

# BLDE

(DEEMED TO BE UNIVERSITY)

Declared as Deemed to be University u/s 3 of UGC Act, 1956

Accredited with 'A' Grade by NAAC (Cycle-2)

The Constituent College

SHRI B. M. PATIL MEDICAL COLLEGE, HOSPITAL & RESEARCH CENTRE, VIJAYAPURA

BLDE (DU)/COE/EXAM-UG & PG (AHS)/2023-24/ 52

6<sup>th</sup> May, 2024

## NOTIFICATION

Following calendar of events are notified for the examination of UG & PG (Allied Health Sciences) scheduled during the month of **July - 2024**.

### Schedule for compliance of the Medical College

|    |  |            |
|----|--|------------|
| 1. | Issue of Application forms.  | 01-06-2024 |
| 2. | Last date for payment of examination fees without fine along with application forms        | 08-06-2024 |
| 3. | Last date for Examination Fee- Payment with fine of Rs.5000/- along with application forms | 15-06-2024 |
| 4. | Last date for submission of Statement of Internal Assessment Marks & Attendance            | 15-06-2024 |
| 5. | Issue of Hall Tickets  | 22-06-2024 |
| 6. | Convocation Fees   |            |
|    | In Person (UG AHS)   | 7,000/-    |
|    | In Absentia (UG AHS)   | 8,000/-    |
|    | In Person (PG AHS)   | 10,000/-   |
|    | In Absentia (PG AHS)   | 11,000/-   |
| 7. | Provisional Degree Certificate   | 1,500/-    |

### Fee structure

|   |   |                    |
|---|---|--------------------|
| 1 | Examination Application form                  | Rs.200/-           |
| 2 | Marks Card                                    | Rs.1000/-          |
| 3 | Examination fee (Allied Health Sciences – UG) | Rs.500/- per paper |
| 4 | Examination fee (Allied Health Sciences – PG) | Rs.750/- per paper |

**Scheduled Time Table for Allied Health Sciences UG & PG Examination of JULY 2024**  
**Theory Examination for I, II, III, IV, V , VI & VII Semester**

| Semester                  | Paper   | Date     | Day    | Time                | Course                               | Subject   |
|---------------------------|---------|----------|--------|---------------------|--------------------------------------|---|
| Ist Year                  | I       | 01-07-24 | Monday | 9:30 am to 12:30 pm | Bachelor of Physiotherapy (Yearwise) | Anatomy   |
| Semester I                | I       | 01-07-24 | Monday | 9:30 am to 12:30 pm | Bachelor of Physiotherapy            | Anatomy   |
|                           |         |          |        |                     | B.Sc Medical Imaging Technology      | Anatomy   |
|                           |         |          |        |                     | B.Sc Medical Laboratory Technology   | Anatomy   |
|                           |         |          |        |                     | B.Sc Cardiac Care Technology         | Anatomy   |
|                           |         |          |        |                     | B.Sc Optometry                       | Anatomy   |
|                           |         |          |        |                     | B.Sc Operation Theatre Technician    | Anatomy   |
|                           |         |          |        |                     | B.Sc Anaesthesia Technology          | Anatomy   |
|                           |         |          |        |                     | B.Sc Forensic Science                | Anatomy   |
| B.Sc Perfusion Technology | Anatomy |          |        |                     |                                      |   |
| Semester VII              | I       | 01-07-24 | Monday | 9:30 am to 12:30 pm | Bachelor of Physiotherapy            | Musculoskeletal and Sports Physiotherapy I                  |
| Semester I                | I       | 01-07-24 | Monday | 9:30 am to 12:30 pm | Master of Hospital Administration    | Principles of Management and Managerial Skill               |
| Semester III              | I       | 01-07-24 | Monday | 9:30 am to 12:30 pm | Master of Hospital Administration    | Health Management Information System & Computer Application |
|                           |         |          |        |                     | M.Sc Medical Physiology              | General Physiology  |
|                           |         |          |        |                     | M.Sc Medical Microbiology            | General Microbiology  |
| Semester III              | I       | 01-07-24 | Monday | 2:00 pm to 5:00 pm  | Bachelor of Physiotherapy            | Microbiology & Pathology                                    |
|                           |         |          |        |                     | B.Sc Medical Imaging Technology      | Physics & Medical Imaging I                                 |
|                           |         |          |        |                     | B.Sc Medical Laboratory Technology   | Fundamentals of Biochemistry I                              |
|                           |         |          |        |                     | B.Sc Cardiac Care Technology         | Applied Anatomy, Physiology & Pharmacology                  |

|                   |                         |          |        |                    |                                    |  |
|-------------------|-------------------------|----------|--------|--------------------|------------------------------------|--|
| Semester III      | I                       | 01-07-24 | Monday | 2:00 pm to 5:00 pm | B.Sc Optometry                     | Physical Optics                                  |
|                   |                         |          |        |                    | B.Sc Operation Thetare Technician  | Introduction to Operation Thetare                |
|                   |                         |          |        |                    | B.Sc Anaesthesia Technology        | Introduction to Operation Thetare                |
|                   |                         |          |        |                    | B.Sc Forensic Science              | Forensic Serology                                |
| Semester V        | I                       | 01-07-24 | Monday | 2:00 pm to 5:00 pm | B.Sc Biotechnology                 | Bioanalytical Tools                              |
|                   |                         |          |        |                    | Bachelor of Physiotherapy          | Clinical Orthopaedics                            |
|                   |                         |          |        |                    | B.Sc Medical Imaging Technology    | Advanced Radiographic Techniques                 |
|                   |                         |          |        |                    | B.Sc Medical Laboratory Technology | Clinical Biochemistry I                          |
|                   |                         |          |        |                    | B.Sc Cardiac Care Technology       | Medical Instrumentation relevant to Cardiac Care |
|                   |                         |          |        |                    | B.Sc Optometry                     | Contact Lenses I                                 |
|                   |                         |          |        |                    | B.Sc Operation Thetare Technician  | Basics of Surgical Procedure                     |
|                   |                         |          |        |                    | B.Sc Anaesthesia Technology        | Basics of Surgical Procedure                     |
|                   |                         |          |        |                    | B.Sc Biotechnology                 | Food Biotechnology                               |
| B.Sc Microbiology | Industrial Microbiology |          |        |                    |                                    |  |
