Subject : Invitation to be chief guest for PG Induction Program -Regarding.

With reference to the above cited ,It gives us immense pleasure to cordially invite you to grace the Postgraduate Induction Program as the Chief Guest. The program is being organized to formally welcome the newly admitted postgraduate scholars and to provide them with a meaningful academic orientation at the very beginning of their postgraduate journey.

The PG Induction Program is scheduled on 02 January 2026 at 11:00 AM in our institute. We would be highly honoured by your gracious presence and valuable address to the gathering.

Report on:

Visit to Shree Jagadguru Gavisiddheshwar Ayurvedic Medical College, Postgraduate Studies, Research Centre & Hospital, Gavi Math, Koppal as a Chief Guest for Postgraduate Induction Program on 2nd Jan 2026

I visited **Shree Jagadguru Gavisiddheshwar Ayurvedic Medical College, Postgraduate Studies, Research Centre & Hospital, Koppal**, in response to the invitation received to participate as the **Chief Guest for the Postgraduate Induction Program (Samskar)** organized to formally welcome the newly admitted postgraduate students. The program was ceremoniously inaugurated, marking the commencement of the postgraduate academic journey of the students. On this occasion, I delivered the **inaugural address** titled "**From Tradition to Evidence: Shaping the Future of Ayurveda through Research and Integrative Care.**" The address focused on the critical role of research, systematic documentation, and integrative medicine in strengthening Ayurveda for contemporary and global healthcare. Emphasis was placed on the responsibilities of postgraduate students in carrying Ayurveda forward through ethical clinical practice, scientific validation, interdisciplinary collaboration, and evidence-based documentation, while preserving its rich traditional wisdom.

During the program, I was felicitated by **Dr. M. M. Salimath, Principal, Ayurveda College, Koppal**, and **Dr. S. V. Hiremath, Administrator, Shri Gavisiddheshwar Trust**, in recognition of my academic and professional contributions. The interaction with faculty members and postgraduate students was enriching and provided an opportunity to exchange perspectives on medical education, research advancement, and integrative healthcare practices.

As part of the visit, I had the opportunity to **visit the student hostel facilities**, which accommodate nearly **3000 students**. The hostel provides **free accommodation along with mess facilities**, reflecting the institution's strong commitment towards student welfare and inclusive education. The infrastructure was observed to be well-maintained and supportive of a conducive academic environment.

I was also given the opportunity to visit the **Annadasoha site**, a noble social service initiative of the trust where free food is served on a large scale. The systematic organization and reach of this initiative reflected the institution's deep-rooted values of service, compassion, and social responsibility.

The visit concluded on a spiritually enriching note, as I received the **holy blessings of Abhinav Shri Gavisiddheshwar Swamiji**. The interaction and blessings provided spiritual inspiration and reinforced the values of humility, service, and dedication in professional and academic life. Overall, the tour was academically meaningful, socially inspiring, and spiritually uplifting, strengthening institutional bonds and reaffirming the importance of value-based education and research-oriented healthcare.

Respected Sir,

Subject: Letter of Appreciation for attending as chief guest for PG induction Program.

On behalf of the management, Principal, faculty, and postgraduate scholars of Shri Jagadguru Gavisiddheshwara Ayurvedic Medical College, Hospital, Postgraduate Studies and Research Centre, Koppal, we express our sincere gratitude and heartfelt appreciation for graciously accepting our invitation and for being the Chief Guest at the Postgraduate Induction Program (Samskara – 2025–26) held on 02 January 2026.

Your inspiring address greatly motivated the newly admitted postgraduate scholars and provided valuable guidance on need of integration, clinical competency, research aptitude, and professional ethics. Your esteemed presence significantly contributed to the success of the program and made the occasion memorable.
