Placement Cell

Report of the Orientation Program on Pre-placement activities:

The Placement Cell of BLDE(DU) organized an **Orientation Program on Pre-Placement Activities** on 3rd October 2025 at Lecture hall no 1, School of Physiotherapy building for Physiotherapy students of 2021 batch. The program aimed to familiarize the students with Role of Placement Cell, Process, Calendar of Pre-placement activities and benefits of these activities.

The resource person Dr. Siddaling Talikoti emphasized on the need of essential skills and expectations to prepare them for upcoming campus recruitment initiatives. The event also highlighted the role of the Placement Cell in bridging the gap between students and industry. Dr. Siddaling Talikoti elaborated on the importance of pre-placement preparation in enhancing employability and career readiness. The session was highly interactive, with students actively participating in discussions and clarifying doubts regarding recruitment processes. The Orientation Program concluded with encouraging students to take advantage of the resources and training provided by the Placement Cell to excel in their careers. Overall, the program was well-received and proved to be an enlightening experience for the students, equipping them with the right mindset and preparation strategies for their placement journey.
