BIJAPUR LINGAYAT DISTRICT EDUCATION ASSOCIATION (BLDEA)

A LEGACY SPANNING MORE THAN A CENTURY

BLDEA (Bijapur Lingayat Education Association) is a leading education organization in the North Karnataka region. It has a legacy of more than 100 years and 83 education institutions under its banner, which comprise professional institutes, colleges of humanities and social sciences, public schools and research institutes.

BLDE's goal is to use education as a tool to bring about social and economic transformation in the North Karnataka region, empower women and the oppressed, reduce social inequality in educational opportunity and contribute to national development.

BLDEA has laid considerable emphasis on imparting quality education, cutting across professional and general institutions and create new standards in research and allied activities. All its institutions have a reputation for their unwavering commitment to excellence and expanding the horizons of knowledge.

Inception of BLDEA

In 1914, BLDEA took over the New English School, a school run by Basel Mission, Germany. About 83 students were studying in the school then. BLDEA later renamed it as Siddeshwara Secondary Education School and thus began journey in the field of education.

As the number of students grew, Dr. P. G. Halakatti felt it necessary that the school have a new building. Knowing the perseverance of Dr. P. G. Halakatti and recognizing the need for the school's development, the State Government granted six acres of land to the Association. Very soon, BLDEA laid the foundation for its own school building.

Period of growth of BLDEA

In 1942, Shri Sanganabasaveshwar Maha Shivayogigalu of Banthanal took charge of BLDEA and over the next 20 years, he expanded the operations of BLDEA by establishing various educational institutes. He found many primary and higher secondary schools and colleges for higher education.

Foraying Into Professional Education

In the 1960s, Dr. B.M. Patil, a statesman and a great visionary, foresaw the potential for professional education and the need for offering such education to benefit and empower the people of the North Karnataka region. With this vision, he established several professional institutions. Under his leadership, BLDEA established an Engineering College, Pharmacy College, Nursing College and Medical College and a 1,000-bed teaching hospital.

Pursuing Higher Goals

In the early 1990s, Dr. M. B. Patil, son of Dr. B. M. Patil, became the General Secretary of BLDEA. Being young and dynamic, he focused on providing education which was in tune with modern times. Excellence became the buzz word and many new courses were added. He envisioned the need for a university and strived for its establishment. As a result, BLDE University came into existence on February 29, 2008.

BLDEA - On a Mission to Uplift Backward Areas

BLDEA runs over 83 institutions located in Vijayapura and Bagalkot districts, which are recognized as socially, economically and educationally backward areas by the then British Government and currently by the UGC, State Government and Central Government.

The institutions run by BLDEA include primary and secondary schools, public schools, high schools, PU Colleges, Autonomous Arts, Science & Commerce Degree Colleges, and professional

institutions such as colleges of education, Ayurveda Mahavidyalaya, Law College, Engineering College, Medical College, Business Schools, Pharmacy College, Nursing College and BLDE University. All BLDEA institutions offer education to students without making any discrimination based on sect, caste, religion and creed. BLDEA's vision is to impart quality education of global standards & serve for the upliftment of the society & Nation towards a developing nation.

CHANCELLOR

Dr. M. B. Patil

Chancellor

BLDE (Deemed to be University)

Dr. M.B Patil, a dynamic and able leader, is the chancellor of BLDE (Deemed to be University) Vijayapura and the President of the Sponsoring Society, BLDE Association.

Dr. M.B. Patil took over the mantle of the BLDE Association as its President at a very young age. With vision and grit, he further expanded the activities of BLDEA by establishing quality educational institutes of higher education, including BLDE (Deemed to be University) in 2008. His efforts have significantly boosted the educational infrastructure in Vijayapura and Bagalkot districts.

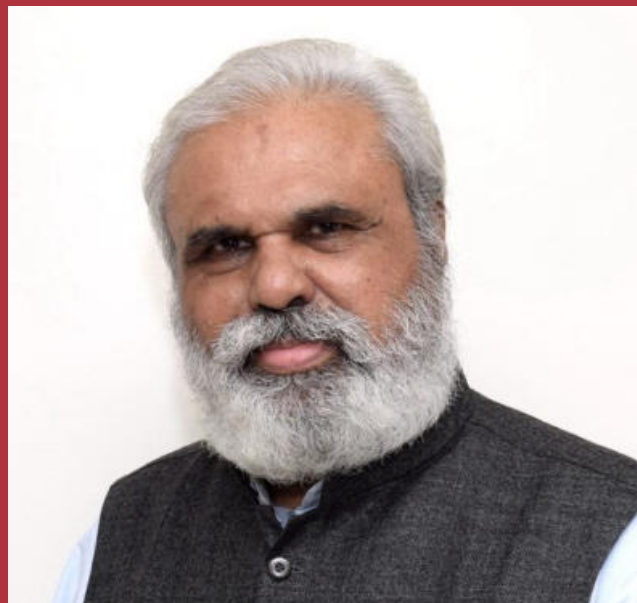

Today, BLDE (Deemed to be University) stands tall in Health Sciences Education. Under the guidance of Dr. M. B Patil, Shri B M Patil Medical College Hospital and Research Centre, the constituent college of the BLDE (Deemed to be University), has transformed as the hub of Health Sciences and emerged as one of the top medical colleges in the country.

PRO CHANCELLOR

Prof. Dr. Y.M. Jayaraj

Pro-Chancellor

Prof. Dr. R. S. Mudhol

Vice-Chancellor
BLDE (Deemed to be University)

Prof. Dr. R. S. Mudhol is a well-known ENT surgeon and a popular teacher. He has completed his MBBS & MS-ENT Degrees from KMC, Hubli. He has a vast experience of over 35 years in Medical Education & Patient Care, holding various positions such as Professor, Head of the Department, Vice Principal, Medical Superintendent, Director of Hospital Administration and Dean, Faculty of Medicine. He has 52 publications to his credit, published in national & international journals with high impact factor, contributed two book chapters, and is a peer reviewer of reputed ENT journals. He has guided 06 students to PhD degrees, and currently, 02 are pursuing them. He has contributed immensely to higher education institutes as Board of Studies Chairman, Member of the Board of Management, Planning and Monitoring Board, and Academic Council of KLE/ BLDE Universities. Prof. Mudhol has attended and presented many papers at various National/ International Conferences. He has organized the CME/Workshops/ Faculty Development

Programmes. He is a recipient of a Fellowship in Otolaryngology from New York University and Minnesota University, USA. He is a member of the LION-Live International Otolaryngology Network and was invited to a fellowship program in Otolaryngology. At his credit are many academic collaborations with national and international institutions like Causse Ear Clinic, Beziers, France, Vijay ENT Care hospital, Bangalore, MIMER Institute, Pune etc. Karnataka Science & Technology Academy, DST, Government of Karnataka awarded him an Honorary Fellow. He served as a Subject Expert on the Selection Committee of the Goa Public Service Commission. With this vast academic, research and administrative experience, he recently joined BLDE (Deemed to be University) as Pro Vice-Chancellor in February 2021 and was appointed Vice-Chancellor in July 2021.

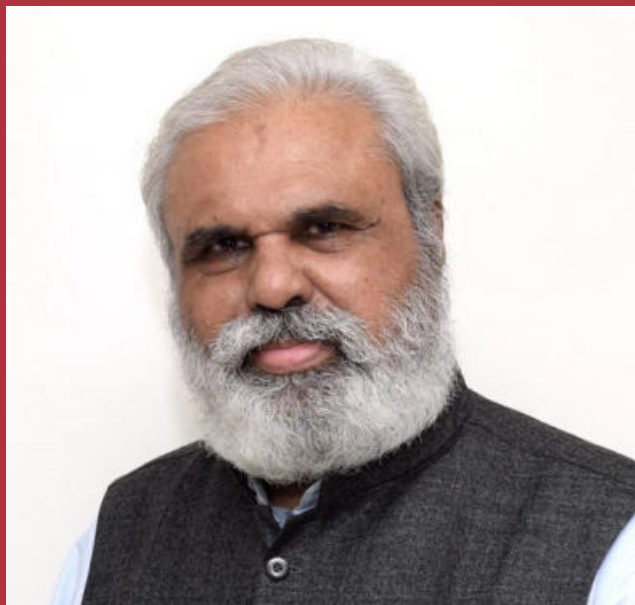

Recently, he was invited among the selected VCs to join 'Akhil Bharatiya Shiksha Samagam', 7th to 9th July 2022, in Varanasi.

MESSAGE OF PRO-CHANCELLOR

Prof. Dr. Y.M. Jayaraj

Pro-Chancellor

BLDE (Deemed to be University)

Dear Students & Parents,

Season's Greetings & Best Wishes from the BLDE Family.

A warm welcome to all the students to the educational portals of BLDE Deemed to be University, Vijayapura, Karnataka, India and its constituent college Shri B.M. Patil Medical College, Hospital & Research Centre, one of the premier institutions of India.

Hearty Congratulations to you for the successful completion of Entry level of Education through NEET/CET with Flying Colors and Merit. We are happy to note that you have chosen the field of Health Science/ Medical Science to pursue your UG/PG Education and come out as a young, energetic, dedicated Health Professional. Our best wishes to you all in your endeavors. You have made your Parents, Teachers & Nation proud by your accomplishments & focused determination. We acknowledge the support and encouragement of parents & family, in the quest for excellence in your education journey and career.

We are further pleased to know that you are considering Shri B.M. Patil Medical College, Hospital & Research Centre/ School of Physiotherapy/ School of Allied Health Sciences/ School of Applied Science & Technology of BLDE DU as a choice to pursue your education in Medical/ Allied Health Sciences/ Science & Technology.

It gives me immense pleasure in introducing to you all one of the premier institution of Health Science of North Karnataka. Our University and College is a perfect combination of highly qualified, experienced and dedicated faculty, paramedical staff, disciplined and devoted students, tertiary and state of art Infrastructure, hospital facilities and services and learning resources marching towards global excellence. The Curriculum, Co-curriculum and Extra Curriculum aims at producing the worthy citizens, committed and dedicated Health Professional to "Serve the Society & Nation". Emphasis is to impart applied knowledge, skills & competencies in Health Science and profession along with inculcation of human values and professional ethics.

Situated in an historic and culturally dynamic city of Vijayapura, Karanataka, the BLDE University ensures the total exposure of students to real rural and semi urban India, developing India and developing Nation of International standards, in the field of Health Professional Education and Tertiary Health Care.

“Education is the Manifestation of Perfection Already in Man”. “We want that Education by which Character is formed, strength of Mind is increased, the intellect is expanded and by which one can stand on his own Feet”, said Swamy Vivekananda. Education is the Harbinger of Socio Economical and Cultural Change leading to Transformation and Sustainable Holistic Integrated Development of All Individuals – Society – Nation- Universe. Hence Education has become the “Primary Priority” of a student –Learner, Parent – Guardian, Leader and State. It ensures Personality Development, Creativity, Social Orientation, Employability and Entrepreneurship.

Students and Parents of 21st century are very particular about the area and future of their Specialized Professional Education and Specified institution as their choice based on its thrust to Quality & Holistic Education as well as Personality Development, Universal Human Values, Societal Orientation, Safety & Security, Employability & Entrepreneurship and over and above all the citizenship forwards a humane knowledge Society. BLDE DU ensures all of your expectations. Once again we extend a warm welcome to the Young aspirants of India to portal of BLDE University to Pursue Medical Education.

We believe in the proverb “Vasudeva Kutumbkum” and accordingly the welfare & progression of one and all. We assure you that we will be your true Mentor & Guardian.

Once Again Welcome to the Educational Portal of BLDE DU.

MESSAGE OF VICE-CHANCELLOR

Prof. Dr. R. S. Mudhol

Vice-Chancellor
BLDE (Deemed to be University)

Dear Students,

I extend a warm welcome to you all, who aspire to be a part of the vibrant learning ecosystem of BLDE (Deemed to be University), Vijayapura, Karnataka. The University with its unitary campus is a citadel of higher education in northern Karnataka in the areas of Medical Science, Allied Health Science, Physiotherapy and Science & Technology. BLDE(DU) is a leading community of Physicians, Healthcare Professionals, Scientists and researchers embracing the challenges and turning them into opportunities to make a difference in the lives of patients and students who aspire to become successful physicians and healthcare professionals. Our motto 'Inspiring Generations' embodies the purpose of education i.e. to create humane citizens, who care and secure human values.

The constituent college Shri. B. M. Patil Medical College, Hospital & Research Centre established in 1986 and declared as an 'Institution Deemed to be

University' by Govt. of India in 2008, offers various Undergraduate (UG), Postgraduate (PG), Doctoral (PhD), Fellowship programmes and Innovative Certificate courses including Value Added Courses under the Faculties of Medicine, Allied Health Science and Science & Technology. With generous support from the Sponsoring Society, the University is fast expanding and attracting more and more aspiring students to join its quest to be a leader in providing quality medical education and healthcare to become an institution of eminence involved in multidisciplinary and translational research. The university is committed to promoting sustainable development of higher education, including health science education, consistent with statutory and regulatory requirements.

At BLDE(DU), research is an integral part and is augmented with the state-of-the-art 'Centre for Advanced Medical Research (CAMR)', the Simulation Lab, Anatomage designed by our own faculty, and the Centre for Ideation, Innovation and

Incubation. The lecture halls, demonstration rooms, seminar halls and media center; are all well equipped with smart boards, audio-video facilities, lecture-capturing system, etc.

The campus gives access to on-campus living and learning environment enabling amenities that feature home-like hostels for both girls & boys, Guest house, Canteen, Cafe, Sports arenas, Gyms, Swimming pool, the place for worship, printing press, Tuck shops, Post Office, Bank, ATM, Police Outpost and the round the clock security system with CCTV Surveillance. It is made differently-abled friendly too. The lush green, eco-friendly campus has rainwater harvesting and groundwater recharge structures in place. The one-time-use plastic is banned, and electric vehicles are deployed for on-campus movement of students and staff. The solid waste, liquid waste and e-waste are managed scientifically.

The hostels and teaching hospitals are equipped with solar water heaters for hot water. All these green initiatives work round the clock ensuring a serene, quiet, relatively cool, and healthy environment conducive to learning activities on the campus.

I appreciate all our stakeholders for their consistent support, trust and patronage and wish the BLDE (DU) fraternity all the very best in future endeavors.

Welcome you all to BLDE (DU)'s good ambience and holistic campus...! Come, join us and be part of our prestigious institution in our long-term pursuit and discover your true potential in the due course, exploring new vistas of knowledge and opportunities.

PREAMBLE

BLDE (Deemed to be University) came into existence on 29/2/2008 with the sole objective of providing quality medical education and meeting the health care needs of the people in this backward region of North Karnataka. The Sponsoring Society, BLDE Association, is a 110-year-old Education Society with more than 75 Institutions. Shri B. M. Patil Medical College, Hospital & Research Centre, the only constituent college of the University, was established in 1986. It has a unitary campus of 71.17 acres with 26 departments and a teaching hospital with 1338 beds, accredited by NABH at Entry Level. A well-equipped Casualty and Trauma Centre with all facilities will be added shortly to the Hospital.

BLDE (Deemed to be University) has been assessed by NAAC and accredited with a CGPA of 3.09 in second cycle and DSIR-SIRO recognition by the Department of Science & Technology, Govt. of India.

Shri B. M. Patil Medical College has been offering UG Programme-MBBS (with an intake of 200 students), PG Programmes in 23 disciplines, PG Super Specialty Programme in M.Ch Urology, DM Cardiology & PhD Programme in 22 disciplines, UG and PG Programmes in Medical & Allied Health Sciences and Innovative courses, Degrees, Fellowships and Certificate Courses in Medical and Allied Sciences. The students are admitted to the courses from across India.

With generous support from the Sponsoring Society, the University's Shri B. M. Patil Medical College has expanded its infrastructure and created new facilities like modular operation theatres, ICCU, CCU, NICU, DSA, etc. Also,

departmental buildings of Biochemistry, Anatomy and Microbiology have been expanded, and facilities upgraded. The Research & Training facility has been upgraded by constructing a four-storey building with a carpet area of 22000 sq ft to house the Clinical Skills Laboratory and Central Research Laboratory.

The University has been concentrating on enhancing ICT facilities, strengthening and upgrading training (Skills Lab.), research facilities (Central Research Lab, Vascular Lab, Cadaver Lab and Genetics Lab), Innovation Laboratory for start-up, Digital Integrated Campus Networking on Optical Fibre.

A swimming pool, indoor sports complex facilities and playground with flood lights have been added to the existing state-of-the-art facilities and sports facilities.

BLDE (Deemed to be University) is deeply concerned about healthcare facilities provided to socially disadvantaged sections of society in rural and urban areas. It is worth mentioning that the University has established a very well equipped Rural Health Centre in Ukkali, a nearby village, and adopted five villages under Unnat Bharat Abhiyan (UBA), MHRD, Government of India.

The Foundation

BLDE Association was started in 1910 to impart education to the students of Bijapur District, much before the attainment of Indian Independence. Since then it has developed and grown leaps and bounds due to the Philanthropic & Visionary Leadership of Shri Sanganabasava Shivayogi Banthanala Swamiji, Shri Vachana Pitamaha Dr. P. G. Halakatti and Statesman Shri Dr. B. M. Patil. Today BLDE Association has 83 institutions under its ambit, offering Primary, Secondary and Tertiary - Arts, Commerce, Science, Technical & Professional educational programmes. Good number of Primary and Secondary education Schools and Colleges of Arts, Science, Law, Commerce, Education, Pharmacy, Engineering, Medical, Ayurveda and Nursing were also established in and around Vijayapura, since its inception. Shri Vachana Pitamaha Dr. P. G. Halakatti College of Engineering and Technology was established in 1980 to impart Engineering & Technology education. Sri SSB College of Pharmacy was established in 1982 later two more Pharmacy Colleges were established at Basavan Bagewadi and Jamakhandi.

Shri B.M. Patil Medical College, Hospital & Research Centre was established in 1985 to provide and impart tertiary health care and quality medical and health science education.

Establishment of University

Realizing the importance of University and its impact on quality higher education, BLDE Association established BLDE Deemed to be University in 2008 (Under section 3 of the UGC Act 1956). Shri B.M. Patil Medical College, Hospital & Research Centre became its Constituent College. The Medical College offers MBBS (200 Seats), MD/MS PG Program in 24 Broad Specialties and M.Ch/DM Program in two Super Specialty (Cardiology & Urology). It has a Strength of 300+ Faculty & 1500+ Students. It also offers Certificate and Fellowship Programmes. The Medical College, its programmes, intake and Hospital are recognized by NMC (earlier MCI) of Govt.

Teaching Hospital

The Teaching Hospital has State of Art Tertiary Health Care Facilities & Services with 1200+ Bed Strength, 10+ ICUs & 20+ OTs. The well-equipped Casualty with sophisticated Trauma Care Centre is being established. It has certain unique programs facilities & services like Geriatric Health Medicine & Rehabilitation, 13 Clinical broad Specialties of Medical and Surgical fields, Emergency Medicine, Family Medicine & others. It has a Central Government Sponsored Rehabilitation & Artificial Limb Centre & a Yoga Centre. The College Hospital has Sophisticated Diagnostic Centers (Radiology & Central Clinical Lab), BLDE DU further established Super Specialty Hospital to provide health care in the field of Cardiology, Neonatology, Neurology, Nephrology, Urology, and Plastic Surgery CVTS etc. The BLDE DU is "Proactive and Vibrant" for providing excellent patient healthcare & providing "Super Specialty" care to needy patients of this background region.

BLDE (Deemed to be University) has a deep concern for healthcare facilities provided to socially disadvantaged sections of society both in rural and urban arrears. It is worth mentioning that the University has established a very well –equipped Rural Health Centre in nearby village, Ukkali and adopted 5 villages under the Unnat Bharat Abhiyan (UBA), MHRD, Government of India. University has RTPCR/Viral Lab for testing H1N1 and COVID-19, in the Department of Microbiology, which is accredited by NABL and approved by ICMR. HIV Testing Laboratory (State Reference Lab) of Dept. of Microbiology has received certificate for "Outstanding Performance in Quality Assurance in HIV testing and achieving international standard as per ISO 15189" from Mr. Lov Verma, Secretary Ministry of Health and Family Welfare, Government of India at the "National Meet on Strengthening HIV Laboratories in India. The Lab has accredited with NABL Certification.

Research and Innovation

Institutional Research received major thrust after being conferred with the Deemed to be University status (Scopus H-Index: 37, Citation: 5947). University has an outstanding number of publications, counting 2144, out of which 870 are in Scopus (2008 Onwards, i.e. after the establishment of the University). This has resulted in enhanced MoUs and Collaborations (62) with reputed Universities and Research institutes like, University of Manitoba-Canada, Emory University-USA, Semnan University –Iran, CSIR_CDRI, Shodhachakra, Shodhganga, KSTA-DST and many more. The Institute is partner of UNESCO/UNITWIN Programmes under the UNESCO Chair (Life Sciences) for World University Networking since 2018. A good number of research projects addressing social healthcare problems have been taken up and are yielding information, which will be of direct benefit to the people of the region. The University Journal with international academics on Editorial Board is being published by Wolters-Kluwer and is listed in UGC Care. The faculty members and research scientists have published a good number of articles in the journals which are having Impact Factor ranging between 0.054 to 203, in peer-reviewed journals and have also contributed 38 Books and 140 Book-Chapters (2008 onwards). The Teaching Faculty consists of recipients of the National and International Awards. The Research & Training facility has been upgraded by constructing a 4 storey building (22,000 Sq.ft) to house Clinical Skill and Simulation Laboratory and Central Research Laboratory.

The University has been concentrating on enhancing ICT facilities, strengthening and upgrading training (Skill Lab), research facilities (Central Research Lab, Vascular Lab and Genetic Lab, Cadaver Lab), Innovation laboratory for start-up and Digital Integrated Campus Networking on Optical Fiber.

The Centre of Excellence in Vascular Physiology has been recognized by UNESCO, by establishing UNESCO Chair in Life Sciences – Environmental Health. The Medical College is also successfully running Rehabilitation Centre and Yoga Centre

sponsored by GOI and provide facility of Artificial Prosthetics and Orthotics. The Centre of Excellence in Social Determinants of Public Health has contributed immensely through its suggestion on Public Food Distribution Schemes and Mid-Day Meal Schemes of GoK. The University proposes to establish a Centre of Excellence in Pediatric Dermatology in Collaboration with Premier Foreign Institutions

Faculty of Allied Health Science (AHS) & Science and Technology:

The Institution also provides opportunity for Students to peruse education and training in Allied Health Science programs leading to their excellent placement/progression as Technical & Paramedical support to the Health Care sector at Medical College Hospitals & Diagnostic Laboratories. The BLDE DU is establishing the School of Physical Therapy & School of Applied Science & Technology w.e.f 2023-24 to impart Academic Programs in BPT, M.Sc. in Applied Science Technology subjects.

NABH, NABL, NAAC Accreditation & NIRF Ranking

Because of the excellent facilities, growth, service & education extended to all stake holders, NAAC has accredited the BLDE DU as an "A" Grade Institution with a CGPA 3.09. The Hospital has undergone NABH & NABL Accreditation process.

In view of all these accomplishments & credentials, the BLDE DU is ranked by NIRF of GoI in the Rank Band of 101-150 among all the Indian Universities Ranking and BMPMCHRC was ranked as one of the top 50 Medical College of India, Atal Ranking of Institutions on Innovation Achievements (ARIIA) recognized it in the band of 'PERFORMER'. India Today Survey 2022 ranked BLDE (DU) 11th among the Medical Universities in India. Our illustrious Alumni spread over India & Globe has made us proud as our academic ambassadors.

University Campus

The University campus spread over 71 Acres is Clean, Green & Neat with Beautiful & Esthetic Land scape & Greenery. The Campus Houses, the Medical College, Hospital, SS Hospital, Central Library, Skill & Simulation Centre, Central Research Facilities, Hostels, Guest Houses, University Block and other basic amenities – Bank, Post Office, Quarters, Gardens etc.

Its Hostels are homes away from homes for students offering all the homely lodging & boarding, recreational & learning facilities.

The State of Art Flood light lit Indoor and Outdoor Sports facilities, modern Multi Gym facilities, Swimming Pool, Yoga Centre & Garden with pavements offers excellent ambience for overall personality development - mental, physical, social, cultural and intellectual & innovation. The State of Art fully automated Library with E-Library, databases, off-campus library resources access & updated IT facilities has made our campus a digital learning center.

These Recognitions, Accreditations, Rankings, Facilities & Services attract students all over India with good NEET score to take admission to MBBS/ MD/MS/M.ch/DM programs through NEET - GoI.

Benevolent Proactive Leadership

This entire Growth & Development of BLDE DU to impart quality Medical Education & tertiary health care is because of dynamic & proactive leadership of the Hon'ble President of BLDE Association & Hon'ble Chancellor of BLDE DU Shri M.B. Patil. He is a true Statesman, Parliamentarian, and Social Worker Par Excellence. His dynamic vision is to take BLDE DU towards global excellence. He always believes in quality affordable education & health care to the needy as a mean to serve the society & nation. His aim is to uphold sound ethical standards, while providing the highest quality of comprehensive healthcare at an affordable cost & to provide good clinical support for medical education and research. He ensured personally during the Covid 19 Pandemic, free COVID-19 treatment and Vaccination were given to the poor and needy in BLDE hospital and to date continues to do so. Most of it, on humanitarian grounds jobs offered to family members of Covid victims of BLDE staff.

Hon'ble Chancellor Shri. M. B. Patil, the visionary leader is presently Hon'ble Minister for Heavy and Medium Scale Industries and Infrastructure Development in Government of Karnataka (6th time MLA & Former Minister of Water Resources & Home Affairs in the Government of Karnataka). His significant monumental contribution through irrigation to all villages has changed the very face of drought prone district of Vijayapura as one of the progressive developing district in Agriculture and Horticulture. Now he proposes to add "Industrialization of Vijayapura District along with Agriculture, Dairy, Irrigation, Education and Health Care at Vijayapura District in particular & Karnataka in general. We are proud of our Visionary Leadership.

We, the University & College Leadership, administration & faculty hereby welcome the young aspirants of nation to pursue their Medical Education and Health Science in BLDE DU's Medical College.

VISION

To be a leader in providing quality medical education and healthcare & to become an Institution of eminence involved in multidisciplinary and translational research, the outcome of which can impact the health & the quality of life of the people of this region.

MISSION

- To be committed to promoting sustainable development of higher education, including health science education, consistent with statutory and regulatory requirements.
- To be a centre of excellence with a thrust on multidisciplinary and translational research.
- Make use of academic autonomy to identify dynamic educational programs.
- To adopt the global concept in education in the health care sector.

ORGANOGRAM

Awards/Honors

The Executive Committee of the National Assessment and Accreditation Council (NAAC) declared the BLDE (Deemed to be University), Vijayapura, accredited with CGPA of 3.09 on four-point scale at 'A' grade on November 16, 2021.

BLDE (Deemed to be University), Shri B. M. Patil Medical College, Hospital and Research Centre, Vijayapura, recognized in the "PERFORMER" band under the category Deemed to be University in 'ATAL Ranking of Institutions on Innovation Achievement (ARIIA) 2021' by Innovation Cell, Ministry of Education, Govt. of India, on Dec. 29, 2021.

On March 3, 2022, Karnataka Startup Cell, Karnataka Innovation and Technology Society (KITS), Department of Electronics, IT, BT and S&T, Government of Karnataka, permitted to establish New Age Incubation Network (NAIN) in BLDE (Deemed to be University)'s Shri B. M. Patil Medical College, Hospital & Research Centre.

The Teaching Hospital SBMPMC & RC received a Letter of Gratitude & Appreciation for the Conduction of the Medical Camp in the flood-affected area of Vijayapura District by the Deputy Commissioner, Vijayapura District, on 19th December 2019.

The Ministry of Education, Govt. of India, Ranked the constituent Medical College '50th' and the University in the Rank Band of 101-150 in NIRF All India Ranking.

Dr. M. B. Patil, Hon'ble Chancellor BLDE (Deemed to be University) and President, BLDE Association, receiving the 'Paryawaran Rakshak' Award from Shri Arun Gandhi, the Grandson and Mr. Tushar Gandhi, the Great-Grandson of Mahatma Gandhi. The felicitation was bestowed by Tarun Bharat Sangh, Rajasthan, in recognition of the work done in the field of Water and Environmental Protection. It was presented on 15th January 2020 at Bikampura Ashram, Rajasthan.

The Blood Bank of our University was awarded an 'Appreciation Certificate' on the occasion of "WORLD AIDS DAY" organized by the Department of Health & Family Welfare in collaboration with Karnataka State AIDS Prevention Society, Bengaluru, on 2nd December 2019, for its significant contribution in organizing Voluntary Blood Donation Camps and collection of blood units.

The Teaching Hospital SBMPMC&RC has been awarded the "Certificate as per the Kayakalp guidelines" established by the Ministry of Health and Family Welfare, Government of India, for the Year 2019-20 in recognition of "Efforts towards excellence in promoting cleanliness, hygiene and infection control in the Hospital contributing to improved quality of care" in October 2019.

The Geriatric Clinic received the "National Health Award-2019" by Double Helical- National Health Magazine in recognition of its contribution towards health care services to elderly people. The award was presented by the Hon'ble Minister of State for Health and Family Welfare Shri. Ashwini Kumar Choubey on 18.02.2020.

Renovated Internal Quality Assurance Cell (IQAC)

Dr. M. S. Biradar, then Vice-Chancellor, inaugurated the Renovated Internal Quality Assurance Cell (IQAC) along with Mr. Chandramouli Reddy, Junior Scientist, on February 11, 2020. Dr. J.G. Ambekar, Registrar, Dr. Aravind V. Patil, Dean, Faculty of Medicine & Principal, Dr. Vijaykumar Kalyanappagol, Medical Superintendent, faculty members and students were present.

Then Vice-Chancellor Inaugurating IQAC along with the Junior Scientist

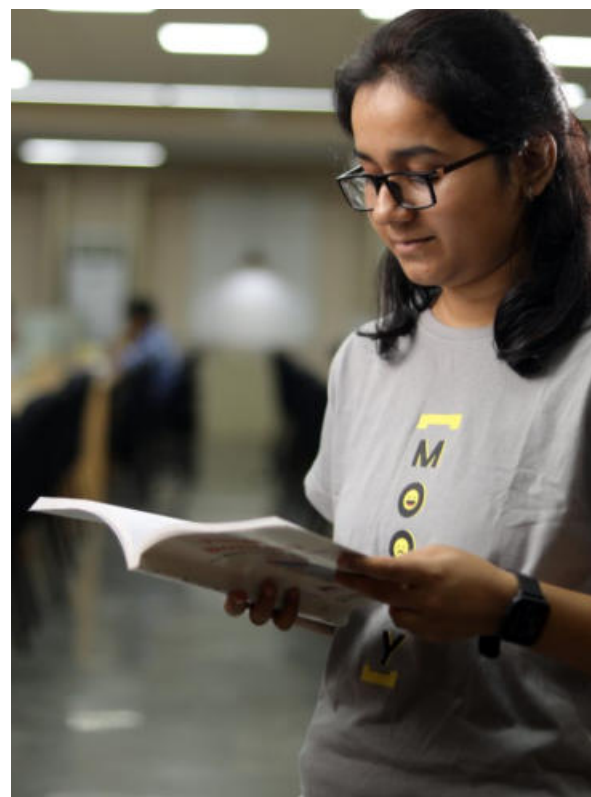

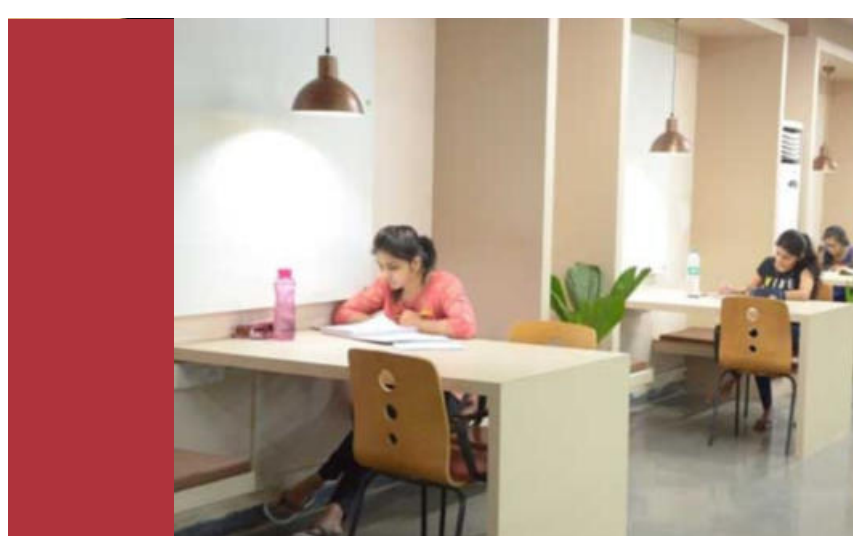

Faculty Members in IQAC.

CENTRAL LIBRARY

The central library spans over 2400 sq. mt. and is fully air-conditioned. There are over 21,600 print copies and 170 annually subscribed journals. The library has a digital section and is equipped with requisite library software, IT facilities, high-speed internet, databases and e-resources.

Book Exhibition

The Central Library organized 'Books Exhibition-2021' on August 21, 2021, which is celebrated as "National Librarian Day". Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor, inaugurated the programme by lighting the lamp. Dr. Arun C. Inamdar, Dean, Faculty of Allied Health Sciences, Dr. S.V. Patil, Vice-Principal (Academics), Dr. Prasanna Kumara B.M. Librarian (University), faculty members, U.G. and P.G. students were present.

Information Communication Technology (ICT)

IT Department

VISION

We take A 'User-first' Approach To Deliver Service Excellence, Staying Agile To Drive Digital Innovation, Whilst Keeping Core Assets Safe And Resilient.

MISSION

To facilitate world-leading research and teaching-learning and enhance the digital experience by providing sustainable, reliable IT solutions with robust cyber security.

IT Infrastructure

- Advanced hardware: 592 computers
- Latest (up to date) software: 96
- ICT gadgets/enabled lecture halls
- Smart boards: 15
- Data capture system
- ILL: 1GBPS wifi / internet
- Servers: 14
- Firewall: FortiGate 500D /FortiOS
- Media center
- Computer-aided learning lab
- CMS/HIMS/LMS/finance module
- RFID gates, ID card, Library
- Paperless technology
- Digital valuation ERP
- CCTV
- Browsing Centre: 2

The IT department focuses on Go green concept

1. **Paperless digital thesis:** Soft copy submission with digital signature
2. **Paperless events:** From digital brochure to digital certificate.
3. **Display signage:** Events and digital notice board
4. **Digital valuation:** Examination section
5. **QR code:** Museum, library digital resources access, feedback, etc.
6. **CMS:** Campus Management System (mobile app)
7. **Smart ID cards**

Innovation, Initiation, Research

At BLDE(DU), we are proud to inform you that our innovations in teaching-learning methodologies, data dissemination, data collection, and research have led to the creation of world-class resources for the stakeholders.

To Mention a Few:

- Low-cost lecture capturing devices and techniques
- Low-cost patient monitoring system (3500/70000)
- Adoption of Raspberry Pi
- Low-cost camera systems for telemedicine
- 3D printed low-cost camera systems for teaching learning. Cost reduction from Rs.1 lakh to Rs.8,000
- Cordless mobile 2-way interactive camera device cost reduction from Rs. 1.5 lakh to Rs. 4,500. Gifted 2 devices to Govt. Hospital, Vijayapura, during the Covid-19 pandemic
- Mobile whole slide images with auto stitch of the slide image. Cost reduction from Rs.45 lakh to Rs.1,000
- Mobile whole slide imaging. Cost reduction from Rs. 2 crore to Rs. 60,000. Secured State Level first prize -Karnataka
- In-house designed Anatomage Table. Cost reduction from Rs. 1.3 crore to Rs. 3.5 lakh
- QR code for museum
- Motion detection eagles eye HD camera. Cost reduction from Rs. 2.2 lakh to Rs. 5200
- Diy Cyto Filt Cards: Cost reduction from Rs. 150 per patient to Rs 1 per patient
- Bluetooth Stethoscope for teaching/recording
- 3D printed video laryngoscope. Cost reduction from Rs. 48,000 to Rs. 4,000

Projects Taken for Research

- ICT based teaching in medical college
- Comparison of various digital gadgets usage in illustrative medical teaching
- Utility of two-way communication technologies in remote teaching methods
- Role of 3D scanning in visible surgical swellings

Books Written by IT: DIGI TOOLS FOR DOCTORS

IT Contribution and Role During COVID-19 Pandemic First Wave

Lockdown Season 1

During the pandemic, BLDE (DU) had to shut down its classrooms, and many students had to access classes from their homes. The online virtual class implementation was planned and was live in just a week. BLDE (DU) thoroughly trained the students and faculty to set up an interactive session conducted online. Detailed step-by-step user guides (softcopy/video SOP) were prepared and sent to all the stakeholders.

BLDE (DU) implemented virtual classrooms through multiple platforms (Microsoft Teams, Google classroom, Microsoft assessment forms, and live lectures) with two-way real-time interaction with audio and video. Students also received the recorded presentation after the class for revision. The recorded classes also had a transcription of the speech. These texts became readymade notes for students.

BLDE (DU)'s virtual classroom model was a great success, and a similar implementation was extended for students studying in other medical colleges and universities for free. Around 1,520 students from other institutions registered and joined our online classes.

The system comprising custom-divided batches and various learning groups made this a very versatile learning management system. The clarity of presentation and interaction was rated excellent by the participants.

Covid-19 war room installed at the hospital was used for teaching and training.

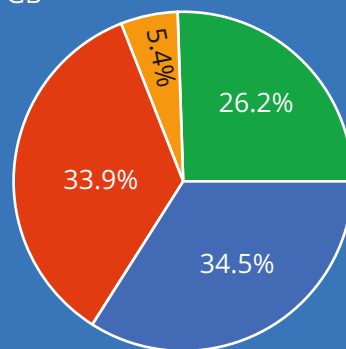

External Students

Online Virtual Classes reached countries:

1. India
2. Dubai
3. USA
4. GB

1,471 responses

- First Year
- Second Year
- Third Year
- Fourth Year

- **Medical Students: 1520**
- **Medical Colleges: 79**

We the IT @ BLDED U #Technical Support for

- COVID patients Registration,
- RTPCR test entry Vaccination Drive
- Setting up cameras
- Extra systems
- Gadget Sterilisation5

IT Contribution and Role During COVID-19 Pandemic Second Wave

Lockdown Season 2

The COVID WAR ROOM & COVID VIRTUAL ROOM of BLDEDU SHRI B M PATIL Medical College, was installed with latest technology gadgets with amenities.

Technology/Design

- Two 85-inch interactive display boards were installed to monitor/view each section related to Covid, like the flu clinic, RTPCR test centre, registration counter, pharmacy, wards, critical care units and operation theatre.
- An LCD projector displayed real-time patient information along with bed management statistics.
- Five walkie-talkies were used for management and communications.
- Room seating arrangements were followed according to Covid guidelines.
- Laptops and mobile devices were used for monitoring and communication (Telemedicine, Tele consultations, Intra doc communication)
- Mobile wireless two-way audio-video communication devices were used for counselling, monitoring, and teaching.
- Display signage was installed to show patient information and bed status at the reception.
- QR code for RTPCR reports avoiding manual searching of the reports
- QR response: Patients' and relatives' feedback were addressed in Covid: QR response.
- Lab reports were digitally visualized through HIMS.

Covid war room setup and post round discussion/meeting (every day)

Teaching (Academic)

From the very day of the commencement of the lockdown, online classes were conducted according to scheduled timetable for all the batches and courses.

About teaching platform

- Security: Own credentials were provided for each student.
- Class schedules were reflected in the same platform.
- Real time attendance management.
- Clinics/practical classes were conducted by the clinical departments.
- Psychiatric counseling
- Occasional talk held by the Administrator
- Online programs apart from learning like Yoga classes, Guest talks, etc. were conducted.

Training

- Around 60 teaching staffs were retained for conducting online classes.
- Online examination: Theory, Viva and Evaluation
- Initially all teachers took their respective classes from the digital room, later 80% of the teachers took online classes from their home.
- All the lecture classes were recorded and made available for students.

IT STARTUPS

TECH MEDI TEACH

MED JOURNO

AI PATHart

Teaching /Training (WAR ROOM)

- OXYGEN Saving procedures and techniques: Training the Covid Warriors (videos for public)
- **ANEASTHESIA:** Bain circuits in Covid, Face shield preparation, NIV mask strapping (new technique), Ventilator operating videos (new ventilator), Safe practice of intubation
- (<https://youtu.be/w-rMMsPXsys>)
- Physiotherapy in Covid (videos for public and doctors)
- Wireless mobile two-way audio-video communication devices to teach the students virtually mainly focusing on COVID management/critical care
- Gadgets and Covid warriors: teaching and training programs were conducted focusing on sterilization and how to use the gadgets in Covid.
- Government apps for Covid: Training of Covid officials for real-time data entry.QR scan for RTPCR reports
- **Latest Treatments-Eg.:** Methylene blue role in COVID-19: Nursing and PG teaching (video circulation)

E-Waste Management

- A separate E-waste storage SPACE was installed.
- The stored E-waste is collected by E-waste management company (Premier Comprint, Bengaluru authorized by KSPCB (Authorization no: PCB/1907/E-waste/2016/Reg No 121415).
- The form 6 has also been verified and accepted by Synergy Consultants Pvt. Ltd., Mumbai based Company which does Green Audits.
- Repurposed old TV's to display signages, Old Cameras were converted to geotag camera, Updating of many old systems.

Online Notes

- Schedules of online classes were informed to students through WhatsApp and the TEAMS app.
- Online assessment weekly exams were conducted for MBBS students in the form of MCQs.
- Online internal assessments were conducted for MBBS students, which included theory, practical, viva and MCQs.
- Virtual theory and viva valuation training was given to teaching staff.
- Online counselling and lectures were conducted for students and parents of MBBS students by the department of psychiatry.
- Online PG teaching and weekly tests were conducted by their respective departments.
- Guest/ International lecture serieses were initiated by various departments.
- Online live dissection teaching was done regularly by the department of anatomy.
- Online research activities were conducted using Google and Microsoft forms.
- Virtual convocation was successfully conducted.
- Participated in online COVID invention conducted by RGUHS in which our three projects from our university were selected, and two of those secured runner-up and 4th position (Dr. Aravind V Patil, Dr. Deepak Chavan, Dr. Anil K)
- Online MCI requirement of the live relay of the PG examination was carried out.
- Online PhD/Allied courses classes were conducted.
- Online YOGA and Meditation classes were conducted for students, staff and parents.

Azadi ka Amrit Mahotsav

FIT INDIA Freedom Run 2.0

Congratulations

BLDE DEEMED TO BE UNIVERSITY

for successfully organizing the Fit India Freedom Run 2.0

13th Aug - 2nd Oct 2021

<https://fitindia.gov.in>

#AzadiKaAmritMahotsav

National Service Scheme (NSS)

Fit India Freedom Run

In coordination with the Department of Sports, the NSS Unit of BLDE (Deemed to be University) organized Fit India Freedom Run on the theme "Fitness Ki Dose Aadha Ghanta Roz" on August 13, 2021. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor, inaugurated the event by waving the flag. Dr. J. G. Ambekar, Registrar, Dr. Mahadevi Wali, Assistant Director, Physical Education, NSS Volunteers, Faculty Members and Students have participated.

Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor inaugurating the Freedom Run 2.0 by waving the flag

BLDE (Deemed to be University) successfully organized the Fit India Freedom Run 2.0

Students participating in Freedom Run.

International Day of Yoga-2022

YOGOTSAVA

The Centre for Yoga and Exercise Science, Department of Physiology and Vedant Kesari Shri, Mallikarjun Gurudeva Tapovan Trust, Hulyal, in collaboration with Morarji Desai National Institute of Yoga, New Delhi, conducted YOGOTSAVA-2022 (International Day of Yoga) at the centrally protected Monument Gol-Gumbaz, Vijayapura, on 25.04.2022.

International Women's Day 2022

The program was organized on 8th march 2022 at 9.30 am. Around 250 members, including faculty, nursing and housekeeping staff, attended the program. The Chief Guest for the program was Smt Renuka G. Kulkarni, District and Session Judge, District legal services, Vijayapura. Guests of Honor were Shri Venkanna B Hosamani, Sr Civil Judge and member secretary, District Legal Services, Vijayapura, Dr J G Ambekar, Registrar BLDE DU, Vijayapura, Dr R M Honnutagi, Medical Superintendent, BLDE DU, Shri B M Patil Medical College Hospital and Research Centre, and Honorable Vice-chancellor, Dr R S Mudhol. Various games were conducted for the Teaching & Non-Teaching staff on the occasion.

Teaching & Non-Teaching Staff enjoying the games organized.

Academic Programs

UNDER GRADUATE PROGRAMS

Faculty of Medicine

- MBBS

Faculty of Allied Health Sciences

- BBA in Hospital and Health System Management
- Bachelor of Physiotherapy
- Bachelor of Public Health (BPH)

Biomedical Sciences: (B.Sc.)

- Medical Imaging Technology (MIT)
- Medical Laboratory Technology (MLT)
- Anaesthesia Technology
- Operation Theater Technology
- Respiratory Care Technology
- Cardiac Care Technology
- Perfusion Technology
- Emergency Medicine Technology
- Optometry
- Forensic Science
- Clinical Genetics
- Audiometry (Audiology)
- Health Information Management

Life Sciences: (B.Sc.)

- Biotechnology
- Microbiology
- Biochemistry
- Food, Nutrition and Dietetics

POST GRADUATE PROGRAMS

Faculty of Medicine

- Human Anatomy
- Human Physiology
- Biochemistry
- Microbiology
- Pharmacology
- Forensic Medicine
- Community Medicine
- General Medicine
- Paediatrics
- Dermatology
- General Surgery
- Orthopedics
- Anesthesiology
- Otorhinolaryngology (ENT)
- Ophthalmology
- Obst. & Gynecology
- Radiology
- Psychiatry
- Respiratory Medicine
- Emergency Medicine
- Geriatric Medicine

Faculty of Allied Health Sciences

- M.Sc. in Clinical Immunology
- Master of Public Health (MPH)
- Master of Hospital Administration (MHA)

Super Speciality:

- M.Ch Urology
- DM. Cardiology
- M.Sc Medical Anatomy
- M.Sc Medical Physiology
- M.Sc Medical Biochemistry
- M.Sc Medical Microbiology
- M.Sc Medical Pharmacology

FELLOWSHIP PROGRAMS

- Fellowship in Functional Endoscopic Sinus Surgery (FESS)
- Fellowship in Micro-Ear Surgery (FMES)
- Fellowship in Pediatric Dermatology
- Fellowship in Neonatology
- Fellowship in Minimal Access Surgery
- Fellowship in Pediatric Urology
- Fellowship in Dermatopathology
- Fellowship in Pediatric Dermatology

CERTIFICATE PROGRAMS

- Certificate Course in Mortuary Techniques
- Certificate Course in OT Techniques
- Certificate Course in Histology Techniques
- Certificate Course in Embalming Techniques
- Certificate Course in Museum Techniques
- Certificate Course in ECG Techniques

DOCTORAL PROGRAMS (Ph.D)

- Anatomy
- Physiology
- Biochemistry
- Pathology
- Microbiology
- Pharmacology
- General Medicine
- General Surgery
- Pediatrics
- Dermatology
- Radiology
- Community Medicine
- Orthopedics
- Obstetrics & Gynecology
- ENT
- Respiratory Medicine
- Anesthesiology
- Forensic Medicine
- Emergency Medicine
- Psychiatry
- Ophthalmology

Allied Health Sciences

- Pharmacy
- Nursing
- Ayurveda
- Genetics
- Biotechnology
- Life Sciences
- Hospital Administration
- Public Health
- Medical Physics/Biophysics

ADMISSIONS AND ACADEMICS

- Admission to UG/PG Medical Programs is through NEET only. Students from all over India, with a background of diverse languages and varied cultures, seek admission.
- Admission to programs other than MBBS/MD/MS/M.Ch, such as PhD, degree (UG/PG), diploma, fellowship, certificate, etc. in allied medical courses is through entrance exam on merit basis as per UGC and University norms.
- University has been offering a variety of programs in employability and upskilling. Seats are reserved for differently-abled candidates, women candidates, /SC/ST/OBC students and local students to encourage social inclusiveness.

RESEARCH

CREATION, NOT JUST CONSUMPTION OF KNOWLEDGE

Research Day

- The University organizes Research Day regularly
- The 1st Research Day was held on June 06, 2018. Dr. Shashi Bala Singh, DG, DRDO, Ministry of Defence, Government of India was the Chief Guest of the day. Prof. T. R. Raju, Professor, Neuro Sciences, NIMHANS, Bengaluru and Prof. Arun J. Pail, Professor, Biochemistry, KIMS, Karad were the Guests of Honour.
- The 2nd RESEARCH DAY was held on 20th July 2020. This year it was held in virtual mode. Dr. M. B. Patil Orator award was bestowed upon Dr. A. K. Singh, DRDO, Ministry of Defence, Government of India. Certificate of Merit were given to students and faculty members who presented e-posters. Brig. (Dr.) Krishna Kant Tripathi, Institute of Behavioural Sciences, Gujarat Forensic Sciences University, Gandhinagar, Gujarat was the Chief Guest of the day. University confers "Young Scientist" & "Senior Scientist" awards during convocation in every year.

Dr. ShashiBala Singh, DG, DRDO, Ministry of Defense, Government of India, inaugurating the event by watering the plant

Research is the hallmark of any university. BLDE (Deemed to be University), which has research as one of its most important objectives, has established a well-equipped central research facility to fulfil its research goals.

- It is mandatory for any Post Graduate student to involve in a Research Project, produce a thesis and papers and present in different academic forums.
- The Medical Education Department regularly conducts programs to train post-graduates in Research Methodologies and preparation of scientific papers.
- The Scientific, Academic & Research Society meets are regularly held for students to get exposure to Academic Presentations.
- The University publishes BLDE Health Sciences, a scientific journal that allows students and staff to publish papers. Many of the students have taken up ICMR Projects.
- Most faculty members regularly publish research papers in high-impact factor & indexed journals. Many of the faculty members have written books and contributed chapters.

The University strives to provide the best infrastructure and financial aid to its research projects. BLDE (Deemed to be University) has also collaborated with other Universities and Institutions in its Research Activities.

Scientific Academic & Research Society (SARS)

Scientific Academic & Research Society (SARS) organized Dr. C. R. Bidri Memorial CME (Virtual) on the theme "Oncology" on February 02, 2021.

Dr. M. S. Biradar, the Hon'ble Vice-Chancellor, inaugurated the CME. Special invitees were Shri Vijyendra C. Bidri, Shri Ravindra C. Bidri and other family members of the Late Dr. C. R. Bidri. Dr. Rajashekar Muchchandi, Professor, Dept. of Radio Diagnosis, AMCH, Vijayapura, Dr. Milind Shetti, Consultant Radiation Oncologist, HCG Hospital Hubballi, Dr. Nandeesh Jeevangi, Consultant Medical Oncologist, HCG Cancer Hospital, Kalaburagi, and Dr. Maqsood Puneekar, Senior Consultant in Haemato-oncology, London, UK, were invited as resource persons. Dr. J. G. Ambekar, Registrar, Dr. R. M. Honnutagi, Medical Superintendent, Dr. Anand P. Ambali, Dean, Student Affairs & Professor, Dept. of Medicine, Dr. Manjunath S. Kotennavar, Chairman, SARS & Professor of Surgery, and faculty members were present.

Scientific Academic & Research Society (SARS) established in 1991, offers platform to students and faculty to present research papers & discussions.

Topics:

- Oncoanaesthesia, an emerging sub-speciality - Dr. Shivanand Karigar
- Imaging-A pathway for oncology - Dr. Rajashekhar
- Neck Metastasis from unknown primary cancer - Dr. Shilpa Chatni
- Soft tissue sarcoma-present scenario - Dr. Santosh Ijeri
- Trends & Updates in Radiation Oncology - Dr. Milind Shetti
- Personalized treatment of cancer - Dr. Nandeesh Jeevangi
- Haemato oncology update-focus on myeloma - Dr. Maqsood Puneekar

Dr. M. S. Biradar, Hon'ble Vice-Chancellor

Shri Vijyendra Bidri inaugurating the CME.

Shri Vijyendra Bidri delivering the address.

Scientific Academic & Research Society (SARS) organized Dr. C. R. Bidri Memorial CME(Virtual) on the theme "Oncology" on February 02, 2022.

Prof. Dr. R. S. Mudhol, the Hon'ble Vice-Chancellor, delivered the presidential remarks through virtual mode. Dr. P. S. Dattatreya, Director and Chief of Medical Oncology Services, Renova Hospitals, Hyderabad, Dr. Janardhan Nandigam, Chief Technology Officer & Medical Physicist, Hyderabad, Dr. Milind Shetti, Senior Consultant, Radiation Oncologist, Hubballi virtually joined as resource persons. Shri Vijendra C. Bidri, Dr. R. C. Bidri, Professor, Department of Medicine and Faculty Members were present.

Topics and Resource Persons:

- **Immuno-Oncology and Cancer Immunotherapy: An overview of the basis and a deep dive into the basics - Dr. P. S. Dattatreya**
- **Radiation oncology recent advances - Dr. Janardhan Nandigam**
- **Symptomatology to management in breast cancer - Dr. Milind Shetti**
- **Head and neck cancer surgical management - Dr. Shailesh Kannur**

Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor, is delivering the presidential remarks.

Dr. R. C. Bidri, Professor, Department of Medicine, addressing the gathering.

SUPER SPECIALITY HOSPITAL
ಬಿಲ್ಡೆ (ಡು) ಸೂಪರ್ ಸ್ಪೆಷಾಲಿಟಿ ಆಸ್ಪತ್ರೆ

I. UNESCO/UNITWIN Network Programme, Armenia

Agreement signing with UNESCO/ UNITWIN Network

The agreement for “Concerning the Establishment of a UNITWIN Cooperation Programme” was signed on August 06, 2018, between BLDE (Deemed to be University), The United Nations Educational, Scientific and Cultural Organization (UNESCO), and The Network on Research and Postgraduate Education in Biophysics, Biotechnology and Environmental Health, composed of Life Sciences International Postgraduate Educational Center, 31, Acharian St., Yerevan, 0040 Armenia, represented by its Director, Professor S. Ayrapetyan, and BLDE(Deemed to be University), Vijayapura, Karnataka, India, represented by its then Vice-Chancellor, Dr. M. S. Biradar.

Exchanging MoU with Dr. Prakash M. Kabbur, President TaHB

II. Train and Help Babies Organization, Texas

A Memorandum of Understanding (MoU) for “A foundation of trust for mutual benefit and development and the promotion of International understanding and goodwill” was signed between BLDE (Deemed to be University) and Train and Help Babies, Organization, Texas, USA. Dr. S. P. Guggarigoudar, Dean, FoM, & Principal, Shri B. M. Patil Medical College, Vijayapura, and Dr. Prakash M. Kabbur, President, Train and Help Babies Organization, Texas, USA, signed the MoU on October 22, 2018. Dr. S. V. Patil, Professor & HoD and Dr. M. M. Patil, Professor, Department of Pediatrics, were present.

III. Collaborative Research Project with Emory University, USA

Dr. Solveig A. Cunningham lighting the lamp along with Dr. Shailaja Patil at the inaugural function

A Collaborative Research Project titled “Food Choice in Indian Households in the Context of Nutrition Transition” between BLDE (Deemed to be University) and Emory University, USA, was inaugurated by Emory collaborator Dr. Solveig A. Cunningham, Associate Professor, Department of Global Health, Emory University, USA on November 30, 2018.

IV. National Institute of Pharmaceutical Education and Research, Hyderabad, Telangana State

Memorandum of Understanding (MoU) for “Furthering cooperation through educational, research and academic exchanges.” was signed between BLDE (Deemed to be University) and National Institute of Pharmaceutical Education and Research (NIPER), Hyderabad, Telangana State. Dr. M. S. Biradar, then Vice-Chancellor, BLDE (Deemed to be University), Vijayapura and Dr. Shashi Bala Singh, Director, National Institute of Pharmaceutical Education and Research (NIPER), Hyderabad signed the MoU on November 11, 2019.

V. Collaborative Research Project with KLE University, Belgaum

In collaboration with KLE University's J N Medical College, Belgaum, University of Illinois, Chicago and the University of California, San Francisco, USA, BLDE (Deemed to be University) has taken up a Project -Trial of Oral Misoprostol for prevention of Postpartum Hemorrhage Vs Early/Liberal Treatment of Post-partum haemorrhage. This project is funded by Gyunity Foundation, USA.

VI. Institute of Chemical Technology, Mumbai

A Memorandum of Understanding (MoU) for "Joint Supervision of PhD Scholars and Research Collaborations" was signed between BLDE (Deemed to be University) and the Institute of Chemical Technology, Mumbai, Maharashtra. Dr.J. G. Ambekar, Registrar, BLDE (Deemed to be University), Vijayapura, and Prof. Rekha S. Singhal, Dean, Research, Consultancy and Resource Mobilization (RCRM), Institute of Chemical Technology, Mumbai, signed the MoU on October 22, 2019.

VII. Indian Institute of Technology, Kanpur, UP

A Memorandum of Understanding (MoU) for "Educational, research and academic exchanges" was signed between BLDE (Deemed to be University) and the Indian Institute of Technology, Kanpur, UP. Dr. M. S. Biradar, then Vice-Chancellor, BLDE (Deemed to be University), Vijayapura and Prof. Achla M. Raina, Dean, Academic Affairs, Indian Institute of Technology, Kanpur, signed the MoU on January 31, 2020. Dr. Aravind V. Patil, Dean, Faculty of Medicine & Principal and Dr. Nisanth N. Nair, Associate Dean, Academic Affairs, have signed as witnesses.

Other collaborative projects and VGST funding

- Home environment and school-going adolescent weight status in rural India is another project by Dr. (Mrs.) Shailaja Patil, in collaboration with Emory University and the Centre for Chronic Diseases & Control (CCDC), New Delhi
- Under its VGST program, Karnataka State Government has funded Rs.80 lakh for research projects of ENT, Physiology, Biochemistry, Anatomy and Dermatology departments.

CONFERENCES, CMES, WORKSHOPS, SEMINARS & OTHER SCIENTIFIC EVENTS

The University regularly organizes workshops, CMEs, guest lectures, orientation programs, quiz competitions, conferences, seminars, and symposiums. Faculty members of our Institution deliver guest lectures at other institutes. Also, our faculty members participate in national and international meets and present their papers. It is important to mention that our postgraduate and UG students have presented many papers and posters at state and national academic meets.

International UNESCO/ UNITWIN Network web Seminar

International UNESCO/UNITWIN Network Web Seminar 2020 on the theme “Current concepts of Environmental Pollution and by Electromagnetic Field and Corona Virus” was organized in a virtual mode with the participation of 13 member countries, involving more than 20 renowned keynote speakers across the globe. Papers were presented on August 6th & 7th 2020.

- BLDE (Deemed to be University) organized the 1st Research Day - 2018 & Dr. M B Patil Oration on June 06, 2018. Dr. Shashi Bala Singh, DG, DRDO, Ministry of Defence, Government of India, was the Chief Guest of the day. Prof. T. R. Raju, Neuro Sciences, NIMHANS, Bengaluru and Prof. Arun J. Pail, Biochemistry, KIMS, Karad, were the Guests of Honour.

Invited International Lecture Series and Webinars

The University organized International Lectures during COVID-19 Pandemic. Eminent scholars from different continents, viz. UK, USA, Brazil, South America, Singapore etc., were invited to deliver lectures through Microsoft Teams, Google Meet and Zoom platforms. The University will be continuing these lectures as well as webinars in future.

BLDE(Deemed to be University) was invited by Zubieta University, LaPaz, Boliviatoco-organize and co-host the 7th Chronic Hypoxia Symposium at High Altitude Pulmonary and Pathology Institute, Zubieta University, La Paz, Bolivia. The Symposium was held from February 25 to March 2, 2019, in the capital city of Bolivia, La Paz (altitude 3500m). The organizers of the Symposium were IPPA and Zubieta University, and the Co-organizers were Armada Boliviana (Bolivian Navy), University Laval, Canada and BLDE (Deemed to be University), India.

Obstetrics & Gynaecology

The Department of Obstetrics & Gynaecology organized CME on the theme "Mixed Bag CME on Recurrent in Pregnancy Loss, Cervical Insufficiency, Immunization in Pregnancy and Spirituality in Pregnancy" on August 17, 2021.

Chief Guest Prof. B. K. Tulasimala, Hon'ble Vice-Chancellor, Karnataka State Akkamahadevi Women's University, Vijayapura, inaugurated the event. Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor, presided over the programme.

Dr. Arun C. Inamdar, Dean, Faculty of Allied Health Sciences & Professor & HoD, Dept. of Dermatology, was the guest of honour. Dr. Jayprakash Patil, Obstetrician & Gynaecologist, Bettadur Super Speciality Hospital, Raichur, Dr. Mukund Galgali, Surveillance Medical Officer, WHO, India, were invited as resource persons. Dr. S. R. Mudnur, Professor & HoD, Dept. of Obstetrics & Gynecology, Faculty Members and PG Students were present.

Topic:

- Recurrent pregnancy loss - Dr. Shreedevi Kori
- Approach to Cervical insufficiency in special situations - Dr. Jayprakash Patil
- Overview of Universal immunization programme (UIP) - Dr. Mukund Galgali
- Spirituality in Medical Practice - Dr. Arun C. Inamdar

Chief Guest Prof. B. K. Tulasimala, Hon'ble Vice-Chancellor, KSAWU, Vijayapura inaugurating CME

Prof. B. K. Tulasimala, Hon'ble Vice-Chancellor, KSAWU delivering the inaugural address

Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor delivering the address

CME on Respectful Abortion Care

Department of Obstetrics & Gynaecology in coordination with Bijapur OBG Society, Vijayapura, Federation of Gynecologists and Obstetricians of India and World Health Organization organized CME through Hybrid mode on the theme "Respectful Abortion Care" on February 21, 2022. Dr. Kasturi Donimath, Professor & HoD, Department of OBG, KIMS, Hubli was Chief Guest. Dr. Vidya Thobbi, Professor, Department of OBG, Al-Ameen Medical College, Vijayapura and Dr. Manpreet Kaur, Professor, Al-Ameen Medical College, Vijayapura were invited resource persons. Dr. Shailaja Bidri, Professor, Faculty Members and PG Students were present.

Topics and Resource Persons:

- Medical Termination of Pregnancy (MTP)- Dr. Aruna Biradar
- Safe abortion updates in Technology - Dr. Vidya Thobbi
- WHO+SAVER Toolkit- Dr. Manpreet Kaur
- Pre & post abortion family planning- Dr. Sangamesh Mathapati

Dr. Manpreet Kaur, Professor, Al-Ameen Medical College, Vijayapura delivered a Guest Lecture on "Respectful Abortion Care" organized by the Department of Surgery on February 21, 2022.

CME on Recurrent Pregnancy Loss

Department of Obstetrics & Gynaecology, in coordination with Bijapur OBG Society, Vijayapura, organized CME through Hybrid mode on the theme "Recurrent Pregnancy Loss" on February 26, 2022. Chief Guest Dr. Jaydeep Tank, Obstetrician and Gynecologist, IVF Consultant, Mumbai, inaugurated the event. Dr. Vidya Thobbi, Professor, Department of OBG, Al-Ameen Medical College, Vijayapura and Dr. Shailaja Inamdar, Consultant Obstetrician & Gynecologist, were resource persons. Dr. Arun C. Inamadar, Dean, Faculty of Allied Health Sciences and Professor & HoD,

Department of Dermatology, Dr. S. R. Mudnur, Professor & HoD, Dr. Shailaja Bidri, Professor, Faculty Members and PG Students were present.

Topics and Resource Persons:

- Genetics in recurrent pregnancy loss- Dr. Shobha Shiragur
- Antiphospholipid antibody syndrome- Dr. S. R. Bidri
- Lutealphase defect and MTP act amendments- Dr. Jaydeep Tank

Dr. Jaydeep Tank, Obstetrician and Gynecologist, IVF Consultant, Mumbai inaugurating the CME

Dr. Jaydeep Tank, Obstetrician and Gynecologist, IVF Consultant, Mumbai delivering inaugural address

Dr. Arun C Inamdar, Dean Faculty of AHS & Prof. & HOD, Dept. of Dermatology delivering the lecture

Dr. Vidya Thobbi, Professor, Dept. of OBG, AMC, Vijayapura delivering the lecture

Urology

CME updates in Andrology

Department of Urology, in association with Karnataka Urology Association (KUA) and Bijapur Uro-Nephro Society (BUNS), organized CME through Hybrid mode on the theme "Updates in Andrology" on March 05, 2022.

Chief Guest Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor, inaugurated the programme. Dr. Rajeev Kumar, Senior Professor & HoD, Department of Urology, AIIMS, New Delhi, Dr. Shivam Priyadarshi, Senior Professor & HoD, Department of Urology, SMS Medical College, Jaipur, Dr. Pramod Krishnappa, Consultant Andrologist, NU Hospital, Bengaluru and Dr. Rupin Shah, Consultant Andrologist, Lilavati Hospital, Mumbai have invited resource persons. Dr. Nischit D'Souza, President, KUA joined CME virtual mode. Dr.

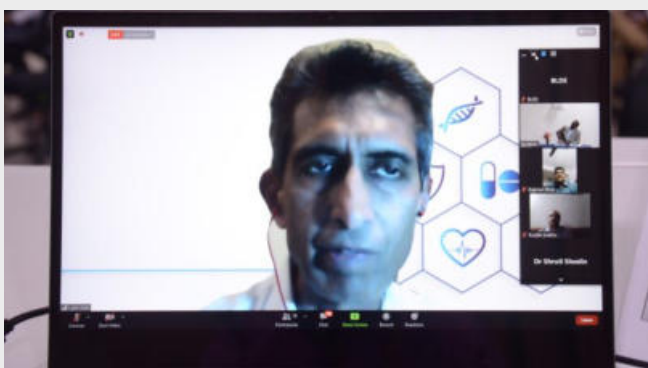

Suresh Kagalkar Reddy, Treasurer, KUA and Dr. R. Madraki, President, Bijapur Uro-Nephro Society, Dr. R. M. Honnutagi, Medical Superintendent, Dr. S. B. Patil, Professor & HoD, Department of Urology, Faculty Members and PG Students were present.

Topics and Resource Person:

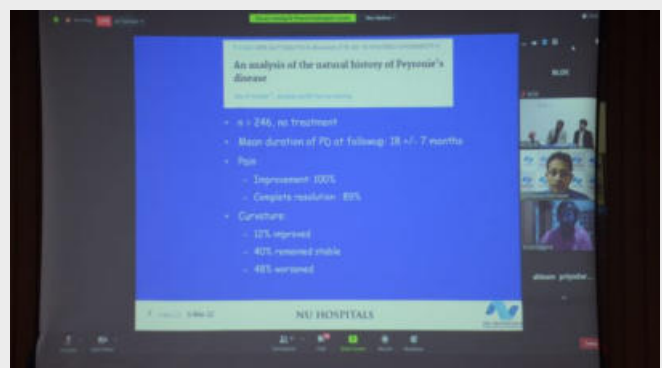

- **Varicocele Updates & Controversies**
- Dr. Rajeev Kumar
- **Etiopathogenesis of Peyronie's disease**
- Dr. Shivam Priyadarshi
- **Medical management of Peyronie's disease**
- Dr. Pramod Krishnappa
- **Surgical management of Peyronie' disease**
- Dr. Rupin Shah

Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor Dr. Nischit D'Souza, President, KUA gracing the inaugural address CME in virtual mode

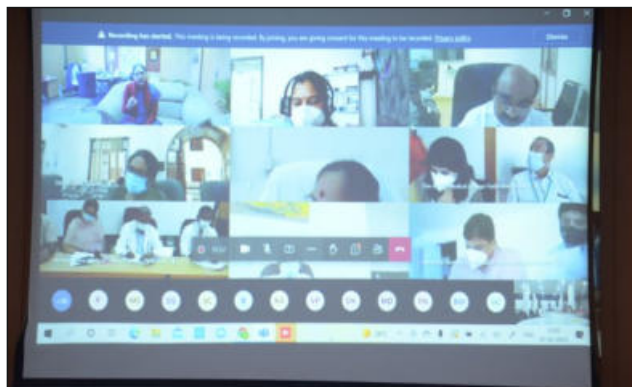

Dr. Rupin Shah, Consultant Andrologist delivering lecture

Dr. Pramod Krishnappa, Consultant Andrologist delivering lecture

WORKSHOPS

NMC Workshop

Participation of MEU Members at National Virtual Workshop on CBME by NMC

The Department of Surgery organized the “Basic Surgical Skills” workshop for interns on February 24, 2022. Dr. Aravind Patil, Dean, Faculty of Medicine & Principal, Dr. M. B. Patil, Professor & HoD, Dr. Vijaya Patil, Coordinator, Medical Education Unit, Dr. Girish Kullolli, Professor, Dr. Ramakanth Baloorkar, Dr. Vikram Sindagikar, Dr. Rajendra Benakatti, Dr. Deepak Chavan, Associate Professors and Faculty Members were present.

Basic Life Support Training

Training on "Basic Life Support" for the Casualty Staff & Ambulance drivers of BLDE (DU)'s Shri B. M. Patil Medical College, Hospital & Research Centre was organized from February 16, 2021. Dr. Shivanand L. K., Associate Professor, demonstrated in the Clinical Skills Laboratory.

Hands-on training in Skills Lab and Scientific & Research Society in Session

Surgery

The “Basic Surgical Skills” workshop for Interns in Surgery, OBGY, Orthopedics, and Community Medicine was organized on December 19, 2020. Dr. M. B. Patil, Professor & HOD, Dr. Tejaswini Vallabha, Prof., Dr. Girish Kullolli, Dr. Vikram Sindagikar, Associate Professor, Dr. Dayanand

Biradar, Asst. Prof. Dr. Ramakanth Baloorkar, Associate Professor and Dr. S. S. Patil, Assistant Professor, & Dr. Shailesh Kannur Assistant Professor, conducted the workshop at the Clinical Skills Laboratory.

Anaesthesiology

The “Art of Dressing” workshop was organized for Interns in Surgery, Anesthesia, OBGY, ENT & Ophthalmology on March 25, 2021. Dr. Tejaswini Vallabha, Professor, & Dr. Girishkullolli, Associate Professor, & Dr. Ramakanth Baloorkar Associate Professor, & Dr. Hannumanth Ammantha conducted the workshop at the Clinical Skills Laboratory.

ORIENTATION PROGRAMMES

UG Orientation

The Department of Medical Education organized Orientation Programme for UG Students from February 02 to 20, 2020. Dr. Aravind V. Patil, Dean, Faculty of Medicine & Principal, Dr. S. V. Patil, Vice-Principal (Academics), and faculty members were present.

Dr. S. V. Patil, Vice Principal (Academics), delivering the lecture

Dr. Aravind V. Patil, Dean, Faculty of Medicine & Principal, delivering the address

Interns Orientation Programme

The Department of Medical Education organized the "Interns Orientation Programme" from June 11 to 13, 2021, at the Auditorium, Central Library building. Dr. Vijayalaxmi Balekundri, DM Cardiologist, Dr. Anshumala Shukla Kulkarni, Consultant, Kokilaben Ambani Hospital, Mumbai, Dr. Laxman, Consultant Surgeon, Sagar Apollo, Bengaluru, Dr. Divya Hirolli, Alumni BLDE(DU), was invited as a resource person (Virtual). Prof. (Dr.) R. S. Mudhol, Hon'ble Vice-Chancellor, was the Chief Guest. Dr. Aravind Patil, Dean, Faculty of Medicine & Principal, administered the Oath and delivered the talk. Dr. S. V. Patil, Vice-Principal (Academics), Dr. Vijaya L. Patil, Coordinator, Medical Education, and Faculty Members were present.

Topics:

- **Inspiration talk - Dr. Vijayalaxmi Balekundri**
- **Pre-operative preparations & Post-operative care - Dr. Vijaya L. Patil**
- **Ward etiquettes & How to communicate with patients - Dr. Vidya A. Patil**
- **SOP Laboratory procedures - Dr. Sneha Jawalkar**
- **Informed consent & Approach to Medico-legal cases-Dr. Chandrashekhar Buyyar**

Dr. Aravind Patil, Dean, Faculty of Medicine & Principal, administering the oath and delivering the address

Gold Medal Sponsors & Cash Prize

1. BLDE (Deemed to be University) sponsors Six Gold Medals:
 - Two Gold Medals for Undergraduate Toppers - Male & Female
 - Two Gold Medals for Undergraduate Best Outgoing Male & Female
 - One Gold Medal for Postgraduate Degree Topper
 - One Gold Medal for Postgraduate Diploma Topper
2. Late Dr. M. S. Biradar former Vice-Chancellor BLDE (DU) Memorial Gold for Topper in MD
3. Late Dr. C. R. Bidri Memorial Two Gold Medals for the Best Out-going Undergraduate students Male & Female, sponsored by Smt. Asha M Patil
4. Late Dr. C. R. Bidri Memorial Two Gold Medals for Undergraduate Toppers in Paediatric-Male & Female, sponsored by Dr. Ravi C. Bidri.
5. Late Smt. Premavati V Patil Memorial Gold Medal for Undergraduate Topper in Pathology, sponsored by Dr. Girija V Patil
6. Late Shri. Shivappa Devarmani Memorial Gold Medal for Postgraduate Topper in General Medicine, sponsored by Dr. Shashidhar S. Devaramani
7. Late Mrs. Rukmini Shamrao Narasapur Memorial Gold Medal for the Postgraduate Topper in Ophthalmology sponsored by Dr. Vanaja Upendra Narasapur - No candidate.
8. Late Mrs. Rohini Malhar Rao Joshi Memorial Gold Medal for Undergraduate Topper in Pathology, sponsored by Dr. Mrs. Vanaja Upendra Narasapur.
9. Dr. Vijayakumar Kalyanappagol sponsored late Prof. T. K. Kalyanappagol Memorial Gold Medal for Topper in the MD Anesthesiology with a Minimum of 65% scoring- No Candidate
10. Department of Pathology Gold Medal to Postgraduate Topper of Pathology sponsored by Department of Pathology.
11. Guggarigoudar's Gold Medal to Topper Postgraduate/PG Diploma in ENT with a minimum 60% sponsored by Dr. S. P. Guggarigoudar- No Candidate.
12. Alumni Association sponsored Gold Medal for the Best Undergraduate outgoing student.
13. Late. Smt. Neelamma R Mudanur Memorial Gold Medal to Undergraduate outgoing student.
14. Dr. G S G Ayyangar sponsored late Mr. GVS Vamsi Krishna Memorial Cash Prize for topper in Phase-III, Part-I.
15. Late Dr. Vidyavati Ugran Memorial Cash Prize for the Postgraduate Topper in Community Medicine sponsored by Sri S. D. Ugran-no Candidate
16. Late Dr. Vidyavati Ugran Memorial Cash Prize for the Undergraduate Topper First Position in Community Medicine sponsored by Sri S. D. Ugran
17. Late Dr. Vidyavati Ugran Memorial Cash Prize for the Undergraduate Topper Second Position in Community Medicine sponsored by Sri S. D. Ugran

Gold Medal Awardees

Undergraduate

1. Best Out-going Undergraduate student, Male category was awarded to Dr. Sourabh S. Patil.
2. Best Out-going Undergraduate Student, Male category was awarded to Dr. Sourabh S. Patil.
3. BLDE (Deemed to be University) Gold Medal to the topper in Undergraduate student, Male category, awarded to Dr. Sourabh S. Patil.
4. BLDE (Deemed to be University) Gold Medal to the Undergraduate student. Topper Female category awarded to Dr. Daneshwari Kottalmath.
5. Late. Dr. C. R. Bidri, Memorial Gold Medal for Best Out-going Undergraduate student, Male category was awarded to Dr. Daneshwari Kottalmath.
6. Late Dr. C. R. Bidri Memorial Gold medal to an Undergraduate student, Female category was awarded to Dr. Daneshwari Kottalmath.
7. Late Dr. C. R. Bidri memorial Gold Medal to an Undergraduate student Topper in Paediatric-Male category was awarded to Dr. Sourabh S. Patil.
8. Late Dr .C. R. Bidri memorial gold Medal to an Undergraduate student Topper in pediatrics-Female category was awarded to Dr. Daneshwari Kottalmath.
9. Alumni Association Sponsored Gold Medal for the Best Out-going Under Graduate student awarded to Dr. Daneshwari Kottalmath.
10. Late Smt. Premavati. V. Patil Memorial Gold Medal for Undergraduate Topper in Pathology awarded to Dr.Sneha Ulhaskumar Arakeri.
11. Late Mrs. Rohini Malhar Rao Joshi Memorial Gold Medal to Undergraduate Topper in Pharmacology Topper in Pharmacology was awarded to Dr. Daneshwari Kottalmath.
12. Late Mrs. Neelamma R Mudanur Memorial Gold Medal to Undergraduate Topper in OBG awarded to Dr. Sharadhi S.Petkar.
13. Dr. Sharayu N. Desai Memorial Gold Medal to Undergraduate Topper in OBGY awarded to Dr.Sharadhi S. Petkar

Cash Prize

1. Late. Mrs.GVS Vamsi Krishna Memorial Cash Prize for the Student who secured the highest Marks in MBBS PhaseIII (Part I) awarded to Dr. Daneshwari Kottalamath.
2. Late Dr. Vidyavati Ugran memorial Cash Prize for the Undergraduate Topper First Position in Community Medicine awarded to Dr. Sneha Ulhaskumar Arakeri.
3. Late Dr. Vidyavat Urgan memorial Cash Prize for the Undergraduate Topper Second Position in Community Medicine awarded to Dr.Daneshwari kottelmth.

Post Graduates Degree & Postgraduate Diploma

1. BLDE (Deemed to be University) Gold Medal to Postgraduate Degree Topper awarded to Dr. Sohan Rao H.R.
2. Department of Pathology Gold Medal to Postgraduate Topper in MD Pathology awarded to Dr. Sohan Rao H.R.
3. Dr. Sharayu N Desai Memorial Gold Medal to Postgraduate Topper in MS OBGY awarded to Dr. Shridevi H.S.

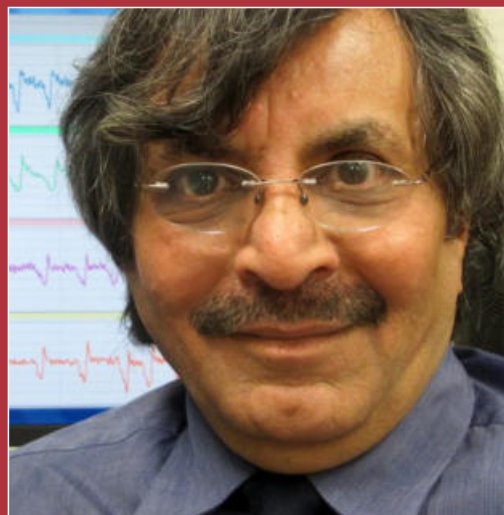

Conferring Doctorate of Oeconomiae

Prof. Sajay Samuel

Clinical Professor

Prof. Sajay Samuel, Clinical Professor in the Department of Accounting at Pennsylvania State University, USA, was conferred "Doctor of Oecnomiae" in the 9th Convocation.

Prof. Nanduri Prabhakar

Harold Hines Jr. Professor of Medicine, University of Chicago IL, USA

Prof. Nanduri R. Prabhakar was conferred the degrees of Doctor of Science (Honoris Causa) in the 8th Convocation

8th CONVOCATION

Eighth Convocation (Virtual): 26 August 2020

Prof. Nanduri R. Prabhakar, Harold H. Hines Endowed Professor of Medicine, University of Chicago, USA, was the Chief Guest of the Convocation. He addressed the 8th Convocation address of BLDE (Deemed to be University) on Wednesday, August 26, 2020. Dr. M. B. Patil, Hon'ble Chancellor of BLDE (deemed to be University), presided over the virtual Convocation. Prof. M. S. Biradar, then Vice-Chancellor, in his welcome address, praised the achievements and progress made by the University. The Convocation Ceremony was held in virtual mode due to the prevailing COVID-19 pandemic and was conducted according to COVID-19 safety guidelines.

SHRI B.M. PATIL MEDICAL COLLEGE
ಶ್ರೀ ಬಿ. ಎಮ್. ಪಾಟೀಲ ವೈದ್ಯಕೀಯ ಮಹಾವಿದ್ಯಾಲಯ

GALLERY HALL

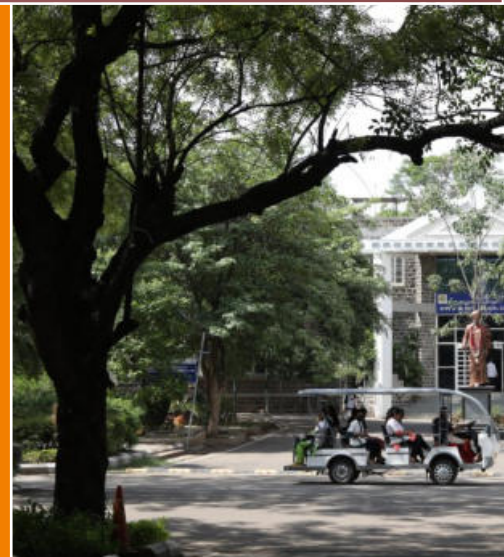

COLLEGE OFFICE

SHRI B. M. PATIL MEDICAL COLLEGE

Established in 1986, Shri B M Patil Medical College today stands testimony to quality medical education.

The college buildings have 26 departments, gallery lecture halls, demonstration rooms, laboratories and museums with IT facilities.

Equipped with 1338 beds, the teaching hospital provides primary to tertiary health care and teaching-learning facility.

There are other units such as the Department of Yoga, IT Department, Yoga Centre, Rehabilitation Centre, Genetics Laboratory, Centre of Excellence, and Laboratory of Vascular Physiology & Medicine.

There is a central library, centre for advanced medical research, skills & simulation lab, cadaver lab, animal house, modelling centre, and centre for ideation-innovation-incubation.

The college has recently added a facility for Online/Virtual Classes and examinations.

The Teaching Hospital of Shri. B.M. Patil Medical College

The 1,338 beds teaching hospital offers primary, secondary & tertiary health care to patients and training and teaching material to UG/PG students. It has 14 High-tech operation theatres with state-of-the-art equipment. Trauma, Emergency, Intensive & Critical care services are provided through Casualty, OBG Casualty, Emergency OTs, ICU, ICCU, NICU, PICU, DICU, SICU, RICU, MICU and Burns Unit. A wide range of speciality services is provided in General Medicine, General Surgery, Paediatric, Obstetrics & Gynecology, Psychiatry, Chest & TB, Dermatology, Ophthalmology, ENT, Orthopedics and Dentistry. Super Specialty services are provided in Urology, Nephrology, Neurology & Neurosurgery, Cardiology, Surgical/ Medical Gastroenterology and Neonatology. The service laboratories for Pathology, Biochemistry & Microbiology support investigations and diagnostic services through the Radiology department. The hospital has backup services of physiotherapy, an artificial limb centre, a blood bank, an eye bank, a pharmacy, a kitchen, a Laundry, a biomedical waste disposal & effluent treatment plant, a biogas plant and two 13KL liquid

oxygen plants. The Urban Health Centres & Rural Health Centres in the periphery provide services to slum & rural populations and community training to students. Through an agreement with the state government through the District Authorities, the University has established the District Disability Rehabilitation Centre, which helps differently-abled to receive services consisting of vehicles and prostheses. The hospital has been empanelled for state & central government schemes, private institutions and agencies.

Dr. R. M. Honnutagi, Medical Superintendent

Medical Imaging

Medical imaging has developed by leaps and bounds in the recent past. The role of modern equipment is invaluable for early and precise diagnosis of the disease and in managing treatment and predicting prognosis.

The hospital is equipped with state-of-the-art equipment such as:

- Wipro Helical Whole Body CT Scan
- Whole Body Color Doppler with 3D Imaging, Seascape & Panoramic Image + TV & TR Probes
- Image Intensifier
- Vascular Doppler
- Ultrasound 3.4 MHz & 5 MHz Sectors
- Two Siemens 500 mA x-ray Units
- 3 Portable X-Ray Units
- Tesla 6 Slice MRI
- Digital Substantial Angiography

MRI Scanner

CT scanner

X-Ray Machine

Reception

OT Complex

- 14 Operation Theatres in total, running 24 tables six days a week
- Emergency Theatre, which is open round the clock
- Centralized Air Conditioning, Oxygen, Nitrous Oxide & Vacuum compartments
- Motorized Tables for quick & precise positioning
- Pulse Oxymeters, Ventilators, Defibrillators, Infusion Pumps
- In-house Frozen Section
- Microscopic & Endoscopic Surgeries in ENT, Ophthalmology, Orthopedics, Surgery, Gynecology, Urology and Gastroenterology
- CCTV to transmit live surgeries to Seminar Rooms & Lecture Halls
- Live streaming of Surgeries throughout the Hospital on LAN, in the campus on Fiber-Optic Backbone & on Internet through Leased lines

Critical Care

SBMP Medical College Hospital is fully equipped and is fully geared up to manage emergency and critically sick patients 24 x 7 in its :

- Casualty
- Emergency OT
- Intensive Care Unit (ICU)
- Intensive Coronary Care Unit (ICCU)
- Neonatal Intensive Care Unit (NICU)
- Surgical Intensive Care Unit (SICU)
- Paediatric Intensive Care Unit (PICU)
- Dermatology Intensive Care Unit (DICU)
- In house Pharmacy is open round the clock
- Blood Bank provides Blood and Blood Components 24X7

INAUGURATIONS

Inauguration of the Anatomage Device

Dr. M. S. Biradar, then Vice-Chancellor, inaugurating the Virtual Dissection Table 'Anatomage Device'

Dr. Aravind V. Patil, Dean-Faculty of Medicine & Principal, during the inauguration of the Anatomage Device.

Inauguration of High Risk Obstetrics Clinic

Dr. Gamini inaugurating the High-risk OBGy Clinic

Faculty and Staff in front of High-Risk OBGy Clinic

Arogya Kavach

On the occasion of the birthday of Dr. M. B. Patil, Hon'ble Chancellor, the BLDE Health Care Services introduced 'Arogya Kavach' for Non-Teaching Staff of the BLDE (Deemed to be University) and Association. Dr. M. B. Patil, Hon'ble Chancellor, launched the scheme on October 07, 2021. Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor, Dr. J. G.

Ambekar, Registrar, Dr. Arun C. Inamadar, Dean, Faculty of Allied Health Sciences & HoD, Dept. of Dermatology, Dr. R. M. Honnutagi, Medical Superintendent, Dr. R. V. Kulkarni, Administrative Officer, BLDEA, faculty members and non-teaching staff were present.

Dr. M. B. Patil, Hon'ble Chancellor, inaugurating 'Arogya Kavach' Scheme

Book Release

The Book 'Vachana's Allamaprabhu' English Version, translated by Dr. Arun C. Inamadar, Dean, Faculty of Allied Health Sciences, was released by Dr. M. B. Patil, Hon'ble Chancellor, on July 27, 2021. Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor, Dr. Aravind V. Patil, Dean, Faculty of Medicine & Principal, Dr. Raghavendra Kulkarni, Administrative Officer, BLDEA, Dr. Krishna Kolhar Kulkarni and others were present.

Inauguration Programme of Health Check-up Camp

Dr. Shri Shri Prabhu Sarangadev Shivacharya inaugurating the programme by watering the plant.

IMA MSN Unit of BLDE (DU)

The Indian Medical Association-Medical Student Network (IMA-MSN) Unit of BLDE (Deemed to be University)'s Shri B. M. Patil Medical College, Hospital & Research Centre was inaugurated by Dr. M. Venkatachalapathy, President, Indian Medical Association-Karnataka State Branch, on September 08, 2021. Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor, Dr. Aravind V. Patil, Dean, Faculty Medicine & Principal, Members of IMA and faculty members were present.

Dr. M. Venkatachalapathy, President, IMA-Karnataka State Branch, lighting the lamp.

Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor, delivering the presidential remarks.

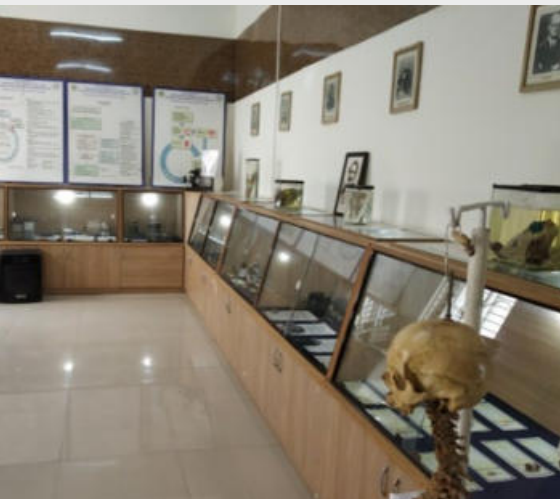

Felicitations to Dr. M. Venkatachalapathy by Prof. Dr. R. S. Mudhol, Hon'ble Vice-Chancellor.

MUSEUMS

Museums are the places where the dead teach the living.

This is where information and knowledge are solidified into artefacts. They are a great source of knowledge for the medical student and a rare experience for the common person. The College boasts museums in various departments like Anatomy, Orthopedics, Forensic Medicine, General Medicine, Pharmacology, Microbiology, OBGY, Pathology, Surgery, Anesthesiology, Dermatology, Community Medicine, Pediatrics, Otorhinolaryngology and Physiology.

SUPER SPECIALITY

The Super Specialty Hospital was started in the year 2020. Initially, cardiac patients were operated on and provided 24/7 service. The Cath lab is well equipped with 7th-generation state-of-the-art technology machines. The CCU has ten step-in and ten step-down beds with modern technologies. The Urology OPD and OT were started in May 2021 and are currently operational in a full-fledged way. Plastic surgery, Nephrology and OBG services are also introduced under Super Speciality Hospital. The Government schemes like Ayushman Bharat, Arogya Karnataka, etc., are also provided to eligible and needy patients.

*Dr. Vijaykumar T. Kalyanappagol,
medical Director,
Super Speciality Hospital.*

- Indoor sports facilities are provided
- Cafeteria Facilities available for safe and hygienic food
- Entry and Exit tracker by RFID card for hostellers is implemented
- Laundry facility available
- Parking area is provided.
- Washing machines are installed
- Saloon Facilities (Gents Hostel) provided
- Vending machine and incinerator for sanitary napkins installed at ladies hostels

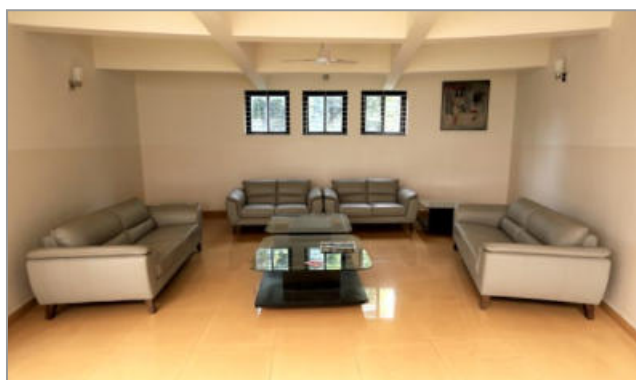

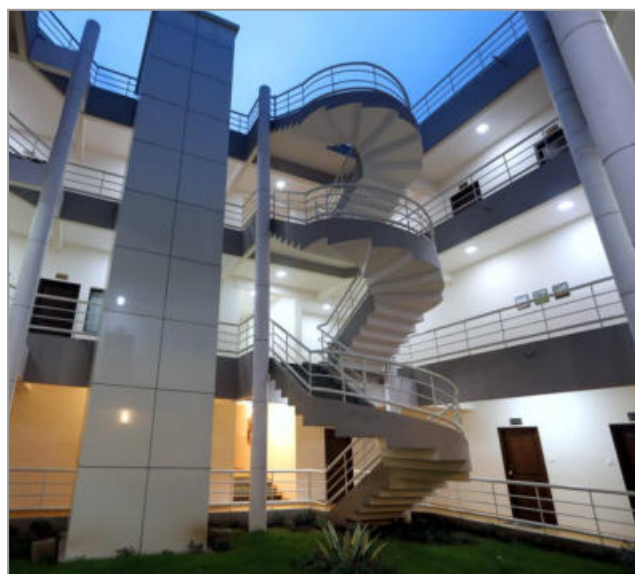

Guest House

BLDE (DU) offers accommodation for guests, including parents, delegates, stakeholders, and invitees of staff members. The Guest House is situated within the campus premises so the guest can enjoy all the facilities inside the campus. BLDE Guest House provides facilities such as housekeeping, hot water, parking, a healthcare centre, purified water, and many more.

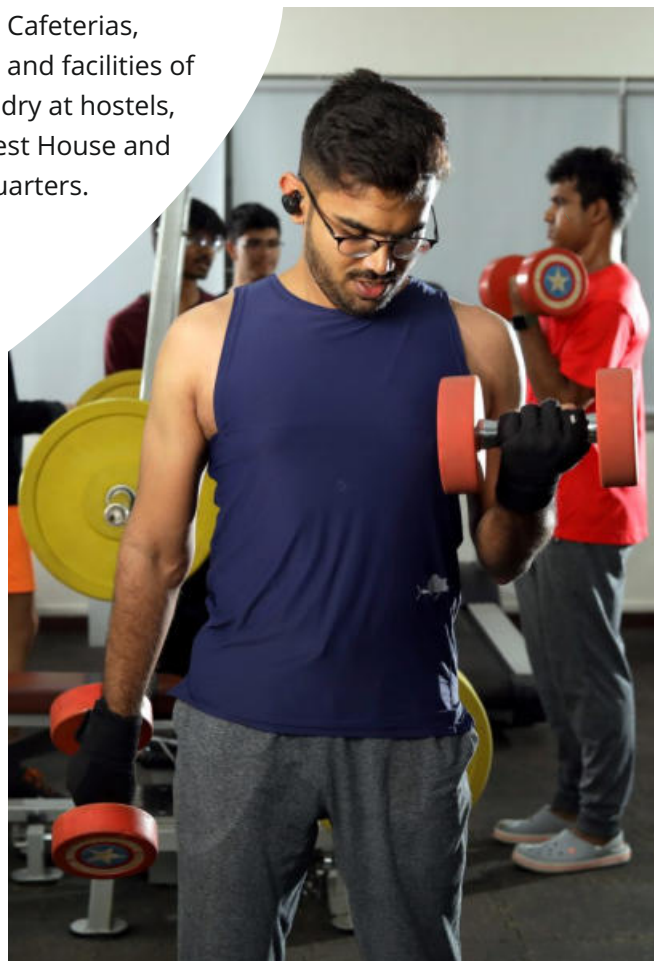

The lush green campus of BLDE (Deemed to be University) offers a comfortable, home-like residence for both girls & boys, ranging from great eateries and messes to sports arenas and gyms. BLDE (Deemed to be University) welcomes you with open arms into its abundant world.

Other Amenities

Other support facilities on the campus are SBI Bank, Post office, ATM, Cafeterias, Swimming Pool, and facilities of Saloon & Laundry at hostels, University Guest House and Staff Quarters.

Green Environment Initiatives

The ETP and Incinerator ensure the safe handling of wastes. BLDEU's Offset Press strives to produce publications qualitatively and cost-effectively. The EDP Centre is the nerve centre of Electronic, Archival and Retrieval data processing.

Extension Services

Satellite Centres

- Silver Jubilee Maternity Hospital Chandabawadi, Vijaypur
- Rural Health Training Centre, Shivanagi
- Urban Health Training Centre, Kalal Galli
- NTPC project affected villages, Kudagi Golasangi
- New, full-fledged Primary Health Centre, Ukkali
- District Disability Rehabilitation Centre

Campus Ecosystem

As part of the Green Initiative, the University has given importance in creating and maintaining a sustainable and green campus

- With over 6500 trees, the campus is well-covered with green shrubs & ornamental plants belonging to 48 species. Tree plantation is an ongoing activity undertaken to promote a green campus.
- Focusing on alternative/ renewable energy, a 3300 kW solar power plant has also been installed to supply green power to the grid. Solar water heating systems are provided for hot water requirements on the campus.
- Biogas plant and vermicomposting unit are also added to the premises.
- A 450 KLD capacity sewage treatment plant has been operating to treat entire sewage generated on campus. Most of the treated water is recycled and used for gardening; the excess is discharged through the municipal drainage system.
- The water supplied by the Municipal Corporation is used for drinking after purification. A set of 'Water Purifiers' is installed at convenient locations.
- Energy-efficient light fittings have been installed at some of the places.
- The composting pit is provided for converting dry plant leaves and other bio-wastes to manure, which is later used for gardening.
- A separate effluent treatment plant has been installed to treat non-domestic wastewater. A part of the treated water is then recycled and used for gardening; the excess is discharged through the municipal system.
- E-Waste Management: All electronic wastes are segregated and recycled. The remaining waste is handed over to a state government-licensed E-waste Management Organization for proper and safe disposal.
- Battery Powered Vehicle: There are a total of three E-(Battery Powered) Vehicles on campus, one dedicated for student and staff transportation, the others used for cargo transportation.
- Pedestrian-Friendly Pathways: With multiple entrances, all the pathways on the premises are pedestrian friendly.
- Ban on plastics: The usage of single-use and other plastics is banned on the campus premises.
- Clean and green campus recognitions/ awards: Adequate ventilation in the campus maintains the level of carbon dioxide and volatile organic matter contents under the permissible limit.

Go Green Steps-Electric Vehicle at Campus

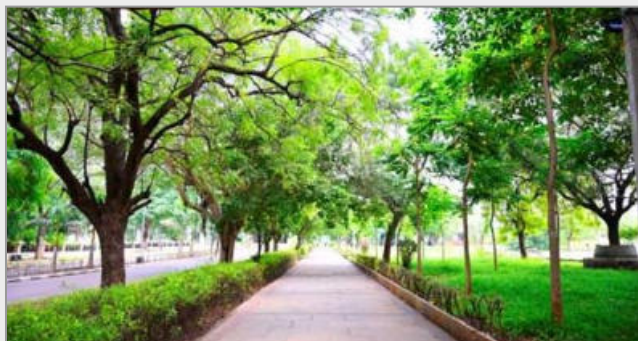

The BLDE (Deemed to be University) launched the Electric Transport Vehicles and Electric Patient Shifting Transports on December 06, 2019. Dr. Chandrakant Kokate, Former Vice-Chancellor of Kakatiya University & KLE University, Dr. Aravind Patil, Dean, Faculty of Medicine & Principal, Dr. R. M. Honnutagi, Deputy Medical Superintendent, Faculty Members and PG Students were present during the launch.

In and Around Vijayapura City

Vijayapura (formerly Bijapur), a historic city, was once the capital of Adilshahis. It has architectural marvels like the world-famous Gol Gumbaz and Ibrahim Rouza.

- Nearby to Vijayapura lies the Chalukyan capital, Badami, known for its infamous cave temples. Another historical site is Aihole and Pattadakal, a prominent heritage of temples.
- Being the district headquarters, Vijayapura has all the amenities of a metropolis without hassles. The city is less crowded and is calm & safe.
- One can reach Vijayapura by road in an overnight journey from Bengaluru, Mumbai and Hyderabad
- Nearby Airports: Hubli (200 km), Belgaum (200 km), Pune (350 km), Hyderabad (450 km), Mumbai (500km), Bengaluru (600 km)
- Direct Trains access to Bengaluru, Mumbai and Hyderabad
- Local Transport: Buses and Auto-Rickshaws
- Entertainment: Cinema Theatres, Local FM Station, TV Station, Cable TV, Dish TV
- Communication: BSNL Landlines on Optical Fibers, Mobile Phones, and Internet through Land Lines & Mobiles.
- Food: Routine & inexpensive Udupi or Vijayapura-style Plate Meals available in regular hotels. North, South Indian & Chinese foods are also available at many high-end hotels. Several small messes (serving 10-15 people) serve ethnic foods varying from Punjabi, Andhra and Kerala styles around the university campus. Vijayapura is known for its quality milk and fresh fruits and vegetables.
