meeting of BOM

Resolution: Accepted

3. For Consideration and Decision:

a. Proceedings of 38th meeting of Academic Council:

The Registrar presented the proceedings of the 38th meeting of Academic Council held on 25th April, 2022. The following are the important resolutions of Academic Council for BoM approval:

- The important resolutions of the Board of Studies of various departments related to starting of value added courses, revision of curriculum, starting of new programmes under the Faculty of Allied Health Sciences, UG & PG Question Bank with MCQs.
- Important resolutions of the 24th IQAC meeting
- Revision of MBBS III Phase Curriculum
- Conduct of AAA in the month of August – 2022
- Starting of new programme 'B.Sc. Physician Assistant' under the Faculty of Allied Health Sciences from the Academic Year 2022-23
- Admission Notification for UG, PG & Ph.D. programmes for the Academic Year 2022-

23 under the Faculty of Medicine & Allied Health Sciences

- Institutional Registration for Academic Bank of Credits
- Implementation of uniform Choice Based Credit System (CBCS) with Learning Outcomes Curricular Framework(LOCF) under the Faculty of Allied Health Sciences
- Important communications of UGC & NMC
- MoUs signed by the University

Dr. Y. M. Jayaraj, Hon'ble Member suggested that the Board of Studies of the department should prepare the detailed report about the revision, addition and deletions to the curriculum Development Committee, starting of new courses / programmes should be vetted through the Curriculum Development Committee and present it in Consolidated Tabular Format and then recommended to the Academic Council as an Agenda from the forthcoming meeting. He opined that by this exercise it will help to go for the NAAC assessment and for future correspondences.

The Chairman of the Board, responding to the suggestions said that the University is in process of revamping the Curriculum Committee & Board of Studies and conducting the workshop on curriculum development.

Resolution: Approved.

b. Proceedings of 23rd meeting of Planning and Monitoring Board:

The Registrar briefed the Board about the highlights of the 23rd meeting of Planning and Monitoring Board held on 17th June, 2022. The following points were discussed and some of them recommended to the Board of Management for approval:

- Progress in the construction of building for Trauma Centre, Casualty, Emergency Medicine, New Mortuary and PG Hostels
- Celebration of Research Day for the Year 2022
- Starting of 'B.Sc. in Physician Assistant' programme under the Faculty of Allied Health Sciences from the AY: 2022-23
- To Start B.Sc. (Nursing) programme from the Academic Year 2023-24
- Progress in the setting-up of Human Milk Bank at hospital
- Establishment of Site Management Office (SMO)for clinical trials & surveys
- Establishment of Nutritional Rehabilitation Centre
- Revision of incentive for Publications/Conference, in accordance with impact factor, indexing, etc. and also, to incentivize Award, Honors and Recognitions of faculty

Resolution: Approved.

c. Progress in the construction of building for Trauma Centre, Casualty, Emergency Medicine, New Mortuary and PG Hostels:

The Registrar briefed the Board about the progress and present status of the construction works of building for Trauma Centre, Casualty, Emergency Medicine, New Mortuary and PG Hostels.

Resolution: Approved.

d. Celebration of Research Day for the year 2022:

Since 2018, the University has been celebrating the Research Day & Dr. M. B. Patil Oration Award in the month of June every year. However, due to Covid -19 pandemic for the

2019-2020 & 2020-2021 it couldn't be celebrated. The last year the event was conducted through online. This year, it has been planned to celebrate the Research Day in the third week of July - 2022.

The Hon'ble Vice-Chancellor also informed that Dr. Paranjape (KAHER Belagavi) and Dr. Shivaprasad Goudar (Director of research KAHER Belagavi) will be the Guests of Honour. He said that the University is planning to start Network Data Centre, Rural or Community Research Centre and Telemedicine facility for collection of data and providing good quality of services to the rural people at RHCs and planned to inaugurate on Research Day. He also proposed the Board to name the Data Centre after Late. Dr. M. S. Biradar, Former Vice-Chancellor, because he only taken initiation to start the RHC at Ukkali.

Prof. Kusal Das, Hon'ble Member explained the tentative programme schedule of the Research Day as a Member of Research Advisory Committee.

The Hon'ble Vice-Chancellor informed the Board that as an innovative practice & extension activity the 2 acres of land has been adopted for plantation of trees by Alumni's and QR code has been set-up for taking the update.

Dr. Jayaraj, Hon'ble Member appreciated the steps taken by the University authorities and expressed that as per new NMC rule family adoption scheme is starting, all students should be trained. In five years, we have to identify the villages, adopt them and repetition of process.

Resolution: Approved.

e. Starting of 'B.Sc. Physician Assistant' under the Faculty of Allied Health Sciences from the Academic Year 2022-23:

The Registrar put before the Board about the proposal of starting 'B. Sc. in Physician Assistant' programme under the Faculty of Allied Health Sciences from the Academic Year 2022-23. He informed that the same has been taken before the Academic Council and Planning & Monitoring Board. Both the Committees discussed and recommended to BoM for approval. He explained the course modalities like curriculum, intake, fees, eligibility, duration, selection process, scheme of examination, scope etc.

Dr. Jayaraj and Dr. Kokate, Hon'ble Members opined on starting the 'B.Sc. in Physician Assistant' that the programme may be skill based course because trained assistant can balance the doctors & patient's relationship and serve the society at large.

Prof. Chandrakant Kokate, Hon'ble Member opined that this is very useful programme; other colleges/ institutions are running the course successfully.

The Board resolved to start the 'B.Sc. in Physician Assistant' from the Academic Year 2023-24.

Resolution: Approved.

f. To start B.Sc. (Nursing) programme from the Academic Year 2023-24:

The Chairman of the Board informed that for strengthening the Allied Health Sciences we have to start the Programmes which are skill and job oriented and also give more employment in the healthcare sector.

Accordingly, the authorities have proposed to start new B.Sc. programme in Nursing from the academic year 2023-24 in five specialty / categories like ICU, NIC, ICCU,

Casualty & OT.

Dr. Jayaraj, Hon'ble Member opined that for starting the B.Sc. Nursing programme under Allied Health Sciences, we have to apply to Indian Nursing Council for recognition. He suggested to start post B. Sc. Fellowship in Nursing in broad specialties for B. Sc. Nursing students instead of starting B. Sc. (Nursing) programme and separate nursing college under the University.

Prof. Kokate, Hon'ble Members advised that the University must be multidisciplinary, it should be countable in accreditation for that we have to take care from day one.

The Board deliberated on the matter and decided to establish the School of Nursing and School of Physiotherapy under the Faculty of Allied Health Sciences and advised the Vice-Chancellor to constitute a Committee with external expert to study in detail, the modalities to establish the Schools of Physiotherapy and Nursing and submit the report within a month to the Chairman of the BoM.

Resolution: Approved.

g. Progress in the setting-up of Human Milk Bank at hospital:

The Registrar informed that in earlier meeting it was decided to set-up the Human Milk Bank at hospital. As per the NMC norms, it is mandatory to have the Human Milk Bank at Medical Colleges. The work of setting-up of Milk Bank is under progress. The necessary equipment have been procured and are delivered to the hospital. The engineering works needed to establish the set up are yet to begin. The plumbing and electricity works needs to be done.

The Hon'ble Vice-Chancellor informed the Board that it will be completed by the end of July- 2022 and inaugurated on 15th August, 2022

Resolution: Noted.

h. Establishment of Site Management Office for clinical trials & surveys:

As the University constituent unit is medical college is involved in several clinical trials, therefore, it is essential to have clinical trial Site Management Office (SMO) for independent & efficient monitoring of clinical trials. BLDE (Deemed to be University) has proposed to renovate existing SMO building at first floor of Hospital premises with all needed amenities.

Resolution: Noted.

i. Establishment of Nutritional Rehabilitation Centre:

The Hon'ble Vice-Chancellor informed that as per the directions of the Hon'ble Supreme Court of India, it is mandatory to have the Human Milk Bank & Nutritional Rehabilitation Ward at Medical Colleges. For that we have planned to establish Nutritional Rehabilitation Ward for improving the nutritional level of pediatric patients.

The Dean, Faculty of Medicine and Principal has informed the Board that the area has been identified, necessary infrastructure, facilities and required manpower has been planned.

Resolution: Noted.

j. Revision of incentives for publications / conference, in accordance with impact factor, indexing, etc. Also, to incentivize Awards, Honours and Recognitions of faculty:

The Hon'ble Vice-Chancellor informed the Board that the incentive for publications / conference, in accordance with impact factor, indexing, etc. Also, to incentivize Awards, Honours and Recognitions of faculty has been fixed long back. To build and sustain a strong research ecosystem, timely revision and implementation of sound incentive scheme including award & recognitions to reward research excellence and publications of research articles in indexed & high impact factor journals, abstracts, book chapters, books, etc is needed. Accordingly, we have to revise the incentives for research and academic activities. We proposed to revise the incentive because of inflation.

Dr. Jayaraj, Hon'ble Member opined that the papers may be published in national or international journal, but they should be indexed in PubMed, Scopus, Web of Sciences and enlisted in UGC Care list of journals only, those publications may be considered for incentive, in view of NIRF & NAAC criteria and motivate the faculty members to publish their papers in those journal which are indexed in Scopus, PubMed and UGC Care. If foreign authors are involved in the publication, for those papers incentive to be sanctioned, because it shows the collaboration. It should be sanctioned to the First Author. The patents shall be incentivized.

Resolution: Approved.

k. Earned Leave Encashment for Teaching and Non-Teaching Staff Members:

Resolution: Deferred.

l. Launching of schemes like Scholarship to Ph.D. students, Earn While Learning to UG/PG students of Allied Health Sciences and Stipend to Trainee Staff:

It has been proposed to launch the schemes like scholarship to Ph.D. scholars, 'Earn While Learn' to UG/PG students of Allied Health Sciences and Stipend to Trainee Staff. It will help the University to promote the research activities among the student community. Students admitted in Allied Health Sciences may be considered for this Earn While Learning scheme after the class hours they may be posted in the Library/ Hospital/ Laboratory/ CT/ MRI sections for two (02) hours in a day.

The Nursing College Internee students may be treated as trainee staff nurses, on work basis stipend may be sanctioned.

Resolution: Approved.

m. Schemes and incentives for PG/Ph.D. Students of Medical/Allied Health Sciences:

It is also proposed to sanction seed money to selective candidates as follows:

- For 30 PG dissertations Medical & 5 PG (AHS) - Rs. 20,000/- each.
- For 5 Ph.D. thesis – Rs. 25,000/- each.
- For UG STS projects, not selected by ICMR, Rs. 10,000/- each and Rs.1,00,000/- to Faculty for short term research project.

Resolution: Approved

4. For Ratification:

a. Appointment of Teaching and Non-Teaching Staff (List enclosed):

Resolution: Ratified.

5. Any other matter with permission of the Chair:

a. For Discussion and Decision:

i. Proposal for Establishment of Training Centre for Non-Teaching Staffs:

The Registrar proposed for establishment of Training Centre for Non-Teaching staff as advised by Prof. Kokate Sir, Hon'ble BoM Member.

Prof. Kokate, BoM Member explained about the importance of training of Non-Teaching Staff to the Board. As a University, we are applying to various agencies for rankings, accreditations and recognitions, the trained people can work for the same in a fruitful way. The computer literacy, orientation, nursing care training for nursing staff and other academic trainings. He suggested to appoint / depute the officers and sanction the seed money for the same.

Prof. Jayaraj responding to the words of Prof. Kokate suggested to set a training modules on academics, syllabus, integrity, punctuality and report preparation, examination to train the Non-teaching staff, it will improve the work efficiency.

Resolution: Accepted and approved.

ii. Applying for sanction of Overdraft / Loan facility:

As per the resolution passed by the Sponsoring Society, BLDE Association, Vijayapura Dtd. 01-03-2022 it is proposed to apply and avail overdraft / loan facility from State Bank of India / HDFC Bank / any other financial institutions against fees receivables and fixed deposits for expansion of infrastructure facilities at Bangalore.

The BLDE (Deemed to be University) is committed to implement the National Education Policy - 2020 and make BLDE (DU) a multidisciplinary University and in pursuance of NEP 2020 it is proposed to expand its infrastructural facilities for educational activities at Bangalore.

Resolution: Approved.

60TH MEETING HELD ON SEPTEMBER 12, 2022**AGENDA****1. Confirmation of the minutes of the 59th meeting:**

The Registrar briefed the important resolutions from the proceedings of the 59th meeting of Board of Management held on 28th June, 2022. The Board unanimously accepted and approved the minutes.

Resolution: Approved.

2. Action Taken Report of 59th meeting:

The Registrar summarized the actions taken on various important decisions of the Board. The Board unanimously accepted and approved.

Resolution: Approved.

i. For Discussion and Decision:**a. To give assent to confer - Ph.D., Degrees, Diplomas and Certificate to the candidates (Annexure****i. Doctor of Philosophy (Ph.D.)**

ii. Post Graduate Degree

iii. Master of Hospital Administration (MHA)

iv. Master of Public Health (MPH)

v. Bachelor of Medicine and Bachelor of Surgery (MBBS)

vi. Bachelor of Science (B. Sc. – MIT)

The Controller of Examinations briefed the Board that the Chief Guest of the Convocation will be Prof. Dr. P. V. Vijayaraghavan, Vice-Chancellor, SRM Institute of Higher Education & Research, Porur, Chennai. He read out the list of eligible candidates and the Degrees, Certificates as recommended by the Academic Council, which will be awarded in the 10th Convocation of the University.

The Board unanimously accepted the recommendations of the Academic Council to give assent to confer Ph.D., Degrees and Certificate to the eligible candidates.

M. will receive 02 Gold Medals, under UG category, Dr. Gaurav Arora, Dr. Ruchi Singh & Dr. Yashika C. will receive 06, 03 & 02 Gold Medals respectively and Three Cash Prizes also will be awarded in this convocation. Five Gold Medals & One Cash Prize will not be awarded this year as no candidate was eligible for.

He also informed that this year one more new gold medal will be awarded this year instituted by Dr. Sheetal Harakuni, D/o. Dr. S. B. Patil (Satti) Former HoD of General Medicine for topper in General Medicine.

Resolution: Approved.

3. For Ratification:

a. Appointment of Teaching & Non-Teaching staff:

Resolution: Ratified.

4. Any other matter with permission of the Chair.

a. Discussion and Decision:

i. Opening a Bank Account with State Bank of India for NAIN Project:

The Registrar informed the Board that the University has applied for New Age Innovation Network (NAIN) project of Rs. 45.00 Lakhs per year for 3 years, to Karnataka Innovation and Technology Society (KITS), Department of Electronics, IT, BT and S&T, Govt. of Karnataka for sanction of funds.

Now, the project has been sanctioned. As per the project terms and conditions for disbursal of grants the University has to open two bank accounts in State Bank of India (SBI) in the following names:

1. NAIN – Operational expenses (OPEX) and
2. NAIN – Student Project Seed Fund (SPF) / Capital Expenses (CAPEX)

The Principal will be the custodian & authorized signatory for NAIN funds.

The Board deliberated on the matter and resolved to approve same.

Resolution: Approved.

ii. Opening a Bank Account with State Bank of India for Research Project:

The Registrar proposed the Board to open a separate Joint Savings Bank Account in the name of BLDE (DU)'s Research Grant Account and operated by Principal Investigator and concerned Head of the Department for sanctioning funds for internal research projects.

The Board deliberated on the matter and resolved to approve same.

Resolution: Approved.

iii. Opening a Bank Account with State Bank of India:

The Registrar proposed the Board to open a separate Joint Current Bank Account in the name of BLDE (Deemed to be University) expansion for infrastructure facility at Bangalore. The account is operated by the Registrar and Finance Officer jointly.

The Board deliberated on the matter and resolved to approve same.

Resolution: Approved.

iv. Purchase of land at Bengaluru:

The Registrar informed the Board that as per the resolution passed by the Sponsoring Society, BLDE Association, Vijayapura Dtd. 01-03-2022 for expansion of infrastructure facility at Bangalore and approved by the Board of Management in its 59th meeting held on 28th June, 2022, it has been decided to purchase 16 acres 9 gunta residentially converted undeveloped land situated at Kogilu Village, Yelahanka Hobli, Bengaluru North Taluk for BLDE (Deemed to be University).

The Hon'ble Members approved to purchase the land in the name of BLDE (Deemed to be University) and authorized the Registrar to sign the sale deed.

Resolution: Approved.

v. Opening the Savings Bank Account in HDFC Bank:

The Registrar informed that as per the approval of the Board of Management in its 59th meeting held on 28th June, 2022 the loan proposal has been submitted to HDFC Bank and it was sanctioned. For doing the transactions a separate Merchants Bank Account is to be opened in the M/s. BLDE Deemed to be University and the account is jointly operated by the Registrar & Finance Officer on behalf of the University.

Resolution: Approved.

vi. Opening a Bank Account with State Bank of India:

The Registrar proposed the Board to open an Escrow Account in the name of BLDE (Deemed to be University). The account is operated by the Registrar and Finance Officer jointly.

The Board deliberated on the matter and resolved to approve same.

Resolution: Approved.

IMPORTANT DECISION & RESOLUTIONS

38TH MEETING HELD ON APRIL 25, 2022

AGENDA

1. Confirmation of the minutes of the 37th meeting:

The Registrar briefed the important resolutions of the 37th meeting of Academic Council held on 29th December, 2021. The Council unanimously accepted and confirmed, the minutes.

Resolution: Confirmed.

2. Action Taken Report of 37th meeting:

The Registrar briefed the Council, the action taken on various important decisions of the Council. The Council unanimously accepted.

Resolution: Approved.

3. For Discussion and Decision:

a. Important Resolutions of the Board of Studies (BoS) of all departments:

Dr. S. V. Patil, Vice Principal (Academics) has briefed the important resolutions of the Board of Studies (BoS) meetings of various departments. The following are the important points taken before the Council to approve:

| Sl. No. | Department | Important Resolutions |
|---------|--------------|---|
| 1 | Physiology | <ol style="list-style-type: none"> 1. UG & PG Question Bank with MCQ has been created to be validated & put on website. 2. List of Elective courses from Physiology submitted to Medical Education. 3. Value Added Course to be introduced in Physiology on following topics: <ul style="list-style-type: none"> • Communication Skills (16 hrs) • Cognition tests • Cardio metabolic test • Electro physiology test • History of Medicine curriculum 4. Laboratory of Vascular Physiology & Medicine: Thrust areas for Research: <ul style="list-style-type: none"> • Cardiovascular Pathophysiology • Cerebrovascular Pathophysiology • Hypoxia • Cell Signaling mechanism |
| 2. | Pharmacology | CBME – Curriculum BoS resolved to include <ul style="list-style-type: none"> • Small Group Discussion on topics like Drug acting on ANS, CNS, Endocrines and Chemotherapy. • ADR reporting exercise • For AETCOM Modules more involvement of students in active session and role play • To start value added courses <ol style="list-style-type: none"> 1. Certificate course in Bioethics & Basic Pharmacovigilance 2. Drug safety training program. |

| | | |
|-----|--------------------|--|
| 3. | Pathology | <p>Review of UG curriculum – CBME Batch: Two Value Added Courses planned for UGs.</p> <ol style="list-style-type: none"> 1. Basics of histopathology & IHC techniques with discussion of few important tumor E.G., Breast Carcinoma. 2. Maternal & Child health programs - E.G., Screening for Thalassemia. |
| 4. | Community Medicine | <p>Value Added Course suggested:</p> <ol style="list-style-type: none"> 1. Value Added Courses “Data Management using MS Excel” 2. “WASH in Rural Area”. |
| 5. | ENT | <ol style="list-style-type: none"> 1. Value Added Course on Allergic rhinitis and management for UG’s. |
| 6. | Surgery | <p>The BoS resolved to start:</p> <ul style="list-style-type: none"> • Laparoscopic Value Added Course for Final year PG which is for 15 hrs will be extended to 30 hrs which will be taken by all the staff members. 04 hrs of endotrainer hours to be added monthly. <p>Also:</p> <ul style="list-style-type: none"> • Dr. Aravind Patil, Professor, Department of General Surgery, advised to start new Value Added Course in a) Trauma, b) Laser & c) Burns. |
| 7. | Paediatrics | <ol style="list-style-type: none"> 1. BoS resolved to appoint Adjunct Faculty to the department. 2. PG’s should be trained in more subspecialties. 3. Community based training should be introduced to all the PG’s. |
| 8. | Anaesthesiology | <ol style="list-style-type: none"> 1. Resolved to start Value Added Course on Maintenance of Anaesthesia equipments. 2. Pandemic – Role of Anaesthesiology 3. Medico legal – Formal & Structured teaching. T. L. methods (for possible inclusion) <ul style="list-style-type: none"> • Flipped classroom • Integrated teaching • Small group discussion • Human Simulation based training – Standardised pts Role plays. |
| 9. | Dermatology | <ol style="list-style-type: none"> 1. Proposal to start a Value Added Course in Dermoscopy. 2. Proposal to introduce “Participatory Internal Assessment Examination”. 3. Dr. Swapnil Shah, External Member, proposed to start a Value Added Course on Basics of Light and Laser Therapy |
| 10. | Psychiatry | <ol style="list-style-type: none"> 1. Addition of chapters in PG Curriculum: <ul style="list-style-type: none"> • Addition of the topic “Role of a psychiatrist in epidemic and pandemic illness like COVID 19” for PG Students. 2. Value Added Courses: <ul style="list-style-type: none"> • Topic “Assessment of autism and specific learning disorder: brief course for undergraduates.” |

| | | |
|-----|------------------------|---|
| 11. | Cardiology | 1. Adoption of PG Curriculum: <ul style="list-style-type: none"> Curriculum of the Cardiology Department was framed as per the NMC Regulations. |
| 12. | Geriatric Medicine | 1. Adoption of PG Curriculum: <ul style="list-style-type: none"> Curriculum of the Geriatric Medicine was already framed as per the NMC regulations and it was referred to the Curriculum Committee for inputs/corrections. |
| 13. | Allied Health Sciences | 1. Proposed to start of new UG Programme titled B.Sc. Physician Assistant under the Faculty of Allied Health Sciences from the Academic year 2022-23. |

The Chairman of the Council requested all heads of the department to start new courses, appoint visiting / adjunct faculty from national / international repute/ own alumni for guiding the students in broader way, to improve the collaborations with reputed bodies and value addition to the nation building.

Resolution: Accepted.

b. Important decisions of the 24th meeting of IQAC :

The Co-ordinator/ Director, IQAC has presented the highlights of the 24th meeting of the IQAC held on 13th April, 2022. The following are the some important decisions discussed and resolved:

- Status of preparation of AQAR to be submitted to NAAC for the year 2020-21
- Plan to conduct AAA in the month of August – 2022
- Proposal for best practices by the Faculty Members and awarding the suitable prizes
- Revision of Curriculum
- Training of clerical staff on documentation
- Workshop to train all staff for PO-CO calculations
- Training to new joined staff members on work ethics / code of conduct
- Development of faulty appraisal mechanism

Dr. M. S. Ganachari, Deputy Registrar and External Member suggested submit the AQAR data carefully to NAAC because it will be the final data and reflect in the SSR. And also shared the new ideas about the conducting the value added courses.

Resolution: Accepted and approved.

c. Revision of MBBS III Phase Curriculum:

The Vice Principal (Academics) informed the Council that the preparation of MBBS Phase – III curriculum is in final stage, the concerned departments have prepared the draft curriculum as per the guidelines of the NMC and to be taken before their respective Board of Studies for discussion and on approval same may be forwarded to the Curriculum Committee for validation. He told that the curriculum will be finalized and implemented from the Academic Year 2022-23, Council was requested to approve the draft curricula.

Resolution: Approved.

d. Conduct of Academic and Administrative Audit (AAA):

As per NAAC Guidelines mandates that the University shall conduct the Academic & Administrative Audit (AAA) every year and as discussed in the IQAC meeting it is proposed to conduct the AAA in the month of August – 2022.

The Committee will be constituted as per norms and will complete the audit as per the NAAC Criteria.

Resolution: Noted.

e. Starting of new programme 'B.Sc. Physician Assistant' under the Faculty of Allied Health Sciences from the Academic Year 2022-23:

The Dean, Faculty of Allied Health Sciences in continuation of agenda 1(14) briefed Council about proposal to start new programme 'B.Sc. in Physician Assistant' under the Faculty of Allied Health Sciences from the Academic Year 2022-23. He explained the course modalities like curriculum, intake, fees, eligibility, duration, selection process, scheme of examination and scope etc.

The External Members of the Council suggested to work out the advantages and disadvantages of the programme and then start the course.

The Dean, Faculty of Medicine opined that the programmes may be as skilled based course because trained assistant can balance the doctors & patients relationship and serve the society in large.

Dr. M. S. Ganachari, External Members opined that the course can be started with change in nomenclature and the curriculum should be designed carefully, to make it more useful to the society without affecting the physician's status.

Resolution: Accepted.

f. UGC Letter and Guidelines for pursuing two academic programmes simultaneously

The UGC through its letter vide D.O.No.1-6/2007 (CPP-II) (New) dtd. 13.04.2022 shared the 'Guidelines for pursuing two academic programmes simultaneously' and requested the Vice-Chancellors of all Universities and Principals of all Colleges/Institutes to implement the guidelines for the benefit of the students.

Guidelines:

1. A student can pursue two full time academic programmes in physical mode provided that in such cases, class timings for one programme do not overlap with the class timings of the other programme.
2. A student can pursue two academic programmes, one in full time physical mode and another in Open and Distance Learning (ODL)/Online mode; or up to two ODL/Online programmes simultaneously.
3. Degree or diploma programmes under these guidelines refer - 4 (draft-1) such HEIs which are recognized by UGC/Statutory Council/Govt. of India for running such programmes.

Resolution: Noted.

g. Submission of Annual Quality Assurance Report (AQAR) to NAAC:

The Co-ordinator / Director, IQAC briefed the Council that the draft AQAR 2021 is ready and IQAC has been fine tuning with experts. It shall be ready 1st week of May. The last

date for submission has been further extended to 15th May, 2022.

Resolution: Accepted.

h. Admission Notification for UG, PG & Ph.D. programmes for the Academic Year 2022-23 under the Faculty of Medicine & Allied Health Sciences:

The Registrar informed that as per the NMC and UGC Guidelines every year we are notifying the admissions for various UG, PG & Ph. D. programmes / course under the Faculty of Medicine and Allied Health Sciences.

This year also, we have to notify the Admission Notification for the Academic Year 2022-23 for various programmes / courses under the Faculty of Medicine and Allied Health Sciences.

Resolution: Approved.

i. Common University Entrance Test (CUET) for UG programmes in Indian Universities:

The Registrar informed that the UGC through its letter vide D.O No.2-17/2022 (CPP-II) dtd. 27.03.2022 invited the attention of the Vice-Chancellors/ Directors of all Universities/ Institutions to its Public Notice issued on 21.03.2022 regarding conduct of Common University Test (CUET) for admission in Undergraduate programs from the academic session 2022-23 in all UGC funded Central Universities. The CUET will be conducted in 13 Indian languages by the National Testing Agency (NTA).

It was stated further in the letter, that UGC invites and encourages all state universities, deemed to be universities, private universities and other HEIs to adopt and use CUET score from 2022-23 for admission of students in their UG programs.

The Council deliberated on the matter and decided to adopt / admission through CUET to relevant programmes.

Resolution: Accepted.

j. Institutional Registration for Academic Bank of Credits:

The UGC through its letter vide D.O No. 14-31/2018 (CPP-II) dtd. 12.01.2022 requested the Vice-Chancellors of all Universities/ Principals of all Autonomous Colleges to take appropriate steps for joining ABC Platform at the earliest and make the students aware about ABC facility and encourage them for opening Academic Bank of Account.

The Institute is in process of registration for ABC.

Resolution: Accepted.

k. Implementation of uniform Choice Based Credit System (CBCS) with Learning Outcomes Curricular Framework(LOCF) under the Faculty of Allied Health Sciences:

The UGC through its letter vide F.No.21-16/2021 (CPP-II) dtd. 21.03.2022 reminded the Vice-Chancellors of all Universities regarding 'implementation of uniform Choice Based Credit System (CBCS)'. The template prepared by the UGC giving guidelines and instructions on parameters to be followed in implementing the CBCS and are available on the UGC website.

Further, it was stated in the letter that, the universities may obtain approval of the statutory council wherever relevant or necessary.

The University has implemented the CBCS in Allied Health Sciences programmes.

Resolution: Accepted.

4. For Ratification:

a. Constitution of NEP Cell and nomination of Nodal Officer / Co-ordinator:

The Chairman of the Council informed that, as per the directions of the UGC, the “University NEP Cell” of BLDE (Deemed to be University) under the provisions of the Bye-Laws and MoA-R49 (xviii) has been constituted and notified.

The Cell is constituted to work out the modalities of National Education Policy 2020 and its implementation.

Further, Dr. S. M. Katti, Director-Allied Health Sciences, has been appointed as the Co-ordinator for implementation of National Education Policy-2020.

Resolution: Ratified.

39TH MEETING HELD ON SEPTEMBER 10, 2022

AGENDA

1. Confirmation of the minutes of the 38th meeting:

The Registrar briefed the important resolutions of the 38th meeting of Academic Council held on 25th April, 2022. The Council unanimously accepted and confirmed the minutes.

Resolution: Approved.

2. Action Taken Report of 38th meeting:

The Registrar briefed the Council, the actions taken on various important decisions of the Council. The Council unanimously accepted and approved.

Resolution: Accepted.

3. For Discussion and Decision:

a. To give assent to confer - Ph.D., Degrees, Diplomas and Certificate to the candidates (Annexure 1)

- i. Doctor of Philosophy (Ph.D.)
- ii. Post Graduate Degree
- iii. Master of Hospital Administration (MHA)
- iv. Master of Public Health (MPH)
- v. Bachelor of Medicine and Bachelor of Surgery (MBBS)
- vi. Bachelor of Science (B. Sc. – MIT)

The Controller of Examinations read out the list of eligible candidates and the Degrees, Certificates and Honorary Doctorate which will be awarded in the 10th Convocation of the University.

The Academic Council unanimously recommended the names to the BOM to give assent to confer Ph.D., Degrees, Fellowships and Certificate to the eligible candidates.

Resolution: Approved.

b. Gold Medals for UG and PG Students: Sponsors and Awardees (Annexure 2):

The Controller of Examinations informed the Council that a total of 17 Gold Medals will be awarded, under PG category, Dr. Namratha B. M. will receive 02 Gold Medals, under UG category, Dr. Gaurav Arora, Dr. Ruchi Singh & Dr. Yashika C. will receive 06, 03 & 02 Gold Medals respectively and Three Cash Prizes also will be awarded in this convocation. For other 05 Gold Medals and 01 Cash Prize no candidates were eligible.

Resolution: Accepted and recommended to BoM for approval.

4. Any other matter with permission of the Chair.**a. Revision of Research Incentives and Amendment to the Research Policy:**

The Registrar informed the Council that the existing research incentive policy has covered the incentives for research publications, organizing the Conferences, Guest Lectures, Workshops, Seminar & other academic activities. However, certain activities such as patents filing, publication in online journal, IPA etc. are not covered. Therefore, the concerned committees are proposed for amendments.

He requested the Council to permit these clauses and once draft is ready it will be brought before the Council in next meeting.

The Council consented for the revision of incentive policy and asked the Registrar to direct the concerned Research Committees to prepare it.

Resolution: Approved.

40TH MEETING HELD ON DECEMBER 27, 2022**AGENDA****1. Confirmation of the minutes of the 39th meeting:**

The Registrar briefed the important resolutions of the 38th meeting of Academic Council held on 25th April, 2022. The Council unanimously accepted and confirmed the minutes.

Resolution: Approved.

2. Action Taken Report of 39th meeting:

The Registrar briefed the Council about the actions taken on various important decisions of the Council. The Council unanimously accepted and approved it.

Resolution: Accepted.

3. Items for Consideration of AC:**a. Presentation by Dean, Faculty of Medicine on Curricular aspects and Recommendations of BoS meetings:**

Dr. Sumangala Patil, Vice Principal (Pre & Para Clinical) presented about the NMC guidelines related to curricular aspects, academic calendar for 2022-23 batch and implementation of Yoga & family adoption program for 2021-22 batch, before the Council.

And also, she briefly presented the recommendations of the Board of Studies of various departments before the Council. The following are the important resolutions of Board of Studies (BoS):

| Sl. No. | Department | Important Resolutions |
|---------|--------------------------|--|
| 1 | Physiology | Value Added Courses: 1. Communication Skills 2. Cognition Tests 3. Cardio Metabolic Test 4. Electro Physiology 5. Sports Physiology |
| 2. | Biochemistry | Value Added Course: 1. Biochemical Techniques and its application in Medicine |
| 3. | Pathology | BoS of Pathology recommended the following Value Added Courses in: 1. Adoption of Digital Tool for Teaching Learning Pathology 2. B.Sc. in MLT “Basics of Immunochemistry with Hands on Training” |
| 4. | Community Medicine | Value Added Course suggested: 1. Data management in MS-Excel |
| 5. | Microbiology | Value Added Course suggested: 1. Infection Control 2. Certificate course in “Molecular Biology Techniques Approach |
| 6. | General Medicine | Recommended following changes in UG & PG curriculum: <ul style="list-style-type: none"> • Case presentation, case work up • Case attending/management – once a week • Laboratory performance – twice a week • Journal Club – once a week • Seminar – once a fortnight • Case discussion – once a fortnight/ month • Inter-departmental case or seminar – once in month • District residency Project – in Civil Hospital |
| 7. | Surgery | The BoS resolved to start: Value Added Course in: 1. Diagnostic Upper GI Endoscopy 2. Endo Venous Laser Ablation (EVLA) for Varicose Veins Also: To start Fellowship course in “Minimal Invasive Surgery” |
| 8. | Obstetrics & Gynaecology | The BoS recommended to start Fellowship Programmes in: 1. High Risk Pregnancy 2. Urogynaecology Also recommended for District Residency should be introduced for 2nd year Postgraduate students as per NMC guidelines |
| 9. | Psychiatry | 1. Implementation of new PG Curriculum as per NMC guidelines 2. Addition of new chapters in PG curriculum “Role of Psychiatrist in epidemic and pandemic illness which should include COVID-19 as well as other epidemic too” |

| | | |
|-----|---------|--|
| 10. | Urology | BoS Recommended the following fellowship programmes in: <ol style="list-style-type: none"> 1. Female Urology 2. Andrology Ph. D. programmes in: <ol style="list-style-type: none"> 1. Stone Disease 2. Oncology Also recommended the Collaborative Projects with USI on Simulation Based Training in Urology |
|-----|---------|--|

It has been suggested to go with the guidelines of NMC issued from time to time and prepare the calendar of events as per the guidelines.

Resolution: Approved.

b. Presentation by Dean, Faculty of Allied Health Sciences on Curricular aspects and Recommendations of BoS meeting :

The Registrar requested the Dean, Faculty of Allied Health Sciences to present the important resolutions of Board of Studies of Allied Health Sciences.

- Restructuring of the semester wise curriculum as per CBCS pattern.
- Eligibility criteria & examination pattern for University semester examination in UG/ PG programs.
- Starting of School of Physiotherapy and College of Nursing under BLDE (DU).
- Increase of intake(admission) of some UG programs (BPT, CCT, MIT)
- Commencement of new PG programmes in Medical Imaging Technology (MIT), & Master of Physiotherapy (MPT) and degree programmes in Emergency Medical Technology (B. Sc.)
- Implementation of Academic Bank of Credits (ABC) as per NEP-2020.
- Increase the results of UG & PG programs through remedial measures.
- Internal assessment examination eligibility for UG and PG was reduced from 50% to 40%.
- As per NEP-2020 ABC (Academic Bank of Credits) has been registered by the University and students accounts have been opened through Digi-locker under the National Academic Depository (NAD). In the year 2021-22 Total-89 (UG-82 & PG-07,) and in the year 2022-23 Total 89 (UG-87 & PG-02) student registered for the same.
- Revision of curriculum should be taken once in a three years and skill enhancement courses should be included for hands-on experience.
- Beyond the curriculum the students are registered for NPTEL/SWAYAM course and enrolled (online)
- He also presented details of research infrastructure, research projects, publications, patents, book chapters and conferences attended by the Faculty Members, result analysis and future plans.

The Dean, Faculty of Allied Health Sciences, explained the members about the progress of Allied Health Sciences, steps taken to strengthen the various programmes, adoption of statutory bodies' guidelines in preparation of curriculum, teaching-learning methods and examination.

In continuation, he presented the recommendations of the Board of Studies of Allied Health Sciences before the Council. Following are the important resolutions recommended to Academic Council for approval:

The Hon'ble Vice-Chancellor & few of the External Members suggested to modify the eligibility criteria for admission to MHA & MPH programmes.

Dr. S. D. Kholkute, Hon'ble External Member suggested to start specialized course in Community Medicine related to psychological counselling for M.D. Degree holders. The suggestion was well taken by the Dean, AHS and assured regarding starting of fellowship programme in Epidemiology & Research Methodology.

The Hon'ble Vice-Chancellor suggested to strengthen the B.Sc. Optometry as it is running very well in other institutes.

The External Members deliberated on the eligibility, duration and employability for students of various programmes and resolved that these programmes have to comply with the rules / regulations as per the statutory bodies and NEP-2020 guidelines.

The members suggested Dean, AHS to revise the course duration on par with the National Commission for Allied Health Sciences & NEP-2020 guidelines, so student can register All India level and get the placement anywhere. The course pattern must contain the research project, research methodology training and other necessary skills related to the course; so they can get valuable degree as per the National Commission.

The Dean, AHS assured that the meeting of concerned will be called and take needed steps in this matter.

Resolution: Accepted and recommended to BoM for approval.

- c. Presentation by Dean, Research & Development on research activities for the period May-Dec, 2022 and recommendations:

The Director, Research & Development Cell briefed the Council about the activities of the Research & Development Cell from May – 2022 to December - 2022.

- Research activities and their outcome

Meetings held during this period no. of research proposals reviewed, no. of proposals granted the University funds and received from External agencies details are as follows:

| Sl. No. | Meetings | No. of Meetings | No. of Research Proposals Reviewed & Granted |
|---------|---------------------------|-----------------|--|
| 1. | Research Review Committee | 03 | 220 |
| 2. | IEC | 03 | 220 |
| 3. | IAEC | 01 | 02 |
| 4. | Research Grant Committee | 01 | 19 |

- Draft Research Incentive Policy for sanction of incentives for publications, research projects of Faculty & Students, seed money for Dissertations & Thesis to UG, PG & Ph.D. students, incentive for publication of books & chapters, reimbursement for patent filing expenses, online courses of professional development, publication charges reimbursement, attending the conference & workshops.

- Research Day celebration on August 12th & 13th, 2022 by inviting various resource persons from reputed institutes of India and outside the India
- Subscription of software for research promotion, publications
- Organized the workshop on Good Clinical Practice in association with Indian Society of Clinical Research (ISCR) and IPR awareness programme for filing the patents with NIPAM, Hyderabad.
- Briefing about the future plans, be presented that the short term goals includes the training of students and assistant for students, international & national research collaborations, BLDE (DU) Research Bulletin, Data Management System and ISCR Membership. In long term goals includes Research Compendium, BUJHS-Scopus Indexing, BMP Dermatology Journal etc.

The members suggested to share the draft research incentive policy among the Council Members, so that they can give their inputs, which would be helpful for University to finalize the policy.

Dr. Kholkute, Hon'ble External Members suggested to adopt/implement the students exchange programme in specialized areas, organize the grant writing workshops for faculty, visit the nearby institutes to have know-how of their progress in research.

The Director, Research & Development Cell informed the Council that the UGC has communicated the two letters regarding registration of University for Biological Research Regulatory Approval Portal (BioRRAP) & registration of Ethics Committee for Biomedical & Health Research with Department of Health Research. He informed that the University has applied to BioRRAP for registration, the response awaited from them.

The Hon'ble Vice-Chancellor advised the Director, RDC to incorporate all the suggestions of the Members and come with final draft for presentation before the Committee in its next meeting.

Resolution: Noted.

d. Proceedings of Library Advisory Committee:

The Registrar briefly informed the important resolutions of the Library Committee to Council. The following are the details:

- It was resolved to initiate process of Annual Subscription of Journals for the year 2023 (Jan-Dec)
- Proposed E-Resources Subscription & Renewal; Scopus, Proquest, DELNET, Knimbus, Grammarly digital assistant software, Clinical Keys (includes 755 e-journals and 975 e-books), Ovid and Jaypee digital library.
- It was also resolved to conduct more awareness programmes to maximize the utilization of resources in cooperation with IQAC and Medical Education Unit.

The members suggested to work out the requirement for E-journals and approach for consortium of 7 to 8 University that can reduce the budget for purchase of E-journals. And he also shared his opinion with members that the Faculty Members should publish their articles in impact factor journals that will give more weightage to research. He suggested the Director, RDC & Dean, Faculty of Medicine to take a steps to publish research papers of postgraduate student in standard journals, so we can reach the goal of 100 publications in high impact factor journals.

Resolution: Noted.

e. Report of Academic & Administrative Audit-2022:

The External Academic & Administrative Audit (AAA) was conducted on 9th & 10th December 2022. The overall Comments and Suggestions of the Committee to:

1. Consider shifting M.Sc. Pre-Clinical courses under Faculty of Medicine

3. Consider starting of new programmes like BOT, SLHS, Super Specialty courses in faculty of medicine.
4. Consider appointing co-ordinator for placement cell.
5. Increase number of collaborations to achieve Faculty & Student exchange, Better research output
6. Increase number of visiting faculty.
7. Appoint personnel (Script Writer) to help faculty to bring out good quality publications out of the available research data.
8. Work on increasing start-ups.
9. Ensure optimal utilization of Central Research Facility.
10. Get the Hospital NABH Accredited
11. Encourage faculty to contribute courses on SWAYAM portal.
12. Strengthen the fulltime Ph.D. programme with allotment of stipend & contingency amount which will increase research output & publication.

Resolution: Noted.

f. Adoption of UGC (Minimum Standards and Procedure for Award of Ph.D.) Regulations, 2022:

The Registrar informed the Council that the University Grants Commission (UGC) through its letter vide D.O.No..1-3/2021(QIP/Ph.D. Regulations/part file) dtd. 14.11.2022 shared the copy of “UGC (Minimum Standards and Procedure for the Award of Ph.D.) Regulations, 2022 with HEIs and requested to initiate necessary steps to implement the new regulations for the award of Ph.D. degree. Accordingly, The Doctoral Committee has recently met and revised the BLDE(DU)’s Ph.D. Regulations and the same will be notified soon and submitted for Council approval.

Resolution: Approved.

g. Adoption of UGC guidelines for engaging Professor of Practice in Universities and Colleges:

The Registrar informed the council that the UGC has shared the ‘Guidelines for engaging the Professor of Practice’ in universities and informed all the Vice-Chancellors of the Universities and Principals of the College to initiate the steps to make necessary changes in their statutes/ordinances/rules/regulations to enable the engagement of Professor of Practice in Universities and requested to share the same in University Activity Monitoring Portal (UAMP).

The Council resolved to implement the guidelines.

Resolution: Approved.

h. Adoption of Curriculum and Credit Framework for Undergraduate programmes:

The Registrar informed the Council that the UGC through its Public Notice vide F. No. 1-1/2021(QIP) (CBCS) Dtd. 12.12.2022 shared a copy of the “Curriculum and Credit Framework for Undergraduate Programmes” with all Higher Education Institutions and informed all HEIs to take necessary measures to adopt the same for undergraduate programmes.

The University has implemented the CBCS in Allied Health Sciences programmes curriculum & examination.

Resolution: Noted.

i. Enhancement of seats for Allied Health Sciences programmes:

The Dean, Faculty of Allied Health Sciences proposed the Council to revise the fees and enhance the intake of seats for admission to the some of the following programmes; as detailed under:

| Sl. No. | Program | Present Intake | Proposed Intake | Present Fees (INR) | | Proposed Fees (INR) |
|---------|----------------------------------|----------------|-----------------|----------------------|----------|---------------------|
| 1. | Bachelor of Physiotherapy (BPT) | 30 | 50 | 1 st Year | 50,000/- | 60,000/- |
| | | | | 2 nd Year | 55,000/- | 65,000/- |
| | | | | 3 rd Year | 60,000/- | 70,000/- |
| | | | | 4 th Year | 65,000/- | 75,000/- |
| 2. | Cardiac Care Technology (CCT) | 20 | 25 | 1 st Year | 50,000/- | 60,000/- |
| | | | | 2 nd Year | 55,000/- | 65,000/- |
| | | | | 3 rd Year | 60,000/- | 70,000/- |
| 3. | Medical Imaging Technology (MIT) | 20 | 30 | 1 st Year | 30,000/- | 35,000/- |
| | | | | 2 nd Year | 35,000/- | 40,000/- |
| | | | | 3 rd Year | 40,000/- | 45,000/- |

The Council discussed and deliberated on the matter and unanimously accepted the same and will be implemented from the Academic Year 2023-24 batch onward.

Resolution: Accepted and Approved.

j. Draft Annual Quality Assurance Report (AQAR) 2021-22:

The Registrar briefed the draft Annual Quality Assurance Report (AQAR) for 2021-22 before the Council prepared by the IQAC with thorough revision by all criterion committee members, authorities, and external experts. The AQAR included the information from June 2021 to May 2022 as per the instructions from the NAAC office.

The council approved to submit the AQAR to the NAAC.

Resolution: Approved.

k. Draft Annual Report for the year 2021-22:

The Registrar presented the highlights of the draft Annual Report for the year 2021-22 containing the information from April – 2021 to March -2022.

Resolution: Accepted and approved.

4. Any other matter with permission of the Chair.

i. Streamlining UG & PG programme offered under the Faculty of Allied Health Sciences & Physiotherapy:

The Registrar informed the Council that

ii. Starting of new school of Applied Science and Technology under the Faculty of Science and Technology.

The contractor has assured to complete the said work within Three (03) months.

The construction of Trauma Centre: civil, electrical and the other works are yet to be completed. Air-conditioning ducts and fabrications works has been completed, Lift materials has been procured, most of the plastering work has been completed, 150 capacity lecture hall and 300 capacity lecture halls to be furnished.

The Dean, Faculty of Medicine & Principal informed the board that, total completion of Trauma & Mortuary will take another 3 months and PG Hostels partly completed; 34 double rooms and 22 single rooms ready to occupy by 100 students, remaining work will be completed within 6 months.

b. Admission Notification for UG, PG & Ph.D. Programmes for the Academic Year 2022-23 under the Faculty of Medicine & Allied Health Sciences:

The Registrar informed that, 'Admission Notification' for UG, PG & Ph.D. Programmes need to be notified as mandated for the Academic Year 2022-23 under the Faculty of Medicine & Allied Health Sciences. The Board permitted and recommended to notify the same as per the UGC /nguidelinesorms.

Resolution: Approved.

c. Celebration of Research Day for the Year 2022:

Dr. M. M. Patil, Dean, R&D, informed the Board that, Research Day Celebration for the

year 2020 and 2021 could not be organized due to COVID Pandemic. This year, Research Day will be organized in the month of July 3rd or 4th Week. Dr. Ramesh S. Paranjape, Distinguished Professor & In-charge Director Dr. Prabhakar Kore Basic Science Research Center, Belagavi and Former Director & Scientist, ICMR, Pune will be delivering Dr. M. B. Patil Oration Lecture. Dr. Shivaprasad Goudar, Director, Women & Child Health Research Centre, KAHAR, Belagavi will be the resource person for Research Day.

Ph.D., PG, UG, Students and Faculty Members will present research papers. The prizes for best presentations, to students and the 'Best Researcher' for Faculty Members will be awarded on this day.

Research Scholars from neighboring Universities will be invited to participate in the Research Day of BLDE (DU).

Resolution: Accepted.

d. Starting of 'B.Sc. Physician Assistant' programme under the Faculty of Allied Health Sciences from the AY: 2022-23:

The Registrar informed the Board that, in the 38th meeting of Academic Council it has been proposed to start 'B.Sc. Physician Assistant' Programme under the Faculty of Allied Health Sciences from the Academic Year 2022-23. The board informed the Dean, AHS to workout the feasibility of offering the course, job opportunities to the students, etc. After this the Hon'ble Vice-Chancellor will take a decision on the matter.

Resolution: Noted.

e. To Start B.Sc. Nursing Programme from the Academic Year 2023-24:

The Chairman of the Board informed that the University is planning to start B.Sc. Nursing Programme under the Faculty of Allied Health Sciences from the Academic Year 2023-24, as trained and well experienced Nursing Staffs are not available in this area. By starting this course it will help this region and the Emergency & Geriatric Services of our hospital.

Resolution: Accepted and Recommended to BoM

f. Submission of Annual Quality Assurance Report (AQAR) to NAAC:

The Chairman of the Board informed that as per the NAAC mandate every year we have to upload the AQAR to NAAC Portal. Accordingly, for the year 2021-22 we have uploaded the information successfully.

Resolution: Noted.

g. Progress in the setting-up of Human Milk Bank at hospital:

The Chairman briefed the board that, the setting up of Human Milk Bank is in progress. The place was identified in the hospital, needed civil, electrical and other works will be completed shortly. The necessary equipments have been procured and the installation is in process.

Resolution: Noted.

h. Establishment of Site Management Office for clinical trials & surveys:

Dr. M. M. Patil, Dean, R&D, briefed the Board that, the Clinical trial site monitoring is one element of the overall data and safety monitoring of the clinical trials. For establishment

of Site Management Office for Clinical Trials & Surveys, the blue print and SOP are ready. The purpose of Clinical site monitoring office is to ensure compliance with the protocol, good clinical practices, federal and local regulations and Institutional policies.

As our constituent college is involved in several clinical trials, it is essential to have Clinical Trials Site Management Office (SMO) for independent and efficient monitoring of clinical trials.

It will be established in the hospital premises as per the guidelines of ICMR/Other statutory bodies' norms.

Resolution: Approved.

i. Establishment of Nutritional Rehabilitation Centre:

The Chairman of the Board informed that, it is mandatory as per the Supreme Court and High Court Orders, to establish Nutrition Rehabilitation Centre (NRC) in the Pediatrics Department, which will provide services and awareness to patients.

Dr. M. M. Patil, Dean, R&D, briefed the board that, Nutrition Rehabilitation Centre (NRC) refers to a unit for care of children with severe malnutrition. The objectives of this centre are: i) to provide institutional care for children with acute malnutrition, ii) to promote physical, mental & social growth of children with acute malnutrition, iii) to build capacity of primary care givers at the home-based management of malnourished children. iv) Sick children with malnutrition are managed in hospitals, whereas children without any disease will be given advice on health & proper nutrition.

He further elaborated on the functioning of the centre and requirement of man power for establishing the NRC.

Resolution: Approved.

j. Revision of incentive for Publications/Conference, in accordance with impact factor, indexing, etc. and also, to incentivize Award, Honors and Recognitions of faculty.

Dr. Arun Inamadar, Pro Vice-Chancellor & Dean, Faculty of Allied Health Sciences briefed the board that, the incentives had been revised in the year 2019. Now there is need to revise the incentives to the faculty members for publishing the papers in high impact journals, presentation in conference and also book chapter contributions, etc.

Further, he briefed the board that, many of our Faculty Members getting the Awards, Honors and Recognitions by the International / National agencies and also government bodies, which need to be suitably recognized and incentivized. This will be motivating the faculty members and also will help the visibility of institution in the NAAC, NIRF and other Accreditations. The board accepted and recommended for revision for the incentives.

Dr. G. S. Narashetty suggested that, the incentive should be based on the impact factor and also publishing journal.

Resolution: Approved and recommended to BoM.

4. Any other matter with the permission of the Chair

i) For Information

a. Education World Higher Education Rankings 2022-23:

The Secretary, briefed the board that, the Education World listed BLDE (Deemed to be University) among Top 300 Universities and has ranked in Top-7 best private university under the Medical and Life Sciences category in its EW Higher Education Rankings 2022-23.

Resolution: Noted.

b. DST Proposal for I-TBI

The Secretary, briefed the members that, the proposal submitted to DST for setting up Inclusive Technology Business incubator (ITBI) at Shri B. M. Patil Medical College, Hospital & Research Centre has been recommended by National Expert Advisory Committee (NEAC) to support under NIDHI i-TBI programme subject to administrative and financial approval by DST.

Resolution: Noted.

c. ICMR Student Projects

The Secretary of the Board informed the members that, Eight (08) ICMR projects selected to our UG Students. Remaining UG Students will be supported by the University for funding.

Resolution: Noted with appreciation.

d. Shortlisting of Research Proposal

The Hon'ble Vice-Chancellor informed the board that, the concept proposal submitted to the Central Council for Research in Homeopathy (An Autonomous Body of Ministry of AYUSH, Govt. of India) New Delhi, by Prof. Kusal K. Das, Distinguished Chair Professor of Physiology, under expression of Interest for collaborative studies has been accepted by the competent authority and requested to submit the detailed proposal of the said project.

Resolution: Noted.

e. Conferment of KSTA Fellowship on Hon'ble Pro Vice-Chancellor Dr. Arun C. Inamadar

The Secretary of the Board informed the members that, Hon'ble

Pro Vice-Chancellor, Dr. Arun C. Inamadar has been conferred with 'KSTA Fellowship' for the year 2022 by the Karnataka Science and Technology Academy (KSTA), a unit of Department of Science and Technology, Govt. of Karnataka in the Executive Committee at its XVI meeting held on 08th June 2022.

Resolution: Noted with appreciation.

24TH MEETING HELD ON JANUARY 19, 2023

AGENDA

1. Confirmation of the minutes of the 23rd Meeting

The Registrar briefed the proceedings of the 23rd meeting of the Planning & Monitoring Board held on June 17, 2022.

Resolution: Accepted and Confirmed.

2. Action Taken Report of 23rd Meeting:

The Registrar has presented the Action Taken Report of the 23rd before the Board. The Action Taken Report has been accepted with minor corrections.

Resolution: Accepted and Approved

3. For discussion and decision:**A. Initiatives:****a) Physical Infrastructure:****i. Proposal for construction of Academic Block including Convention Centre / Auditorium:**

The Registrar informed the Board about the proposal for construction of Academic Block including Convention Centre/Auditorium. The Hon'ble Vice-Chancellor also briefed the Board that the plan of the construction as prepared considering the future requirements. He also briefed the Board about the starting of School of Physiotherapy and other academic programmes from the Academic Year 2023-24 and the present physical infrastructure will not be adequate to provide for the teaching-learning facilities for the proposed increase in the student strength. So it is proposed to construct the separate Academic Block including Convention Centre / Auditorium.

The detailed proposals were explained by the Chief Engineer prepared with an estimated budget of Rs. 600 lakhs, in the meeting.

Resolution: Approved and recommended to BoM for approval

ii. Proposal for new University Administrative Block, Renovation of NRI Guest House, Laundry Facility, 3rd Floor for current Administrative Block and campus landscaping:

The Registrar informed the Board that the space at the present University Administrative Block is not sufficient to accommodate cabins/ sections for officers. In view of the future requirements, it is proposed to take up the new University Administrative Block. Also proposal has been prepared for renovation of NRI Guest House (bath rooms), laundry facility, 3rd floor for current administrative block and campus landscaping / roads. The approximate cost for all these projects is estimated to be Rs. 910 lakhs.

The Pro-Chancellor suggested to prepare the plan of construction and instructed to take up work immediately after approval of the Engineering plan.

Resolution: Accepted and recommended to BoM for approval.

iii. Proposal for Extension of Super-specialty Hospital with additional 400 beds:

The present Superspecialty Hospital has Cardiology & Urology departments with 100 beds capacity. For expansion of superspecialty services in the Urology, Cardiology, Oncology, Neurosurgery and Nephrology etc. in the existing superspecialty hospital, there is a need of space for OPDs, IPDs separately for each department. Hence, it is proposed to construct the additional block of 400 beds for adjoining the existing superspecialty hospital.

The Principal & Dean, Faculty of Medicine suggested that the drawings and planning shall be finalized with stake holders approval.

The Construction and Maintenance Cell has prepared the detailed proposal with an

estimated budget of Rs. 1,250/- lakhs and submitted for approval. The vendors are consulted for planning, presentation & discussion.

In context with new projects of construction Dr. Narshetty, Hon'ble Member suggested to workout on the requirement of the Superspecialty Hospital and future requirement before starting the work.

Resolution: Accepted and recommended for approval of BoM.

iv. Renovation of OPDs as per the requirement of NMC for 200 seats intake:

The Principal & Dean, Faculty of Medicine informed that this year the University has got the approval for 200 seats intake for MBBS program and proposed to renovate the OPD space of the department of Medicine, ENT, Surgery, Obstetrics & Gynecology and Geriatric Medicine as the present space is inadequate, as per the NMC requirement for 200 seats intake. The total estimated cost of the renovation is Rs. 225 lakhs.

Resolution: Accepted and recommended for BoM for approval.

b) Academic Aspects:

i. Adoption of UGC's Guidelines for engaging Professor of Practice in Universities / Colleges:

The UGC has shared the 'Guidelines for engaging the Professor of Practice' in universities and informed all the Vice-Chancellors of the Universities and Principals of the College to initiate the steps to make necessary changes in their statutes/ordinances/rules/regulations to enable the engagement of Professor of Practice in Universities and requested to share the same in University Activity Monitoring Portal (UAMP).

The Hon'ble Pro-Chancellor informed the Board that the University is preparing SOPs for the same and will be presented it in next meeting.

Resolution: Noted.

ii. Adoption of UGC's (Minimum Standard and Procedure for Award of Ph.D. Degree) Regulations, 2022:

The UGC through Gazette Notification notified the UGC (Minimum Standard and Procedure for Award of Ph. D. Degree) Regulations, 2022 and shared with all HEIs to implement in University Regulations for award of Ph.D, degree.

The Registrar informed the Board that the Doctoral Committee of the University has already prepared the revised regulation and same will be notified soon.

The Pro-Chancellor suggested to take it before the Academic Council and discussion and approval.

Resolution: Noted.

iii. Adoption of Curriculum and Credit Framework for Undergraduate programmes:

The Registrar informed the Board that the UGC through its Public Notice vide F. No. 1-1/2021(QIP) (CBCS) Dtd. 12.12.2022 shared a copy of the 'Curriculum and Credit Framework for Undergraduate Programmes' with all Higher Education Institutions and informed all HEIs to take necessary measures to adopt the same for undergraduate programmes.

The Hon'ble Pro-Chancellor & Vice-Chancellor suggested the IQAC to conduct the workshop on the Curriculum and Credit Framework and call the resource person from outside the institution.

Resolution: Noted.

iv. Celebration of International Year of Millets – 2023:

The Registrar informed that the UGC through its letter vide D. O. No. 2-73/2022(CPP-II) pt.2 Dtd. 31.10.2022 informed all HEIs to take up activities and events to celebrate the 'International Year of Millets-2023'. Also, shared an action plan/month-wise calendar of activities and requested all HEIs once again to participate in the IYoM celebrations and make it a huge success.

Accordingly, the Department of Community Medicine has planned various activities on millets and health through its 'Center of Excellence for Social Determinants of Health' and shared the copy with the UGC.

Resolution: Noted.

v. Organizing the State Level CME on Oncology in the memory of Late Dr. C. R. Bidri on 2nd February, 2023:

The Chairman of the Board informed the Members that in memory of Late. Dr. C.R. Bidri, Former Principal, we are annually conducting the Dr. C. R. Bidri Memorial CME on his death anniversary on 2nd February of every year.

This year also, the University has planned to organize the State Level CME on Oncology, on 2nd February, 2023. The eminent speakers from various reputed institutes have been invited to deliver the Guest Lecture.

The Pro-Chancellor advised to place on the records and congratulated the organizers for the gesture for organizing the CME.

Resolution:

c) Administrative Aspects:

i. Installation of ATMs in hospital premises by the HDFC Bank:

The Registrar has informed that to facilitate the patient attenders, hospital staff as well as students for bank transactions, it is proposed to install the cash collection facility/ATMs at Hospital premises in the hospital reception. The HDFC Bank has agreed to install the required number of cash collection/ ATMs, on approval the process will be initiated. The Hon'ble External Members suggested to identify the scientific places like nearer to the Casualty, Trauma Centre & Emergency Medicine for installation of ATMs and sign the MoU with the Bank.

The Chairman of the Board well taken the suggestions of the Members and directed the Engineer to identify the place and install the ATMs.

Resolution: Approved.

B. Monitoring and Review of Works:

a) Physical Infrastructure:

i. Progress in the construction of building for Trauma Centre, Casualty, Emergency

Medicine, New Mortuary and PG Hostels:

The Registrar presented the progress report of the construction of the building of Trauma Centre, Casualty, Emergency Medicine, New Mortuary and PG Hostels. The details as follows:

- The civil work of building for Trauma Centre, Casualty, Emergency Medicine, New Mortuary and PG Hostels has been completed.
- The installation of necessary medical equipments and furniture work of Trauma Centre, Emergency Medicine and casualty has been taken up.
- The mortuary body preserving cabins installation and road to mortuary is under progress.
- The PG hostels work has been completed.

Dr. G. S. Narshetty, Hon'ble External Member has suggested to constitute the Monitoring Committee headed by Vice-Chancellor or Dean and call a meeting of Estate Officer, Resident Engineer, Architects & Engineers, supervising the construction work of the building once in a month and take an update on the progress.

The Pro-Chancellor, Prof. Y. M. Jayaraj instructed the Dean to plan for space for Lab, Clinical Space and Rehabilitation Centre in Trauma Centre for upcoming project of School of Physiotherapy.

Resolution: Noted.

ii. Progress in the construction of Quarters for Officers, Staff, Nursing Hostel and Stadium gallery steps for Play Ground:

The Resident Engineer has briefed the Board about the construction work of Quarters for Officers, Staff, Nursing Hostel and Stadium gallery steps for playground. Presently, demolition work of old staff quarters has been taken up, after completion, the foundation laying work will begin. The other works have to be started.

Resolution: Noted.

b) Academic Aspects:**i. Review of Research Policy on Incentives:**

The Registrar informed the Board that the Research Policy was last revised in the year 2019. The Director, Research & Development Cell (RDC) has prepared the revised draft Research Incentive Policy in consultation with stakeholders and submitted for approval.

The Hon'ble Pro-Chancellor has suggested to form a three members committee to work out the possible budget for sanction of incentives and that can be included in the next year budget for Research Incentive.

Resolution: Accepted and recommended to BoM for approval.

ii. Revision of Fees and Intake seats for Allied Health Sciences programmes:

The Dean, Faculty of Allied Health Sciences has submitted the proposal for revision of fees and intake for the following programmes under the Faculty of Allied Health Sciences. The details are given as under:

| Sl. No. | Program | Present Intake | Proposed Intake | Present Fees (INR) | | Proposed Fees (INR) |
|---------|----------------------------------|----------------|-----------------|----------------------|----------------------|---------------------|
| | | | | 1 st Year | 2 nd Year | |

Resolution: Accepted and recommended to BoM for approval.

c) Administrative Aspects:

i. Report of Academic & Administrative Audit:

The Registrar presented the report submitted by the Academic & Administrative Audit (AAA) Team for the year 2022. The External Academic and Administrative Audit (AAA) was conducted on 9th & 10th December 2022.

The overall Comments and Suggestions of the Committee are to:

- Consider shifting M.Sc. Pre & Para Clinical courses under Faculty of Medicine
- Adopt measures to increase admissions in those courses of AHS, which have no takers in the last 2 years.
- Consider starting of new programmes like BOT, SLHS, and Superspecialty courses in faculty of medicine.
- Consider appointing co-ordinator for placement cell.
- Increase number of collaborations to achieve Faculty & Student exchange, Better research output
- Increase number of visiting faculty.
- Appoint personnel (Script Writer) to help faculty to bring out good quality publications out of the available research data.
- Work on increasing start-ups.
- Ensure optimal utilization of Central Research Facility.
- Get the Hospital NABH Accredited.
- Encourage faculty to contribute courses on SWAYAM portal.
- Strengthen the fulltime Ph.D. programme with allotment of stipend & contingency amount which will increase research output & publication.

Resolution: Noted.

ii. Draft Annual Quality Assurance Report (AQAR), 2021-22:

The Co-ordinator/ Director, IQAC has presented the draft Annual Quality Assurance Report (AQAR) for the year 2021-22 and briefly explained criteria wise report to the Board. As per the NAAC instructions from the NAAC office, the AQAR included the information from June-2021 to May-2022.

Resolution: Accepted.

iii. Draft Annual Report for the year 2021-22:

The Registrar presented the draft Annual Report for the year 2021-22 before the Board. The Annual Report included the information from April-2021 to March-2022.

The Board Members went through the draft and accepted the report.

Resolution: Accepted.

4. Any other matter with the permission of the Chair

a. For Discussion and Decision:

i. Organization of National Conference of Physiological Society of India:

The Co-ordinator/Director, IQAC & Professor, Dept. of Physiology has informed the Board that the Department of Physiology has got the permission to conduct the National Conference of Physiological Society of India tentatively in the month of November-2023.

Resolution: Accepted and recommended to BoM for approval.

FACULTY AND BOARD OF STUDIES

| Sl. No | Department | Meeting Held on | Resolution |
|--------|----------------------|-----------------|--|
| 1. | Surgery | 11.06.2022 | * Value Added Courses: i) Diagnostic Upper GI Endoscopy ii) Endo Venous Laser Ablation (EVLA) for Various Veins * Fellowship Programme in “Minimal Invasive Surgery” |
| 2. | Geriatric Medicine | 30.07.2022 | * Online Inter-University PG Teaching Programme |
| 3. | Respiratory Medicine | 25.08.2022 | * Value Added Courses: i) UGs-----PFT ii) PGs-----Bronchoscopy, Tracheostomy |
| 4. | General Medicine | 27.08.2022 | * Changes in 2022 PG Curriculum: i) Case preparation, case work up, ii) Case attending/ management - once a week iii) Laboratory performance - twice a week iv) Journal club - once a week v) seminar - once a fortnight vi) case discussion - once a fortnight/ month vii) Inter-departmental case or seminar - once a month * District Residency Project in Civil Hospital |

| | | | |
|-----|--------------------|------------|--|
| 5. | Community Medicine | 29.08.2022 | * Value Added Course “Data Management using MS Excel” |
| 6. | Pathology | 03.09.2022 | * Value Added Course for B.Sc. MLT ‘Basics of Immunohistochemistry with Hands on Training’ * Value Added Course in “Adoption of Digital Tool for Teaching Learning Pathology” |
| 7. | Physiology | 06.09.2022 | * Value Added Course i) Communication Skills ii) Cognition Tests iii) Cardio Metabolic Test iv) Electro Physiology Test v) History of Medicine Curriculum |
| 8. | Psychiatry | 12.10.2022 | * Implementation of new PG Curriculum as per NMC * Addition of new chapters in PG Curriculum ‘Role of Psychiatrist in epidemic and pandemic illness which should include COVID-19 as well as other epidemics too’ |
| 9. | Biochemistry | 15.10.2022 | * Value Added Course “Biochemical Techniques and its Application in Medicine” |
| 10. | OBGy | 18.10.2022 | * Fellowship Programmes i) High Risk Pregnancy ii) Urogynaecology * District Residency Programmes should be introduced for the 2nd year PG students as per NMC |
| 11. | Urology | 19.10.2022 | * Fellowship Programmes i) Urology OT Technician ii) Female Urology iii) Andrology * Ph.D. Programmes in: i) Stone Disease ii) Oncology * Simulation Based Training in Urology * Collaborative Projects with USI |
| 12. | Microbiology | 21.11.2022 | * Value Added Course in “Infection Control Practices (Annexure III)” * Certificate Course in ‘Molecular Biology Techniques Practical Approach (Annexure IV)’ Changes in the Allied Curriculum i) BPT ii) B.Sc. (MLT) |

| | | | |
|-----|------------------------|------------|---|
| 13. | Allied Health Sciences | 21.11.2022 | <p>* Restructure of Semester wise curriculum as per CBCS Pattern: M.Sc. Medical programme duration to be reduced from 3 years to 2 years.</p> <p>* Revision of curriculum of UG/ PG programmes.</p> <p>* Eligibility criteria & Examination Pattern for University Semester Examination in UG/PG Programmes.</p> <p>- In Eligibility criteria for admission into MHA course: BPT, B. Pharm, Veterinary sciences, Bachelor Degree course for Science were included.</p> <p>- In Eligibility criteria for admission into MPH course: Bachelor's degree in Allied Health Sciences, Veterinary Sciences were included.</p> <p>- In Eligibility criteria for admission into MSc Medical Microbiology course: BDS, B. Pharm, B physiotherapy, B.Sc. nursing, B.Sc. Biotechnology/Medical Lab technology were included.</p> <p>* Starting of School of Physiotherapy. Basavaraj Chandu Sir – needs the infrastructure, human resources to start the college of physiotherapy.</p> <p>* Increase of UG Seats in BPT, CCT, MIT. Dr M S Ganachari suggested</p> <p>- Increment of seats in BPT from 30 to 60 can be given.</p> <p>- Increment of seats in MIT from 20 to 50 can be given.</p> <p>- Increment in seats of CCT can only be given when there is required infrastructure, and human resources are provided.</p> <p>* Starting of new courses in Post-Graduation in MIT, MPT, and B.Sc. Emergency Medical Technology</p> <p>* Implementation of Academic Bank of Credits (ABC). Year 2021 UG – 82 (out of 85) PG – 7 (out of 7) Year 2022 UG – 87 (out of 108) PG – 3 (out of 6)</p> <p>* Scope of Implementation of NEP. According to UGC guidelines a student can pursue two full time academic programmes simultaneously one in physical mode and another in Open and Distance Learning (ODL)/ online mode.</p> |
|-----|------------------------|------------|---|

5. BLDE (DU) EXECUTIVE SUMMARY OF UNIVERSITY PROFILE

i) Institutions/ Constituent Colleges

Shri B. M. Patil Medical College

Salient Features...

- Established in 1986.
- All courses are recognized by the National Medical Council (NMC)/Medical Council of India (MCI).
- Under Graduate (M.B.B.S.) programme with an annual intake of 150 seats.
- Post Graduate, M.D./M.S. degree Programmes in 21 disciplines with an annual intake of 144 seats.
- Super Specialty programme in Urology (M.Ch.) with an annual intake of 01 seat.
- Ph.D. Programmes in 21 disciplines.
- Fellowship / Certificate Courses.
- Under Graduate Course recognized by Sri Lankan Medical Council.
- Enlisted in the WHO directory of Medical schools.

- Enlisted in the IMED FAIMER.
- Alumni are spread across the globe. Alumni Association is registered and functional.
- Well-equipped Skills and Simulation Lab to facilitate learning skills for UG and PG teaching.
- Central Research Laboratory facility with state of the art instruments & equipment.
- Faculty are highly qualified, experienced, motivated, and research-oriented.
- Administration student-centric and proactive.
- Management Progressive.
- (Allied Health Programmes) M.Sc., B.Sc. MIT, MHA, MPH, M.Sc., B.Sc.

The Medical College and Hospital are situated adjacent to each other on a campus sprawling over 55 acres of land in the heart of the city. The campus has beautifully landscaped gardens and black stone buildings of old-world charm, which are well ventilated and illuminated. The college departments, the Central Library and residential areas are distributed in various blocks within the campus.

The college has 23 departments with state-of-the-art facilities for imparting teaching to both undergraduate and postgraduate students. In addition, the college has separate departments for Yoga Science, Kannada and Culture, which is one of the first in the state. Recently, the departments of Anatomy, Microbiology and Biochemistry are expanded to provide more space and Genetics Lab has been established in the Dept. of Anatomy.

Teaching Faculty...

The eminence of the staff has left its mark on both undergraduate and postgraduate teaching and has fetched name and fame. The faculty members have held high academic positions like Member of Medical Council of India., Director, Curriculum Development Cell, Rajiv Gandhi University of Health Sciences, Bangalore. Members of Board of Studies of various Universities of Health Sciences. Bangalore. In addition to holding high positions in professional bodies of their respective specialties as Chairman, Secretaries and Presidents of State Association, Secretary or as Executive Committee Members, many have been invited to be speakers at the National and State Level events. Few of the faculties are on the editorial board and peer reviewers for International Journals and Indexed Journals like a BMJ group of Journals and publications. Two of the faculty members are visiting professors at the Universities of the USA and the UK.

The academic performance of the students is excellent. The examination results range from 65% - 85% and many students secured first class and distinction. Twelve students have been awarded nineteen gold medals for their excellence. Extracurricular activities are encouraged and the students from the institute regularly take part in the Zonal, Inter-zonal, University, Inter-University Meets. We share a significant number of prizes awarded every year at such events.

The Medical College Hospital

The hospital building is very spacious, with adequate natural illumination and ventilation. It has an eco-friendly sewage cum effluent water treatment plant and incinerator for waste management. A generator serves the entire campus for round-the-clock electricity supply during power failure.

3rd floor is being added to the existing hospital building at the cost of about 14 crores and it will be functional by June 2015.

The Medical College Hospital has 1080 Beds, provides Out-Patient, In-Patient, Casualty and Emergency Services. It has Intensive Coronary Care Unit, Critical Care Unit, Paediatric Intensive Care Unit, Neonatal Care Unit, Surgical Intensive Care Unit and Specialized Isolated Sterile, Burns Ward all equipped with required Monitors, Pulse Oxymeters, Defibrillators, Ventilators, Infusion Pumps and various other specialized equipment needed for critical patient care. The hospital is equipped with an Advanced 1.5 Tesla MR1 Scan, 32 Slice CT Scan, and all necessary Radiological Instruments like C-arm, X-ray Machine, Multiple Portable X-ray machines, 3D Colour Doppler, etc. In addition, the hospital has provided Ultra Sound equipment in the Labour Room and Portable Colour Doppler in the ICU and ICCU. The hospital has a fully developed Urology Unit with all Endo Urological Equipment and Extra Corporeal Shock Wave Lithotripsy equipment. The department of Nephrology is equipped with Six Haemo Dialysis Units and Continuous Ambulatory Peritoneal Dialysis facilities. The department of Medicine has a Medical Gastro Enterology Unit with the availability of all necessary Video Endoscopes for Diagnostic and Therapeutic Procedures. For all surgical specialities, Laparoscopic Instruments are available to cater for General Surgery, Obst/Gynaec and Urology departments. The department of Ophthalmology is equipped with YAG Lasers, Diode laser, Fundus Camera and Computerized Perimetry. The department of Dermatology has the facility of PUVA & Xlase LLT Yag Laser (Cosmetic Laser Therapy).

The hospital has a Blood Bank with whole blood and blood component facilities (platelets/packed cells/plasma). It has a fully functional Eye Bank registered under the Transplantation of Human Organ Act, 1994, by the Government of Karnataka. These services are available 24 x 7 on all 365 days. Well-equipped Artificial Limb Centre and Physiotherapy unit cater the

health care services.

The Central Laboratory functions 24 hours a day. The Biochemistry Laboratory is annually assessed by the External Quality Control Programme of Christian Medical College, Vellore, which evaluates laboratories on all India basis. Our laboratory is listed amongst the first 30 laboratories in India for the past ten years. Drug store functioning 24 hours 365 days a year is available in the hospital.

Recently, Poison Detection Centre has been established to facilitate the diagnosis and prognosis of poisoning cases.

In Collaboration with State Government, the University has established in August 2013 a District Disability Rehabilitation centre with specialists, experts, skilled and unskilled staff.

Recently, the third floor has been added to the existing hospital building. The latest facilities added/upgraded are:

IIIrd Floor is added to the existing two-floor hospital building. This floor is constructed with modern hospital standards. The right wing is a Paediatric ward with spacious, well-arranged 90 beds and the Superspeciality Clinics on Neurosurgery, Pediatric Surgery, Nephrology and Endocrinology have started.

Followed by NICU 18 bedded with 12 warmers and two phototherapies, and PICU 12 Hi-Tech beds with central oxygen, suction apparatus, ventilators, monitors, sufficient life-saving medicines, and modern trolleys with all essential equipment are provided. Sixty bedded OBG ward is with life-saving equipment and devices are arranged.

20 bedded urology ward with essential equipments, 20 bedded post-operative ward, recovery room 12 bedded, ICU complex with RICU, MICU, CCU and ICCU with 22 Hi-tech beds and provided modern latest equipments. OT Complex has five modular theaters with the latest sophisticated equipments, including laminar flow and filters. Ten bedded pre-operative wards, followed by a well-furnished anesthesia department.

Labour room is provided 7 delivery tables 6 for clean cases and 1 for septic cases and attached with labour OT (2 tables) and recovery room (3 beds) with all modern facilities. 8 bedded burns ICU with all facilities (ventilators, monitors, central oxygen and vacuum suction apparatus). 20 beds are catered for Empanelment beneficiaries. M-Block with 8 deluxe rooms (AC, Monitor, Pulse oximeter, central oxygen and vacuum suction apparatus and TV), J-block 8 rooms with 16 beds, K- Block with 30 beds (Monitor, Pulse oximeter, central oxygen and vacuum suction apparatus).

Good Reception counter with experienced staff is established for multi-specialty clinics, for visitors, 20 perforated chairs and mineral water for drinking purposes is arranged. For consultants, 11 cubicles are constructed with well-furnished equipment for multi-specialty paying clinics.

The Hospital has been started supplying solar hot water to all categories of patients (Jain Water Heater System Sunglow CI1000). Also upgraded and installed the sophisticated automated machine in the department/section like Laundry and CSSD to provide the uninterrupted and quality of service to the patients, the hospital has upgraded central oxygen supply plant capacity 1K to 13K reservoir plant with centralized vacuum suction.

NICU and PICU

Modular OT with Laminar flow and Hiffa filters and Paediatrics ward

Central Liquid Oxygen and Vacuum Suction Plant

6. TEACHING HOSPITAL AND SS HOSPITAL PROFILE

A) Teaching Hospital

Infrastructure:

The college building is a thoughtfully designed structure showcasing the need of a modern specialty hospital; with an adjoining facility with 1360 beds. The seating arrangement in the lecture hall is such that the students get an unhindered view of the faculty and teaching aids from all sides. The teaching hospital offers a range of clinical specialties, modern diagnostic facilities offering integrated care and has all the amenities of an ultra-modern hospital. The hospital offers all the modern amenities housed at one destination and is an added advantage to the clinical facilities.

Pediatric OPD:

Renovated as per the standard requirements of NMC and other statutory bodies and started functioning on 5/12/2022

- Spacious reception with well-equipped OPD consultation rooms.
- Newly constructed play home besides the OPD for children's.
- All fire extinguishing measures has been taken.

Amruthadhare Human Milk Bank

Human milk bank is primarily focused to provide donor milk to high risk newborns admitted in the neonatal unit. Started functioning on 03/02/2023.

Breast feeding is the best method of infant feeding because human milk continues to be the only milk which is tailor-made and uniquely suited to the human infant. All mothers should be encouraged to breast-feed their infants. When a mother, for some reason, is unable to feed her infant directly, her breast milk should be expressed and fed to the infant. If mother's own milk is unavailable or insufficient, the next best option is to use pasteurized donor human milk (PDHM). India faces its own unique challenges, having the highest number of low birth weight babies, and significant mortality and morbidity in very low birth weight (VLBW) population.

A human milk bank, is a service that collects, screens, processes, pasteurizes, and dispenses as per the advice of neonatologist, human milk donated by nursing mothers who are not biologically related to the recipient infant.

CSSD

The Central Sterile Supply Department (CSSD) is a specialised area responsible for the collection, decontamination, assembling, packing, sterilisation, storing and distribution of sterile goods and equipment to patient care areas.

The receiving and issuing zoning has been done as per the standard guidelines on 24/3/2023, and following the all statutory requirement as per NABH protocols.

Hospital Main store

Materials management is very vital in the health-care the entire hospital activity which deals with procurement, storage, transportation, distribution, maintenance etc. is depend on the main store of the hospital and which has been renewed 10/2/2023, to maintain the store activities as per the NABH guidelines by creating zoning.

Third floor OT Instrument washing area constructed on 28/3/2023

Surgical instruments and other reusable devices must be effectively reprocessed so they are safe and functional for patient use. Before an instrument can go through sterilization or high-level disinfection, it must be cleaned. To ensure quality outcomes for the patient, the cleaning process requires consistency and standardization.

Beds

A teaching hospital is a hospital provides medical education and training to future and current health professionals.

| Sl. No. | Department | Beds | | Total | Critical Care Beds |

Health Care facilities

The hospital is having good health care facilities to render quality of service to the patients.

- HIC (Infection control practice)
- Diagnostics services (Laboratories & Radiology)
- BWM (Biomedical Waste Management)
- Laundry
- Logisticsetc

Broad Specialties

- General Medicine
- Psychiatry
- Pediatrics
- Respiratory Medicine
- Dermatology
- General Surgery
- Orthopedics
- OBG
- ENT
- Ophthalmology
- Anesthesiology
- Geriatric Medicine
- Dentistry
- Radiology

| Non teaching | |
|--------------|---------------|
| Designation | No of faculty |
| Officer | 20 |
| S.D.A. | 46 |
| F.D.A. | 17 |
| Technician | 77 |
| Nursing | 314 |
| Class IV | 284 |

Super Specialties

- Urology
- Neurology & Neurosurgery
- Cardiology & Cardiothoracic Surgery
- Gastroenterology
- Endocrinology
- Pediatric Surgery

B) Super Specialty Hospital

Super Specialty Hospital is dedicated to providing specialized and advanced healthcare services in various medical fields, with a strong focus on patient care, technology, and expertise. This hospital plays a crucial role in addressing complex medical conditions and improving the overall healthcare system. It provides advanced and specialized healthcare services and treatments in specific medical fields. This hospital is equipped with state-of-the-art technology, highly skilled medical professionals, and comprehensive medical services to diagnose, treat, and manage complex medical conditions. The BLDE (DU) is “Proactive and Vibrant” for providing excellent patient healthcare and “Super Specialty” care to needy patients of this background region. The hospital offers specialized care in a range of medical disciplines, which may include but are not limited to:

Cardiology: Diagnosis and treatment of heart-related conditions and diseases.

Urology: Diagnosis and treatment of disorders of the urinary tract and male reproductive system.

Medical team: The hospital boasts a team of highly skilled and experienced medical professionals, including doctors, surgeons, nurses, and support staff, who are experts in their respective fields.

Department of Cardiology

The cardiology department stands as a beacon of excellence in cardiovascular medicine. This department has earned a reputation for providing comprehensive, cutting-edge care to patients while contributing significantly to advancements in cardiology research. It specializes in diagnosing, treating, and managing cardiovascular diseases and disorders.

Department of Cardiology Team

| Sl. No. | Name | Designation |
|---------|------------------------------|-----------------------|
| 1 | Dr. Sanjeev Sajjanar | Associate Professor |
| 2 | Dr. Madivalaswami D. | Associate Professor |
| 3 | Dr. Darshan M. Biradar Patil | Assistant Professor |
| 4 | Dr. Shrusthi Walad | Assistant Professor |
| 5 | Dr. Kiran Chulki | Senior Resident |
| 6 | Dr. Abhijeet Kulakarni | Visiting Cardiologist |

Nursing-Para Medical-Technicians and other Supporting Staff

- Nursing staff - 10
- Echo-TMT - 02
- Class IV - 06

Health Care Facilities

Super specialty hospital is equipped with advanced Health Care facilities, including Echocardiography (Cardiology), Cath Lab, TMT.

Health Care Services

- Coronary angiography
- 2D Echo Cardiography
- TMT (Stress Test)
- ECG Holter Monitoring
- Coronary angioplasty
- Permanent Pacemaker
- Implantation (PPI)
- IVC Filter
- Balloon Mitral Valvotomy
- Atrial Septal Defect, Ventricular Septal Defect
- Peripheral Plasties

Accomplishments in Health Care and Services

- Experienced Doctors
- Well trained Staff
- ICCU, CCU
- Special room
- 24X7 critical care ambulance service
- Health insurance plans:
 - Health Karnataka – Ayushman Bharat
 - Jyothi Sanjeevini
- Health Camp Organized in Vijayapur District Court Premises on 29.04.2023
- Offering Health check-up package for Rs.1200/- includes ECG, ECHO, BP, LIPID Profile, FBS, and PPBS.
- Introduced 'State are Technology' Philip & Azurion M-20 Cathlab Machine. This facility is introduced in North Karnataka for the first time.

Department of Urology

The Urology department at BLDE (Deemed to be University) is a recognized centre of excellence in urological care and research. This department is dedicated to diagnosing, treating, and managing a wide range of urological conditions. The BLDE (Deemed to be University) Urology department stands at the forefront of urological healthcare with a team of skilled urologists and state-of-the-art facilities.

The infrastructure of the department includes:

- 1) Seminar Hall with LCD projector
- 2) e-Books (21) e-Journals (49)
- 3) Wi-Fi Facilities

- 4) Operative Videos
- 5) Museum
- 6) All the faculties use ICT - enabled tools for effective teaching and learning process, Including online e-resources

Expertise in Urological Care

The Urology department at BLDE (DU) boasts a team of board-certified urologists who are experts in the field. They specialize in addressing conditions related to the urinary tract and male reproductive system, including kidney stones, urinary incontinence, prostate issues, and urological cancers. The team includes the following experts:

| Sl. No. | Name | Designation |
|---------|-----------------------|---|
| 1 | Dr. S. B. Patil | Professor & Head |
| 2 | Dr. V. S. Kundargi | Professor |
| 3 | Dr. Santosh Patil | Associate Professor |
| 4 | Dr. B. S. Patil | Assistant Professor |
| 5 | Dr. Dilip Javali | Visiting / Senior Consultant Urologist & Renal Transplant Surgeon |
| 6 | Dr. Hemanth Deshpande | Visiting / Senior Consultant Urologist & Renal Transplant Surgeon |

Nursing-Para Medical-Technicians and other supporting staff

- Nursing staff - 01
- Technician - 01
- Class III - 01

Health Care Facilities

- Endoscopic laser surgery for stone and prostate (Thulium Fibre Laser)
- Lower tract and upper tract urological procedures (URSL, PCNL, CLT, VIU, TURP)
- Paediatric Urology (Hypospadias repair, PUV fulguration, pyeloplasty etc.)
- Oncology (renal, urinary bladder, prostate, testes, penile)
- Management of urological trauma (24/7)
- Urological reconstructive surgeries
- Urethral reconstruction
- Female pelvic floor reconstruction
- Haemodialysis access (Arteriovenous venous fistula creation)
- Andrology- evaluation and management of male infertility and erectile dysfunction
- Urodynamic Study
- Renal Transplantation

Health Care Services

Health insurance plans:

- Ayushman Bharat- Arogya Karnataka
- Jyothi Sanjeevini
- Yeshashwini Arogya Insurance Scheme
- ECHS
- BLDE Health Care Services

Super Specialties

- Female Urology
- Neuro Urology
- Paediatric Urology
- Andrology (Infertility)
- Uro - Oncology
- Prostate Clinic

Accomplishments in Health Care & Services

- Department organized 'WORLD KIDNEY DAY' Celebration on 9th March 2023.
- Health Camp
- Interaction with CKD Patients
- Jatha
- Dr. Santosh Patil is selected as a Council Member of Karnataka Urology, Association in November 2022.

VIJAYAPURA-586103

8. REPORT FROM CONTROLLER OF EXAMINATION

Examinations are conducted for Medical as well as Allied health science undergraduate courses, postgraduate courses (including super specialty) and Ph.D. programs.

- Entrance examinations are conducted online admission for Ph.D. courses.
- Examinations of branch campuses are also conducted.
- Question Banks are generated in each subject (by the internal subject experts) and question papers are selected from the Question Bank.
- However, for paper-based examinations, question papers selected from the question bank are xeroxed and distributed to the examination hall on the day of the examination. Central valuation is done by double valuation (external & internal) through “On Screen Marking” after scanning the answer scripts and uploading them in the software (candidate’s identification marked to the evaluators). The third valuation is done if there is a difference of more than 15 per cent of marks between the double valuations.
- The results are published within 10 to 30 days after the last examinations.
- The academic council has given autonomy in assessment status for the following institutions/ departments for 3/5 years.

Objectives of the Department

- Conduction of Examinations as per the annual schedule of examinations
- Declaration of results as per the calendar

Schedule of Exams/ Results of Exams/ Grievances and their Redressal

Schedule of Exams

| S.No | Examination | Month |
|------|---|--------|
| 1 | UG & PG (Allied Health Sciences) | Jul-22 |
| 2 | M.Ch. Urology (Super Specialty) | Aug-22 |
| 3 | M.B.B.S. Phase II | Aug-22 |
| 4 | M.B.B.S. Phase III (Part I & II) | Aug-22 |
| 5 | Pre. Ph.D. Course Work Examiantion | Aug-22 |
| 6 | PG Degree (Supplementary Examination) | Oct-22 |
| 7 | UG & PG (Allied Health Sciences) | Jan-23 |
| 8 | M.B.B.S. Phase - II | Jan-23 |
| 9 | M.B.B.S. Phase - I | Feb-23 |
| 10 | M.B.B.S. Phase - III (Part - I) | Feb-23 |
| 11 | M.B.B.S. Phase - II (Supplemenatry) | Mar-23 |
| 12 | M.B.B.S. Phase - III (Part - II) | Mar-23 |
| 13 | Pre. Ph.D. Course Work Examiantion | Mar-23 |
| 14 | M.B.B.S. Phase - I (Supplementary) | Apr-23 |
| 15 | M.B.B.S. Phase - III (Part - I) (Supplementary) | Apr-23 |

Results of Exams

| PG Allied Health Sciences Examination, July 2022 (Semester I) | | | | | | | |
|--|--------------------|----------|--------------------|-------|--------|------|------------|
| Title of the Programme | Number of Students | | Class Distribution | | | | Percentage |
| | Appeared | Passed | Distinction | First | Second | Pass | |

Examination Reforms

- Up gradation of old software Aargees with new software CollPoll
- Supplementary examination for 1st & 2nd year M.B.B.S. students within 45 days.
- Digital question bank & question paper - Inpods
- MCQ evaluation – OMR reader software used for evaluate MCQ answer scripts by digitally.
- Plagiarism Check: TURNITIN, URUKUND
- Marks card on tear proof Paper with Eleven security features.
- Digital valuation – Onscreen answer paper evaluation - software
- New heavy duty all in one printer from Canon.
- Registered with Digi Locker as per government order and uploaded 7223 academic awards.
- Changes in answer booklet.
- Viewing of answer booklet for student on screen
- BCBR certificate is mandatory to appear final PG exam

Examination Automation

10th Convocation

Dr. P. V. Vijayaraghavan, Hon'ble Vice-Chancellor, Sri Ramachandra Institute of Higher Education and Research (DU), Chennai was the Chief Guest. He delivered the 10th Convocation address of BLDE (Deemed to be University) on Tuesday, September 12, 2022. Dr. M. B. Patil, Hon'ble Chancellor of the BLDE (Deemed to be University) and Hon'ble President, BLDE Association presided over the Convocation. Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor in his welcome address, appraised the achievements and progress made by the University.

Degrees were awarded to 202 MBBS Graduates, 62 Post Graduate Degrees, 04 Doctor of Philosophy (Ph.D.), 02 MHA, 02 MPH, 15 B.Sc. MIT.

In various categories, 20 Gold Medals were awarded, Dr. Gaurav Arora, MBBS, bagged Six Gold Medals, Dr. Ruchi Singh, MBBS, won Five Gold Medals, Dr. Yashika C. MBBS, won Two Gold Medals, Dr. Mitali Sharma, MBBS, Dr. Chaithra P. A, MBBS, Dr. Shresth Srivastava, MBBS, Dr. Pooja S. Patil, MBBS won a Gold Medal respectively.

Dr. Namratha B. M., M.D. Anaesthesiology bagged Two Gold Medals. Dr. Shanmukh Kamath, M.S. ENT won a Gold Medal.

Convocation address by the Chief Guest

Dr. P. V. Vijayaraghavan, Hon'ble Vice-Chancellor, Sri Ramachandra Institute of Higher Education and Research (DU), Chennai in his Convocation address, congratulating the graduates and parents, remembered, "The progress didn't happen by accident or fate. It was the result of people just like you, who committed that, whatever else they did with their lives and careers; they would contribute to this shared mission of propelling".

Glimpses of 10th Convocation

GOLD MEDAL SPONSORS & CASH PRIZE

1. BLDE (Deemed to be University) sponsors Six Gold Medals:
 - Two Gold Medals for Undergraduate Toppers - Male & Female
 - Two Gold Medals for Undergraduate Best Outgoing - Male & Female
 - One Gold Medal for Post Graduate Degree Topper
 - One Gold Medal for Post Graduate Diploma Topper
2. Late Dr. M. S. Biradar former Vice-Chancellor BLDE (DU) Memorial Gold Medal for Topper in MD General Medicine sponsored by Dr. M. B. Patil, Hon'ble Chancellor- No Candidate.
3. Late Dr. C. R. Bidri Memorial Two Gold Medal for the Best Out-going Undergraduate students Male & Female, sponsored by Smt. Asha M. Patil.
4. Late Dr. C. R. Bidri memorial Two Gold Medals for Undergraduate Toppers in Paediatrics-Male & Female, sponsored by Dr. Ravi C. Bidri.
5. Late Smt. Premavati V. Patil Memorial Gold Medal for Undergraduate Topper in Pathology, sponsored by Dr. Girija V. Patil.
6. Late Shri. Shivappa Devaramani Memorial Gold Medal for Postgraduate Topper in General Medicine, sponsored by Dr. Shashidhar S. Devaramani- No Candidate.
7. Late Mrs. Rukmini Shamrao Narasapur Memorial Gold Medal for the Post Graduate Topper in Ophthalmology sponsored by Dr. Vanaja Upendra Narasapur - No Candidate.
8. Late Mrs. Rohini Malhar Rao Joshi Memorial Gold Medal to UG Topper in Pharmacology, sponsored by Dr. Mrs. Vanaja Upendra Narsapur.
9. Dr. Vijayakumar Kalyanappagol sponsors late Prof. T. K. Kalyanappagol Memorial Gold Medal for Topper in the MD Anaesthesiology with a Minimum of 65% scoring.
10. Dr. S. B. Patil (Satti) Gold medal to Undergraduate Student Topper in General Medicine, sponsored by Dr. Sheetal Harakuni.
11. Department of Pathology Gold Medal to Post Graduate Topper of Pathology sponsored by Department of Pathology - No Candidate.
12. Guggarigoudar's Gold Medal to Topper Post Graduate / PG Diploma in ENT with a minimum 60% sponsored by Dr. S. P. Guggarigoudar.
13. Alumni Association sponsored Gold Medal for the Best Undergraduate outgoing student.
14. Late. Smt. Neelamma R. Mudanur Memorial Gold Medal to Undergraduate Topper in OBG sponsored by Dr. S. R. Mudanur.
15. Dr. Sharayu N. Desai Memorial Gold Medal to Post Graduate Topper in M.S. OBGy. sponsored by Dr. Desai Family - No Candidate.
16. Dr. G. S. G. Ayyangar sponsored Late Mr. G. V. S. Vamsi Krishna Memorial Cash Prize for topper in Phase-III, Part-I.
17. Late. Dr. Vidyavati Ugran Memorial Cash Prize for the Post Graduate Topper in Community Medicine sponsored by Sri. S. D. Ugran - No Candidate.
18. Late. Dr. Vidyavati Ugran Memorial Cash Prize for the Undergraduate Topper First Position in Community Medicine sponsored by Sri. S. D. Ugran.
19. Late. Dr. Vidyavati Ugran Memorial Cash Prize for the Undergraduate Topper Second Position in Community Medicine sponsored by Sri. S. D. Ugran.

GOLD MEDAL AWARDEES

**Undergraduate**

1. Best Out-going Undergraduate Student, Male category was awarded to Dr. Gaurav Arora.
2. Best Out-going Undergraduate Student, Female category was awarded to Dr. Yashika C.
3. BLDE (Deemed to be University) Gold Medal to the Topper in Undergraduate Student, Male category was awarded to Dr. Gaurav Arora.
4. BLDE (Deemed to be University) Gold Medal to the Topper in Undergraduate Student, Female category was awarded to Dr. Ruchi Singh.
5. Late. Dr. C. R. Bidari, Memorial Gold Medal for the Best Out-going Undergraduate Student, Male category was awarded to Dr. Gaurav Arora.
6. Late Dr. C. R. Bidari Memorial Gold Medal for the Best Out-going Undergraduate Student, Female category was awarded to Dr. Yashika C.
7. Late Dr. C. R. Bidari Memorial Gold Medal to Undergraduate Student Topper in Paediatrics, Male category was awarded to Dr. Gaurav Arora.
8. Late Dr. C. R. Bidari Memorial Gold Medal to Undergraduate Student Topper in Paediatrics, Female category was awarded to Dr. Mitali Sharma.
9. Alumni Association Sponsored Gold Medal for the Best Out-going Undergraduate Student was awarded to Dr. Gaurav Arora.
10. Late Smt. Premavati V. Patil Memorial Gold Medal to Undergraduate Student Topper in Pathology was awarded to Dr. Gaurav Arora.
11. Late Mrs. Rohini Malhar Rao Joshi Memorial Gold Medal to Undergraduate Student Topper in Pharmacology was awarded to Dr. Chaithra P. A.
12. Late. Mrs. Neelamma R. Mudanur Memorial Gold Medal to Undergraduate Student Topper in OBGy was awarded to Dr. Ruchi Singh.
13. Dr. Sharayu N. Desai Memorial Gold Medal to Undergraduate Student Topper in OBGy was awarded to Dr. Ruchi Singh.
14. Dr. S. B. Patil (Satti) Gold medal to Undergraduate Student Topper in General Medicine was awarded to Dr. Shresth Srivastava.

Cash Prize:

1. Late. Mr. G.V.S. Vamshi Krishna Memorial Cash Prize for the Student Who Secured the highest Marks in M.B.B.S. Phase III (Part I) was awarded to Dr. Ruchi Singh.
2. Late Dr. Vidyavati Ugran Memorial Cash Prize for the Undergraduate Student Topper First Position in Community Medicine was awarded to Dr. Ruchi Singh.
3. Late Dr. Vidyavati Ugran memorial Cash Prize for the Undergraduate Topper Second Position in Community Medicine was awarded to Dr. Pooja S. Patil.

Post Graduates Degree & Postgraduate Diploma

1. BLDE (Deemed to be University) Gold Medal to Post Graduate Student Topper was awarded to Dr. Namratha B. M.
2. Guggarigoudar's Gold Medal to Post Graduate Student Topper in M.S. E.N.T. was awarded to Dr. Shanmuka Kamath.
3. Late Prof. T. K. Kalyanappagol memorial Gold Medal to Post Graduate Student Topper in M.D. Anaesthesia was awarded to Dr. Namratha B. M.

**9. DIRECTORATE OF RESEARCH & INNOVATION & COLLABORATIONS -
Research Cell or Centre****A) RESEARCH**

University research constitutes a cornerstone of intellectual exploration, innovation, and societal advancement. Renowned for their role in generating new knowledge, universities serve as hubs of research excellence, contributing to various academic disciplines and addressing real-world challenges.

Centre for Advanced Medical Research

The Central Research Laboratory (CRL) was established in 2014 in Smt. Bangaramma Sajjan campus with financial support from BLDE (Deemed to be University). The primary purpose of the CRL is to support the research activities of the faculty, Ph.D. scholars, PG students, and UG students of the University by providing technical assistance and access to advanced and high-end scientific instruments. The secondary purpose of CRL is also to organize training programmes and workshops/seminars for staff and research scholars in the focused areas of research. The CRL with 1200 Sq. feet area provides sufficient space for multidisciplinary research.

Introduction

Honorable President, B.L.D.E. Association Shri M. B. Patil, Honorable Vice-Chancellor Prof. Dr. M S Biradar, and Dr. Aravind Patil, Dean, Faculty of Medicine are guiding forces behind research activities in the University. The CRL in a medical college is built to provide teaching staff, researchers, and graduate students with easy access to high-end research instruments. For the further development of modern medicine, it is necessary to be fully equipped with advanced technologies such as medical, analytical, and information devices, and to utilize them in a systematic manner.

Preface: Teaching and Research go hand in hand and both are mutually reinforcing. To nurture research and strengthen the research infrastructure of the university, we have upgraded the Central research Laboratory (CRL) and established a Centre for Advanced Medical Research (CAMR) in the year 2021. Imbibing research culture in every student and faculty has been the vision of BLDE Deemed to be University leadership. This centre will make significant contributions to the field of biomedical research, promote student and teacher research, produce high-quality researchers, and contribute knowledge to Basic and advanced medical research.

Currently, the CAMR is supported by BLDE Deemed to be University. We have developed the world-class lab infrastructure with the help of a global leader in total laboratory solutions and designs i.e. Kewaunee International Group.

The journey so far...

2014: Establishment of Central Research Laboratory inaugurated by Hon'ble Chancellor Dr. M. B. Patil & Dr. V. M. Katoch, (Secretary, Dept. of Health Research, Ministry of Health & Family Welfare, Govt. of India, Director General, ICMR, New Delhi) 2021: Upgraded as Centre for Advanced Medical Research.

Centre for Advanced Medical Research (CAMR) is located in the Bangaramma Sajjan Campus, BLDE Deemed to be University's Shri B. M. Patil Medical College, Hospital and Research Centre has been established to make significant contributions in the field of biomedical research, promote student and teacher training, and to produce high-quality researchers and to contribute the knowledge to basic and advanced medical research. Currently, the CAMR is supported by BLDE Deemed to be University. We are also having an animal facility, at present rats, mice, hamsters, and rabbits are available on requisition. This facility can be used to conduct preclinical trials.

Vision:

To have multidisciplinary and distinct research approaches to identify, and understand the mechanisms and therapeutic controls of diseases and disorders.

Mission:

To take the thrust area in medical research like cancer biology, immunology, communicable and non-communicable diseases, bioinformatics, and drug discovery. Development of biomarkers for the early diagnosis of diseases. Ensuring access to cutting-edge technologies in health sciences.

Objectives:

- To identify distinct cell signaling pathways in various diseases for better diagnosis and therapies.
- To improve maternal and child health care research.
- To identify key factors regulating cardiovascular and cerebrovascular diseases.
- To facilitate research in immunology and cancer biology.
- To assist drug discovery research with bioinformatics tools and experimentation through pharmaceutical approaches.
- To conduct research training and workshop programs for UG, PG, Ph.D. scholars, and faculty members.

i) Thrust Areas of Research

BLDE (Deemed to be University) stands as a beacon of innovation, channelling its scholarly pursuits into distinct thrust areas that underscore its commitment to cutting-edge research. In these strategic domains, the university invests its resources and expertise, contributing to advancements that address critical challenges and shape the future of knowledge in the following fields.

1. Laboratory of Vascular Physiology and Medicine

The Laboratory of Vascular Physiology and Medicine at BLDE (Deemed to be University) stands as a cornerstone of cutting-edge research and innovation in the realm of vascular health. This state-of-the-art facility is dedicated to advancing our understanding of vascular physiology

and its implications for medical practice. Under the auspices of BLDE University, this laboratory exemplifies a commitment to excellence in research, offering a dynamic environment where scholars, scientists, and medical professionals converge to unravel the complexities of vascular function and its role in various medical conditions.

The facilities of the laboratory are, Electrophysiology, Molecular Biology, Clinical & Translational.

The laboratory has got extramural funding from Ministry of Defence, Government of India, VGST, Government of Karnataka.

The present collaborations with the prestigious institutions are:

- National Institute of Pharmaceutical Education and Research (NIPER-HYD) on COVID-19 Project, June 2020 (2019-2024).
- Indian Institute of Technology Kanpur (IIT-Kanpur) on Osteoarthritis and regenerative medicine (2020-2025)

Laboratory and its members have got international recognition. The members of the laboratory have published research articles in standard indexed journals.

In the Physiology Society Election, Dr. Kusal K. Das is elected as Vice President (2020 -2023), Dr. Lata Mullur is elected as Executive Committee Member (2020-2023) of the Physiological Society of India, Kolkata. Prof. Kusal K. Das is appointed as Coordinator for Environmental Health (2019-2024) of UNESCO/ UNITWIN network under UNESCO Chair- Life Sciences.

2. Environmental Health Research

Environmental health is one of the most important areas of research for which BLDE (DU) is recognized not only in India but also around the world. Laboratory of Vascular Physiology and Medicine of Department of Physiology has taken several projects on this issue. Two of the Projects received grants from Government funding bodies.

Women and Children Health

Improving mothers, infants, and children's well-being is an important public health goal for our country. Their well-being determines the health of the next generation and can help predict future public health challenges for families, communities, and the health care system. Despite the remarkable progress made in reducing women's and children's deaths, many of them still die each year. Since healthy women and children are the cornerstones for healthy and thriving societies, investing in their health is vital to achieving the new Sustainable Development Goals (SDGs) agenda.

Despite these benefits, blatant gaps must still be filled to reduce the mortality rate, provide equitable access to quality health care among women and children and improve outcomes for children who survive past the age of five. With this objective, Women's and Children's Research unit was started in the year 2009 and has conducted many clinical trials and community-based research projects since then in collaboration with Women's and Children's Health Research Unit Jawaharlal Nehru Medical College, KLE Academy of Higher Education and Research, Belagavi under the able leadership of India Site Principal Investigator Dr. Shivprasad S Goudar. The studies carried out under this research unit intent to bring significant community impact and witness to this is the inclusion of Misoprostol in the prevention of postpartum hemorrhage (PPH) by the Government of India and its endorsement by the World Health Organisation, which was tested in one of our trials undertaken and approval of drug Carbetocin (CHAMPION Trial) by the Indian Drug Regulatory Authorities for prevention of PPH.

BLDE(DU)'s Research unit makes a perpetual effort to gather evidence to incorporate more

substantial treatment and preventive modalities to benefit the community by improving women's and children's health. We hope our efforts are strengthened by cooperation from all the stakeholders, and together we aid in our mission of building a healthy nation.

Few projects have completed, and the project by PLUSTRIAL - Protocol no.: NCT03871491 (2019-2022) on "Prevention of Maternal and Neonatal Death/Infections With a Single Oral Dose of Azithromycin in Women in Labor (in Low- and Middle-income Countries): a Randomized Controlled Trial" is completed OR ONGOING. The research project is funded by Global Network for Women's and Children's Health Research of the Eunice Kennedy Shriver National Institute of Child Health and Human Development, USA and Bill & Melinda Gates Foundation, USA. The research team members are:

| | | |
|-----|---------------------------|---|
| 1. | Co-Principal Investigator | Dr. S. R. Bidri, Professor, Dept. of OBGy |
| 2. | Project Director | Dr. M. R. Gudadinni, Associate Professor, Dept. of Community Medicine |
| 3. | Sub Investigator | Dr. M. M. Patil, Professor, Dept. of Paediatrics |
| 4. | Sub Investigator | Dr. Sangamesh Mathpathi, Associate Professor, Dept. of OBGy |
| 5. | Sub Investigator | Dr. Preeti Patil, Asst. Professor, Dept. of OBGy |
| 6. | Sub Investigator | Dr. Hidaytullah Bijapure, Asst. Professor, Dept. of Paediatrics |
| 7. | Sub Investigator | Dr. Chandrika Doddihal, Asst. Professor, Dept. of Community Medicine |
| 8. | Clinical Microbiologist | Dr. Smita Bagali, Associate Professor, Dept. of Microbiology |
| 9. | Facility Manager | Mr. Prashant S. Desai |
| 10. | Facility Manager | Mr. Sushil S. Tamagond |

The centre has published a good number of publications in the standard indexed journals.

3. Centre of Excellence for Social Determinants of Health

Health is defined as "A state of complete physical, mental and social wellbeing and not merely absence of disease or infirmity" - WHO.

Social factors that determine health include, but are not limited to factors like poverty, ignorance, pollution, contaminated drinking water and food access. All these factors have channeled our efforts towards building of a research centre which would allow physicians, researchers, health professionals and students to come together and learn about how they can improve the health of their community and combat these types of "social determinants".

With this idea, the centre envisioned to develop a "Centre of Excellence for Social Determinants of Health" The social determinants of health are the economic and social conditions including those, in which people are born, grow, live and work that influence their health status and risk for disease.

BLDE (DU) as a University has strong vision to develop world class inter-disciplinary research centre in this underdeveloped region of Karnataka, this was envisaged by then Hon'ble Vice-Chancellor, Dr. B. G. Mulimani and administrators of the Shri. B. M. Patil medical college and BLDE University. So, the center was started with the following:

Vision:

We will strive to enable every individual to achieve their full health potential and not to be affected by any socially determined disadvantageous circumstance.

Mission:

To measure the problem, expand our knowledge base of various social determinants that come in the way of individual's health in our study area. Develop and implement interventions at population level, raise public awareness about the issues. Train and Develop work force to tackle social determinants of diseases work with government agencies and assist governments in formulation of policy matters related to social determinants of Health.

The above mentioned goal is being achieved by funding from external agencies of international repute and with hand holding support from our BLDE (DU).

4. Pediatric Dermatology

BLDE (Deemed to be University) Center of Excellence (CoE) is a team, a shared facility or an entity that provides leadership, best practices, research, support and/or training for a focus area.

Vision:

We aspire to be nationally recognised leaders in Dermatology and Cutaneous Sciences to the benefit of individuals and communities in Bijapur and beyond through the BLDE (Deemed to be University) Center of Excellence in Dermatology.

BLDE (Deemed to be University) Center of Excellence in Dermatology is established and envisioned to grow as number one in this part of Karnataka by 2020.

Mission:

Our Department's mission is sustained leadership in, Patient care in clinical research, and in training the next generation of exceptional clinicians and researchers of our speciality in an environment that fosters creativity, diversity, inclusiveness, and synergy.

Our faculty is committed to the highest level of clinical research in dermatologic science while adhering to the highest ethical standard.

Centre committed to provide comprehensive and unparalleled dermatologic care.

The above said goal is achievable by establishing various sub-specialties of dermatology like – pediatric dermatology, critical care unit, dermatoscopy unit, contact dermatitis clinic, auto-immune disease clinic, STDs clinic, aesthetic clinic with all laser techniques, state of art Dermato –therapeutic unit (eg , Biologic therapy), photo-therapy unit and immuno-fluorescence microscopy set up with state of art infrastructure and equipment.

Centre has almost reached the goal with funding from BLDE (Deemed to be University) and VGST grant except the last one (immunofluorescence microscopy set up).

Goals achieved so far...

Pediatric Dermatology: Strength of BLDE (Deemed to be University) Center of Excellence is pediatric dermatology, we have published books, monographs and even started one-year 'Fellowship programme in Pediatric Dermatology', second only to RGUHS, Bengaluru in India.

Critical Care Unit: The concept of emergency dermatology / acute skin failure in India is propagated by our department. We have first of its kind 'Dermatology Intensive Care Unit' (DICU) in India, and we have one book published on "critical Care in Dermatology", DICU has helped to give state of the art treatment to emergencies in Dermatology.

Aesthetic clinic with all Laser Techniques: One of the fastest growing sub- specialties in derma-

tology is 'Aesthetic Dermatology'. Funding from VGST and BLDE (Deemed to be University) has made us procure the best US FDA approved laser units and Excimer lamp for better care of patients, and PG residents are utilising them for their research/thesis work.

Contact Dermatitis clinic and Dermatoscopy units help as investigative tools in various dermatological diseases and as resource equipment for thesis works of residents in the department.

BLDE (Deemed to be University) Center of Excellence has enabled us to be in the forefront of giving best advanced medical dermatology therapy/phototherapy units to patients; we cater to the needs of northern districts of Karnataka and also part of adjoining Maharashtra state.

The innovative photographic Museum of History of Dermatology is unique.

The Centre's plan to establish 'Immuno-fluorescence Microscopy set up' with state of the art infrastructure and equipment is on the anvil. BLDE (Deemed to be University) Center of Excellence would be first of its kind in the whole of North Karnataka.

Following benefits are expected from the COE:

- The provision of both medical and nonmedical solutions to patients' problems.
- The objective assessment of different treatment modalities to determine their benefits.
- Efficient use of resources.
- A competitively priced product that can be utilised for patients.
- A high level of patient satisfaction.
- Quality research output as a byproduct of better patient care and teaching.

5. Geriatric Clinic

Geriatric clinic was started in the year 2007 which was the third in Karnataka state then with the theme Successful ageing. It is serving senior citizens of this part of Karnataka in holistic manner for last 13 years without a break at Shri. B. M. Patil Medical College and Hospital. It functions in OPD Number 5, ground Floor every Wednesday between 09:00 A.M. to 05:00 P.M. It caters to the health and social needs of older people. It has over one thousand registered patients so far.

It is engaged in health, academic, awareness and prevention services for the overall benefit of senior citizens. It has all the specialists under one roof and one floor for the benefit of senior citizens.

It has 16 scientific research papers presented at International, National and State level Conferences of Geriatric Society of India, Association of Physicians of India and Indian Medical Association. It is part of regular training of newly recruited Government medical officers on geriatric medicine as part of National Program of Health Care Elderly (NPHCE) at District and National Level. It has also designed a questionnaire to detect elder abuse for clinicians which is awaiting validation.

It has 76 representations as resource person so far at various platforms including State, National and International conferences and has 75 publications in various Books, Journals and magazines and 5 Orations to its credit. Has contributed thirteen chapters in various books on geriatric medicine and gerontology. It has also published one book titled Current issues in geriatrics - 4 in 2016 and co-edited book titled Management issues in Geriatrics in 2019. It has started Dementia Clinic in year 2014 in collaboration with Department of Psychiatry with assistance of Dr. Choukimath and Immunization Clinic in year 2019. So far three research papers have been presented at annual conferences of British Society of Gerontology in Scotland, Wales and in Sweden respectively. It provides health care and preventive services to a village called Arjunagi

every month fourth Sunday through program Reach the Unreached.

It has hosted Two State Conferences exclusively of geriatric medicine and Gerontology, one CME and 3 workshops on Geriatric Medicine. On social front, it has organised 22 awareness talks and 25 health check- up camps in rural and slum areas for senior citizens and has been observing all the international days of health importance like elder abuse awareness day, international day for older persons, Alzheimer's day and Immunization camps for senior citizens. It has also organised workshop on elder abuse for police personnel.

It conducts "meet the care givers" program at regular intervals. It is one among three medical colleges in Karnataka which teaches geriatric medicine to MBBS students and only medical college which teaches geriatric medicine to the post graduate M.D. students (Basic Learning Course). It has library for senior citizens in the general ward.

The clinic encourages and assists Body Donation and Eye Donation for senior citizen. The geriatric clinic represents as Advisory Member for various Senior Citizens Forums in Vijayapura District, has Health Helpline, Participate in All India Radio talks on health issues regularly and has been member of District forum for Maintenance of Senior citizen law 2007.

The research conducted by it has created huge impact on senior citizens at community level and has also led to formation of new measures of services for overall benefit of the senior citizens. Our research has been case and need based of the community, identifying the core issues and also has met the unmet needs of the older people through projects.

Hence, we at Geriatric Clinic are part of solutions too! The research activities conducted by undergraduate students have been published in indexed journal while one has won award at national conference. The postgraduate students are encouraged to do research in geriatric medicine.

It has received 11 awards so far and one is from the Government of Karnataka titled 'STATE AWARD' in year 2016.

ii) NEW RESEARCH FACILITIES

Centre for Advanced Medical Research (CAMR)

Honorable President, B.L.D.E. Association Shri. M. B. Patil, Honorable Vice-Chancellor Prof. Dr. M. S. Biradar, and Dr. Aravind Patil, Dean, Faculty of Medicine are guiding forces behind research activities in the University. The CAMR in a medical college is built to provide teaching staff, researchers, and graduate students with easy access to high-end research instruments. For the further development of modern medicine, it is necessary to be fully equipped with advanced technologies such as medical, analytical, and information devices, and to utilize them in a systematic manner.

PREFACE: Teaching and Research go hand in hand and both are mutually reinforcing. To nurture research and strengthen the research infrastructure of the university, upgraded the Central research Laboratory (CRL) and established a Centre for Advanced Medical Research (CAMR) in the year 2021. Imbibing research culture in every student and faculty has been the vision of BLDE Deemed to be University leadership. This Centre will make significant contributions to the field of biomedical research, promote student and teacher research, produce high-quality researchers, and contribute knowledge to Basic and advanced medical research. Currently, the CAMR is supported by BLDE (Deemed to be University). The world-class lab infrastructure is developed with the help of a global leader in total laboratory solutions and designs i.e. Ke- waunee International Group.

The journey so far...

2014: Establishment of Central Research Laboratory inaugurated by Hon'ble Chancellor Dr. M. B. Patil & Dr. V. M. Katoch, (Secretary, Dept. of Health Research, Ministry of Health & Family Welfare, Govt. of India, Director General, ICMR, New Delhi) 2021: Upgraded as Centre for Advanced Medical Research.

Centre for Advanced Medical Research (CAMR) is located in the Bangaramma Sajjan Campus, BLDE Deemed to be University's Shri B. M. Patil Medical College, Hospital and Research Centre has been established to make significant contributions in the field of biomedical research, promote student and teacher training, and to produce high-quality researchers and to contribute the knowledge to basic and advanced medical research. Currently, the CAMR is supported by BLDE Deemed to be University. To conduct the preclinical trials, university is also having an animal facility. At present rats, mice, hamsters, and rabbits are available on requisition.

Vision:

To have multidisciplinary and distinct research approaches to identify, and understand the mechanisms and therapeutic controls of diseases and disorders.

Mission:

To take the thrust area in medical research like cancer biology, immunology, communicable and non-communicable diseases, bioinformatics, and drug discovery. Development of biomarkers for the early diagnosis of diseases. Ensuring access to cutting-edge technologies in health sciences.

Objectives:

To identify distinct cell signaling pathways in various diseases for better diagnosis and therapies.

To improve maternal and child health care research.

To identify key factors regulating cardiovascular and cerebrovascular diseases.

To facilitate research in immunology and cancer biology.

To assist drug discovery research with bioinformatics tools and experimentation through pharmaceutical approaches.

To conduct research training and workshop programs for UG, PG, Ph.D. scholars, and faculty members.

Guest lecture organized:

In collaboration with Department of Biochemistry, Centre for Advanced Medical Research (CAMR) has organized a guest lecture on "Trends in Cancer Research" on 04.05.2022 at Skills Laboratory. Dr. Ramesh Choudhari, Senior Research Associate Department of Molecular and Translational Medicine, Texas Tech University Health Sciences Centre, El Paso, Texas, USA. Various departments' 35 faculty / postgraduate students attended the guest lecture.

iii) RESEARCH PROJECTS WITH EXTRAMURAL FUNDING

| Sl. No. | Student Name | Name of the Project | Guide Name | Name of the Funding agency | Department Name | Year of Award | Funds provided (INR in Lakhs) | Duration of the project | Status of the project |
|---------|-------------------------------------|---|--------------------------|----------------------------|------------------------------|---------------|-------------------------------|-------------------------|-----------------------|
| 1 | Miss. Nakshatra Bullapur (20BM0069) | Apolipoprotein E (ApoE) Variants in Alzheimer Disease Through a Sanger Sequencing Method | Dr. R. S. Bulagouda | ICMR | Genetics Laboratory, Anatomy | 2022-23 | 50,000.00 | 6 months | Completed |
| 2 | Ms. Priyanka S. Pal-abhavi | Analysis of Package Inserts of Antimicrobial Drugs Utilized in a Tertiary Care Hospital of North Karnataka | Dr. Anand M. Ingale | ICMR | Pharmacology | 2022-23 | 50000.00 | 6 months | Completed |
| 3 | Ms. Parkhi Anand 20BN0079 | Effect of Meditation on Wound healing in patients undergoing elective abdominal surgery | Dr. Sumangala Patil | ICMR | Physiology | 2022-23 | 50000.00 | 6 months | Completed |
| 4 | Ms. Anagha Ajith 19BM0006 | Socio Demographic Profile of deaths due to Road Traffic Accidents in a tertiary care hospital of north Karnataka - A one year retrospective study | Dr. C. B. Bhuyyar | ICMR | Forensic Medicine | 2022-23 | 50000.00 | 6 months | Completed |
| 5 | Ms. Roshni Manuja 2022-06607 | A Study to Assess the effects of increased "Screen time" during COVID 19 Pandemic among School going Adolescents in North Karnataka | Dr. Tanuja P. Pat-tankar | ICMR | Community Medicine | 2022-23 | 50000.00 | 6 months | Completed |
| 6 | Ms. Isha Dixit 2022-05762 | Pattern of Internet Addiction Among Medical Students During COVID 19 Pandemic Era | Dr. Praveen Ganganahalli | ICMR | Community Medicine | 2022-23 | 50000.00 | 6 months | Completed |

| | | | | | | | | | |
|---|-----------------------|--|-------------------------|------|--------------|---------|----------|----------|-----------|
| 7 | Yash Arya 2022-06885 | Performance Evaluation of no-code artificial intelligence models for the detection of acid-fast bacilli - A comparative analysis of three models. | Dr. Anil Kumar Reddy K. | ICMR | Pathology | 2022-23 | 50000.00 | 6 months | Completed |
| 8 | Priti Sharma 19BM0089 | Candiduria in catheter association urinary tract infection in intensive care unit patients with reference to biofilm production | Dr. Sanjay Wavare | ICMR | Microbiology | 2022-23 | 50000.00 | 6months | Completed |

iv) RESEARCH PROJECTS WITH INTRAMURAL FUNDING

| Sl. No | Student Name | Name of the Project | Guide Name | Name of the Funding agency | Department Name | Year of Award | Funds provided (INR in Lakhs) | Duration of the project | Status of the project |
|--------|----------------------|---|---------------------|----------------------------|-----------------|---------------|-------------------------------|-------------------------|-----------------------|
| 1 | Rigved N. Vaidya | Impact of occupational stress among staff nurses: A pilot study | Dr. S. S. Walvekar | BLDE(DU) | Biochemistry | 2022 | 10,000.00 | 10 months | Ongoing |
| 2 | Jatin Bandale | To assess the cross reactivity of Immuno Dominant T Cell EPITOPE to COVID Vaccine | Dr. A. A. Naikwadi | BLDE(DU) | Pharmacology | 2022 | 10,000.00 | 10 months | Ongoing |
| 3 | Savlat Ahemad | Comparative study of Tramadol V/s Escitalopram in Anti Depressant Animal Model | Dr. Srinivas Raikar | BLDE(DU) | Pharmacology | 2022 | 10,000.00 | 10 months | Ongoing |
| 4 | Priya P. Vishwakarma | Evaluation of concept of Antimicrobial Stewardship among UG Medical students for Antimicrobial Agents and Minimizing Antimicrobial Resistance | Dr. Jyothi S. Patil | BLDE(DU) | Pharmacology | 2022 | 10,000.00 | 10 months | Ongoing |
| 5 | Rutuja Nikam | Correlation at Severity at Acne with Adiponectin levels and SERPINE-1 Gene expression | Dr. Bapugouda Patil | BLDE(DU) | Pharmacology | 2022 | 10,000.00 | 10 months | Ongoing |

| | | | | | | | | | |
|----|----------------------------------|--|---|----------|-------------------|------|-----------|-----------|---------|
| 6 | Apoorva Ojha | Changing pattern of drug utilisation and screening for long term complication of type - 2 Diabetes Mellitus | Dr. Latha S. | BLDE(DU) | Pharmacology | 2022 | 10,000.00 | 10 months | Ongoing |
| 7 | Saloni Varma | Impact of adverse drug reactions on compliance in patients treated for MDR-TB in a Tertiary Care Teaching Hospital | Dr. Leela Hugar | BLDE(DU) | Pharmacology | 2022 | 10,000.00 | 10 months | Ongoing |
| 8 | Mr. Hariharaputhran 19BM0038 | Pattern of injury in death due to Road Traffic Accident - A one year Retrospective Study | Dr. D. G. Gannur | BLDE(DU) | Forensic Medicine | 2022 | 10,000.00 | 10 months | Ongoing |
| 9 | Ms. Ranjini De Mazumdar 19BM0098 | A Profile of Poisoning Cases in a Tertiary Care Hospital - A one year Retrospective Study | Dr. U. C. Nuchhi | BLDE(DU) | Forensic Medicine | 2022 | 10,000.00 | 10 months | Ongoing |
| 10 | Ms. Sunanda Mohanti 2022-07039 | Spectrum of Clinical Manifestation of patients presenting with Fever and Treatment protocol followed and its outcome | Mr. Gurudatta Moharir | BLDE(DU) | Pharmacology | 2022 | 10,000.00 | 10 months | Ongoing |
| 11 | Ms. Priya Gupta, 3rd year | Analysis of Erythrocyte and Reticulocyte parameters in Iron Deficiency Anemia and Thalassemia | Dr. Savitri Nerune, Associate Professor, Dept. of Pathology | BLDE(DU) | Pathology | 2022 | 10,000.00 | 10 months | Ongoing |

v) CLINICAL TRIALS AND FUNDS

One of the key pillars of the university research endeavors is active involvement in clinical trials. These trials serve as a testament to dedication to pushing the boundaries of medical knowledge and improving patient care. The clinical trials encompass a broad spectrum of medical specialties and therapeutic areas. From innovative treatments and interventions to preventive measures and diagnostics, researchers engage in trials that address pressing healthcare challenges. The diverse range of clinical trials underscores commitment to contributing to medical advancements across various disciplines

List of Clinical Trials (Ongoing)

| Sl. No | Title of the Project | Principal Investigator/ Co-Investigator | Funded Agency | Grant Sanctioned | Duration of the Project |
|--------|--|--|---|------------------|-------------------------|
| 1 | Prospective, Randomized, Multicentric, Double-blind placebo controlled study evaluating efficacy and Safety of KSM66 Ashwagandha (<i>Withania somnifera</i>) in Adults Experiencing high stress and/ or Anxiety. | Dr. Santosh Ramdurg, Associate professor, Dept. of Psychiatry. Co-Investigator: Dr. Akram Naikwadi, Professor & HoD, Dept. of Pharmacology | Clinsearch Healthcare Solutions Pvt Ltd | 3,11,000.00 | 1 year |
| 2 | Efficacy And Safety Of KSM66 Ashwagandha (<i>Withania somnifera</i>) for Post-menopausal symptoms in women: A prospective, Randomized, Double-Blind, Placebo-Controlled Study. | Dr. Neelamma Patil, Professor, Dept. of OBGy Dr. Jyothi Patil (Co-Investigator), Asst. Pofessor, Dept. of Pharmacology | Clinsearch Healthcare Solutions Pvt. Ltd. | 4,95,000.00 | 1 year |
| 3 | Efficacy And Safety Of KSM66 Ashwagandha (<i>Withania somnifera</i>) in elderly for General Health improvement: A prospective, Randomized, Double-Blind, Placebo-Controlled Study. | Dr. Rajesh Honnutagi, Pofessor, Dept. of Medicine. (PI) Dr. Anand Ingale, Associate Professor, Dept. of Pharmacology (Co-PI) | Clinsearch Healthcare Solutions Pvt. Ltd. | 4,50,000.00 | 1 year |
| 4 | A Randomized, Double-Blind, Parallel Design Clinical Study to Evaluate Effect of Different Doses of UC-II® on the Range of Motion & Joint Discomfort in Healthy Subjects. | Dr. Shreepad Kulkarni, Assistant Professor, Dept. of Orthopaedics. (PI). Dr. Akram A. Naikwadi Professor & HoD, Dept. of Pharmacology | Kibow Biotech, Inc. 4781 West Chester Pike, Newtown Square, PA, 19073, USA, | 5,10,000.00 | 1 year |
| 5 | A Prospective, Open-Label, Multi-centered, Non-Randomized, Non-Comparative Active Post-Marketing Surveillance to test the safety and efficacy of Diperoxochloric Acid [DPOCL] topical solution in Subjects with diabetic neuropathic ulcers of skin and subcutaneous tissue. 2022-23 | Dr. Aravind V. Patil, Professor of Surgery (PI) Dr. Manjunath Kottenavar, Professor, Dept. of Surgery (Co-PI). Dr. Akam A. Naikwadi Professor & HoD, Dept. of Pharmacology (Co-Ordinator). | Centaur Pharmaceuticals Pvt. Ltd. Mumbai. LifeSan Clinical Research | 3,50,000.00 | 1 Year |

| | | | | | |
|---|--|---|---|------------|---------|
| 6 | A Double-Blind, Randomized, Placebo-Controlled Phase 2 Clinical Trial to Evaluate Safety and Efficacy of US-APR2020 in Subjects With Chronic Kidney Disease Stage IV | Dr. Sandeep Patil, Associate Professor, Dept. of Medicine & Consultant Nephrologist (PI) Dr. Dr. Akam A. Naikwadi Professor & HoD, Dept. of Pharmacology (Co-Ordinator). | Kibow Biotech, Inc.4781 West Chester Pike, Newtown Square PA,19073, USA, Centaur Pharmaceuticals Pvt.Ltd. Mumbai. LifeSan Clinical Research | In process | 1 Year |
| 7 | Cost -effectiveness Analysis of ACTION-I Trial. | Dr. Gudadinni, Dept. of Community Medicine / Dr. Shailaja Bidri, Professor, Dept. of OBGY Dr. Shivaprasad S. Goudar (JNMC) Facility Director | Burnet Institute, Australia, and BLDEU's BMPMC (Collaborative project with J. N. Medical College) | NIL | 2 years |
| 8 | CRADLE-4: Can Reduction of Adverse pregnancy outcomes occur with planned Delivery V/s Expectant management in pre-eclampsia? | Dr. Shailaja Bidri, Professor, Dept. of OBGY Dr. Shivaprasad S. Goudar (JNMC) Facility Director | WHO, KLE's JNMC and BLDEU's BMPMC (Collaborative project with J. N. Medical College), Funded by Bill & Milinda Gates Foundation | NIL | 2 years |

vi) NUMBER OF PG GUIDES, PHD GUIDE AND PHD STUDENTS REGISTERED.

PG Guides of the University

As University continues its mission to elevate medical education, the influence of the Medical Postgraduate Guides remains paramount. Their impact is woven into the fabric of the academic community, guiding the next generation of healthcare professionals toward a future marked by exceptional knowledge, skill, and compassion.

These guides, serving as navigational tools for aspiring healthcare professionals, embody the commitment of the university to cultivate excellence, innovation, and continuous learning in the field of medicine.

LIST OF PG GUIDES

| SL. No. | NAME | DESIGNATION | DEPARTMENT |
|---------|-----------------------------|------------------|--------------|
| 1. | Dr. Rudragouda S. Bulagouda | Professor & Head | Anatomy |
| 2. | Dr. Sandhya Vikas Yatagiri | Assoc. Professor | Anatomy |
| 3. | Dr. Ashwini Nuchhi | Assoc. Professor | Anatomy |
| 4. | Dr. Manjunath Aithal | Professor | Physiology |
| 5. | Dr. Sumangala Patil | Prof. & Head | Physiology |
| 6. | Dr. Lata M. Mullur | Professor | Physiology |
| 7. | Dr. Jyoti Khodnapur | Professor | Physiology |
| 8. | Dr. B. B. Devaranavadagi | Prof. & Head | Biochemistry |

| | | | |
|-----|------------------------------|------------------|--------------------|
| 9. | Dr. Basavaraj S. Aski | Assoc. Professor | Biochemistry |
| 10. | Dr. S. U. Arakeri | Professor | Pathology |
| 11. | Dr. S. B. Hipparagi | Professor | Pathology |
| 12. | Dr. Prakash M. Patil | Assoc. Professor | Pathology |
| 13. | Dr. Vijayalaxmi S. Patil | Assoc. Professor | Pathology |
| 14. | Dr. Savitri Nerune | Assoc. Professor | Pathology |
| 15. | Dr. Mamtha K. | Assoc. Professor | Pathology |
| 16. | Dr. Satish Arakeri | Assoc. Professor | Pathology |
| 17. | Dr. Akram A. Naikwadi | Prof. & Head | Pharmacology |
| 18. | Dr. Shrinivas Raikar | Assoc. Professor | Pharmacology |
| 19. | Dr. Anand M. Ingale | Assoc. Professor | Pharmacology |
| 20. | Dr. Annapurna Sajjan | Professor | Microbiology |
| 21. | Dr. Praveen Shahapur | Professor & Head | Microbiology |
| 22. | Dr. Aparna Y. Takpare | Professor | Microbiology |
| 23. | Dr. Smitha Bagali | Assoc. Professor | Microbiology |
| 24. | Dr. Basavaraj M. C. | Assoc. Professor | Microbiology |
| 25. | Dr. Dayanand Gannur | Prof. & Head | Forensic Medicine |
| 26. | Dr. Udaykumar C. Nuchhi | Assoc. Professor | Forensic Medicine |
| 27. | Dr. Latadevi H. T. | Prof. & Head | ENT |
| 28. | Dr. R. N. Karadi | Professor | ENT |
| 29. | Dr. K. P. Vallabh | Professor | Ophthalmology |
| 30. | Dr. Rekha Ramesh Mudhol | Professor | Ophthalmology |
| 31. | Dr. S. G. Biradar | Prof. & Head | Ophthalmology |
| 32. | Dr. Raghavendra K. Ijeri | Assoc. Professor | Ophthalmology |
| 33. | Dr. Shailaja S. Patil | Prof. & Head | Community Medicine |
| 34. | Dr. M. C. Yadavannavar | Professor | Community Medicine |
| 35. | Dr. Rekha Udgiri | Professor | Community Medicine |
| 36. | Dr. M. R. Gudadinni | Assoc. Professor | Community Medicine |
| 37. | Dr. Praveen Ganganahalli | Assoc. Professor | Community Medicine |
| 38. | Dr. Santosh D. Patil | Assoc. Professor | Community Medicine |
| 39. | Dr. R. C. Bidri | Professor | General Medicine |
| 40. | Dr. M. S. Mulimani | Professor | General Medicine |
| 41. | Dr. S. S. Devaramani | Professor | General Medicine |
| 42. | Dr. Sharanabasawappa Badiger | Professor | General Medicine |
| 43. | Dr. R. M. Honnutagi | Professor | General Medicine |

| | | | |
|-----|-------------------------------|------------------|--------------------------------------|
| 44. | Dr. A. P. Ambali | Professor | General Medicine |
| 45. | Dr. V. G. Warad | Professor | General Medicine |
| 46. | Dr. P. G. Mantur | Professor | General Medicine |
| 47. | Dr. S. N. Bentoor | Professor | General Medicine |
| 48. | Dr. S. M. Biradar | Professor | General Medicine |
| 49. | Dr. Aniruddha Umarji | Assoc. Professor | General Medicine |
| 50. | Dr. Shankaragouda S. Patil | Assoc. Professor | General Medicine |
| 51. | Dr. Tejaswini Udachan | Professor | General Surgery |
| 52. | Dr. Aravind V. Patil | Professor | General Surgery |
| 53. | Dr. M. B. Patil | Prof. & Head | General Surgery |
| 54. | Dr. Manjunath Kotennavar | Professor | General Surgery |
| 55. | Dr. Vijaya D. Patil | Professor | General Surgery |
| 56. | Dr. Ramakanth Baloorkar | Assoc. Professor | General Surgery |
| 57. | Dr. Vikram Sindagikar | Assoc. Professor | General Surgery |
| 58. | Dr. Deepak Chavan | Assoc. Professor | General Surgery |
| 59. | Dr. Girish Kullolli | Professor | General Surgery |
| 60. | Dr. B. M. Nyamanavar | Assoc. Professor | General Surgery |
| 61. | Dr. Dayanand Biradar | Assoc. Professor | General Surgery |
| 62. | Dr. Basavaraj Badadal | Assoc. Professor | General Surgery |
| 63. | Dr. Arun C. Inamdar | Professor & Head | Dermatology, Venereology and Leprosy |
| 64. | Dr. Keshavamurthy A. Adya | Professor | Dermatology, Venereology and Leprosy |
| 65. | Dr. Ajit B. Janagond | Assoc. Professor | Dermatology, Venereology and Leprosy |
| 66. | Dr. S. V. Patil | Professor | Paediatrics |
| 67. | Dr. R. H. Gobbur | Professor | Paediatrics |
| 68. | Dr. S. S. Kalyanshetkar | Professor | Paediatrics |
| 69. | Dr. M. M. Patil | Prof. & Head | Paediatrics |
| 70. | Dr. Anilkumar Sajjan | Assoc. Professor | Pediatrics |
| 71. | Dr. Ravindra Gurupad Naganoor | Professor | Pediatrics |
| 72. | Dr. P. B. Jaju | Professor | Obstetrics and Gynaecology |
| 73. | Dr. S. R. Mudnur | Prof. & Head | Obstetrics and Gynaecology |
| 74. | Dr. V. R. Gobbur | Professor | Obstetrics and Gynaecology |
| 75. | Dr. (Mrs.) Shailaja R. Bidri | Professor | Obstetrics and Gynecology |
| 76. | Dr. Rajashri Yaliwal | Professor | Obstetrics and Gynecology |
| 77. | Dr. Aruna S. N. | Professor | Obstetrics and Gynecology |
| 78. | Dr. Shobha Shiragur | Assoc. Professor | Obstetrics and Gynecology |

| | | | |
|------|-------------------------------|------------------|---------------------------|
| 79. | Dr. Neelamma Patil | Professor | Obstetrics and Gynecology |
| 80. | Dr. Sangamesh S. Mathapati | Assoc. Professor | Obstetrics and Gynecology |
| 81. | Dr. Shreedevi Kori | Assoc. Professor | Obstetrics and Gynecology |
| 82. | Dr. A. R. Nayak | Professor | Orthopaedics |
| 83. | Dr. S. S. Nandi | Professor | Orthopaedics |
| 84. | Dr. Ramanagouda Biradar | Assoc. Professor | Orthopedics |
| 85. | Dr. Dayanand B. B. | Professor | Orthopedics |
| 86. | Dr. Sandeep Naik | Assoc. Professor | Orthopedics |
| 87. | Dr. Ravikumar Biradar | Professor | Orthopedics |
| 88. | Dr. Anil Bulagond | Assoc. Professor | Orthopedics |
| 89. | Dr. Vidya Tambake | Professor | Anaesthesiology |
| 90. | Dr. V. T. Kalyanappagol | Professor | Anaesthesiology |
| 91. | Dr. Vijay Katti | Assoc. Professor | Anaesthesiology |
| 92. | Dr. Sridevi M. M. | Professor | Anaesthesiology |
| 93. | Dr. Renuka Holyachi | Prof. & Head | Anaesthesiology |
| 94. | Dr. K. Nirmala Devi | Assoc. Professor | Anaesthesiology |
| 95. | Dr. Shivanand L. K. | Assoc. Professor | Anaesthesiology |
| 96. | Dr. Basavaraj Patil | Asst. Professor | Anaesthesiology |
| 97. | Dr. Pratibha S. D. | Assoc. Professor | Anesthesiology |
| 98. | Dr. Rajashekhar Muchchandi | Prof. & Head | Radiology |
| 99. | Dr. Ravikumar | Assoc. Professor | Radiology |
| 100. | Dr. Satish D. Patil | Assoc. Professor | Radiology |
| 101. | Dr. Shivanand V. Patil | Assoc. Professor | Radiology |
| 102. | Dr. S. P. Chaukimath | Prof. & Head | Psychiatry |
| 103. | Dr. Santosh Ramadurg | Professor & Head | Psychiatry |
| 104. | Dr. Ramesh S. Babar | Prof. & Head | Respiratory Medicine |
| 105. | Dr. Keertivardhan D. Kulkarni | Assoc. Professor | Respiratory Medicine |
| 106. | Dr. S. B. Patil | Professor & Head | Urology |
| 107. | Dr. Vinay S. Kundaragi | Professor | Urology |
| 108. | Dr. Santosh Patil | Assoc. Professor | Urology |
| 109. | Dr. Ravi B. Patil | Prof. & Head | Emergency Medicine |
| 110. | Dr. Babu P. Kattimani | Assoc. Professor | Emergency Medicine |
| 111. | Dr. Prasad Sasanur | Assoc. Professor | Emergency Medicine |
| 112. | Dr. Sanjeev Sajjanar | Prof. & Head | Cardiology |

Ph.D Guides of the University

Within the narrative of BLDE (Deemed to be University)'s academic endeavors, the role of Ph.D. Guides emerges as a defining force in shaping research excellence and fostering the intellectual pursuits of doctoral candidates. In this annual report, we illuminate the instrumental contribution of Ph.D. Guides, who serve as mentors, navigators, and champions of scholarly inquiry.

| List of Ph.D. Guides | | | |
|----------------------|------------------------------|------------------|--------------------|
| Sl. No. | Name of the Guide | Designation | Department |
| 1 | Dr. R. S. Bulgouda | Professor & HoD | Anatomy |
| 2 | Dr. Manjunatha Aithal | Professor | Physiology |
| 3 | Dr. Kusal K. Das | Professor | Physiology |
| 4 | Dr. Sumangala M. Patil | Professor | Physiology |
| 5 | Dr. Lata Mallur | Professor | Physiology |
| 6 | Dr. Shrilaxmi Bagali | Assoc. Professor | Physiology |
| 7 | Dr. Jyoti Khodnapur | Assoc. Professor | Physiology |
| 8 | Dr. J. G. Ambekar | Professor | Biochemistry |
| 9 | Dr. B. B. Devaranavadagi | Professor | Biochemistry |
| 10 | Dr. Nilima Dongre | Professor | Biochemistry |
| 11 | Dr. A. A. Naikawadi | Professor & HoD | Pharmacology |
| 12 | Dr. Surekha Arakeri | Professor | Pathology |
| 13 | Dr. Surekha Hipparagi | Professor | Pathology |
| 14 | Dr. B. V. Peerapur | Professor | Microbiology |
| 15 | Dr. A. G. Sajjan | Professor | Microbiology |
| 16 | Dr. P. R. Shahapur | Professor | Microbiology |
| 17 | Dr. Basavaraj C. Metri | Professor | Microbiology |
| 18 | Dr. Shailaja S. Patil | Professor | Community Medicine |
| 19 | Dr. Rekha Ud giri | Professor | Community Medicine |
| 20 | Dr. M. C. Yadavannavar | Professor | Community Medicine |
| 21 | Dr. Rekha R. Mudhol | Professor | Ophthalmology |
| 22 | Prof. Dr. R. S. Mudhol | Professor | E.N.T. |
| 23 | Dr. Lathadevi H. Thotappa | Professor | E.N.T. |
| 24 | Dr. Ravindra Kumar N. Karadi | Professor & HoD | E.N.T. |
| 25 | Dr. R. C. Bidri | Professor | General Medicine |
| 26 | Dr. Mallanna Mulimani | Professor | General Medicine |
| 27 | Dr. Rajesh M. Honnutagi | Professor | General Medicine |
| 28 | Dr. Vijaykumar G. Warad | Professor | General Medicine |

| | | | |
|----|------------------------------|-----------------|-----------------|
| 29 | Dr. Tejaswini Vallabha | Professor | General Surgery |
| 30 | Dr. Aravind V. Patil | Professor | General Surgery |
| 31 | Dr. Vijaya L. Patil | Professor | General Surgery |
| 32 | Dr. Manjunath Kotennavar | Professor & HoD | General Surgery |
| 33 | Dr. M. B. Patil | Professor | General Surgery |
| 34 | Dr. Shailaja Bidri | Professor | OBGy |
| 35 | Dr. Neelimma Patil | Professor | OBGy |
| 36 | Dr. S. R. Mudnur | Professor | OBGy |
| 37 | Dr. Santosh Nandi | Professor | Orthopedics |
| 38 | Dr. Ashok Naik | Professor | Orthopedics |
| 39 | Dr. S. V. Patil | Professor | Pediatrics |
| 40 | Dr. Vidya Tambake | Professor | Anaesthesiology |
| 41 | Dr. Vijaykumar Kalyanappagol | Professor | Anaesthesiology |
| 42 | Dr. Arun C. Inamdar | Professor & HoD | Skin and VD |
| 43 | Dr. S. P. Choukimath | Professor | Psychiatry |

Ph.D students of the University

Within the hallowed halls of academic pursuit at BLDE (Deemed to be University), the Ph.D. students emerge as torchbearers of intellectual curiosity and research excellence. In this narrative on scholarly endeavors, we delve into the contributions and aspirations of the Ph.D. students, whose academic odyssey shapes the very fabric of university's research landscape.

| List of Registered Ph.D. Students | | | | | | |
|-----------------------------------|----------------------------------|----------|----------------------|-----------------------------|--------------------|---|
| Sl. No. | Name of the Scholar | Reg. No. | Faculty (FoM/ FoAHS) | Mode (Full time/ Part time) | Department | Name of the Guide |
| 1 | Dr. Mahesh Kumar U. | 10PHD004 | Medicine | Part Time | Pathology | Dr. Yelkar B. R. |
| 2 | Dr. Manjunath S. | 10PHD006 | Medicine | Part Time | Microbiology | Dr. B. V. Peerapur |
| 3 | Mr. J. Balakrishna | 11PHD005 | Medicine | Part Time | Microbiology | Dr. P. R. Shahapur Prof. Dept. of Microbiology |
| 4 | Dr. Kulkarni Chandras Madhavarao | 11PHD003 | Medicine | Part Time | Physiology | Dr. Sumangala Patil |
| 5 | Dr. Santosh Kumar Nemgouda | 12PHD014 | Medicine | Part Time | Pulmonary Medicine | Dr. Gajanan S. Goude Prof. & HoD Dept. of Pulmonary Medicine J. N. Medical College Belgaum\ |
| 6 | Dr. Abdul Kaleem Bahadur | 12PHD006 | Medicine | Part Time | Microbiology | Dr. B. V. Peerapur Prof. & HoD Dept. of Microbiology |
| 7 | Miss. Saniya K. | 13PHD001 | Medicine | Part Time | Anatomy | Dr. B. G. Patil |

| | | | | | | |
|----|-------------------------------------|----------|----------|-----------|--|--|
| 8 | Mrs. Anjaly Mary Varghese | 13PHD009 | Medicine | Part Time | Pharmacology | Dr. A. A. Naikawadi |
| 9 | Dr. Jyothi P. | 13PHD008 | Medicine | Part Time | Microbiology | Dr. P. R. Shahapur |
| 10 | Mr. Z. Naveen Kumar | 13PHD007 | Medicine | Part Time | Physiology | Dr. Manjunath Aithal |
| 11 | Dr. Prakash K. G. | 14PHD007 | Medicine | Part Time | Anatomy | Dr. B. M. Bannur |

vii) No. of PG Students & Ph.D Awarded

During the specified period, BLDE (Deemed to be University) has demonstrated a profound commitment to academic excellence and the advancement of knowledge by conferring a noteworthy total of 67 Postgraduate (PG) degrees and 11 Doctor of Philosophy (Ph.D.) degrees. This significant accomplishment underscores the institution’s dedication to providing a robust and rigorous academic environment, nurturing the intellectual growth of its students.

The conferral of 67 PG degrees signifies a substantial investment in higher education, as students attain advanced qualifications in various specialized fields. This not only reflects the diversity of academic offerings at BLDE University but also emphasizes the institution’s role in equipping students with the expertise and skills needed for professional success and research contributions.

Furthermore, the awarding of 11 Ph.D. degrees highlights BLDE University’s commitment to fostering a culture of research and innovation. These doctoral degrees represent the culmination of in-depth research endeavors, showcasing the dedication of both students and faculty members to pushing the boundaries of knowledge in their respective disciplines.

This achievement also speaks to the university’s role as a catalyst for advanced education, where students are not only recipients of knowledge but actively contribute to the academic community through their research and scholarly pursuits. The recognition of these postgraduate and doctoral accomplishments reinforces BLDE University’s standing as an institution that values and nurtures intellectual growth, research excellence, and academic achievement.

University Memoranda of Understanding (MoU)

In the dynamic landscape of academia, the University's Memoranda of Understanding (MoUs) stand as beacons of collaboration, innovation, and shared aspirations. These strategic agreements signify the commitment of University to forging meaningful partnerships with esteemed institutions, organizations, and entities worldwide. The MoUs encapsulate a spirit of collaboration that transcends boundaries, creating avenues for academic, research, and cultural exchange.

As we navigate through the landscape of University Name's MoUs, we acknowledge the achievements and milestones resulting from these collaborative partnerships. Each agreement is a testament to the shared vision of advancing knowledge, fostering innovation, and creating a positive impact on a global scale.

In essence, the University's Memoranda of Understanding encapsulate a spirit of collaboration that transcends geographical boundaries, embodying University's commitment to being a hub of global learning, research, and collaboration. Through these strategic partnerships, the institution continues to carve a path toward excellence and contribute meaningfully to the global academic community.

C. Institutional Innovation Council (MoE), Ideation Centre, Incubation Centre & IPR

In today's dynamic and innovation-driven global landscape, protecting the fruits of intellectual labor has become paramount. Intellectual Property Rights (IPR) serve as the bedrock for safeguarding the creations of the human mind, fostering innovation, and providing a framework for creators, inventors, and entrepreneurs to bring their ideas to fruition. In essence, IPR is the legal framework that ensures individuals and organizations are recognized and rewarded for their intellectual endeavors, encouraging a vibrant ecosystem of creativity and progress.

Major Focus

To create a vibrant local innovation ecosystem. Start-up supporting Mechanism in HEIs. Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework. Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas. Develop better Cognitive Ability for Technology Students.

Functions

- To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion.
- Identify and reward innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation portal to highlight innovative projects carried out by institution's faculty and students.
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.

Statutory Alert

1. The authenticity of this Stamp certificate should be verified at www.stamps.gov.in or any other authorized agency.
 2. The stamp of cancelling this Stamp certificate is on the reverse of the certificate.
 3. In case of any discrepancy please inform the Competent Authority.

And

Shri B M Patil Medical College, Hospital and Research Centre, Vijayapura and Represented by its Principal Dr. Aravind V Patil.

(Hereinafter referred to as the **SECOND PARTY** (which expression shall wherever the context so requires or admits, mean and include its successors in title, representatives, nominee/s, administrators, agents and assigns) of the **OTHER PART**;

WITNESSETH AS FOLLOWS:

WHEREAS the First Party assists the Department of Electronics, Information Technology and Biotechnology of Government of Karnataka in facilitating and promoting the Electronics, Information Technology and Biotech sectors in the State by implementing the various schemes, programmes, action plans, reports etc. for furthering the IT and related sectors in the State. In this connection, the Department has brought out Startup Policy highlighting various steps to be taken for improving the employment generation and entrepreneurship Development as well as exports from the IT and related sectors in State.

In the Startup Policy 2015-2020 & thereafter **Entrepreneurship Development and Mentoring** was one of the **Initiatives** for creating new opportunities and jobs. One of the **proposals** under this Policy is to build **K-Tech New Age Innovation Network (NAIN)** to be located in selected colleges that are in tier 2 & 3 cities.

WHEREAS the Department of Electronics, Information Technology, Biotechnology and Science & Technology, Government of Karnataka in order to implement the Budget announcement of Government of Karnataka, has decided to implement the above proposal through the First Party

The Committee under the Chairmanship of Additional Chief Secretary / Principal Secretary, Department of Electronics, IT, BT and S&T, Government of Karnataka, after taking inputs from various sources has finalized 11 colleges across the State

WHEREAS the Second Party is one of the Eleven (11) Engineering / Government / Other colleges selected

WHEREAS the first party has agreed to implement the scheme with the Second Party, the Scheme will be called as **K-Tech New Age Innovation Network (NAIN) program** to be called as **K-Tech District Innovation Hub (DIH)** for this MOU. Both the Parties are desirous of recording their terms and conditions as under.

This MOU is being entered into for implementing the Programme by the Second Party in

Page 2 of 8

PRINCIPAL
 BIIDE (Deemed to be University)

its college in the State with the funding support from Department of Electronics, Information Technology, Biotechnology and Sciences & Technology, Government of Karnataka through the First Party;

The MOU is being valid for 3 years starting from 12th September 2022 till 11th September 2025 for implementing the scheme by the Second Party in their District Innovation Hubs with the funding support from Department of Electronics, Information Technology, Biotechnology and Sciences & Technology, Government of Karnataka through the First Party

Now this Memorandum of Understanding witness as follows:

- 1) For all intents and purpose Year or Annual for this MOU shall mean an academic year as prescribed by the University the second party [College / Institution] is affiliated to.
- 2) A physical Innovation center will be set up in the premises of Second Party to manage this Programme.
- 3) Based on technical strength of party, the second party shall identify up to 3 focus technology domain areas which the incubation center will be operational in. The facilities available at incubation center and associated to the incubatees of the K-Tech Innovation Hub
- 4) First party shall facilitate association of a mentor industry expert for each K-Tech Innovation Hub
- 5) Each Center will incubate up to a maximum of 15 projects per year. Each project will be executed by a team of entrepreneurs.
- 6) The program should select entrepreneurs by giving first preference to students, research scholars and alumni of the chosen colleges and next preference to those from colleges in the respective districts. It should not include faculty members as entrepreneurs but the faculty members can become mentors if they have the right skills and experience.
- 7) The program will cater to the projects that solve local problems and find solutions to local needs (district and state) rather than global problems and needs.
- 8) Funding assistance will be provided by the first Party only for the management of the programme and the execution of the projects.
- 9) Funding from first party shall be used for establishing an ecosystem fostering entrepreneurship.
- 10) The project does not have provision for first party to fund building physical space and purchasing expensive equipment. These expenses shall be done by the second party
- 11) Funding from first party is towards operational expenses – including salary of incubation center called District Innovation Associate [DIA] (details in operational guidelines)
- 12) Funding from first party is also towards building prototypes and Proof of Concept of projects /proposals selected by the Central Steering Committee.

Page 3 of 8

Shri B. M. Patil Medical College
Hospital & Research Centre,
VIJAYAPUR-585102.

- 13) All incubation centers will be networked to exchange experiences and learn from one another
- 14) The most important resource of the Programme will be local and remote mentors and the Innovation Centers will have tie-ups with local industry leaders and to those who are outside (In Bengaluru/abroad) who may be hailing from the districts as mentors.
- 15) A **Steering Committee** comprising of representatives from Electronics/IT/BT Department, Academia and Industry will be constituted by the Dept. and the Committee will offer governance / Management of this Programme.
- 16) The Second Party will also nominate a **College Coordinator (CC)**. The CC along with DIA will be operationally responsible for the Programme.
- 17) The second Party at its own cost will be providing the necessary infrastructure and other facilities such as basic computing facilities, internet connectivity etc to the incubation center.
- 18) That the Second Party shall ensure that all the infrastructure /equipment are provided as its contribution to the Programme and shall not be transferred in favor of any other third parties and it shall be continued to be in the name of the Second Party till the end of this agreement or termination of the MOU whichever is earlier.
- 19) That the Second Party shall submit the list of equipments provided for the purpose of this programme to the First Party.
- 20) Each college / university shall have a full time **District Innovation Associate(DIA)** who shall be responsible for Coordinating incubation center level activities such as-
 - a. Drive project plan submission, evaluation and selection
 - b. Get approval for the **project budget** from CC (up to Rs.3.00 Lakhs per project) and monitorspend/usage on a timely basis.
 - c. Recruiting mentors from academia, industry towards project execution in their college / University.
 - d. Reporting to the CC on progress on periodic basis on various parameters.
 - e. Maintaining relationship with the projects team/entrepreneurs in the ecosystem.
- 21) A **Project plan / Ideas Competition** shall be held across the district and winners will be selected for incubation. The DIA will be responsible for this process.
- 22) Each of the selected entrepreneur / Project team will be given funds based on the Business plan/ Project Plan presented by them and will be allocated one or more of mentors from the panel
- 23) Each project will be given funds up-to Rs. 3 lakh approved by the Steering Committee. The Rs. 3.00 Lakhs of project budget shall be used for project related expenses as outlined in the project plan document. The project will leverage existing College / University infrastructure including working space, furniture, utilities and power, internet etc. It is directed that the DIH must complete the approved projects within one year i.e. 12 months, from the date of 1st tranche of CAPEX grants released.
- 24) Each selected college shall have Monitoring Committee comprising of members from

**MEMORANDUM
OF
UNDERSTANDING
(MoU)**

**FOR
RESEARCH INNOVATIONS AND START-UPS**

Between

BLDE

(Deemed to be University)

Constituent College:

**Shri B. M. Patil Medical College, Hospital & Research Centre,
Vijayapura, Karnataka, India, PIN: 586103**

AND

**BLDEA's VP PG Halakatti Engineering College,
Vijayapura, Karnataka, India**

April 29, 2022

BLDE (Deemed to be University), Vijayapura, Karnataka State established in 2008, is a single faculty medical sciences Institution with Shri B. M. Patil Medical College, Hospital & Research Centre (established 1986) as its constituent college. This University is sponsored by BLDE Association (established 1910), Vijayapura, Karnataka. BLDE [The vision of the BLDE (Deemed to be University)] and its constituent college is to be a leader and be recognized as an Institution striving for maintenance and enhancement of quality health sciences education and health care, agrees to enter into this Memorandum of Understanding.

with

BLDEA's VP Dr.P.G.Halakatti College of Engineering and Technology established by the Bijapur Liberal District Education Association, Bijapur in the year 1980. It owes its name to Dr. P.G. Halakatti. It is affiliated to Visvesvaraya Technological University (VTU) in Belgaum and its undergraduate programs are accredited by the National Board of Accreditation (NBA) of the All India Council for Technical Education (AICTE). The vision of **BLDEA's VP Dr PG Halakatti College of Engineering and Technology, Vijayapura** is to create, disseminate and translate knowledge in science, engineering and allied disciplines that will best serve society.

BLDE (Deemed to be University), Vijayapura, Karnataka State, India is hereinafter referred to as Party-1 and **BLDE VP PG Halakatti Engineering College, Vijayapura, Karnataka, India** is hereinafter referred as Party-2. BLDEA's VP PG Halakatti Engineering College, Vijayapura and BLDE (Deemed to be University) are hereinafter referred to individually as the "Institute" and collectively as the "Institutes".

A. Purpose:

BLDE VP PG Halakatti Engineering College, Vijayapura and **BLDE (Deemed to be University), Vijayapura, Karnataka** for the purpose of acceleration of preincubation incubation programs for innovations and start-ups created in both the academic institutions. This collaboration will serve as platform for cross learning, sharing knowledge, best practices on innovation and start-up ecosystem development between two institutions.

B. Scope of Co-operation & Activities:

1. Knowledge exchange: learning and sharing best practices on innovation and startup ecosystem development. This includes
 - Academic programs in startup and innovation

C. Provision of access to innovation labs for innovations

1. Human resource development: innovation and skill development strategies
2. Sharing of research facilities on mutually agreed terms.
3. Sharing of sophisticated instrumentation facilities. The facilities shall be used as per the prevailing guidelines of the Institutes.
4. Other such activities as considered by the Institutes to be of mutual benefit towards furthering innovative research programmes.

D. Management and Co-operation:

1. The implementation of exchange based on the MoU shall be separately negotiated and determined by both Institutions.
2. Nothing shall diminish the full autonomy of either University / Institute nor will any constraint or financial obligations be imposed by either upon the other in carrying out MoU.
3. Any notice required to be given under this Agreement by either Institutes (1 & 2) will be in writing and sent to the other Institute by either hand delivery or by post.

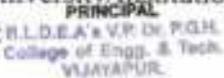

E. Terms & Termination:

1. This MoU will be valid for a period of 5 years from the effective date. Thereafter, the renewal of the MoU will be subject to the written agreement between the Institutes.
2. The MoU is subject to revision by mutual written agreement by both Institutes in writing.
3. Both Institutes shall take necessary approvals from the competent authorities for fulfilling the scope of the program on case to case basis.
4. It is also understood that, either Institute may terminate the MoU for any reason and that any time upon thirty (30) days prior written notice to the other Institute; although such action will only be taken after mutual

consultation in order to avoid any possible inconvenience to the Institutes.

5. The MoU is effective from the date of signing of documents by the representatives of both the Institutes.

D. PUBLICATION OF RESEARCH ARTICLES AND THEIR BIBLIOMETRICS

In the unfolding narrative of University's intellectual journey, the Research Publications section serves as a testament to the institution's commitment to the pursuit of knowledge, innovation, and scholarly achievement. This compendium encapsulates the diverse and impactful contributions made by our faculty, researchers, and students to the global discourse within their respective fields

Within the pages of this annual report, the Research Publications section orchestrates a symphony of scholarly contributions, showcasing the depth and breadth of our academic endeavors. Each publication represents a harmonious blend of expertise, curiosity, and the relentless pursuit of excellence that defines the ethos of BLDE (Deemed to be University).

PUBLICATIONS

The faculty, research scholars, and students of [University Name] have collectively authored and published a total of 148 articles in various academic journals. Among these, 99 articles have been published in journals indexed by Scopus, Web of Science (WoS), and PUBMED. Additionally, 92 publications are featured in journals indexed by the University Grants Commission (UGC) Care list, highlighting the institution's recognition in prestigious national indices. Furthermore, 52 articles find their place in other reputable indexed journals, showcasing the diverse and impactful research contributions emerging from our academic community.

In addition to their extensive scholarly articles, our esteemed faculty members have showcased their scholarly prowess by authoring and publishing a notable total of four books. Furthermore, their intellectual footprint extends to the realm of book chapters, with a substantial contribution of 29 chapters. This multifaceted engagement underscores their diverse and substantial impact on the academic landscape, affirming their commitment to advancing knowledge across various dimensions of academic literature.

G) MEMBERSHIP OF FACULTIES AS EDITORIAL BOARD/PEER REVIEWER

BLDE (Deemed to be University) is unwavering in its commitment to advancing knowledge, extending far beyond the confines of traditional classrooms. Our distinguished faculty members are dynamic contributors to the scholarly discourse, lending their expertise as integral members of editorial boards and esteemed peer reviewers for prominent academic journals and publications. This active engagement is a powerful testament to our faculty's unwavering dedication, playing a pivotal role in shaping and influencing the broader academic landscape.

Their commitment resonates in the meticulous review processes, guaranteeing the utmost integrity and unparalleled quality of research across an array of disciplines. At BLDE University, our faculty's scholarly pursuits not only enrich their respective fields but also underscore our institution's dedication to fostering a culture of excellence and innovation in academia.

Membership of Faculties as Editorial Board

| Sl. No. | Faculty Name | Editorial Board/ Member of Journal/ Advisor /Book |

10. UNIVERSITY CENTERS OF EXCELLENCE

BLDE (Deemed to be University) is poised to establish two significant initiatives: the Centre of Excellence for Social Determinants of Health and the Centre of Excellence in Dermatology.

The Center of Excellence for Social Determinants of Health aims to address and understand the various social determinants impacting individual health within the study area. Its objectives include measuring the problem, expanding the knowledge base surrounding these determinants, implementing population-level interventions, raising public awareness, and developing a skilled workforce capable of addressing social determinants of diseases. The center also plans to collaborate with government agencies and contribute to the formulation of policies related to social determinants of health.

The mission of the Centre of Excellence in Dermatology is to maintain sustained leadership in patient care, while simultaneously training the next generation of outstanding clinicians and researchers in the field. This mission unfolds in an environment that fosters creativity, diversity, inclusiveness, and synergy. The faculty is deeply committed to conducting clinical research in dermatologic science at the highest level, all while adhering to the utmost ethical standards.

Training Activity

Fire & Safety Training conducted on February 22, 2023.

Place: Shri B. M. Patil Superspeciality Hospital, Vijayapura

Objective of the Training: To give the awareness about Fire Safety in Hospital.

Training given to: Security Persons, House Keeping, Nursing Staff and Office Staff.

PARTICIPANTS

| No. of Nursing Staff | Technical/ Office Staff | Security | Housekeeping | Electrician |

Opening Ceremony of 52nd National Safety Day- 04.03.2023

Welcoming our chief Guest Dr. M.B Patil (Vice Principal Clinical, HOD, Prof Dept, of surgery)

Safety Pledge by Safety officer Mr. Manjunath Malagi (Fire & Safety Officer)

National Safety Day Speech Given By Dr. M.B. Patil (Vice Principal Clinical, HOD, Prof Dept, of surgery)

National Safety day speech given by Dr. Ashok Taradi (RMO)

11. CENTRAL FACILITIES, SERVICES AND CENTERS

A) Central Library

BLDE(DU) Library

Library Entrance

Atharva Library

Digital Library

Digital Scanner

PG Reading Room

UG Reading Room

Student Reference Books

The Central Library was established in the year 1986. The Central Library and 25 departmental libraries support teaching, learning, and research by providing physical and intellectual access to information. The library has a comprehensive collection of resources, both in print and electronic form to fulfil the information needs of faculty, students, and research scholars.

The library has a built-in carpet area of 2400 sq. mtr. It is spread over two floors and has separate reading halls for undergraduates, postgraduates, and faculty. The Central Library is entirely

air-conditioned. It has separate references, textbook, and periodical sections. The overall seating capacity of the library is 720. The Digital Library has 54 computers with an internet speed of 1 GBPS and can be accessed through the campus network. The library is also enabled with Wi-Fi to facilitate users' access to the internet with their own devices.

The library uses New Gen Lib integrated library management software with all the library's housekeeping operations modules, such as acquisition, cataloging, serial control, circulation, and OPAC.

The Library has implemented the Radio Frequency Identification (RFID) system. It is the most effective way of managing library collections and providing enhanced services to the users, having benefits like finding misplaced reading materials, sorting, inventory accuracy, stock verification procedures, security control and video surveillance. A workstation is an automated data capture technology that uses tiny microchips and miniature antennas affixed to documents. From users to library staff, RFID plays a vital role in redefining the library processes to make everyone's job easier.

The library has subscribed to Scopus an abstract and indexing database used as a bibliographic database containing abstracts and citations for academic journal articles. It covers the scientific, technical, medical, and social sciences. Searches in Scopus incorporate searches of scientific web pages.

The library has created an Institutional Repository in D Space software, which provides access to dissertations and doctoral theses, previous question papers, and faculty publications (journal articles and book chapters).

The library has subscribed to JMPSAS statistical software and URKUND/Turnitin-Plagiarism checker software.

All the digital resources in the library and OPAC are provided with remote access using the Knimbus remote access software. All users can remotely access the library through individual login credentials.

PROGRAM REPORT

| | |
|--------------------|--|
| Name of Program | workshop on "Journal indexing and impact factors with Web of Science |
| Hosting Department | Central Library, Dean R&D Cell & IQAC |
| Venue | IQAC Conference Hall |

The Central Library and IQAC organised the workshop on "Journal indexing and impact factors with Web of Science" on January 31, 2023. There were 27 participants who attended this program.

The opening remarks were given by Dr. M. M. Patil, Director of the R&D Cell, and Prof. Kusal K. Das, Chief Editor of the BJHS Journal, who introduced the BLDE University Journal of Health Science.

This workshop's resource person is Dr. Subhasree Nag, Regional Solutions Consultant (Life Sciences and Scholarly Research) - South and South East Asia, Clarivate Analytics. The trainer gave a glimpse of the Web of Science Journal Evaluation Process and Selection Criteria, the Web of Science Journal Citation Reports (JCR), and publication ethics.

ANNUAL REPORT 2022-23

The session had an interactive question and answer period with participants and a resource person and ended with a vote of thanks by Dr. Chandrika Doddihal.

The Hon'ble Pro-Chancellor, Hon'ble Vice-Chancellor, Hon'ble Pro Vice-Chancellor, The Registrar and The Principal are presented in this workshop.

Dr. Prasanna Kumara B. M., University Librarian, Coordinated the Program.

Program Report

| | |
|--------------------|---|
| Name of Program | One day Training Program on BMJ Database for Health Professionals |
| Hosting Department | Central Library & IQAC |
| Venue | Medical Education Seminar Hall |
| Date & Time | 30 th May 2022 at 10:00 AM to 5:00 PM |

The Central Library and IQAC are organized the one-day Training Program on BMJ Database for Health Professionals, on 30th May 2022. There were 159 participants attended this program.

The Pro Vice-Chancellor & Vice-Principal (Clinical) inaugurated the training program and gave introductory remarks on this event.

Ms. Pooja Nair and Mr. Anand, Manager Customer Engagement with BMJ Database, are the resource person of this training program. The trainer gave a glimpse of the BMJ Case Report, BMJ Research to Publication, BMJ Journals, and BMJ Best Practice,

Each Session has an interactive question and answer with participants and resource person and ended with a vote of thanks.

Dr. Prasanna Kumara B. M., University Librarian, Coordinated the Program.

Program Report

| | |
|--------------------|--|
| Name of Program | Hands-on workshop on Biostatistics Using JMP |
| Hosting Department | Central Library & IQAC |
| Venue | Pharmacology Computer Lab |
| Date | 24 th May 2022 |

The Central Library and IQAC are Organized the Hands-on workshop on Biostatistics using JMP, on 24th May 2022. There were 31 participants attended this session.

The Hon'ble Vice- Chancellor Prof. R. S. Mudhol inaugurated the Workshop & Training and gave presidential remarks on this event. Vice Principal (Academics) Prof. S. V. Patil gave Gust speak on the event.

| Session | Contents | Time |
|-------------|--|---------------------------|
| 1 | Inaugural Session | 10:00 A.M. to 10:30 A.M. |
| 2 | Scales of Measurement and Data import Data Visualization: Graphs, Plots, Charts, and Interactive Visualization | 10:30 A.M. to 11: 30 A.M. |
| Tea Break | | |
| 3 | Descriptive Statistics, Test of Normality, Hypothesis Testing | 11:40 A.M. to 1:10 P.M. |
| Lunch Break | | |
| 4 | T Test, Chi Square Test, Non-Parametric Test | 2:10 P.M. to 3:10 P.M. |

| | | |

| Tea Break | | |
| 5 | Odds Ratio and Relative Risk & ANOVA Introduction to Correlation and Regression | 3:20 P.M. to 4:30 P.M. |
| Final Thoughts & Wind up | | 4:30 P.M. to 5:00 P M |

Total 31 Faculty members are participated this workshop Each Session has an interactive question and answer with participants and resource person and ended with a vote of thanks. Prof. Shailaja Patil Professor, Community Medicine the moderator of this Workshop & Training, and Dr. Prasanna Kumara B. M., University Librarian, Coordinated the Program.

Program Report

| | |
|--------------------|--|
| Name of Program | Workshop & Training on Meta-Analysis and BMJ Database for Health Professionals |
| Hosting Department | Central Library & IQAC |
| Venue | Anatomy Gallery Hall |
| Date | 18 th April 2022 |

The Central Library and IQAC are Organized the Workshop & Training on Meta- Analysis and BMJ Database for Health Professionals, on 18th April 2022. There were 105 participants attended this session.

The Vice-Principal (Academics) inaugurated this Workshop & Training and gave introductory remarks on this event.

ANNUAL REPORT 2022-23

The first session 10:15 to 11:15 is entitled “Introduction to Systematic Review”. Prof. Pankaj B. Shah, Professor and Head, Department of Community Medicine, Sri Ramachandra Institute of Higher Education and Research, Chennai, is the resource person of this Session. He trained the Describe the steps in conducting a systematic review, develop an answerable question using the PICO framework and describe the process used to collect and extract data from reports of clinical trials.

The second- session 11:30 to 01:30 is entitled “Meta Analysis” Dr. N. Ravishankar, Assistant Professor, Vallabhbai Patel Chest Institute, New Delhi is the resource person of this Session provides a high-level view of Introduction to meta-analysis, Fixed effect and random effect models, Heterogeneity checking and forest plot, Meta-analysis of means (Observational studies), Meta-analysis of proportions (Observational studies).

Third Session 2:30 to 4:30 is entitled “BMJ Database Training” Ms. Pooja Nair and Mr. Anand, Manager Customer Engagement with BMJ Database, are the resource person of this Session. The trainer gave a glimpse of the BMJ Database, BMJ Journals, BMJ Best Practice, BMJ Case Report, and BMJ Research to Publication.

Each Session has an interactive question and answer with participants and resource person and ended with a vote of thanks.

Prof. Latha Mallur, Coordinator IQAC is the moderator of this Workshop & Training, and Dr. Prasanna Kumara B. M, University Librarian, Coordinated the Program.

UG Orientation Report:

The Central Library has organized orientation for I year MBBS Students on 29-11-2022 at Central Library. The students were briefed about the library resources, services, facilities, library rules and library remote access. It is also brought awareness on online open access resources and finding authentic information out of internet. A demonstration was given on the OPAC (Online Public Access Catalogue), library remote access using the individual login credentials.

Dr. Prasanna kumar B. M., University Librarian was Resource Person. All the library staff involved in the hands on training about OPAC, Library Remote Access and library tour.

Library Services

- Circulation Services,
- Reprographic Service
- Referral Service
- Book bank service for SC/ST Students
- Documents Printing and Scanning
- User Awareness Program (Training and Workshops)
- Remote Access: Library App – “mLibrary”
- InterLibrary Loan (DELNET)
- OPAC (Online Public Access Catalog)
- News Paper Clippings
- Research Support Service
 - o Shodhchakra
 - o Similarity/Plagiarism (Turnitin & Ouriginal)
 - o Mendeley Reference Management Tool
 - o Grammarly
 - o VIDWAN & IRINS Supporting Service
 - o Journal Selection for Publication Service

Best Practices

- 24/7 Hrs. 365 days Open
- New Books Arrival Display
- Library Feedback
- Email Alerts Service
- Publication Verification for Faculty Appointment and Promotion
- Membership Facility for External Users (Library Funding)
- Swayam Prabha DTH Channels
- Coffee Shop

LIBRARY WORKING HOURS

Reference and Circulation Section: 8.00 am to 10.00 pm in all 365 days.

Reading Facilities: 24x7 all 365 days.

B) INFORMATION TECHNOLOGY MISSION STATEMENT

The Department of Information Technology will provide the highest quality technology- based services, in the most cost-effective manner, to facilitate the University mission as it applies to the management, teaching, learning, and community service.

To meet this mission, we will:

- Provide effective technology support for audio/visual, computer, multimedia, voice, video, and web-based applications and services to all areas of the college.
- Promote and facilitate the effective integration of technology into the basic mission of the college through planning, programming, training, consulting, and other support activities.
- Develop, enhance, and manage the College's enterprise networks to provide high speed, transparent, and highly functional connectivity among all information resources.
- Develop and maintain highly effective, reliable, secure, and innovative information systems to support instructional, administrative and research functions.
- Facilitate the collection, storage, security, and integrity of electronic data while ensuring appropriate access.
- Provide capabilities, including the ability to develop and manage the distribution (and marketing) through broadcast, narrowcast, broadband, software, the Web and other telecommunications technologies College programs, products, and services both within and beyond the University.
- Promote new uses of information technology within the institution through the support for exploratory and innovative applications.
- Provide leadership for effective strategic and tactical planning in the use of technology.
- Provide fast & reliable access to all information systems.

Infrastructure

The core responsibility of IT department will include supervision of subordinate staff members along with the allocation and maintenance of resources required to maintain the college's VLAN's, LAN, servers, workstations, network devices, applications, and databases. The security and integrity of the information systems at BLDE (Deemed to be University) is a primary concern of the IT Department. Communications with concerned IT support staff will occur on a daily basis to ensure the proper personnel and resources are available to perform the assigned tasks. Other key duties include:

- Development of the IT Department Strategic Plan
- Review and propose revisions to the IT Department Policies
- Maintain a list of all administrative passwords for systems under the Department's jurisdiction in a secure location.

- Archive and store critical data in a secure location.
- Propose and implement modifications and/or expansions of IT infrastructure.
- The enforcement of all appropriate policies and procedures.

Infrastructure is further divided into two major components: network and applications. The network component focuses on the VLAN's, LAN, from the media and network appliances to the addressing schemes, network services, and the hardware aspect of all nodes and equipment. The application component focuses on the software, data, and related support service requirements of BLDE (Deemed to be University).

Academics

e-Learning And Online Education:

Lecture Capture Systems: IT allows the recording and storage of lectures, enabling students to revisit and review class materials at their own pace.

Guest lectures and Webinars: Medical colleges can offer a variety of Guest Lectures and Seminars delivered by eminent speakers which providing flexibility for students to learn from speakers.

Digital Resources and Libraries:

E-books and Online Journals: IT facilitates the availability of digital books and academic journals, providing students and faculty with easy access to the latest research and reference materials.

Digital Libraries: Institutions can create and maintain digital libraries, allowing users to search, access, and download scholarly resources.

Virtual Labs:

Virtual Anatomy Labs: Virtual dissection tools and 3D anatomy models enhance the learning experience for medical students.

Telemedicine and Remote Learning:

Teleconferencing and Telemedicine Platforms: IT supports remote consultations, enabling medical students to participate in virtual clinical discussions and connect with experts from different locations.

Remote Learning Platforms: Especially useful during emergencies or for students in distant locations, IT facilitates remote learning through video conferencing and collaborative online platforms.

Data Management and Analysis:

Electronic Health Records (EHRs): IT systems help in the management of patient records and facilitate efficient access to medical data for educational purposes.

Data Analysis Tools: Medical research often involves complex data analysis. IT helps researchers and students in analyzing large datasets to derive meaningful insights.

Assessment and Evaluation:

Online Examinations: IT facilitates the creation and administration of online assessments, providing a secure and efficient way to evaluate students.

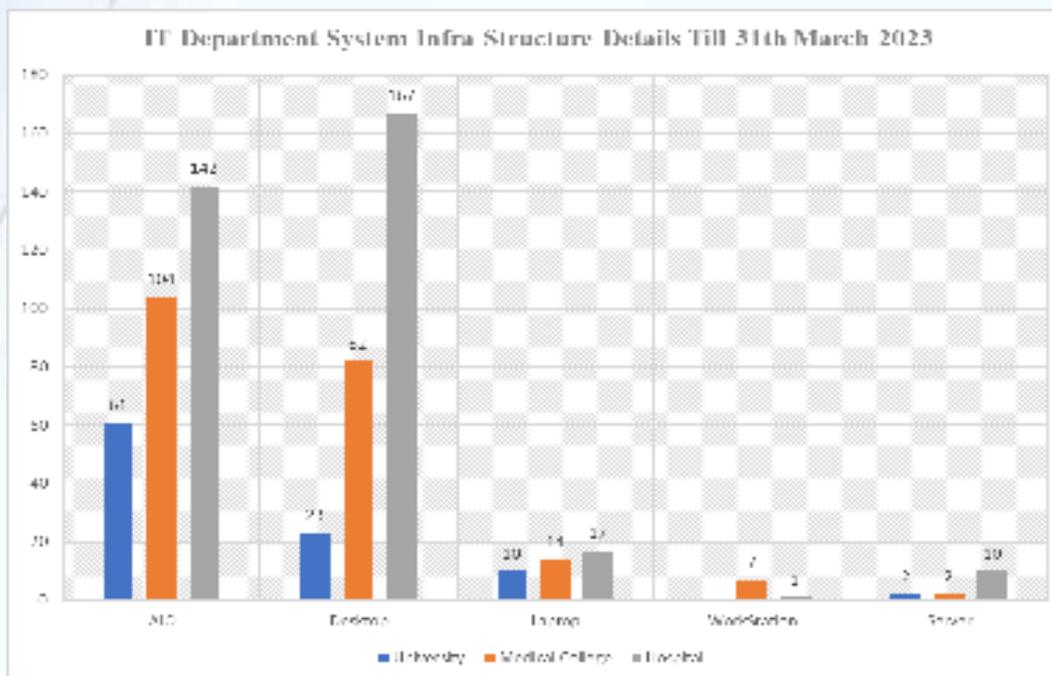

Learning Management Systems (LMS): These platforms help in tracking student progress, managing assignments, and providing feedback.

Communication and Information Sharing:

Email, Messaging, and Announcements: IT tools streamline communication among faculty, students, and staff, ensuring timely dissemination of information.

Intranet and Portals: Internal platforms provide a centralized location for information related to academics, events, and announcements.

Computing Asset Allocation and Internet Facility :

Desktop Computer Allocation Data

Dedicated (1:1) 800Mbps Enterprise Class Internet Leased Line with Redundancy 250Mbps (Total: 1050Mbps) Leased Line for Load Balancing and Primary Link failure.

Internet Access and Medical Education :

Internet, the most useful technology of modern times, which helps us not only in our daily lives but also in professional lives. For educational purposes, it is widely used to gather information and to do research or add to the knowledge of various subjects.

Internet plays a very vital role in education. It is no doubt that in this modern era everyone prefers Google for their queries, problems or doubts. Popular search engines like Google, Yahoo, etc. are the topmost choice of people as they offer an easy and instant reach to the vast amount of information in just a few seconds. It contains a wealth of knowledge that can be searched at any time. The internet has introduced improvements in technology, communication, and on-line entertainment.

Importance of internet in education to the students' means that it makes easier for them to research things, and relearn the content taught in the school. People use it according to their needs and interests.

There are many benefits of the internet in the field of education. Some of these are:

1. Cost Effective and Affordable Education

One of the largest barriers to education is high cost. The Internet improves the quality of education, which is one of the pillars of sustainable development of a nation. It provides education through Videos (like youtube tutorial videos) and web tutorials which is affordable to everyone and cost-effective.

2. Student – Teacher and Peer Interaction

The internet has allowed students to be in constant touch with their teachers or with other fellow classmates with the help of social media, messaging apps and chat forums. Parents can interact as well as communicate with teachers and school authorities about their kid's performance in the school. Interaction with the likeminded people on forums can help students to explore new ideas and enrich their knowledge.

3. Effective Teaching and Learning Tool

The Internet has become a major tool for effective teaching as well as a learning tool. Teachers can use it as a teaching tool by posting their teaching materials (notes and videos) on school website or forum. The learning process becomes interesting and diverse with the use of tutorial videos and notes. Teachers can teach with the use of animation, power point slides, and images to capture the students' attention.

4. Easy Access to Quality Education

Students can easily access quality education materials like tutorial videos on youtube for free or pay fees online for more quality study materials. Teachers can also make use of the internet by providing the students with extra study material and resources such as interactive lessons, educational quiz as well as tutorials. Teachers can record their lectures and provide it to the students for revisions which is better than reading from notes.

5. Interaction with Digital Media

Regular use of digital media is one of the most basic parts of our lives. Digital bulletin boards save paper, allow displaying of videos and audios to attract the attention of students. Nowadays, there are many paid sites which provide education resources which are rich in quality and easily understandable to masses.

6. Keeping you updated with Latest Information

Information is the biggest advantage which the internet is offering. There is a huge amount of information available for every subject. It keeps us up to date with the latest information regarding the subjects in which we are interested.

7. Learning with Multimedia

It helps the students with the learning process as it helps to simplify the knowledge. Also, it helps to visualize what is being taught by the teachers in school. If student wants to prepare for final exams, you can access Video Tutorials and other resources online through the Internet.

ILL (Internet Leased Line)

An Internet leased line is a premium Internet connectivity product, normally delivered over-fiber, which provides uncontended, symmetrical bandwidth with full-duplex traffic. It is also known as an Ethernet leased line, dedicated line, data circuit or private line.

Dedicated (1:1) 800Mbps Enterprise Class Internet Leased Line with Redundancy 250Mbps (Total: 1050Mbps) Leased Line for Load Balancing and Primary Link failure.

Advantages of an Internet Leased Line:

- **Symmetric Speeds:** Internet Leased Line offers fixed bandwidth and symmetric speeds. Businesses get access to identical upload and download speeds so that they can conveniently manage their work. Broadband connections offer asymmetric bandwidth i.e. – faster for downloads than for uploads.
- **Uncontended & Fixed Bandwidth:** With an ILL service, you can get the assurance of consistent speeds and contention. In broadband connection, various premises share the same cable in various ways, resulting in low speed and high latency rates. Even if you are getting a 76Mbps connection, the speed will depend on how many people are using broadband at the same time. During peak hours, you might experience very slow speed and struggle to manage your day to day operations that require seamless internet access. As an ILL offers a fixed bandwidth to the businesses, there is no contention with others. With a 10 Mbps ILL connectivity, you will be receiving complete 10 Mbps speed connectivity.
- **Reliability and SLAs:** An ILL connection comes with industry-backed SLAs – Service Level Agreements to commit businesses about a certain level of service from ISP. Even if you are

facing poor internet connectivity or your internet is down, the situation will be fixed within a few hours. Many broadband providers don't provide SLAs. With internet leased lines, users can expect strong, to-the-point SLAs with better reliability.

- **Cost Savings on Network Maintenance:** If any business plans to expand, the numbers of users and processes will also increase. In this scenario, an ILL connection is an excellent option because it is a scalable service which promises low latency, low jitter, and more uptime. If businesses want to upgrade their speed and bandwidth, they just have to upgrade their plan as per their activities and requirements.

Details of ICT Enabled Services across Institution Departments:

Academic Management Information Software (MIS):

From current academic year is installed with below modules to efficiently manage student and faculty information which is easily accessed through secured authentication methods by students, faculty and administrative staff.

a) Admission:

- Online seat selection, fee collection, application and document submission along with photo and student biometric data.

b) Examination Module:

- Complete Automation of Examination process like exam application, eligibility, exam block allocation, coding, evaluated marks entry and result processing.

c) Hostel Module:

- Hostel Fee Collection, Room Allocation, Transfer and Exit

d) Photo and Biometric Data Capture for ID Cards.

e) Management Dashboards and MIS Reports:

- Real-time Analysis of Student Data and related detailed reports.

f) Communication Module:

- Dedicated Online Student Portal shared with parents along with SMS and Email communication.

g) Android Mobile Application for MIS (educ8 BLDE):

- Android Application developed for making it easier for students to access to their academic activities, notifications, fees details, online examination form filling etc.

h) Attendance and Online Feedback Module:

- Staff Attendance, leave management and online student feedback.

BLDE (DEEMED TO BE UNIVERSITY) WEB PORTAL MANAGEMENT:

The BLDEDU.AC.IN domain and Constituent College SBPMC.EDU.IN domain is registered with Educational & Research Network (ERNET) and hosted on windows based cloud solution which is secured and reliable with regular data backups. Authorise data will updated on daily basis to keep the latest information.

CENTRAL LIBRARY AND LECTURE HALLS:

Objective: ICT Enabled Lecture halls with Audio Visual Equipment's for Effective Teaching.

Solution: Effective Teaching and Learning.

Key Applications:

- Create and add an interactive element to your presentations.
- It allows you to write over computer applications using digital ink
- Access online multimedia content and websites
- Save your digital notes for future use

Technical Specifications of Solution: Digital Lectern equipped with smart interactive panel, audio wireless receiver and visualizer along with audio visual connections.

- All in one presentation tool with a spectacular & world class look
- Indigenous Design, Free standing, Rugged Body & Highly durable
- Caster wheels with lock facility for ease of movement & safety.
- Front Acrylic sheet customizable as per the user's logo
- Built-in highly sensitive Interactive Panel with adjustable tilt to allow the stability of panel and better visibility
- Finger & Stylus touch panel for smooth & precise input writing experience. Annotation software with features to annotate, write, erase, draw, print, save etc.
- Space/cabinet to accommodate Book(s)/Laptop/Visualizer/Keyboard/Mouse or extra presentation material
- A top slider shutter to lock the panel/screen
- Audio system provided
- Includes Gooseneck, Handheld/ Collar wireless Microphone, Receiver, Amplifier & Speakers.
- Exhaust fans to maintain efficient cooling mechanism
- High performance In-Built PC
- Comes with different ways to restrict unauthorized access - RFID, Keys & Pass code locks.
- Annotation software with features to annotate, write, erase, draw, print, save etc.

Objective: Tech Digi Board Interactive Flat Panel LEDs are the latest interactive teaching tools for the modern, connected, interactive classroom.

Key Applications:

- Guest lecturer can be virtually invited from another institution.
- To facilitate a better learning environment in classrooms
- To facilitate more effective engagement and interactivity with students
- To provide better quality images on the large screen.
- To facilitate high levels of natural external light in classrooms, where possible.
- To use technologies that consume lower level of energy.
- Directly Open PowerPoint, Word and PDF.

Solution: For Interactive Teaching Platform.

Technical Specifications of Solution:

Interactive LEDs give you full mouse control of your PC or MAC from the large LED touch screen. Control any application that is running on your computer and use our software to annotate, collaborate cast and more. Onboard Android gives you access to 100s of Apps to install onto the LED from the App Store. The LED comes with 10pt Multi-Touch, 3 Year OnSite Warranty.

Objective: Flip Notation, Flip Capture, Flip Navigation, Flip Protection, Flip Connection, Flip Synchronization, Flip Presentation, Flip Distribution, Flip Touch, Flip Design, Flip Display, Flip Solution.

Solution: For Interactive Teaching Platform

Key Applications:

- Pen & Brush mode annotation: Smooth pen-to-paper-like writing experience
- Annotation ON: Instant writing after capturing from any sources.
- Web Browser: Direct access to any web page.
- HDMI Out: Real Time content sharing to large display.
- Ideas flow through smooth collaboration with an intuitive user interface
- To facilitate more effective engagement and interactivity with students
- To provide better quality images on the large screen
- Directly Open PowerPoint, Word and PDF.

Technical Specifications of Solution:

A Writing Experience just like Pen to Paper: Samsung Flip provides smooth, fast writing in a variety of colors, styles and widths, with compatibility for any object as a writing tool - ensuring a pen-to-paper-like writing experience. A new feature has been added to allow you to create art at the stroke of a brush with water and oil painting mode. Moreover, multi-writing functionality to support up to four different participants is another newly added feature. The innovative features of Flip 2 are all supported by InGlass™ technology, ensuring a smooth experience, without delay.

A Quick and Efficient Editing Tool: Samsung Flip is a comprehensive solution, offering a variety of tools for creative and efficient collaboration. With Samsung Flip, users can quickly and easily select, move, crop, capture, and edit any images. Plus, users can write on any background source by simply clicking the note layer button.

Advanced Compatibility: Samsung Flip enables effortless presentations, supported by innovative features. The display supports any web browser, embedded versatile templates as well as a document viewer compatible with Microsoft Word, PowerPoint and PDF formats. Samsung Workspace allows for any display to support cloud service access, control of a PC with no physical connection needed and Bluetooth device connectivity.

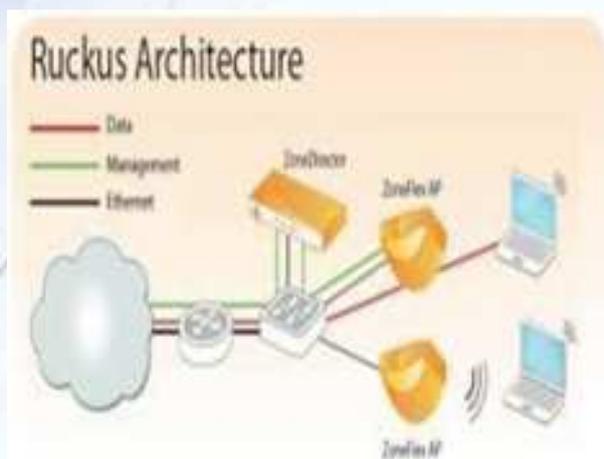

Versatile Connectivity: The Flip has USB, HDMI, NFC and screen mirroring capabilities for versatile connectivity and once the meeting is over, recaps can be distributed via the Flip in real-time, removing the need for any handwritten notes.

Optional tray: Flip offers an optional tray as a more powerful connectivity extension. (USB, HDMI, NFC).

Optimized Management: Samsung Flip offers a number of new features and improved connection capabilities including a secure wireless connection, automatic firmware updates, LDAP synchronization and file security to ensure a convenient and productive meeting experience.

Objective: To provide reliable, secured intranet and internet connectivity.

Solution: Secured Wi-Fi Network with ILL.

Key Applications:

- Most consistent and highest-speed wireless network performance possible – anywhere, everywhere, all the time.
- To share and sync multimedia data from peer to peer or from centrally located server.
- Real-time collaborate and share the knowledge for effective learning.
- Reliable and stable internet connection to access all relevant academic resources.

Technical Specifications of Solution: Smart Wi-Fi Access Points with carrier-class 2.4/5GHz 802.11n to deliver throughput of up to 150Mbps controlled by a centrally connected controller to monitor and control Wi-Fi Network.

Objective: To virtually connect to any geographical location to facilitate in academic and research work.

Solution: Video Conference Facility.

Key Applications:

- Guest lecturer can be virtually invited from another institution.
- Researcher collaborates with colleagues at other institutions on a regular basis.
- Administrators from different parts of campus need to collaborate on administrator issues.
- Researcher needs to meet with a regular review committee.
- Student interviews with an employer in another city.

Technical Specifications of Solution: Portable Audio Visual Kit along with centrally hosted Video Conference Server based on software based codec.

- **Content sharing:** Rather than simply emailing files to students or posting them on a classroom portal online, video conferencing gives teachers and students the ability to share documents and files in real time.
- **Connect participants:** Social distancing, and distance learning, can lead to feelings of isolation. Video conferencing applications facilitate interaction by bringing people to-

gether. This tool can also connect participants from all over the world, making it possible to engage local students as well as international students.

- **Recording functionality:** Another benefit of video conferencing is that it allows participants to record the lecture or lesson for future reference. While this feature isn't used much when video conferencing is used in primary grades instruction, it can be beneficial for high school and college students who are using online learning tools. This gives students another means to help with studying and exam preparation.
- **Engage others:** In addition to uniting students and teachers, video conferencing may be employed to bring in guest lecturers and other subject matter experts. Whether an expert is physically located in the same town or is halfway across the globe, video conferencing can bring everyone to the same (virtual) table.
- **Interaction and collaboration:** Perhaps the biggest benefit of video conferencing in education is the fact that it encourages interaction and collaboration between students and teachers. In turn, this could make students more motivated and engaged in their learning experience.

Objective: To build Institutional repository with the entire academic and research e-resources.

Solution: Centrally hosted Institutional Repository Server.

Key Applications:

- Anytime, anywhere access the e-resources like dissertations, research articles etc.
- Easy to create and manage the institutional digitized data centrally.
- Safety and longevity of important and rare books.

Technical Specifications of Solution: IBM X3630 Rack server with 6 cores (1.9Ghz), 8GB RAM and RAID 5 configured 2TB SAS storage deployed with open source D-space repository software.

Objective: To provide reliable hosted service for email and other collaboration tools.

Solution: Google Apps for Education.

Key Applications:

- Its free for Educational Institutes.
- Reliable, cost effective and highly efficient of official communication tool.
- Collaborative tools like Drive, Chat are included.
- Saving on resources required to maintain on-site email and web server.
- Email storage space of 30GB per user.
- Email id in the registered domain name.

Technical Specifications of Solution:

Google Apps for Education which is free hosted service for email and other collaboration tools. Institutional email Ids are allotted to all administrative and academic faculties.

The Education edition of Google Apps is equipped with all necessary tools for communication, collaboration, documentation, storage, sharing, learning and high security. Google Apps for Education includes Gmail, Calendar, Contacts, Drive (Docs, Sheets, Slides, Forms, and Drawing), Sites, Groups and many more.

First of all teachers can use Google Form to create a test with multiple choice or text based questions. They can then easily share it with a class or embed an entire test/exam on Google Sites.

Teachers can use Google Calendar and add all the classes, time table or upcoming events to it. This can be either shared with selective users or kept public for the class to subscribe.

Google Docs is a very interactive app with lots of new features, such as research, add-on, embed gadgets and more. Furthermore teachers can create documents, store it online, in drive and share with others with a choice of access.

Google Hangout can be used by end-users or teachers for taking online classes. Classes can be recorded and saved in the class-specific youtube channel. Tutorials/Webinars are the best way for students to learn and interact. In addition (Hangouts on air, Youtube). With Hangouts, one can do 1-to-1 or 1-to-many text/audio/video chat sessions.

Google Apps admin can control all apps, access and sharing settings for their institute. In addition this gives powerful control in the hands of admin to manage and monitor the use of the application.

Objective: Build collaborative classrooms, connect in professional learning communities, and connect with students and teachers – all from a single experience.

Solution: Microsoft Teams.

Key Applications:

- Its free for Microsoft Registered Educational Institutes.
- Reliable, cost effective and highly efficient teaching and learning tool.
- Collaborative tools like create classroom, scheduling, share content, Chat are included.
- Saving on resources required on SharePoint.
- Microsoft Email id in the registered domain name.

Technical Specifications of Solution:

Microsoft Teams is a digital hub that brings conversations, content, assignments, and apps together in one place, letting educators create vibrant learning environments. Build collaborative classrooms, connect in professional learning communities, and connect with colleagues – all from a single experience.

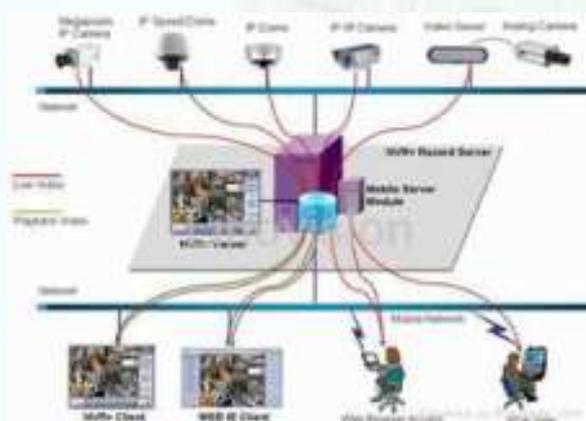

Institutional Microsoft email Ids are allotted to all administrative and academic faculties and students.

Benefits:

- **Assignments:** Assign, track, and grade class assignments.
- **Screensharing:** Share your screen or presentation in real time.
- **Immersive reader:** Easily read conversations and chats in a more personalised format, all in Microsoft Teams.
- **Whiteboard:** Collaborate in Microsoft Teams using a freeform, infinite digital canvas.
- **Raise your hand:** Make your voice heard without disrupting other students.
- **Together mode:** See the whole class in a new way for discussions and presentations.
- **Accessibility:** Get America Sign Language visibility features, live closed captions (US only), and Immersive Reader.
- **Integration:** Create custom educational experiences with Microsoft Teams and learning management system integration.
- **Custom background:** Blur your meeting background, choose a free image, or upload your own.
- **Insights:** Access student engagement data from an intuitive dashboard.

Objective: To provide reliable and flexible surveillance facility at key strategic locations.

Solution: IP Surveillance.

Key Applications:

- Safety and Security of Campus.
- To make examination process more effective by deploying IP surveillance for exam halls and evaluation room.
- Authorized users can monitor the real time video from anywhere and anytime.
- IP storage makes it possible to store data in any geographic location.

Technical Specifications of Solution: Web based software controlled IP surveillance system for monitoring, configuring and storing. It supports scalability and portability with other IP surveillance systems.

Teaching Hospital:

Institution has in-house developed Web based *Hospital Management Information System* and deployed by the University IT Unit with following modules:

Key Applications:

- OPD/IPD Registration
- Lab Registration and Reporting
- Service Entry and Billing
- ICD coding with search features.

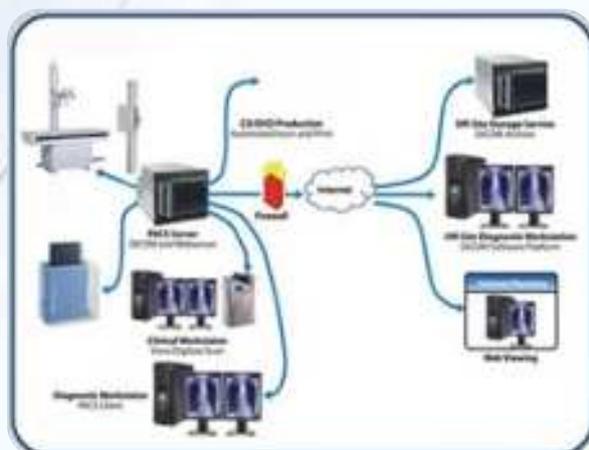

Technical Specifications of Solution: Web based software controlled IP surveillance system for monitoring, configuring and storing. It supports scalability and portability with other IP surveillance systems.

Medical Record Section:

Medical Record Section in the hospital connected through Hospital LAN with scanning & digitization facilities, maintains all records to update ICD coding and easily retrieve patient records.

Objective: To facilitate local and remote reporting system central to all the Radiology equipments.

Solution: Picture Archiving and Communication System (PACS)

Key Applications:

- To make examination process more effective by deploying IP surveillance for exam halls and evaluation room.
- Authorized users can monitor the real time video from anywhere and anytime.
- IP storage makes it possible to store data in any geographic location.

Technical Specifications of Solution: Central HP PACS Server connected to all the modalities along with Storage Attached Network (SAN) for archiving. Reporting workstations equipped with Medical Grade diagnostic monitors.

Other ICT enabled services in Hospital :

- Operation Theatres of Teaching Hospital have video streaming equipment's to easily access live clinical surgeries from Lecture Halls and Medical Education Department.
- Hospital Clinical departments, OP/IP Registration counters, medical record department and office relate to 1Gbps LAN.
- Hospital Main Store has Tally ERP9 software solution for store management.
- Web Based Application Software is implemented in Hospital Drug Store.
- High Speed internet from Optical Fibre Communication enabled services.

Finance Section:

- Tally ERP9 Software Solution is deployed in all units like College, Hospital, Hostel etc for day to day accounting with configuration to synchronize on daily basis.
- Paypac Application Software is used for Payroll processing and payslip generation.
- Regular assistance given for all online data updating for statutory compliance like TDS, PF etc.

Other Computing Facilities for Academic & Research :

- SPSS version 21: Statistical Analysis software deployed in Central Library Computer centre.
- Digital Library with 40 High Configuration Workstations.

- Library Management Software Server.
- At least one computer for each department.
- Apple MAC Desktop Computer for Medical Illustration Department.

Introduction to Digital Integrated Campus Network on Optical Fiber Technology

A Campus Optical Fiber (OFC) Digital Data Network is a computer network that interconnects Local Area Networks (LAN) throughout a limited geographical area, such as a university campus or corporate campus. The networking equipment's (switches, routers) and transmission media (optical fiber, copper plant, Cat6 cabling etc.) are almost entirely owned by the campus tenant / owner: an enterprise, university, government etc.

College or university campus area networks often interconnect a variety of buildings, including administrative buildings, academic buildings, university libraries, campus or student centers, residence halls, gymnasiums, and other outlying structures, like conference centers, technology centers, and training institutes.

Examples include the Bangalore University, NITTE University, KLE University etc.

All of the nodes in a campus network are interconnected by means of optical fiber media, taking advantage of Gigabit Ethernet or 10-Gigabit Ethernet technology. In some cases, Wi-Fi hot spots or even a hot zone make up the user end of the network, for example in university student centers or libraries where numerous people simultaneously use portable and mobile devices such as notebook and tablet computers to conduct research and carry on communications.

Computers connected to a network are broadly categorized as servers or workstations. Servers are generally not used by humans directly, but rather run continuously to provide “services” to the other computers (and their human users) on the network. Services provided can include printing and faxing, software hosting, file storage and sharing, messaging, data storage and retrieval, complete access control (security) for the network’s resources, and many others.

Workstations are called such because they typically do have a human user which interacts with the network through them. Workstations were traditionally considered a desktop, consisting of a computer, keyboard, display, and mouse, or a laptop, with integrated keyboard, display, and touchpad. With the advent of the tablet computer, and the touch screen devices such as iPad and iPhone, our definition of workstation is quickly evolving to include those devices, because of their ability to interact with the network and utilize network services.

On a single LAN, computers and servers may be connected by cables or wirelessly. Wireless access to a wired network is made possible by wireless access points (WAPs). These WAP devices provide a bridge between computers and networks.

Applications of Campus OFC Network for Teaching, Learning and Research:

- **User access control.**

Modern networks almost always have one or more servers which allows centralized management for users and for network resources to which they have access. User credentials on a privately-owned and operated network may be as simple as a user name and password, but with ever-increasing attention to computing security issues, these servers are critical to ensuring that sensitive information is only available to authorized users.

- To access e-resources like Library e-journal subscription from all the departments and hostels.
- Video conference facility.
- Virtual Classroom for live streaming lectures within and outside campus.
- To access Health Information System (HIS) application software
- To access Management Information System (MIS) application software.
- E-learning facility
- Computing resources. The institution can provide access to special purpose computing devices which individual users would not normally own. For example, a network might have high-speed high quality printers strategically located around a campus for instructor or student use.

Future Roadmap

- 1) Below listed solutions that can be integrated with the existing OFC Network in the future.
 - a) VOIP / IP phones.
 - b) Online Learning Management Solution.
 - c) Live Streaming and Hosting Academic Lectures and Events through Webinars.
- 2) Identifying the prospective areas requiring immediate attention for IT Facility for creating vibrant academic and research environment.
- 3) Making the website a repository of all the available information, facilities, resources and opportunities that the University offers so that the stakeholders of the University are not deterred by any barriers of geographical location while accessing the relevant information. Open educational resources (OERs), Massive Open Online Courses (MOOCs) and resources available under 'Creative Commons' license will be linked to provide vast pool of useful and supplementary material to the students. MOOCs will offer the students anytime-anywhere learning environment, which is becoming increasingly popular as one of the most effective tools for knowledge sharing and dissemination.
- 4) Integrate AI and data management systems for effective monitoring and evaluation of learning outcomes.
- 5) Organize digital educational content to align with existing curricula can be critical in providing users and teachers easy access to relevant information.
- 6) Planning to deploy Remote Access Software Solution to access all e-resources remotely including IP based e-journals like Proquest.
- 7) Campus wide Extension of Wi-Fi and Security IP Surveillance.
- 8) Secured Storage Solution for Academic and Administrative Data.

Note: These are only few examples but the possibility is endless.

C) CLINICAL SKILLS & SIMULATION LABORATORY

The Clinical Skills & Simulation Laboratory of BLDE (DU) Organized Faculty Training Programme on March 23-25, 2023, at Simulation Lab. Wendy McCracken RN, RM, BA(Hons)Ed, PGCE, Healthcare Simulation & Clinical Educator - CAE Healthcare, United Kingdom conducted the programme. Faculties of Emergency Medicine, Anaesthesiology, General Medicine, Obstetrics & Gynecology and Paediatrics department attended the programme.

Wendy McCracken RN, RM, BA(Hons)Ed, PGCE, Healthcare Simulation & Clinical Educator
- CAE Healthcare, United Kingdom conducting the programme

D) OTHER CENTRAL FACILITIES:

Physical Facilities

The BLDE (DU) was established in 2008 and its Constituent College Shri B.M.Patil Medical College, Hospital & Research Centre, Vijayapura was established in 1986. The campus is spread over an area of 71.17 acres. The University invested Rs. 108 crores for infrastructure augmentation during the last five years. The infrastructure includes buildings, equipment's and instruments to create State-of-the-Art ultramodern facilities for teaching-learning, training and research as well as for co-curricular and extra-curricular activities.

Learning Resources

The Hospital has bed strength of 1338 with more than 80% bed occupancy from variety of OP/IP patients, supported by the service Department-Clinical Laboratories, Radiology & Imaging, Blood Bank with component therapy and other paramedical & ancillary facilities. The Central Library is available with Air-Conditioned reading rooms and repository of 41683 Print and e-Books, more than 8000 print and e-Journals with 720 seating capacity, well supported with RFID integration and all latest IT facilities and software's. It provides Teaching-Learning and Training facilities to MBBS & MD/MS/M.Ch/Ph.D. & Allied Health Sciences students. RHTCs/UHTC provide exposure to rural and urban population for hands-on training. The hospital follows all regulatory guidelines and provides services, primary to tertiary health care.

Other Teaching facilities include Advanced Simulation/Skill Laboratories, Cadaver Laboratory, Centre for Advanced Medical Research, Museums, etc. All the Teaching-Learning facilities are ICT enabled with HIMS/EMR/LMS/EPR/CMS/other ERPs. The University's Institution Innovation Council (IIC) and IPR Cell focus on innovations, IPR/Start-ups as per the norms of MHRD and GoI.

Medical Facilities

Modern health care facilities are available with tertiary care 24X7 within the campus.

Ramp Facility

Drug Store

Bill Counter

Reception (Help Desk)

Emergency

Casualty

Toilet Facilities

An adequate number of toilet facilities, including differently-abled persons are provided for stakeholders.

Disabled Friendly Toilet

Common Toilet

Canteen Facilities

Canteens on the campus cater to the needs of students, staff, attendants, and visitors at subsidized prices. Emphasis has been given to nutrition, avoiding junk foods.

| Sl. No | Name of the Building | Floor | Year | Area (In Sqm) |

12. PHYSICAL INFRASTRUCTURAL FACILITIES & SERVICE

A) Campus Facilities

The lush green, eco-friendly as well as differently-abled friendly serene campus has a residential facilities for students, faculty, and non-teaching staff. Other facilities on the campus include day care centre, bank, post office, ATM, cafeterias, mess, laundry, saloon, printing press, etc. To maintain the campus green, the University has adopted all the environment-friendly practices like, rainwater harvesting, renewable solar energy sources, ETP, STP, WTP, Biogas, Vermicompost, etc.

The campus has International Standard Swimming Pool, Ultra-Modern Indoor Complex, 1000 capacity auditorium, Modern Yoga Centre, Gymnasiums-Separate for Boys and Girls and courts for Basket Ball, Volley Ball, Tennis as well as outdoor Stadium for Cricket and Football with flood light facility.

B) Building Blocks

i) BLDE (Deemed to be University)

| Sl. No | Name of the Building | Floor | Year | Area (In Sqm) |
|-------------------|---|--------------|------|----------------|

Dr. Siddu Charki, Neonatal Intensivist & Assistant Professor, Department of Pediatrics has been received “Researcher of the Year 2021” from Dr. Shivaprasad S. Goudar, Director-Research, KAHER, Belgavi in BRAIN (BLDE Research and Innovation) Research Day-2022, held on August 13, 2022.

Dr. Rekha Mudhol, Professor, Department of Ophthalmology has been received “Researcher of the Year 2022” from Dr. Shivaprasad S. Goudar, Director-Research, KAHER, Belgavi in BRAIN (BLDE Research and Innovation) Research Day-2022, held on August 13, 2022.

Dr. R. Chandramouli Reddy, Assistant Professor, Department of Biochemistry has been received “Researcher of the Year 2022” from Dr. Shivaprasad S. Goudar, Director-Research, KAHER, Belgavi in BRAIN (BLDE Research and Innovation) Research Day-2022, held on August 13, 2022.

India Today magazine published BLDE (Deemed to be University) as Top-11 in the Best Medical University Category, under India University Rankings-2022 in the August 15, 2022 Issue.

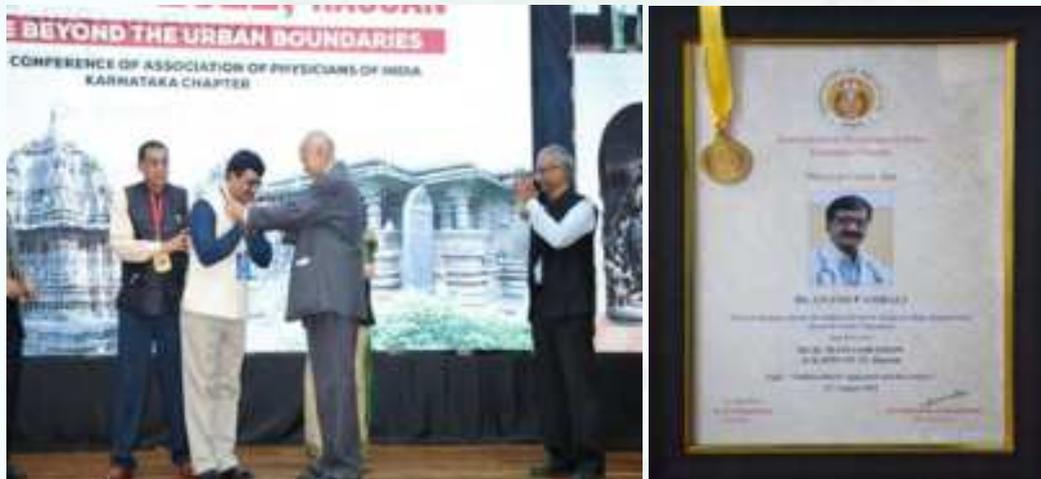

Dr. Priyanka Manchala, PG, Department of Anesthesiology has been received the “Best Library User Award” on National Library Day, by Prof. Dr. R. S. Mudhol, Hon’ble Vice-Chancellor on August 19, 2022.

Ms. Nisha Birajdar, MBBS Student has been received the “Best Library User Award” on National Library Day, by Prof. Dr. R. S. Mudhol, Hon’ble Vice-Chancellor on August 19, 2022.

Mr. Jaikishan Babu Pawar, B.Sc. Optometry Student has been received the “Best Library User Award” on National Library Day, by Prof. Dr. R. S. Mudhol, Hon’ble Vice-Chancellor on August 19, 2022.

Dr. Anand P. Ambali, Professor, Department of Medicine has been conferred “Dr. M. Maiya Oration” by the Association of Physicians of India, Karnataka Chapter in the 39th Annual Conference held at Hassan on August 21, 2022. The Topic was “Falls in Elderly-Approach and Prevention”

Dr. S. S. Kalyanshettar, Professor & HoD, Department of Pediatrics has received the “Best Researcher Award” in the International Scientist Awards on Science, Technology and Management, held on August 31, 2022, by VDGGOOD Professional Association.

On the occasion of Teacher's Day Celebration Dr. R. C. Bidri, Former Principal & Dean, Faculty of Medicine and Professor, Department of Medicine has been awarded as "Teacher of Teachers" of the year 2022 on September 05, 2022.

On the occasion of Teacher's Day, Dr. S. V. Patil, Vice Dean and Professor, Department of Pediatrics has been awarded as "Teacher of Teachers" of the year 2022 on September 05, 2022.

On the occasion of Teachers Day, Dr. Rajashri Yeliwal, Dr. Smitha Bagali, Dr. Shailaja Patil, Dr. Sumangala Patil, Dr. B. S. Patil, Dr. M. S. Kotennavar, Dr. S. S. Kalyanshettar and Dr. Santosh Ramdurg were awarded as "Best Teachers" of the year 2022 on September 05, 2022.

Dr. Shailaja S. Patil, Professor, Department of Community Medicine recognized as 'Coalesce' Mentor by Emory University, USA & PFHI.

ANNUAL REPORT 2022-23

Dr. Sharan Badiger, Professor & HoD, Department of Medicine received a Certificate of Appreciation in the 'Doctors Day Programme' organized by Rotary Club, Vijayapura for the year 2022-23 in recognition of his 'Good Service' on July 01, 2022.

Dr. Sharan Badiger, Professor & HoD, Department of Medicine received the "Certificate of Excellence" in recognition of outstanding contribution to the quality of the Journal of Economics, Management and Trade-2022 on July 19, 2022.

Dr. Sharan Badiger, Professor & HoD, Department of Medicine received the "Certificate of Excellence" in recognition of outstanding contribution to the quality of the International Journal of Biochemistry Research & Review, Management and Trade-2022, on July 19, 2022.

Dr. Sharan Badiger, Professor & HoD, Department of Medicine received the "Certificate of Excellence" in recognition of his outstanding contribution to the quality of the Asian Oncology Research Journal, on August 22, 2022.

Dr. Sharan Badiger, Professor & HoD, Department of Medicine received the "Certificate of Excellence" in recognition of his outstanding contribution to the quality of the International Journal of Tropical Disease & Health-2022, on August 29, 2022.

Dr. Sharan Badiger, Professor & HoD, Department of Medicine received the "Certificate of Excellence" in recognition of outstanding contribution to the quality of the Cardiology and Angiology: An International Journal-2022, on September 16, 2022.

Dr. Sneha Mukerjee, PG, Department of Medicine received a Certificate of Appreciation for 'Best Paper' at the 39th Annual Conference KAPICON 2022, held from 19th to 21st August, 2022, at Hassan Institute of Medical Sciences (HIMS), Hassan.

Dr. Priyanka Bhuvandran, PG, Department of Obstetrics & Gynaecology received a Certificate of Appreciation 'Poster Presentation' at FOGSI Presidential Conference-Global Conference on Updates in Obstetrics and Gynaecology, held from 15th to 17th July, 2022, at HICC, Hyderabad.

Dr. Basavaraj M. K., PG, Department of Orthopedics received 2nd Prize in Quiz Competition in the 21st Post Graduate Intensive Training Course held from 5th to 6th August, 2022, at KAHER's JNMC, Belagavi.

Dr. Chetan A. R., PG, Department of Orthopedics received 2nd Prize in Quiz Competition in the 21st Post Graduate Intensive Training Course held from 5th to 6th August, 2022, at KAHER's JNMC, Belagavi.

Dr. Arihant Patil, MBBS Student has been Secured 1st Place in a Paper Presentation in Antarang 2022, UG Medical Conference, held at SDM College of Medical Sciences & Hospital, Dharwad from October 13-15, 2022.

Dr. Nitin Prasad, MBBS Student received “Letter of Appointment” in the capacity of the State Joint Secretary to Indian Medical Association Medical Students Network (IMA-MSN), Karnataka on November 06, 2022.

Dr. Anand. P. Ambali, Professor, Department of Medicine has been designated as “Fellow of Indian Association” in 28th Annual Conference - 2022, held at Rajgir, Bihar from November 12-13, 2022.

Dr. Anand. P. Ambali, Professor, Department of Geriatric Medicine has been recognized by Geriatric Society of India Delhi and Selected for Appreciation Award 2022 held at Kolkata.

Dr. Anand. P. Ambali, Professor, Department of Medicine has been awarded for the “Fellow of Indian Association” of Clinical Medicine held at Rajgir, Bihar from November 12-13, 2022.

Dr. Anand P. Ambali, Professor, Department of Medicine has been honored with “Fellow of Royal College of Physicians (FRCP)”, held at Edinburgh, Scotland on November 18, 2022.

Dr. Prasanna Kumara. B. M., Librarian (University) received Shri S. L. Vij Orientation Award for “Best Librarian of the Year 2021-22” in 3rd National Conference of Federation of Health Science Library Association (FHSLA) from November 25-26, 2022, held at AIIMS, Rishikesh, Uttarakhand.

Dr. Bihag. K. V., Student, Department of Ophthalmology awarded Certificate for winning Dr. Subal Kishore Kar Award for the “Best Paper in Cataract & Refractive Surgery” in the Annual Conference of Odisha State Ophthalmological Society (OSOCON 2022) from November 25-27, 2022, held at Bhubaneswar.

Dr. Nilima. Dongre, Professor, Department of Biochemistry, received “Certificate of Excellence in Reviewing” in recognition of an outstanding contribution to the quality of the journal on December 16, 2022.

Dr. Lavanya. Pidikiti, MBBS Student has been secured 1st Place in a Scientific Paper Presentation in 36th South Zone and IAP Karnataka State Annual Conference IAP Medicolegal Karnataka Conference from October 14-16, 2022 held at KAHER's J. N. Medical College, Belagavi.

- Dr. Sharan Badiger, HoD & Professor, Department of Medicine received the Certificate of Excellence in recognition of an outstanding contribution to the quality of the journal of Tropical & Health on October 28, 2022.
- Dr. Sharan Badiger, HoD & Professor, Department of Medicine received the Certificate of Excellence for Module/Course Research Design Researcher Academy organized by Researcher Academy on November 26, 2022.
- Dr. Sharan Badiger, HoD & Professor, Department of Medicine, received the Certificate of Excellence in reviewing for International Blood Research & Review In recognition of an outstanding contribution to the quality of the journal of International Blood Research on December 10, 2022.
- Dr. Indira Hundekari, Faculty, Department of Biochemistry, received Certificate for an outstanding contribution in the quality of the journal issued by Asian Plant Journal Plant on December 17, 2022.

BLDE (DU)'s Shri B. M. Patil Medical College, Hospital & Research Centre participated in "Yogathon" organized by the Government of Karnataka on January 15, 2023, held at Sainik School, Vijayapur which was an attempt for Guinness World Records.

Dr. Lata Mullur, Professor. Department of Physiology received "Certificate of Excellence in Peer-Reviewing" in recognition of outstanding contribution to the quality of the journal in MB International Media and Publishing House, held on January 10, 2023.

Dr. Sumangala Patil, Professor & Head, Dept. of Physiology received Academic Excellence Award 2022 for outstanding professional and research achievements in the field of Physiology, on March 27, 2023 from Institute of Researchers, Wayanad, Kerala (India).

Dr Nilima Dongre, Professor, Department of Biochemistry received “Certificate of Excellence in Peer- Reviewing” in recognition of outstanding contribution to the quality of the book on January 07, 2023 from B P International.

Dr. Manjunatha Aithala, Professor, Dept. Of Physiology received “Reviewer Certificate” in recognition of outstanding contribution to the quality of the journal on January 11, 2023 from BLDE University Journal of Health Sciences, Vijayapura, Karnataka

Dr. Tejaswini Vallabha, Professor, Dept. of Surgery received “Certificate of Appreciation” for being a chairperson for a Scientific session in 41st KSCASICON-2023, from January 10-12, 2023 held at SAC Building, PDA College, Kalaburagi

- Dr. Sharan Badiger, Professor & HoD, Department of General Medicine received the “Certificate of Appreciation” for Quiz on Pariksha Pe Charcha in February 2023.
- Dr. Sharan Badiger, Professor & HoD, Department of General Medicine received the “Certificate of Excellence” in recognition of an outstanding contribution to the quality of the journal of Asian Journal of Cardiology Research on March 27, 2023.
- Dr. Sharan Badiger, Professor & HoD, Department of General Medicine received the “Certificate of Excellence” in recognition of an outstanding contribution to the quality of the journal of Asian Journal of Medicine and Health on January 07, 2023.
- Dr. Sharan Badiger, Professor & HoD, Department of General Medicine received the “Certificate of Excellence” in recognition of an outstanding contribution to the quality of the journal of International Blood Research & Review on January 17, 2023.
- Dr. Nilima Dongre, Professor, Department of Biochemistry received a “Certificate of Excellence in Peer- Reviewing” in recognition of outstanding contribution to the quality of the book on January 07, 2023 from B P International.
- Dr. Lata Mullur, Professor, Department of Physiology received a “Certificate of Excellence in Peer-Reviewing” in recognition of outstanding contribution to the quality of the journal in MB International Media and Publishing House, held on January 10, 2023.
- Dr. Manjunatha Aithala, Professor, Dept. Of Physiology received a “Reviewer Certificate” in recognition of outstanding contribution to the quality of the journal on January 11, 2023, from BLDE University Journal of Health Sciences, Vijayapura, Karnataka
- Dr. Tejaswini Vallabha, Professor, Dept. of Surgery received a “Certificate of Appreciation” for being a chairperson for a scientific session in 41st KSCASICON-2023, from January 10-12, 2023 held at SAC Building, PDA College, Kalaburagi.

16. HUMAN RESOURCE DEVELOPMENT & MANAGEMENT

Co-innovation, teamwork, and sharing are three skills that businesses are starting to take for granted. We must constantly prepare our talent pool to welcome disruptions, innovate, be flexible, and adjust to the changes that occasionally result from such transformations if we are to survive in this climate. To draw in, develop, and include such a wide range of talent at all levels of the organization, BLDE concentrates on creating a best-in-class organizational culture. Each employee owns and is accountable for creating our dynamic culture, as seen by their conduct and moral character in relation to the company's policies, practices, and processes. The Human Resources (HR) department serves as both a strategic partner and a governance and compliance role for BLDE's human capital concerns. It also offers a clear structure to enable decision-makers be more accountable in making the best decisions about people. Consequently, establishing a suitable benchmark and ethos for the choices made. This HR report offers an open window into BLDE employee data and demonstrates how we are turning our strategic objectives into quantifiable outcomes. It paints a clear picture of our accomplishments in 2020 with regard to developing our corporate culture (diversity and inclusion), attracting and developing talent, paying employees, and providing benefits.

- The purpose of talent acquisition and onboarding HR is to draw in, evaluate, and assign the best candidates through consistent, equitable, and efficient recruiting and selection procedures that are in line with BLDE's objectives. To give the operational framework for merit-based hiring, selection, and recruitment procedures that produce a skilled, productive workforce, a well-defined policy has been developed. We promote meritocracy at every step of hiring and deployment, including role-mapping and compensation, and we are an equal opportunity company. This in turn illustrates the BLDE's dedication to the values of variety in culture, equality of opportunity, and nondiscrimination. A persistent emphasis on recruitment-related cost management and controls has also been maintained in an effort to improve the effectiveness and caliber of HR procedures.
- Entire performance management through performance distinction, openness, and efficient evaluation, BLDE's performance management system aims to achieve high performance and comprehensive staff development. Performance evaluation is done formally and impartially through a defined method. We keep promoting a culture of high performance. To determine an employee's areas of strength and growth, the talent assessment process has undergone enhancements. The integrated process records the abilities, contributions, potential, behaviour, experience, and areas in need of growth for each employee. It is also recommended that managers and staff members have more regular, casual performance discussions on a regular basis.

A) Recruitment & Promotion of Officers & Teaching Faculty

| | | |
|---|---|-----|
| ➤ Number of Officers Appointed during this year | - | 02 |
| ➤ Number of Officers retired during this year | - | 01 |

17. FACULTY TRAINING, DEVELOPMENT AND RECOGNITIONS

FDPs Organized:

| Number of professional development /administrative training programs organized by the University for teaching and non-teaching/technical staff during year | | | |
|--|--|--------------------------|---------------------|
| Year | Title of the professional development Programme organised for teaching staff | Dates: From - To | No. of participants |
| 2022 | Guest Lecture on Trends in Cancer Research | 04.04.2022 | 35 |
| 2022 | CME on Obstetric Anesthesia | 11.04.2022 | 157 |
| 2022 | Workshop on Meta.Analysis and BMJ Database for Health Professionals | 18.04.2022 | 50 |
| 2022 | Revised Basic Course Workshop | 19.04.2022 to 21.04.2022 | 27 |
| 2022 | Training on E-Content | 21.04.2022 to 22.04.2022 | 41 |
| 2022 | Webinar on Roadmap in Geriatric Care | 28.04.2022 | 50 |
| 2022 | Workshop on Ambu FOB Scope and Video Laryngoscope | 09.05.2022 | 33 |
| 2022 | Webinar on Scientific yet Spiritual understanding of Mudra Yoga | 14.05.2022 | 328 |
| 2022 | Guest Lecture on Updates in Urogyneocology | 19.05.2022 | 25 |
| 2022 | Hands.on workshop on Biostatistics Using JMP | 24.05.2022 | 31 |
| 2022 | Workshop cum Training on BMJ Database for Health Professionals | 30.05.2022 | 159 |
| 2022 | Guest Lecture on Current Management in Leukemia | 03.06.2022 | 58 |

| | | | |
|------|--|--------------------------|-----|
| 2022 | CME on Updates in Upper GI and Hepatobiliary surgery | 06.06.2022 | 52 |
| 2022 | Sensitization Programme | 14.06.2022 | 43 |
| 2022 | CME on Post Partum Haemorrhage | 18.06.2022 | 41 |
| 2022 | World Elder Abuse Awareness Day | 23.06.2022 | 70 |
| 2022 | Training Session on Intellectual Properties and its Protection in India | 5.07.2022 | 82 |
| 2022 | Guest Lecture on Reforming Public Health System in India for Universal Health Care | 07.07.2022 | 20 |
| 2022 | Guest Lecture on Chronic kidney disease: What is the need of hour? | 14.07.2022 | 100 |
| 2022 | Workshop on Hands on refresher training of access 2 Beckman Coulter | 22.07.2022 | 19 |
| 2022 | Workshop on Good Laboratory practice and quality control in Clinical laboratory | 22.07.2022 | 37 |
| 2022 | Guest Lecture on Polypharmacy in Elderly | 30.07.2022 | 53 |
| 2022 | Guest Lecture on Growing Diversity of Biological molecules under development to meet health care needs | 31.07.2022 | 25 |
| 2022 | Guest Lecture on Hematopathology | 05.08.2022 | 25 |
| 2022 | Hands-on Training Session | 12.08.2022 | 34 |
| 2022 | Guest Lecture : BLDE Research and Innovation (BRAIN) Research Day | 12.08.2022 to 13.08.2022 | 168 |
| 2022 | Physiology and SARS Guest lecture on "Hypertension" | 02.09.2022 | 31 |
| 2022 | Workshop on Hands on Training | 06.09.2022 | 42 |
| 2022 | Effective use of skulls lab & OSCE workshop | 07.09.2022 to 08.09.2022 | 58 |
| 2022 | Workshop on HMS Software | 08.09.2022 | 41 |
| 2022 | Author Workshop on BML Case Report | 08.09.2022 | 30 |
| 2022 | Sensitization on Breast Feeding Practices | 10.09.2022 | 138 |
| 2022 | Guest lecture on Medical Education Research | 12.09.2022 | 15 |
| 2022 | CME on Artificial Intelligence in Health Care and Clinical Neurology" | 14.09.2022 | 74 |
| 2022 | Skill Training/Workshop on Arthro, Uro-Perc, Robotic, Gi-Bronch Simulation | 20.09.2022 to 22.09.2022 | |
| 2022 | Workshop on Good Clinical Practice | 24.09.2022 | 29 |
| 2022 | Hybrid Guest Lecture on "Fibroid" | 18.10.2022 | 25 |
| 2022 | Training Program on Laparoscopy Simulator | 20.10.2022 to 21.10.2022 | 15 |
| 2022 | CME on Soft embalming | 21.10.2022 | 65 |
| 2022 | CME on Abdominal Wall Hernias What is New | 22.10.2022 | 82 |
| 2022 | CME on : My Journey to the last Continent Fat to Fit Burnout in Doctors International Career in Medicine | 05.11.2022 | 35 |
| 2022 | Guest lecture on Acute Pulmonary Embolism-Challenges in diagnosis and Management | 05.11.2022 | 54 |
| 2022 | CME on Basics to Interventional Radiology | 08.11.2022 | 145 |
| 2022 | Webinar on International Pathology Day | 09.11.22 | 57 |

| | | | |
|------|--|--------------------------|-----|
| 2022 | International CME & Workshop on Labour Revisited | 19.11.2022 | 101 |
| 2022 | CME on Early Use of statin to prevent an event : Case based discussion | 30.11.2022 | 30 |
| 2022 | International Workshop on “Cadaver Dissection & Demonstration on Skull-Base Surgery and Cochlear Implant” | 07.12.2022 to 08.12.2022 | 81 |
| 2022 | Turning program on Sexual Harassment of Women at work Place | 12.12.2022 | 117 |
| 2022 | Guest lecture on Physician Role in Geriatric Care - my experiences. | 18.12.2022 | 14 |
| 2022 | Panel Discussion | 19.12.2022 | 131 |
| 2023 | Guest Lecture on Advances in Corneal Refractive Surgeries | 02.01.2023 | 25 |
| 2023 | ISA Sponsored National CME | 07.01.2023 to 08.01.2023 | 208 |
| 2023 | Guest Lecture on Scope of Hand and reconstructive Microsurgery | 11.01.2023 | 56 |
| 2023 | Revised Basic Course Workshop | 17.01.2023 to 19.01.2023 | 85 |
| 2023 | Guest Lecture on Yoga as a therapy : Its Dimensions and Relevance | 30.01.2023 | 350 |
| 2023 | Workshop on Journal indexing and impact factors with Web of Science | 31.01.2023 | 27 |
| 2023 | State Level Seminar on Oncology | 02.02.2023 | 40 |
| 2023 | CME on Neurology | 11.02.2023 | 10 |
| 2023 | Guest Lecture on Making Diagnosis at primary Health Care Level on History and Examination with Minimum or no Investigations. | 13.02.2023 | 12 |
| 2023 | Sensitization Programme | 16.02.2023 | 17 |
| 2023 | CME & Workshop on live ear surgery and temporal Bone dissection workshop | 18.03.2023 | 112 |
| 2023 | Faculty Training Program on Apollo, Lucina & Luna Simulator Training | 23.03.2023 to 25.03.2023 | 66 |
| 2023 | Turning program on Prevention on Sexual Harassment of Women at work Place | 30.03.2023 | 61 |
| 2022 | Training programme on Basic Life Support Training Programme (BLS/ALS) | 10.04.2023 to 13.04.2023 | 67 |
| 2023 | Guest Lecture on Know Your Genome | 15.05.2023 | 15 |

Awards & lifetime recognition awards - faculty & non-teaching staff for academic, administration:

Only Faculty : 95

18. QUALITY ASSURANCE AND SYSTEMS (QSA)

BLDE's NAAC accreditation validity expires on 10 July 2026 and in this connection, preparation by IQAC for re-accreditation is on in full swing. IQAC has formed sub committees for preparing Self-study report (SSR). Each criterion wise team is formed with one team leader, who is also an IQAC member and 4-5 members. Each criterion wise team will train, coordinate, and compile the part of SSR. These SSR compilation work is regularly reviewed by Pro Vice-Chancellor, Director Compliance/IQAC Coordinator and Director Quality. In the second quarter of 2020, 4 such review meetings were held to review the progress made in compilation work and also to suggest how to improvise the compiled report.

The Quality and Compliance departments/ IQAC, BLDE functions to achieve the following objectives:

1.0 Quality initiatives:

- Implementation of the Integrated Management System (IMS) in a phased manner in all the institutions of BLDE with a focus on its Mission and Vision. IMS shall comprise of implementation of relevant standards, accreditations, and also to develop an integrated quality model to encompass all relevant standards

To take necessary steps towards sensitization, training and maintain the auditors' pool for BLDE and its constituent units and to arrange Cross audits at various constituent units and associate hospitals

- To create an atmosphere to nurture Quality/ Environment responsiveness as a culture
- To facilitate the sharing of best practices across institutions of excellence at national and global levels and to get a deep insight into the working of our own institutions to understand our strengths and weaknesses, the Quality department from time to time, processes and compiles applications for national and international awards and accreditations by various statutory and regulatory bodies

2.0 Compliance

- To assist the constituent units to comply with requirements of Statutory/Regulatory/Govt bodies
- To organize Academic audits at constituent units.

3.0 Training/Workshops:

Among the private pharmacy colleges in India by NIRF released by MHRD, Government of India. In 2019, the institution secured a place in the range of 201-250 in QS World University rankings. We are at the 50th position according to NIRF in 2021. The institution, "A" accreditation from NAAC, NBA certification for and ISO certifications from ISO 9001:2015, ISO 14001:2015, ISO 50001:2011 for its academics, research, and environmental related procedures. National Accreditation Board for Hospitals and Healthcare providers (NABH), Quality Council of India with effect from 24 September 2019.

A quaternary care 1000 bedded BLDE Hospital and Medical Research Center has been health care provider for northern part of Karnataka and adjacent states of Maharashtra. This this first hospital in north Karnataka is NABH accredited. The hospital also has NABL accredited laboratory for accurate diagnostic reports. It is an ultramodern hospital providing all modern diagnostic and therapeutic facilities, facilities like organ transplant, molecular diagnostics, PET scan, radiotherapy, joint replacement etc. under one roof. It has 15 Super-specialty Departments and offers services in many subspecialties. Apart from routine treatment, it has vibrant organ donation program and has carried out successful heart, kidney and liver transplants. It is

the only hospital in north Karnataka to have successfully conducted heart transplant and liver transplant surgeries.

- We have nodal officers who work at the institution level, to coordinate, collect and submit the required inputs for SSR compilation to the Criteria wise teams. To orient the nodal officers for effective data collection, two separate meetings with the nodal officers of Faculty of Health Sciences and Faculty of Science, Technology and Management and Faculty of Humanities Liberal arts and Social sciences were held in the second quarter of the year 2020.
- NIRF ranking analysis meeting of two medical colleges was held. In this meeting strategies for the improvement of rankings was discussed and finalized.
- In the third quarter of 2020 also, IQAC was fully active, mainly in compiling the SSR work. As already reported earlier, SSR compilation work is regularly reviewed by Pro Vice-Chancellor, Director Compliance/IQAC Coordinator and Director Quality, where Criteria leaders will present their compilation work. In this quarter, 4 such review meetings were held to review the progress made in compilation work and also to suggest how to improvise the compiled report. One meeting with Heads of University Functional departments along with NAAC Criteria leaders was held to discuss and expedite the data collection for compilation of NAAC Self Study.

4.0 Achievements :

4.1 QS World University Rankings 2021

- BLDE Ranked 101-150 in the prestigious QS World University Ranking 2021 5.2 Times Higher Education (THE) World University Rankings 2022-23.
- BLDE(DU)'s Shri B.M. Patil Medical Hospital received Healthcare Award-2022 for providing the Best Quality Service during COVID-19 by News 18 Network, Bengaluru on June 26, 2022.
- Education World Magazine published BLDE (Deemed to be University) as Top-7 Medical and Life Sciences University in May 2022 Volume.

Compliance:

1. Assisting University and constituent units in complying with the requirements of following statutory and regulatory bodies:

- Government of India, New Delhi
- Government of Karnataka, Bangalore
- University Grants Commission, New Delhi
- Medical Council of India, New Delhi
- Rehabilitation council of India
- Karnataka State Pollution Control Board

IQAC Meetings were held as per Calendar of Events on following dates during the year with specific Agenda on Quality Initiative, Sustenance and Enhancement measures.

| Name of the meetings | Scheduled date |

Quality Profile

Name of the Institution: **WJVM**
 Place: **West Bengal, Rajshahi College, Rajshahi, Purba Medinipur**

| Criteria | Weightage (%) | Attained Score (out of 100) | Criteria-wise Grade Point Average (GPA) |
|--|---------------|-----------------------------|---|
| 1. Governance System | 100 | 96 | 2.27 |
| 2. Teaching Learning and Evaluation | 200 | 180 | 2.25 |
| 3. Research, Innovation and Extension | 200 | 160 | 2.20 |
| 4. Infrastructure and Learning Resource | 100 | 104 | 2.24 |
| 5. Student Support and Progression | 100 | 100 | 2.20 |
| 6. Governance, Leadership & Management | 100 | 107 | 2.27 |
| 7. Institutional Values and Best Practices | 100 | 107 | 2.27 |
| Total | 900 | 864 | 2.24 |

Overall GPA = $\frac{864}{900} = 0.96$

Grade = **A**

Date: November 04, 2022

Certificate of Accreditation

The Executive Committee of the National Assessment and Accreditation Council is pleased to declare the

WJVM

(Situated in the University area of the WJVM, 2016)
 West Bengal, Rajshahi College, Rajshahi, Purba Medinipur

Accredited

with **CGPA of 2.24 on four-point scale**
 at **A grade**
 valid up to November 03, 2026

Date: November 04, 2022

C) NABH/ NABL

D) ENVIRONMENT

The Department of General Services, headed by the Director, is responsible for the supervision of estates, security, and maintenance of all support services like ancillary, civil, electrical, HVAC, telecommunication, transportation fleet, plumbing, and water supply. The various branches of the department maintain are adept at driving efficiency, managing risks, and crisis to ensure smooth seamless functioning of the institutions and hospitals in multiple locations. The application of state-of-the-art technology with an eye on efficiency, cost-effectiveness, and resource conservation are inbuilt into the team's. This year saw an unprecedented pandemic and the department was at the forefront of delivering essential services during the nationwide lockdown by way of ensuring transportation, sanitization services, and operational planning for the continuation of campus activities. The team facilitated post lockdown reopening of the workplace as prescribed by safety protocols.

Introduction:

- Civil Department focuses on the repair of buildings, replacement of concrete, plaster, masonry, wood, steel structures, painting, flooring work, roofing, and manholes repairs.
- Ancillary Services work on housekeeping, road cleaning, solid waste and garbage management, facade cleaning, pest control, horticulture, landscaping, waste management, and composting.
- Electrical Department maintains 33/11 kV substation and 36 nos 11/0.433 kV substations and performs the critical function of a 24/7 power supply. 100 per cent backup power

supply is ensured through Diesel Generator (DG) sets. The inclusion of green energy is one of the priority areas of focus along with fuel efficiency.

- Water Supply and Plumbing works acts on plumbing complaints, supervise, monitor water supply system, operate, and maintain sewage treatment plants and grey water treatment plants.
- The department contributes to effective cost saving by optimizing the use of resources and efficiency improvement. HVAC systems are upgraded phase wise to the best available energy efficient technology.
- Telecommunications department enables BLDE to communicate effectively with its constituent units via intercom and cellular services. Maintenance is pro-actively planned to deliver a high standard of service including system upgradation.
- Transportation fleet ensures safe and secure mobility of university staff, students, and guests. Environment management: Environment and Energy Management Systems are well established at the two campuses located at BLDE (DU). The Environment Energy Policy is the guiding document that enables the University to achieve continual improvement over time. Consistent efforts are made in implementing best practices in the areas of water and waste management, air quality, green cover, energy, and resource management. Waste management on campus starts with source segregation, especially at residential units, canteens, and health care facilities. Post segregation scientific management is followed for different streams like e-waste, Haz waste, biomedical waste, metal scrap, food, garden, vegetable, organic wastes, and inerts. The thermocol-melting unit installed on campus ensured zero disposal of all types of thermocol into the environment. Wastewater generated on campus is treated in a sewage treatment plant. Treated water up to the tertiary level is reused in gardens. Water resource conservation is a continuous process with efficiency improvement by line loss monitoring and harvesting of rainwater to help groundwater recharge. Energy management system was formally implemented in the year 2016 at Manipal campus followed by implementation at Mangalore in the year 2019. Key focus areas are maximum load reduction, introduction of measures to improve quality of power by replacement with energyefficient transformers, pumps, detuned filters for capacitor banks, CFL /LED lighting, autosynchronization panels for load optimization, and energy-efficient power equipment as certified by the Bureau of Energy Efficiency (BEE). In the HVAC systems, replacement of dated airconditioning units with power-efficient units was undertaken phase wise. Central air conditioning systems incorporating water-cooled screw chillers, unitary air-conditioner controls with automation system for buildings with sensors are incorporated. For efficient cooling, automatic switching on and off depending on occupancy or fixed time schedule are installed replacing old systems.

BLDE continues to fully rely on solar hot water systems for hot water use on campus and has phase wise introduced heat pumps to further improve efficiency. The energy-monitoring hub (EMH) helps in centralized monitoring of all sub-stations on campus as well as the air conditioning plants on campus. Real-time data availability helps in efficient monitoring and troubleshooting during breakdown incidents. This platform can be further enhanced to integrate remote controls from the EMH. Ambient air quality (AAQ) is recognized as an important environmental indicator for human health. Six AAQ parameters measured shows significantly lower concentrations compared to Central Pollution Control Board (CPCB) standards (STD)

for residential zones and is in fact much lower than those specified for more stringent and ecologically sensitive zones. The pleasant ambience of the campus is maintained and developed through the plantation of saplings on various occasions, one of them being World Environment Day on 5th June. MAHE recognizes that vehicular emissions significantly affect the air and hence utilize five fully electric vehicles (EVs) for of students, staff and guests. This year 68 per cent of the airport trips were catered to by EVs, two security patrol vehicles are now EVs and this has helped to offset 100 per cent carbon emissions that would have otherwise occurred due to conventional patrol vehicles. Carbon emission reduction: Strategies adopted like the use of exam pads, an electronic device for examinations replacing conventional answer scripts, has saved 700 trees from being felled. Green energy use in campuses accounts for 63 per cent of total consumption thus reducing 22,862 MT of CDE emissions and selfgenerated solar power prevented 1,597 MT of CDE emissions into the atmosphere. Total CDE emission reductions including electric vehicles (EV) is projected. This year the UI Green Metric Ranking Agency ranked BLDE as the greenest s campus in India.

ENERGY

The campus has a rooftop solar system generating 389 kilowatts of energy. There are 6 generators of 2190 KVA to ensure uninterrupted power supply to the whole campus.

Hospital Solar Plant

Girls Hostel Solar Plant

Generators

WASTE MANAGEMENT

Solid waste management is done scientifically by way of segregation and disposal. Liquid waste is managed in the form of sewage treatment plant (STP). The recovered water is used for gardening purpose.

E) STATUTORY UGC COMMITTEES

Committee for Evaluation Reforms

| | | | |
|----|-------------------------|---|------------------|
| 1. | Dr. S. S. Devaramani | Controller of Examinations | Chairman |
| 2. | Dr. Tejaswini Vallabha | Dean, Faculty of Allied Health Science and Vice Principal | Member |
| 3. | Dr. Smitha S. Mangalagi | Deputy Controller of Examinations | Member |
| 4. | Dr. B. S. Patil | Assistant Professor, Dept. of Anatomy | Member |
| 5. | Dr. Sanjeev Rathod | Assistant Professor, Dept. of Surgery | Member |
| 6. | Dr. Anusha Suntan | Senior Resident Dept. of Anaesthesiology | Member Secretary |

Committee for Social and Industry Connect

| | | | |
|----|--------------------------|---|------------------|
| 1. | Dr. Manjunath Kottenavar | Professor, Dept. of Surgery | Chairman |
| 2. | Dr. V. G. Warad | Professor, Dept. of Medicine and Medical Superintendent | Member |
| 3. | Dr. Anant Khot | Associate Professor, Dept. of Pharmacology | Member |
| 4. | Dr. Sreedevi Kori | Assistant Professor, Dept. of Obstetrics & Gynaecology | Member |
| 5. | Dr. Santosh Patil | Assistant Professor, Dept. of Community Medicine | Member |
| 6. | Dr. Laxmi Tellur | Tutor, Dept. of Community Medicine | Member Secretary |

Deeksharambh Committee

| | | | |
|----|----------------------|--|------------------|
| 1. | Dr. R. S. Bulagouda | Professor & HoD, Dept. of Anatomy | Chairman |
| 2. | Dr. Indira Hundekari | Associate Professor, Dept. of Biochemistry | Member |
| 3. | Dr. Sandhya Yatagiri | Associate Professor, Dept. of Anatomy | Member |
| 4. | Dr. Gouhar Banu | Assistant Professor, Dept. of Physiology | Member |
| 5. | Dr. Sujata Talikoti | Assistant Professor, Dept. of Physiology | Member |
| 6. | Dr. Jayaraj Gudi | Assistant Professor, Dept. of Biochemistry | Member Secretary |

Gurudakshata Committee

| | | | |
|----|----------------------|---|----------|
| 1. | Dr. Arun C. Inamadar | Professor & HoD, Dept. of Dermatology, Venereology and Leprosy | Chairman |
| 2. | Dr. Vijaya L. Patil | Professor, Dept. of Surgery and Co-ordinator, Medical Education | Member |
| 3. | Dr. Anand Ambali | Dean, Student Affairs and Professor, Dept. of Medicine | Member |
| 4. | Dr. Lata Mullur | Professor, Dept. of Physiology | Member |

| | | | |
|----|------------------------|--|------------------|
| 5. | Dr. Laxshmi Kakhandaki | Associate Professor, Dept. of Microbiology | Member |
| 6. | Dr. Sandeep Naik | Associate Professor, Dept. of Orthopaedics | Member Secretary |

Jeevan Kaushal Committee

| | | | |
|----|-----------------------|--|------------------|
| 1. | Dr. M. B. Patil | Professor & HoD, Dept. of Surgery | Chairman |
| 2. | Dr. Rekha Udgiri | Professor, Dept. of Community Medicine | Member |
| 3. | Dr. Udayakumar Nuchhi | Professor, Dept. of Forensic Medicine | Member |
| 4. | Dr. Neelamma Patil | Professor, Dept. of Obstetrics & Gynaecology | Member |
| 5. | Dr. Roopa Shahapur | Associate Professor, Dept. of Dentistry | Member |
| 6. | Dr. Pallavi Kanthe | Lecturer, Dept. of Physiology | Member Secretary |

Learning Outcomes Curriculum Framework Committee

| | | | |
|----|--------------------------|--|------------------|
| 1. | Dr. S. P. Choukimath | Professor & HoD, Dept. of Psychiatry | Chairman |
| 2. | Dr. Surekha Arkeri | Professor & HoD, Dept. of Pathology | Member |
| 3. | Dr. Vidya Patil | Professor & HoD, Dept. of Anaesthesiology | Member |
| 4. | Dr. S. S. Kalyanashettar | Professor & HoD, Dept. of Paediatrics | Member |
| 5. | Dr. Shivakumar Pujari | Assistant Professor, Dept. of Obstetrics & Gynaecology | Member |
| 6. | Dr. Deepa Sajjanar | Associate Professor, Dept. of Biochemistry | Member Secretary |

SATAT Committee

| | | | |
|----|--------------------------------|--|------------------|
| 1. | Dr. Arvind V. Patil | Dean, Faculty of Medicine and Principal | Chairman |
| 2. | Mr. G. M. Duddagi | Resident Engineer | Member |
| 3. | Mr. R. N. Karadi | Resident Engineer, Construction & Maintenance Cell | Member |
| 4. | Dr. Gopalakrishna S. P. | Assistant Registrar | Member |
| 5. | Mr. Basanagouda Chinnanagoudar | Junior Electrical Engineer | Member |
| 6. | Dr. G. A. Hadimani | Assistant Professor, Dept. of Anatomy | Member Secretary |

STRIDE Committee

| | | | |
|----|---------------------|--|----------|
| 1. | Dr. M. M. Patil | Professor, Dept. of Paediatrics | Chairman |
| 2. | Dr. K. G. Akamanchi | Adjunct Professor, Dept. of Allied Health Sciences | Member |
| 3. | Dr. Savitri Nerune | Associate Professor, Dept. of Pathology | Member |
| 4. | Dr. Ishwar Bagoji | Assistant Professor, Dept. of Anatomy | Member |

| | | | |
|----|---------------------|--|------------------|
| 5. | Dr. Manish Kumar | Assistant Professor, Dept. of Allied Health Sciences | Member |
| 6. | Dr. Jyoti Khodnapur | Associate Professor, Dept. of Physiology | Member Secretary |

F) LIST/ COMPOSITION – CHAIRMAN AND MEMBERS

Committee for Women Empowerment

| | | | |
|----|----------------------|---|------------------|
| 1. | Dr. Roopa Shahapur | Associate Professor, Dept. of Dentistry | Chairman |
| 2. | Dr. Santosh Ramadurg | Associate Professor, Dept. of Psychiatry | Member |
| 3. | Dr. Ashwini Nuchhi | Assistant Professor, Dept. of Anatomy | Member |
| 4. | Dr. Gauhar Banu | Assistant Professor, Dept. of Physiology | Member |
| 5. | Dr. Jyoti R. C. | Senior Resident, Dept. of Ophthalmology | Member |
| 6. | Mrs. Sunita Biradar | Staff Nurse, Dept. of Nursing | Member |
| 7. | Dr. Anusha Suntan | Senior Resident, Dept. of Anaesthesiology | Member Secretary |

Grievances Redressal Committee

| | | | |
|----|---------------------|---|-----------|
| 1. | Dr. Arvind V. Patil | Dean, Faculty of Medicine and Principal | Chairman |
| 2. | Prof. K. S. Biradar | Retired Principal | Member |
| 3. | Shri. G. M. Vastrad | Advocate | Member |
| 4. | Dr. J. G. Ambekar | Registrar | Secretary |

Equal Opportunity Cell

| | | | |
|----|---------------------|---|------------------|
| 1. | Dr. Kusal K. Das | Professor, Dept. of Physiology | Chairman |
| 2. | Dr. R. M. Honnutagi | Professor, Dept. of Medicine | Member |
| 3. | Dr. Savitri Nerune | Associate Professor, Dept. of Pathology | Member Secretary |

Committee for Prevention of Sexual Harasment of Women

| | | | |
|----|-----------------------------|---|------------------------|
| 1. | Dr. Tejaswini Vallabha | Professor, Dept. of Surgery | Chairman |
| 2. | Dr. Utwala A. Siranadagouda | Advocate, Vijayapura | Member |
| 3. | Dr. D. G. Gannur | Professor & HoD, Dept. of Forensic Medicine | Member |
| 4. | Mr. Satish B. Patil | Deputy Registrar | Member |
| 5. | Mrs. Mangala Koli | Nursing Supervisor | Member |
| 6. | Dr. Sagarika Kothavale | PG Student, Dept. of ENT | Student Representative |
| 7. | Mr. Yash Arya | UG, student, 2019 Batch | Student Representative |
| 8. | Dr. H. T. Mahadevi | Professor & HoD, Dept. of ENT | Member & Convener |

Committee for Prevention of Caste Based Discrimination

| | | | |
|----|------------------------|--|------------------|

19. ANNUAL REPORT OF CONSTITUENT COLLEGE OF BLDE (DU) NEW SERVICE

Amruthadhare - Human Milk Bank

The Human Milk Bank ‘Amruthadhare’ Opening Pooja was performed on April 07, 2023. Dr. N. S. Mahantashetti, Dean, JNMC KAHER, Belagavi, inaugurated the Amruthadhare Human Milk Bank. Prof. Dr. R. S. Mudhol Hon’ble Vice-Chancellor, Dr. Padmasani Venkat Ramanan, HoD, Dept. of Paediatrics, SRMC, Chennai, Dr. S. V. Patil, Dean, FoAHS, Dr. R. M. Honnutagi, Medical Superintendent, Dr. M. B. Patil, Vice Principal (Clinical) & HoD, Department of Surgery, Dr. S. S. Kalyanshettar, Prof. & HoD, Department of Paediatrics, Faculty Members and Non - Teaching Staff were Present.

CO-ACADEMIC ACTIVITIES

Dr. Padmasani Venkat Ramanan, HoD, Dept. of Paediatrics, SRMC Chennai and Faculty Members during the Amruthadhare Human Milk Bank Opening Ceremony
