In his speech, he highlighted that over the past **76 years**, India has achieved remarkable progress in infrastructure, healthcare, and technology. He emphasized India's rapidly growing **start-up ecosystem** and its position as one of the largest **digital markets** in the world. Referring to the present era as the **age of the digital revolution**, he underlined the crucial role of technology in every sphere of human life.

Addressing the audience on the occasion, the **Hon'ble Vice-Chancellor, Dr. Arun Inamdar**, stated that although **Artificial Intelligence (AI)** has brought significant advancements in the medical field, it cannot replace doctors. On this occasion, the **University Calendar, Calendar of Events, and Diary for the year 2026** were formally released. To further foster patriotism among the youth, a **Patriotic Run/Walk** was organized in collaboration with **Veterans India**.
