04:30 - 05:00 p.m. + + + + + + + + + + + + + + + +	<b>Ethical use of AI and digital tools in academic writing. Submission process, revision, and responding to reviewers</b>	<b>Dr. Prasannakumar B M</b>

## **Report: Dissertation to Publication (D2P): Facilitating Your Journey**

### **Organized by**

Research and Development Cell  
BLDE (Deemed to be University),  
Shri B. M. Patil Medical College, Hospital & Research Centre, Vijayapura

### **In Association With**

Department of Library Science

### **Date & Time**

6th January 2026  
03:00 p.m. to 05:00 p.m.

### **Venue**

4th Floor, Lecture Hall,  
Skill Lab Building

### **Target Audience**

Postgraduate Students – 3rd Year

### **Objective of the Program**

The program was organized with the objective of guiding postgraduate students on effectively converting their dissertations into high-quality research publications. The session aimed to enhance awareness about manuscript preparation, journal selection, ethical academic practices, and the publication process, thereby strengthening the research output of the institution.

### **Resource Persons**

- Dr. Praveen Ganganahalli
- Dr. Rajashri Yeliwal
- Dr. Sudarshan Reddy
- Dr. Prasannakumar B. M

## **Details of the programme:**

The program commenced with **Dr. Chandrika R. Doddihal, Deputy Director, Research & Development Cell**, welcoming the gathering and briefing the participants about the objectives and significance of the program. She highlighted the importance of equipping postgraduate students with the necessary knowledge and skills to convert their dissertations into quality research publications, and emphasized the collaborative effort of the Research & Development Cell and the Department of Library Science in organizing the program.

The academic sessions began with **Dr. Praveen Ganganahalli**, who emphasized the importance of converting postgraduate dissertations into research publications. He explained how dissertation-based publications enhance academic credibility, support career advancement, and improve institutional research visibility. The session guided students on identifying publishable components within their dissertations and understanding expectations of peer-reviewed journals.

This was followed by a session by **Dr. Rajashri Yeliwal**, who provided detailed insights into manuscript writing using the IMRAD format. She explained the structure and importance of each section of a research paper and offered practical guidance on journal selection, indexing agencies, and avoiding predatory journals, thereby reinforcing ethical publishing practices.

The subsequent session by **Dr. Sudarshan Reddy** focused on common reasons for manuscript rejection. He discussed issues such as methodological limitations, lack of originality, inadequate data interpretation, and non-adherence to journal guidelines, along with strategies to address these challenges and improve the likelihood of manuscript acceptance.

The concluding technical session was delivered by **Dr. Prasannakumar B. M**, who elaborated on the ethical use of AI and digital tools in academic writing. He explained the manuscript submission and revision process and provided guidance on effectively responding to reviewers' comments, emphasizing the need to maintain academic integrity and transparency throughout the publication process.

At the end of the program, **Dr. Chandrika R. Doddihal** proposed the vote of thanks, expressing sincere gratitude to all the resource persons for their valuable contributions, the organizing team for their coordinated efforts, and the postgraduate students for their active participation, which contributed to the overall success of the program.
